Boise County Sheriff Kaczmarek Resigns from Office

Sheriff Jim Kaczmarek

BOISE COUNTY -- Jim Kaczmarek announced his resignation on Tuesday morning, March 3rd, by submitting his two weeks' notice to the Board of Boise County Commissioners. He had been a write-in candidate for Sheriff in 2016 and won with an unprecedented majority of the votes. His 1,187 votes exceeded that of other candidates on the ballot. *[The next candidate on the May 2016 ballot to win with the most votes was Alan Ward, who won in a landslide victory with 1,058 votes for Boise County Commissioner.]*

Sheriff Kaczmarek mentioned to the Commissioners that he was encouraging his Chief Deputy, Steve Dorau, to put in to finish up the Sheriff's term through December 2020. "He does not want to be sheriff after this term." Sheriff Kaczmarek added, "And it might be good for everybody if the chief was appointed as an interim Sheriff. He knows the operation in and out, can handle that. And that doesn't put the Re-

publican Central Committee or you guys in any spot of playing favorites." Chairman Ward agreed by saying, "It makes good sense," and would contact the Boise County Republican Central Committee regarding the resignation.

On Tuesday afternoon, Chief Deputy Dorau confirmed that he would offer to finish out the Sheriff's term of office.

Kaczmarek stated he had reached the goals that he set as Sheriff and looks forward to moving on with a new job he has lined up, starting on Monday, March 16th.

"According to Idaho law, the Boise County Republican Party has 2 weeks to submit a list of 3 names to the Boise County Commissioners for consideration. The county commissioners then select someone from our list to appoint as temporary county sheriff to serve until the election of a new sheriff."

"We will be interviewing interested candidates in the next 10 days for consideration."

Garden Valley Senior & Social Center News By Candis Donicht

Those who attended the GVSC Annual Talent Show on February 29 probably knew they were in for a great evening as soon as they entered the Community Hall to be greeted by costumed Board Members CJ Scharf as "Earl" and Niki Hutchinson as "Trixie." There's a pair to draw to.

Playing to a full house, local musician Dick Polley opened the show by strolling up the aisle with his trusty guitar and singing "Paradise." GVSC Board Chair Barb Baker ushered in the acts to a friendly audience given to loud applause and even some whistling. The

program included:

- The GV Pep Band, directed by Kelly Hughes, performing "Hit the Road Jack" using a variety of instruments and receiving crowd approval
- John Rich, talented local musician who writes his own music, performed "Rising Wheel" on the piano and then a touching tribute to a friend in "Greenery" on guitar
- KXGV-LP Terry Loyd introduced DJs Jan Solecki and Teri Day, who gave new meaning to 'horsing around' with hilarious costumes to the music of "Blanco Brown The Git Up"
- Ophelia Ross, age 13, per-

formed "Riptide" in her beautiful, melodic young voice

- Steve Jett spent his first day of retirement performing Jim Croce and Arlo Guthrie tunes. Great voice; welcome, Steve!
- Cowboy Poet John Blakely (the guy with the white cowboy hat and black kerchief) entertained with poetry, great inflection and humor
- GV Middle School Drama Club, with a bright future in performance, amazed the crowd with excellent vocals and perfect cadence to "Tarantera." Kelly Hughes was the director.
- Gordon and Tamara Hamilton, The River Twice, performed "Wagon Wheel" with Gordon on guitar and harmonica and Tamara singing. Later in the program, the couple performed again with "Turn Out the Lights" and had the crowd join in with hand clapping.

• Before Intermission, Emcee Barb Baker gave a special tribute to Payette Forward and all of their volunteers for outstanding service to the community. Each volunteer and Ruth Richter were acknowledged while Sound Man Rob Murray keyed up "Thank You for Being a Friend" on the sound system.

• The brand new GV High School Humanities class showcased their budding talents after building their own instruments and performing "Sunrise." Were those Idaho license plates on the front of the instruments? Clever, talented kids.

• Doug Haines with his guitar and strong voice took us back to the 60's with "The Times They Are a Changin'" and followed by going a little twangy with "Night Riders' Lament"

• Medley Girls Incorporated (Nancy Blanchard, Alicia Sheehan, Makena Jones and Shanna Crane) shared generations of family talent, each showcasing a favorite oldie.

• Leena Sheehan, age 6, was wildly received for her keyboard

solo, "Springtime Sunset." Can't wait to watch this one grow and perform.

• Anita Sherwood, well-known all around good lady, mustered up courage to perform "America the Beautiful" and thereby mark it off of her bucket list. Dick Polley accompanied Anita's beautiful voice. She also gave sage words of wisdom about relocating to Crouch/Garden Valley.

• Sharon Svenson was mesmerizing, almost hypnotizing, in performing her fire dance to the music of "Geronimo." She used light props, as her real fire props

were nixed, but this was still an amazing visual art.

• A sultry, bewitching performance was given by Makena Jones to "Peak." What a voice!

• Dick Polley got the crowd going in a sing along to "This Land is Your Land" to conclude the show. Dick's talent, energy, and welcoming spirit are ever present.

This year's Talent Show was upbeat and packed with excellent performances. It isn't too early to begin preparing for 2021's show. Never say never!

BOISE BASIN SENIOR CENTER IN IDAHO CITY

WHAT'S HAPPENING AT THE SENIOR CENTER IN IDAHO CITY?

It has been quite some time since I have written an article in the Idaho World. Life has been quite busy...so many exciting things are going on at the Senior Center! Tuesday, March 10th, 12:15 pm, there will be a Q&A with people from Senator Risch's office and Thursday, March 12th there will be a speaker at the center during lunch to talk about reverse mortgages.

All of us at the center would like to give a big THANK YOU to all of our donors; Bill & Nancy Barkell, the local Baptist Church, Idaho Power, Boise County, Dawson Coffee, Treasure Val-

ley Coffee (chips) and local persons for their generosity to the center, whether it be monetary or volunteerism. The donations have really helped us continue to serve wonderful, nutritious meals and to help keep the Food Pantry running. If I have forgotten to name any of our donors, I apologize.

We appreciate all the patrons that come for lunch and all the volunteers that help out at the center. Without all of you, we wouldn't be able to serve those that come through our doors!

Please bring a friend to lunch with you so they too can know how tasty our meals are. We have meals-to-go; you can either come in and package your own meal or you can call ahead and it

will be ready for you to pick up (between 12:15 and 12:45 pm). Soup is served starting at 10:45 am, the salad bar opens at 11:30 am, and the main meal is served at noon.

Have you seen our silent auction goodies? Items change every two weeks. Stop in and place a bid on items that interest you and support the center too.

We will be doing our Cinco De Mayo fundraiser dinner on Saturday, May 2nd. Remember, seating is limited so when we open the ticket sales up, get yours early to ensure you have a seat for this amazing meal. There will be silent auction and raffle items at the event.

The Food Pantry is open 11:30 am to 2:00 pm the second and fourth Wednesdays

of each month.

Are you interested in a low-impact exercise class? On Tuesdays and Thursdays from 10 am to 10:45 am, the "Fit & Fallproof Class" meets at the center. Come and see what it's all about.

Spring is on the way and we would love to see more

"new" faces at the senior center! Stop in and see what's on the menu or just have a cup of coffee! We open at 10:45 am.

Garden Valley School Hosts a Career Day

By Jennifer Haney

GARDEN VALLEY -- February 27, 2020 the Garden Valley School hosted a career day to help students explore their options after High School. Many organizations, companies, and individuals arrived in the morning and set up tables with display materials throughout the halls and in the multipurpose room. Some of the participants were public service organizations such as branches of the military, the US Forest Service, and Idaho Sherriff's Department. Idaho colleges, Boise State, Idaho State, and College of Western Idaho were in attendance. Additionally, private companies, local business owners, and a published author provided information to the students. Several presentations for the students were also conducted in classrooms to provide more in-depth information on career topics the students were interested in.

Throughout the day, high school as well as middle school students perused their options, encouraged by friendly faces, sugary incentives, and prizes. Many students were very interested in the displays and asked thoughtful questions. Some students had clear goals in mind for their future while many others were unsure as of yet. Regardless, all the students were attentive, considerate, and appreciative.

This was a great opportunity for teens and professionals to interact and provide immediate feedback. All in attendance were surely enriched. Special thanks to School Counselor Shontae Cone for spearheading this effort.

Opinions ~ LETTERS TO THE EDITOR

I have 5 children, aging from 7 to 16 years old, who attend the Basin School District. All 5 went to the Preschool and all plan to graduate from Idaho City High School. This school has provided many opportunities for my children, through academics and extracurriculars. Currently, my 3 oldest children are playing sports including volleyball, football, basketball and track and field through the school. I have greatly enjoyed watching my children grow up in this school along with going on field trips with them, watching them play sports and seeing the benefits of the various STEM activities, among many others. I send my children to this school every morning knowing their education has been put in good hands by the staff at the Basin School District and knowing they are safe. The recent installment of Officer Gomez and his knowledge of internet safety, especially, has made me proud that I chose this school.

Without the levy passing, however, many extracurriculars and certain benefits that my children enjoy will not be available. These

extracurriculars contribute to my children's education by providing them with stress-relief, physical activity and fun. There are other extracurriculars such as NHS (National Honors Society), Prime Time, and Club 116 that are also very beneficial to the students. However, especially in our high-school, we are somewhat lacking in clubs or other opportunities for students who do not want to participate in sports. Passing the levy could greatly help with providing these kinds of opportunities. Having extracurriculars, in general, are important for mental health and producing a feeling of community at our school.

Among the importance of extracurriculars is the extreme importance of my children gaining a well-rounded education. As I mentioned, all five of my children attended the Preschool. It allowed them to gain self-confidence and social development before entering a more strict school environment. I am very grateful for the preschool and what it accomplished for my children. Also, my oldest child who is a sophomore,

Ruby Olvera, is taking a couple dual credit classes and plans to get her Associate's degree when she graduates from ICHS. I am very happy that we are able to live in such a small district and still have this kind of opportunity. The amount of learning and education that my children have gotten from this school continues to surprise me. The main reason for the amount of education they have gained compared to how small our district is can be contributed to the levy passing. With more funding, our school is able to provide more and more education.

With the passing of the levy for the past couple years, we have already gained more opportunities including a theater class, STEM activities and an SRO, as well as new teachers and staff members. Our school district, like any other school district, wants to advance in order to keep our children safe, happy and educated. If the levy passes, this goal will be possible.

Signed,
Jennifer Olvera

I have major concerns that if Greg Keefer is elected sheriff his intentions are to terminate many of our current officers. I have heard from many credible people that he has said this to them directly. That seems completely crazy! My concerns are very real. If Greg Keefer is elected and terminates the entire department, who will be serving our county while he tries to fill the vacancies that he talks about? If he is elected and terminates anyone how will the county pay for the lawsuits that will create? Wrongful terminations, or terminations without cause will cost the county money that we don't have. We do not need anyone moving in here, stirring the pot and creating unnecessary lawsuits against the county. We have great officers. The majority of Boise County will agree our officers are wonderful and if you don't like them, it's most likely because you have run ins with the law. If those are the people that Greg Keefer attracts by promising to fire the current officers, then I certainly don't want him to be our sheriff! There are a few different versions of what Greg Keefer has been saying about the current of-

ficers. Maybe they vary based on his audience. But all these stories have the same ending. He will be terminating deputies and command staff. If he is elected, how will there be a smooth transition? He states on his Facebook page there will be vacancies. How can he just throw these statements around and expect a smooth transition if he is elected? If he fires any of our officers how will the county have law enforcement coverage if there's no one left!? We do have 2 other candidates; one we know little about. The other candidate is currently an officer for the county, Scott Turner. He seems to be the most qualified. Either one would be better than Greg Keefer. Greg Keefer is NOT Boise County material! Greg Keefer is a liability in the making!

Family Member Receives WWI Victory Medal

Written by Icey McCabe
IDAHO CITY -- James F. Head was a member of the US Army (AEF) 91st Division assigned to the 348th Machine Gun Unit, fighting in France. In 1918, during the Battle of Meuse-Argonne, France, James was wounded and returned state-side to Idaho. He was a rancher in the Declo, Idaho area.

After James passed away, his grandson, Paul, a U.S. Navy Veteran, was given the army uniform that his grandfather wore. He has it on display, under glass, at Trudy's restaurant in Idaho City.

Steve McCabe noticed the uniform display, and after talking with Paul about his grandfather's army career was able to obtain the medal and bars that James should have been award-

Warming Up for Spring Sports in Horseshoe Bend

The Horseshoe Bend Varsity Mustangs 1A Softball team stretches out before taking the field in a recent practice. The Mustangs begin their season with a three game homestand starting with their season opener against the 2A McCall-Donnelly Vandals (game starts at 1:00) before taking on the 2A Marsing Huskies on Monday, March 16 (game starts at 4:30). The ladies host the Garden Valley Wolverines on Wednesday, March 18 in their first 1A Division conference game (start time 4:30).

Contractors are hard at work at Horseshoe Bend High School. The Mustang baseball team will be getting a new electronic scoreboard to replace the dry erase whiteboard model (made by former student Jaden Black) the school has had for several years. The softball team will receive their own scoreboard as well. Both scoreboards are being provided courtesy of a sponsorship from CapEd. *Photos by Tracy Koslosky*

Coming off their third place finish in last year's state tournament, the Horseshoe Bend Varsity Mustang Baseball team is gearing up for the 2020 season. The starting lineup is mostly intact from last season having lost only two seniors from the previous year. The 1A Mustangs will travel 135 miles to McGinnis Park in Wendell for a non-conference season opener double header against the 2A Wendell Trojans on Tuesday, March 10. First game begins at 4:00 p.m. They'll have a 3 game homestand beginning on Saturday, March 14 in a double header against the 2A McCall-Donnelly Vandals. First game starts at 1:00 p.m. On Monday, March 16 it's the Mustangs versus the 2A Marsing Huskies. First pitch is at 4:30 p.m.

CALLIGRAPHY AT THE LIBRARY

The 2020 Idaho Inkspots Calligraphy Guild exhibit is currently on display in the Boise Basin Library's Community Room. The theme this year was "On The Lighter Side". There are beautiful examples of many different calligraphy hands that are embellished with lovely art work -- and humor!

Visiting Elk Heard

While a herd of elk visited a residence in Garden Valley, they stayed to snack from the bird feeder. This little one was protected by his mom and aunts, but then he peeked around to see the photographer. *Photo by Marjolein Lolkema*

BOISE COUNTY

Follow-up on Accident on Hwy 21 / Robie Creek Road

EAST BOISE COUNTY -- In the article "Accident on Hwy 21/ Robie Creek Road," dated 2/26, the four-door Chrysler sedan made a hard left, not a right, from the highway and seemed to pick up speed as it went over the cliff. The accident occurred on Monday evening, February 24th, when the vehicle went veering from State Highway 21 and came to rest just off the side of Robie Creek Road. The driver of the vehicle was extricated, with the assistance of Robie Creek Volunteer Fire Department.

According to the Boise County Courthouse, the individual is said to still be in the hospital and has not been scheduled for a court date. According to the responding officer, Salah Jafer, 23, received minor injuries and was cited for driving without privileges. Witnesses stated that the driver of the vehicle appeared to be impaired, but no charges have been issued to that affect.

The Lucky Peak Nursery is a resource for the entire Intermountain West, producing over 3 million (1 and 2 year old

trees and shrubs.

Seedlings produced at the nursery are used for restoration efforts on public lands disturbed by wildfire, timber sales, or other events. Some brush species produced sustain mule deer populations on their winter ranges.

When the nursery has produced more seedlings than its customers need, the surplus becomes available to the public. The seedlings are best suited

for land owners with property in rural areas. They are not intended for homeowners in urban areas to plant in their backyards. Written planting instructions and technical assistance will be available.

The Lucky Peak Nursery is located 16 miles northeast of Boise on Highway 21 (15169 E. Highway 21, Boise, ID 83716). For more information about the annual seedling sale call: (208) 343-1977.

A Facebook Fundraiser has been established to help cover the costs for McReynold's memorial service and burial expenses. The family invites the community to a Celebration of Life potluck for Danny on Saturday, March 7 at 3:00 p.m. Horseshoe Bend American Legion Hall, 120 Boise Street.
