THE VOICE OF BOISE COUNTY

VOTER'S GUIDE ~ Meet Your Boise County Candidates

Boise County Local Schools and Meal Information

By Jennifer Haney

GARDEN VALLEY -- Garden Valley School, much like many other local school districts, is delivering free meals to children and others that need it. They are delivering breakfast and lunch once a day Monday through Thursday (the days the school is normally open). A result of the coronavirus, all local schools including Garden Valley have transitioned to online schooling. It is a blessing that our schools and children are able to participate in this. The alternative consequence may have been for all the children to repeat the grade and/or not graduate on time. Therefore, it is good that this online schooling service is being provided. However, online education affects many in a myriad of ways and is a drastic change for the students. The food service that the schools are providing is, at face value, dispensing nutrition to the children and others who may need it, during a time that may be difficult to obtain food otherwise. But the program is also doing so much more. It is maintaining cohesion amongst school employees. It provides employees the opportunity to help the community and it keeps food service workers, bus drivers, janitors, and food delivery personnel working. For the students and other community members, the food service program provides a connection between the school and the children. The transition to online school for the children (and parents) can be very stressful. Their school days and structure of life have been up-ended. The daily bus offers them a schedule they can count on. Every day at the same time, the bus will be there. The food the children receive is, for the most part, the same that they have always had at school and thus gives them familiarity. However, possibly the most positive by-product (besides nutrition) of this food delivery program is the reassurance to the children, parents, and other

community members that the school is there for them. The school and the familiar smiling faces that greet them at the bus have not forgotten them in this time of upheaval. Thank you, Garden Valley School District, and all other school districts for being the glue that keeps our communities together.

For more information or if you are in the Garden Valley School District and would like to participate, email Stephany Corn at scorn@gvsd.net.

HORSESHOE BEND -- **Dennis Chesnut, Superintendent / 6-12 Principal**

Horseshoe Bend School District #73 - We began our Grab-And-Go meal services on March 30, free for all students, operating Mon-Fri. A combination breakfast and lunch meal is delivered by school bus to regular-route bus stops, and the meals are also available for pick-up at the school cafeteria Mon-Fri from 9-9:30am. We are also using the meal delivery by school bus to pick-up/drop-off elementary homework packets, deliver Community School resources (Friday food packets for our Friday Back-Pack students, diapers, etc...), and our counselor is riding the bus in order to have brief interactions with students. We have a section of our website dedicated to information on the soft-closure (www.hsbschools.org).

IDAHO CITY -- **Basin School District Closure Update**

By Superintendent Brian Hunicke - If you watched the Idaho Board of Education meeting Monday, you heard the board vote yes on closing schools for the remainder of the year, excepting in the event public health and safety guidelines are met and a school may reopen. Guidelines may be established at the next board meeting on Wednesday. What does this mean for the students who attend Basin School Dis-

trict? The students will continue online and/or using paper packet courses developed and presented by teachers until the end of the year or until public health and safety change the date of return. What does this mean for non-teaching staff members? Paraprofessionals are aiding teachers with phone calls, clerical work, and other support. Custodians and maintenance are working hard on cleaning, painting, repairing, and maintaining the building. Bus drivers are delivering food and conducting maintenance on the buses. Office personnel are working on communications with parents, as well as lots of projects the district never gets to, like electronically scanning and archiving thousands of documents. Internet access? Several families do not have Internet access at this time. The district is working with local companies and organizations to come up with solutions for those families so their students can work online instead of via paper packets.

Graduation? At this point we are following the guidelines of the CDC to determine the possibility of a graduation ceremony. As we approach May we will have a better idea of the COVID-19 status.

Basin School District Free Breakfast and Lunch Deliveries Mondays - Fridays The Basin School District has received a USDA federal waiver to provide a summer food service program where any child from age one to eighteen can receive a FREE sack breakfast and lunch Monday through Friday (except holidays).

The Basin School District Bus Drivers and Food Service personnel will deliver breakfast and lunches that include USDA mandatory items such as milk, vegetables and fruits, grains/breads, and meat or meat alternatives. Due to the emergency, the district had to order Un-crustable peanut butter and jelly sandwiches for the first two weeks. If your child is allergic to peanut butter please let the staff know. The pick up times and places are as fol-

I am proud of how our community, staff, students, and parents have responded to this crisis. I would like to thank everyone for your contribution. Please visit www.basinschools.net for additional information or email bhunicke@basinschools.net.

Go Wildcats!

Idaho City Middle/High School Update

By Principal Sean Porter Students and Staff at Idaho City MS/HS are working extremely hard to make a tough situation as positive as possible. Teachers began work before Spring Break to convert and create as much online curriculum to deliver through distance learning as they could. On March 30th

students headed back to school from their homes. The transition has had some bumps but I am very proud of both students and staff for how they have risen to the challenges we are now facing. It is a testament to the outstanding community we live in. It's not always easy to live in Idaho's rural communities but times like these I find myself appreciating it even more. In our schools, teachers are teaching, students are learning, and we have all become educational leaders for our children and students. I am extremely proud of them all.

Along with the many challenges this spring, the postponement (the Idaho High School Activities Association has not made any official announcements as of today) of the Spring Track Season is among those disappointments. Idaho City MS/HS normally has 80-90 student athletes participating in track from 7th to 12th grade. Our track programs are something we take great pride in. We have great coaches and even better student athletes who put in a ton of work in the classroom and at practice to compete all season long.

Friday night at 8:20PM (20:20) until 9PM the lights will be turned on at the football field and the gate opened up for vehicles, student athletes and their families are invited to drive around the track under the lights as a way to support and recognize our student athletes and our community. This is part of the “Be the Light Cam-

BOISE COUNTY**CANDIDATES RUNNING FOR OFFICE:**

**Dale Ortmann for
Boise County Sheriff**

My parents Ervin (after Korean War service) and Lily Rose Ortmann were farmers in South Dakota (40 acres). He was a partner with his father in an Allis Chalmers implement business. New tractors were loaned to farmers with a handshake. I was two when he left farming after "being called" into the Ministry.

Five kids left the farm to Vennard College in Oskaloosa, IA where my father graduated to become an ordained minister for the ECNA denomination.

After graduation, we moved to Clarinda, IA. My dad started a church and I started a night-crawler business in second grade (.50 a bakers dozen); and worked as a dish washer at age 12 at George's Pizza (great Greek family). I rode my bicycle 1-3 times a week to fish in the Nodaway River for mostly catfish, bass, and bullhead.

I remember positive interactions with the police because I shot birds, rabbits, and squirrels in town. I remember getting picked on by two bullies after I rode my bicycle without permission to a store. Just when they started pushing me, my father appeared because he had surveilled me in a car. I remembered he showed love when I wanted revenge. He invited them to church and they became my older friends.

My mother (deceased 2015) was a farmer/pastor's wife. She started as a teacher in a one room school house in SD. She cooked and baked for everyone. Her garden was bountiful, and she taught me to share.

My parents instilled in me the goal to graduate from the University of Nebraska, Lincoln, B.S. in Criminal Justice, with a minor in Spanish. I served as a Deputy U.S. Marshal (District of Oregon, 1990-2009) and later a Special

Agent with the Office of the Inspector General (OIG), assigned to the Social Security Administration (SSA) in Oregon and Idaho (2009-2017).

If you elect me as YOUR Boise County Sheriff you will get what my parents raised me to be. First, a son of my Heavenly Father, second a man who carries a gun and knows when to use it, and when to solve a bully problem in another way.

Daleortmann.com

**Lee Wilkinson for
Boise County Sheriff**

To the citizens of Boise County,

My name is Lee Wilkinson and I'm running for sheriff. I have a Bachelors degree in criminal justice and over 10 years of law enforcement experience, retiring as a Sergeant responsible for the management of 100+ officers within NDOC. I am also a veteran of the United States Air Force, where I served as a Crew Chief responsible for the management of all systems and personnel aboard C141 and C5 aircrafts. Additional responsibilities of the Crew Chief included coordinating and supervising the proper completion of all work duties. I have been an active responder for the Clear Creek Volunteer Fire Department for a little over 3 years.

We will be refining our community policing model. We will work to maintain the successes the current department has in many areas of the county. We will work hard to succeed in the areas of the county that have been routinely let down. Being actively involved throughout the county will restore confidence and trust in the department, in these areas. I will be personally involved, present and supportive throughout the county.

Implementing a Reserve Deputy Program, with a strong network of volunteers, will alleviate the time-consuming burdens of our deputies and allow them the time and free-

dom they need to be present and involved throughout the county. This is not related to having part-time deputies.

The Reserve Deputy Program functions like that of our Volunteer Fire Departments, utilizing the training and experience of our community on a volunteer basis.

This also gives our deputies (whom are typically alone) confidence in responding to calls knowing that if THEY decide they need assistance, there are capable people close by ready to answer that can call and support them however THEY need.

When we can safely gather again, I'm looking forward to visiting more areas of the county. Speaking with the citizens in different areas of the county is important for me to understand the specific needs we have and where changes need to be made.

Feel free to contact me at **www.lee4bcs.com**

**Gregory Keefer for
Boise County Sheriff**

I am a conservative, Republican, candidate for Boise County Sheriff. I am a retired patrol deputy sheriff/deputy sheriff paramedic and a Special Operations combat veteran. I have been campaigning throughout Boise County since December 2018.

I am 48 years old and married to my beautiful wife, April. We have three children and have lived in Boise County for ten years.

I have 15 years experience as a Patrol Deputy Sheriff in Mohave County, Arizona and Los Angeles County, Califor-

nia. My Sheriff assignments included: Patrol, Waterways Patrol, Search & Rescue, Paramedic Instructor, Evictions/Restraining Orders, and County jail and court bailiff in Los Angeles County Superior Courts.

As a Combat Veteran, I managed a specialized Air Evacuation program, drafted policy, maintained budgets, and stood up a 25 member specialized air evacuation team.

In October 2001, I passed a comprehensive selection for U.S. Army Special Operations Command. I completed John F. Kennedy Special Warfare Center & School-Civil Affairs Course. I was assigned to the 426th Civil Affairs Battalion as a Special Operations Paramedic Sergeant.

I have deployed to twelve states and six foreign countries in service to our great nation.

As your Sheriff I will:

***RESTORE-** Deeply eroded trust and poor relationships between the Sheriff and the public,

***REORGANIZE-** Sheriff Priorities. I will put an Immediate End to the "Good Ol Boy" corrupt practices, unprofessional conduct, and to Fiscal Waste. I will start a comprehensive Community Policing training program and an enhanced field training program for employees. My goals include pay/benefit increase, positive work environment, a detective investigator and providing more deputies in the field,

***IMPLEMENT-** Community-based training while focusing on the "Spirit of the Law". I have created hundreds of honest relationships with the people and the businesses in Boise County.

My PROVEN experience in Law Enforcement, PROVEN management and leadership experience, 14 months of building your trust as a viable candidate, combined with my commitment to integrity and instilling professional Sheriff ethics, qualifies me as YOUR Sheriff of Boise County. Please see my website for more detailed information: **gregorykeefersheriff.com**

I ask for your support and vote,

Gregory Keefer

**Scott Turner for
Boise County Sheriff**

My name is Scott Turner, and I am asking for your vote for Boise County Sheriff May 19th. I have lived in Boise County for 28 years. I am a husband and father to four children all born and raised in Boise County. I have committed 20 years to Idaho Law Enforcement, right here in Boise County and look forward to many more.

I hold an Intermediate Certificate through Idaho POST Academy as well as many other certifications in Law Enforcement. I am the only POST certified candidate. During my career, I have been fortunate enough to work in several areas of law enforcement including: Chief Of Police for Idaho City (13 years) Boise County Jail, Reserve Deputy, Patrol Sergeant, and currently interim Sheriff.

I have a great deal of experience in budgeting and thoroughly understand the process. I know what it takes to find solutions. If elected Sheriff, I plan to work alongside other elected Boise County Officials to address the current budget and other critical needs of our department. I have plans to seek grant funding and other outside funding solutions. I will implement Community Policing models for the purpose of bettering relationships with our community. I will work hard towards implementing 24hour coverage throughout the county, so that all citizens can have the services and protection they deserve.

As Sheriff, I promise to work hard for all of Boise County and its residents to protect the quality of life we all come to love. I promise to protect your Constitutional Rights and our Idaho way of life. Being POST certified allows for me to be a

~ continued on page 3

CANDIDATES RUNNING FOR OFFICE:

~ continued from page 2

working Sheriff. As a working Sheriff, I aim to improve communications and public relations while also evaluating Deputies and addressing Community concerns. If elected, I promise to serve with the upmost honesty and integrity for the citizens of Boise County. Please Vote Scott Turner Boise County Sheriff.

"Scott Turner for Sheriff" Facebook page.

Steven Twilegar for County Commissioner District 1

4th Generation Idahoan. Graduate Northwest Nazarene University (1992 BA Business).

Analyst/Trader For Idaho Power, IdaCorp Energy, NV Energy, & Integrys Energy.

Financial Advisor, Broker, Safety Manager, Restaurant Owner/Operator, Professionally Trained & Skilled Negotiator (Karrass 1994)

Fishing/Hunting Guide in Argentina.

Since June of 2018, Twilegar has been the operating partner of The Gold Mine Grill & Saloon, RV Park, and Hotel in Idaho City. Anyone who has visited the properties will know how much they have thrived under his leadership. For more than 18 months Twilegar has volunteered for the Idaho City Volunteer Fire District and volunteers in other capacities as time allows. Perhaps most important, Twilegar is known as an agent of change and is typically hired to effect change in failing or stagnant businesses.

My initial focus as County Commissioner will be as follows:

1. Emergency Services. As growth comes, our emergency service personnel, equipment, and facilities will be strained

even more than they already are. I will work closely with all stakeholders in EBCAD and Fire Departments/Districts to enhance service as soon as reasonably possible. Public safety must be our first priority.

2. Emphasis on grant writing. A full-time grant writer position could pay for itself multiple times over with just one grant.

3. Accountability – All government employees should be held accountable. We are servants of the people, not their rulers.

4. Fiscal responsibility will be top priority. County purchases will require sound reasoning and debate. We must stop wasteful spending.

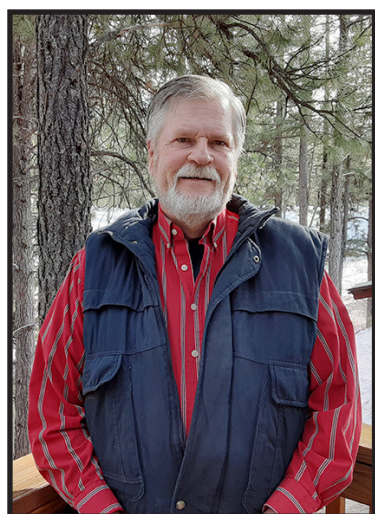

5. Business Friendly - The reality is we need grocery stores, gas stations, restaurants, retail and other businesses. Consequently, smart business growth should be embraced. A hostile business environment helps no one.

6. Roads - It's going to take an entirely different approach to get ahead of road maintenance. Let's make a workable plan and stick to it.

7. Planned Growth. Growth is coming whether we like it or not. Consequently, we need to get ahead of it and plan for the future. Let's begin negotiations NOW!

Boise County has its best days ahead of her. Let's work together for positive change!

<https://www.facebook.com/TwilegarForCommissioner>

Jeff Wright for County Commissioner District 2

Boise County faces one of its most important election seasons in 2020. I am running for the District 2 Commissioner seat. There are several critical and important reasons why:

*Planning: There is a problem with a lack of planning and

forward-thinking by the BC BoCC. There many development impacts bearing down on the county, particularly coming from Ada County and large-scale mining.

*Business Environment: Hospitality and Recreational business owners alerted me to solutions needed in the way the County approaches business.

*Budget: Severe county budgetary and economic issues exist going forward with state funding formulas and reliance on property taxes when only 11% of BC is taxable private property and 89% is nontaxable Federal land. Future PILT and SRS funding is headed FURTHER DOWN, new budget solutions will need to be implemented to offset.

*Professionalism: All County offices require a "level-set" of personnel Policies, Procedures and behavior going forward. Boise County requires a commitment to Transparency. We need to prioritize improved salary and benefits and best business practices employed within the existing budget.

We need a fundamental change in county leadership in order to meet unavoidable and imminent challenges facing our county the next decade. The "status quo" no longer works.

On the personal side: Married to Colette 38 years, with two sons and one granddaughter. We met in the Navy. Lived, worked and played in Boise County since 1966. My family bought land in Lowman, where we live now, in 1968. I graduated from Meridian H.S. and enlisted in 1974.

Gave 6 years in the Navy and another decade in Defense Contracting for Space Systems and Advanced Telecommunications. Then, moved into commercial Research/Development/Engineering for IT/Telecommunications systems. "Semi-retired" from career as System Analyst and Chief Consulting Systems Engineer to Bell laboratories, Holmdel, NJ. Designed, worked and completed engineering projects across the Americas, Europe, and Asia.

Served 5 years as District Director for a taxable Fire District, committed time to numerous county, state, and District committees and boards. With Colette, completed thousands of volunteer hours to many community and private organizations. I am running for Commissioner and respectfully request your vote on May 19, 2020.

Gary Brown for County Commissioner District 2

My name is Gary Brown, and I am running for district 2 commissioner of Boise County.

I was born and raised here in Idaho, and lived here my entire life. I first moved to Boise County in the 1970's. I ran a small business in Idaho City, and later I fought forest fires until I broke my back in the woods. I eventually became the sheriff of Boise County. I now own a small business in Garden Valley with my wife Pam.

As a business owner in Idaho City, my family was very active in the community. My

parents were even known locally as mom and pop. My family often held Christmas and other holiday parties hosting locals without family as well as firefighters and forest service workers unable to get home to their families.

As a deputy with the Boise county sheriff's office, I was the commander of the Boise county sheriff's reserve unit.

Along with being the sheriff of Boise county, I was also a founding member of the Idaho sheriff's association, voted in as secretary / treasurer for two one-year terms. As well as being a founding member of the Heartland Law Enforcement Association, and I served one year as vice president, and one year as president of that organization. As a part of both of these groups, I was able to accomplish a great deal for Boise county as well as the state of Idaho.

- Built a network of county agencies across the state to participate in prisoner transport statewide; saving taxpayers thousands of dollars.

~ continued from page 3

- Generated income for the county through both the sheriff's dept. and local fire departments through cooperation with state and federal government agencies.

- Promoted great community relations with law enforcement by being both a part of, as well as patrolling, the different communities of Boise county.

In 2000, Boise county was one of six different counties nationwide to be selected by the U.S. Dept. of Justice to participate in a new program called "Community Justice". The program focused on creating and growing personal relationships between law enforcement officers and members of the community. Specifically at-risk kids. As sheriff, I was trained in this program and how to implement it here, and to share our training with neighboring law enforcement agencies which saved both counties money.

During my time as sheriff, I also started and built a search and rescue team for the Boise county sheriff's office. Sharing both training and assets with other local agencies.

**Alan Ward for
County Commissioner
District 2**

First, I would like to thank everyone who has supported me in the past. It has been a great experience and together we have accomplished many things. As in anything government, the work never ends. So therefore, I ask you for your vote this election primary to continue on running this beautiful county we all live in. We

have come a long way in budgeting for all of the Boise County departments and elected offices. The commissioners in the last few years have gained new respect for the needs of the Boise County tax payers, which you know are delivered through these departments and elected offices. Improvements have been made in many areas, with emphasis on the road department and sheriff's office, having the largest budgets and the need for increased revenues. All departments and offices are extremely important, with new considerations made on a weekly basis. We have been very thorough in the reconditioning of county/taxpayer owned equipment, vehicles, and buildings. With a few exceptions, these categories have been refurbished to acceptable standards. I believe all things owned by the county belong to the taxpayers and need to be respected and kept in good condition. The most valuable asset Boise County has are its employees and elected officials. They are an extremely devoted crew. Through a reset of ideals, all departments are being very well run and employee moral is on the upswing. Nobody loves this county more than I do and I have enjoyed my 22+ years of service to its constituents. Thank you again and please vote.

**Alan Ward, Boise County
Commissioner, District 2**

Boise County Residents and Voters,

As a 21-year resident of Boise County, I have decided to throw my hat in the ring for Boise County Commissioner – District 1. I believe in responsible government that manages growth and gives good value to taxpayers. I am a proud Republican, and will guard our County values and resources to benefit our citizens.

I have been married for 30 years and have two daughters. All four of us are engineers and we all graduated from Montana Tech in Butte, Montana. I believe in STEM education and feel that it is vital to our economy.

Much of my career, I worked in the private sector, with 15 of those years as a project manager for Albertsons. When Supervalu purchased Albertsons, I did not accept Supervalu's offer to move to Chicago. I

**Rhonda Jalbert for
County Commissioner
District 1**

wanted to remain in Idaho. I then worked for 10 years as the Development Director for Valley Regional Transit (VRT). During my tenure at VRT I learned a lot about managing public projects and brought streamlined processes from the private sector to help save time and money.

I have served as Wilderness Ranch Owners Association (WROA) President from 2005 through 2009, and 2018 to present. During my tenures WROA has funded, designed, and installed a water treatment plant for 276 properties, created a Fire District from the WROA Fire Committee; and, most recently in 2018 we have funded, designed and are constructing two bridges to serve WROA residents for the next 75 years.

My professional experience in the private and public sector has prepared me for managing the diverse and complex functions and projects that are administered by the Boise County Commissioner role. I have extensive experience with engineering, construction management, planning, applying for, and budgeting local, Federal and State funds.

This experience is vital to "Building Bridges to a better Boise County". Growth is coming to Boise County, and I promise that I will provide the solid, responsible leadership that will make growth a blessing and not a curse. I ask for your vote on May 19, 2020.

Thank you, and may God continue to bless Boise County!

**Rhonda Jalbert
www.RhondaforIdaho.com**

**Robert Holmes for
County Commissioner
District 2**

I am a Patriot and Decorated Navy Seal Veteran who served his Country Honorably and Faithfully. Leadership, Honor, Integrity and the Constitution of the United States is the code I live by. I am a life-long Republican Conservative and I support our President and the policies that he has implemented.

America's Freedom Documents; The Constitution of the United States and the Bill of Rights set America and Americans apart as the most successful constitutional republic in this world and they serve as the undeniable bulwark that has, and will continue, to make our country great!

I will maintain an environment of open and respectful communication, with thorough and accurate information and engage the public in formulating plans and priorities. I will cultivate a dependable and responsible system that supports our community, but more importantly, provides access to services our residents need and desire.

- **Strengthening and Building Inter-government Relationships.** Our county is facing important change in growth patterns and strained revenues call for more efficient ways of providing services. We need to foster relationships and collaborate with partners to discover cost-effective solutions for community aspirations, and create solutions to the challenges of our evolving and growing community. Ensure fiscal responsibility and accountability of your tax dollars. Actively seek new and visionary ideas that support our community. IE; connecting communities with paved roads, supporting first responders.

- **Teach the public about county government.** People do not understand what the county

government does. As a result, Citizen participation in government at the local level has diminished causing a growing lack of understanding and mistrust. I will Preserve and Protect our rural way of life.

- **Strengthen Commissioners Advocacy Network.** County government is complex. Commissioners need to understand their legal responsibilities, improve their leadership skills, and become better advocates for county government at local levels and be more dynamic in their role in accomplishing our legislative agenda. A realignment of their roles and responsibilities to meet the revenue demands of our growing community that supports the high quality and wonderfully unique lifestyle of Boise county, for our present and future generations.

Robert Holmes

**Kenny Everhart for
County Commissioner
District 1**

I am a 20-year resident of Boise County in the Idaho City/ Centerville area. I have twenty years experience in the construction industry doing excavation work, including pipeline installation and repairs and road building and maintenance, for ten years of that I was a supervisor running a crew of about 40 employees and working with 50-60 different home builders throughout the Boise area.

I am currently the Public Works Director for Wilderness Ranch, my duties there include the operation of their water treatment system (I hold a Class 2 Water Treatment license and a Class 1 Water Distribution license) and the maintenance of 27 miles of mountain roads, including snow removal in the winter and rehab/ maintenance in the summer. I am also the Water Master for several other

~ continued on page 5

BOISE COUNTY

CANDIDATES

~ continued from page 4

small systems including Idaho City, Osprey, Mores Creek Rim Ranches, and Atlanta.

I have been on the City Council in Idaho City for 8 1/2 years, currently in my third term, during that time we have worked to improve the service of our public works department, we have added to our staff to better provide for the changing needs of our community and have improved the equipment and facilities. We are nearing completion on a major water system upgrade which includes two new storage tanks and two wells to provide an alternative source of water.

I have been a member of the Parks and Rec committee, I am in my third term on the City Council in Idaho City, I am a member of the East Boise County Ambulance District, and a Board member of the Association of Idaho Cities. These positions have allowed me to work with a large variety of people not only in Boise County but throughout the State including Mayors, Councilmembers, and Legislators. This has allowed me to gain a good understanding of the operation of a governing body and, along with the work I do, the ability to work closely with regulatory agencies such as DEQ, EPA, Health and Welfare, Idaho Dept of Water Resources, and The Corp of Engineers.

I believe my work experience and time on the City Council gives me a very unique range of experience that would be a great benefit as your County Commissioner.

I ask for your vote May 19th.

Kenny Everhart- Candidate for Boise County Commissioner, District 1

Roger Jackson for County Commissioner District 1

Roger Jackson is looking to be reelected as the Commissioner for District 1. His experience includes serving 22 1/2 years on the Idaho City council, and was also elected as Mayor. He served on the Sewer Board for 6 years. Jackson has been a County Commissioner for a total of 11 years and has attended numerous meetings held by the Idaho Association of Counties. He served as Commissioner from 2001 to 2007, and was reelected in 2014. Jackson has also been a logging contractor for 60 years, built roads, and plowed snow.

During his most recent term: The county has purchased a paver, which will be used to pave a mile or two a year. An electrical audit was done on all of the county buildings and all of the wiring was redone. The Horseshoe Bend county office was revamped, along with the Sheriff's station.

Goals: To turnover Highway 17 back to the State of Idaho, which was agreed upon in 2013. We would also like to build a Solid Waste Transfer Station in Horseshoe Bend and another on up Grimes Creek

and redo the Grimes Creek Road coming out onto Highway 21, to make it safer. We want to pave some more roads. We've upgraded most all of the county buildings.

Jackson says constituents often think that they can only vote for the Commissioner from their District. He explained: "You get to vote for any commissioner in District 1, 2, or 3; *not just in your district.* You vote for the commissioners in the other districts also."

Experience: "I feel that I've attended a lot of IAC [Idaho Association of Counties] meetings over the years -- *that I've been to a tremendous amount of meetings, and the most important thing is that I've got a lot of common sense.* I think anybody that's running has to have common sense, because being a commissioner is not as easy of a job as you'd think."

Basin Elementary School Update By Principal Jamie Pilkerton

Prior to spring break, Basin Elementary teachers began preparing for the possibility of moving their instruction online. Teachers prepared paper and pencil packets and book bags for each student. Additionally, all second through sixth grade students were provided a chromebook. Kindergarten and first grade students will receive theirs this week. Beginning on March 30th, Basin Elementary started providing students with instruction using a variety of online programs and video chats with teachers. Each day, teachers post activities and as-

signments that students access through their Google Classroom account. Some activities involve watching videos, completing interactive games and activities as well as paper/pencil assignments. With most of the online programs, teachers are able to track student progress on lessons and on work completion. If students complete their assignments, they are given credit for the day's attendance.

Additionally, teachers are hosting online video chats where they can check-in with students and provide additional instruction. Students are able to participate in these live instructional classes or login and view them at a later time. Teachers are available to assist students and their families throughout the regular school day by phone, email, and video. Basin teachers are working diligently to keep students meaningfully engaged in learning activities, and while the first week had significant challenges, students, teachers and parents are becoming more familiar with the programs and overall process of remote/online learning.

pointed to be the Boise County Prosecutor, I was a Deputy City Attorney with the City of Boise. I have enjoyed serving as the Boise County Prosecutor, and more importantly serving the citizens of Boise County. I want to ensure that Boise County is a safe place, not only for my children but for everyone in Boise County.

My top priorities are to ensure the safety of Boise County through fair and just prosecution, provide quality and reliable legal advice to the County to limit liability to Boise County property taxpayers, and to be open and transparent with Boise County Citizens.

Businesses are Ready, Willing, and Able to Serve

Written by Tracy Koslosky
HORSESHOE BEND --

Many small communities are being adversely impacted due to the shutdowns forced upon them by the coronavirus outbreak. Social distancing has separated people from rural towns in a way that few can ever remember experiencing before. But there are ways small communities can band together to help local residents as well as the town's economy. Supporting local businesses is one way to accomplish that. Many of Horseshoe Bend's businesses are still active in some way and they are employing your neighbors and friends. Community members can help ensure that these establishments will be there to enjoy when we come out from the other side of this pandemic. Mustang Towing & Tire Repair is operating as an on-call service during the shutdown. Appointments are available 7 days a week for new tires, tire repairs, oil changes, brake replacements, and general automotive repairs. For appointments call 208-318-8030.

Need a coffee fix? The Wired Bean drive-thru can take care of that Monday-Sunday from 6:00 a.m. -5:00 p.m. They can be reached at 208-793-3755.

As an essential business, Horseshoe's Hardware is open Tuesday-Saturday 9:00 a.m. - 6:00 p.m. and Sundays from 10:00 a.m. - 2:00 p.m. The owners are putting together Easter grab bags for the community's children. Residents can pick up the goodie bags (girl, boy & infant bags available while supplies last) free of charge on Friday, April 10 (9-6) and Saturday, April 11 (9-1). They also have a variety of Easter baskets & decorations available for purchase. While the Corner Café has temporarily closed, their baker is still supplying Ray's Corner Market (open and serving the community from 6:00 a.m. -10:00 p.m. 7 days a week) with cinnamon rolls, cherry rolls, and an assortment of cookies ranging from Grandma's oatmeal to strawberries and cream. Call 208-793-2391 to find out what's available.

Sonora Mexican Restaurant is serving up their regular menu for take-out dinners on Tuesdays, Fridays, Saturday, and Sundays from 4:00 p.m.-8:00 p.m. Orders can be paced by calling 208-793-3100.

Volcanic Farms is operating from 9:00 a.m.-6:00 p.m. Sunday-Monday. They have their famous pies and produce, including newly harvested asparagus. They can be reached at

The Locking Horns Riverside Restaurant is serving up their full menu plus nightly family style specials like roast beef and mashed potatoes and gravy.

Photo courtesy of The Locking Horns Riverside

208-793-2882. Doji Pure's line of facial skin care products, lip balms, soaps, body washes, and ointments are available online at www.dojipure.com. Check out their Doji Pure Facebook page for discount codes and updates.

The White Horse Grocery and Mercantile remains open but with a limited schedule. They are open from 10:00 a.m. - 6:00 p.m. Monday, Tuesday, Friday, and Saturday. Seniors and at-risk customers can call 208-793-2541 to arrange shopping by appointment during off hours. The store carries groceries, cleaning products, pet supplies, and much more. Take and bake pizzas are a staple item and you can call ahead for pizzas cooked to order. Curbside pick-up is available for all orders.

Valley View Chevron is open Monday-Thursday 5:00 a.m. -9:00 p.m. and Friday-Sunday 5:00 a.m. -10:00 p.m. for gasoline and groceries. Subway (located inside Valley View Chevron) is open from 6:00 a.m. -9:00 p.m. seven days a week. The Locking Horns Riverside Restaurant is offer-

ing its full menu (including breakfast served all day) plus family style dinners, take and bake meals, and fresh baked pizzas for pick-up or delivery. Beer & wine are available and customers can bring in their growlers for draft refills. They are also able to offer their signature dressings and sauces, meats, produce, bread products, flour, sugar, eggs, coffee, vinyl gloves, and paper towels. A complete list can be found on their March 31 Facebook post and orders can be placed via Facebook Messenger. Social Distancing Happy hour is Monday, Wednesday, and Thursday with a special deal on gift cards, \$25 for \$20. Take-out and delivery orders can be placed by calling 208-793-2651.

Locking Horns Riverside is open from 10:00 a.m. -7:00 p.m. Sunday, Monday, Wednesday, and Thursday, 10:00 a.m. -8:00 p.m. Friday - Saturday. Full menu can be found at www.lhriversiderestaurant.com. Support you local businesses and if you can, tip a little more than usual...your neighbors will thank you.

Local Restaurants are Providing Take-out!

Kevin Courtney, owner of the Lowman Inn, carries a pizza out to a customer.

Photo by Jennifer Haney

By Jennifer Haney
LOWMAN -- We are all struggling during this pandemic. Local businesses too, are feeling the strain. Idaho Governor Brad Little issued a "Stay at Home" advisory. This advisory closes all non-essential businesses and prohibits dining in at restaurants. This is resulting in a heavy financial strain on many local businesses. One way you can help is to order take out. Most local restaurants are offering this service. It is best to call ahead of time if you can. A few of

the restaurants in Lowman that are offering takeout orders and what type of food they provide are:

The South Fork Lodge 208-259-3232. The Lodge offers a variety of foods and coffee.

The Sourdough Lodge 208-259-3326. The Sourdough offers American comfort food and Fish on Friday or Prime Rib on Saturday.

The Lowman Inn 208-259-3555. The Inn has homemade pizza and soft pretzels.

ROGER B. JACKSON FOR BOISE COUNTY COMMISSIONER, DISTRICT I

- Vote for experience - 30+ years in county/city government.
- Initiated new money handling policies for the county.
- Completed restoration work on county buildings.
- Lifetime resident of Boise County.
- Continue to fight for SRS funds, which are 25% of the timber money from the federal government.
- Over 50 years in the logging industry.
- Has common sense.

Your vote would be appreciated on May 19th.

Paid for by Roger B. Jackson for County Commissioner, District 1

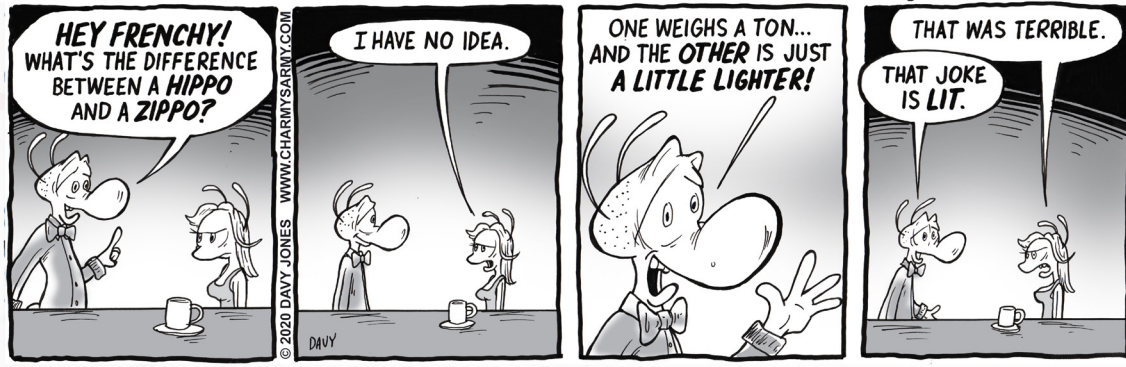

Governor Little's formal notice from Wednesday has a list of essential businesses and Realtors are included. Following the Governor's recommendations, while still providing services to buyers and sellers, our phone lines are being manned remotely. Our Agents' cell numbers are published at our office, website and on our listings and are available Monday through Saturday from 9 -5. Please note we are still showing homes on a case by case basis. In the meantime, all residential showings are by appointment only and we are providing gloves and booties to be worn at all showings. Virtual tours are available for remote viewing and we can stay in touch using video conferencing and FaceTime. Garden Valley Properties is dedicated to our community and to its safety. We are doing our best to address the needs and concerns of our present and future clients during this unprecedented time in our country's history. Be patient and have faith - we can't wait to be closer than 6 feet from our friends and clients! If you need any assistance, please reach out to us by email at info@gardenvalleyproperties.com or call us at 208-462-4620! Stay Safe!

Voting in Idaho's Spring Primary

By Richard K. Murray JD/Ph.D.

The Idaho Secretary of State has determined that all voting in the spring primary election will be done by mail. There will be no local polling places for the primary election. This is an evolving process and is raising a lot of questions in the minds of voters. What I have presented below is my understanding of the process as of the Secretary of State's press conference on April 1, 2020. The process may change.

Step 1: Request an absentee ballot

To request an absentee ballot one option is to go on-line at the Secretary of State's website at <https://idahovotes.gov/vote-early-idaho/> and request your absentee ballot through the Secretary of State's on-line system. You will answer a few questions, request a ballot and review your voter regis-

tration information. If everything is correct, you can submit the request on-line and it will be sent to the Boise County Clerk's Office. To complete the on-line registration you will need to know the last 4 digits of your social security number and your Idaho driver's license number.

You will be given the choice of one of three ballots for the primary, Republican, Democrat, or Constitutional. The Democrat and Constitutional party primary elections are open to any registered voter in Idaho, even if unaffiliated with any party. To vote in the Republican Party primary you must have affiliated with the Republican Party by March 13, 2020.

After you submit the request the Boise County Clerk's Office will mail you the absentee

ballot for the party you requested.

Be aware, the volume of people trying to request the absentee ballot on-line often surpasses the system's ability to respond. You may have to try to log-on more than once. I will tell you my experience was that this was a VERY easy way to request the absentee ballot.

A second option is to download the PDF file of the absentee ballot request form which can be found at https://idahovotes.gov/media/forms/2020_May_Primary_Absentee_Request.pdf

Print off the form, fill it out, and mail it to the Boise County Clerk's Office at:

**Boise County Clerk
420 Main Street
P.O. Box 1300
Idaho City, Idaho 83631**

Option three is to do nothing. If you are a registered

voter and do not request an absentee ballot the Secretary of State will mail you an absentee ballot request form. When you get it, fill it out and send it to the Boise County Clerk's Office (see above).

Note: Your request for an absentee ballot must be received (not postmarked) by the Boise County Clerk's Office by 8 PM MDT Tuesday May 19, 2020. If you request an absentee ballot by mail, remember that everything that is mailed in Boise County goes down to Boise and is then returned to the Boise County address. This takes at least 5 business days, so submit your online request or get your request form in the mail early! You may also register to vote by the May 19th deadline.

Step 2: Voting

Now that you have your ballot you must fill it out and return it to the Boise County

Clerk's Office. **To be counted in the vote your ballot must be received** (not postmarked) by the Boise County Clerk's Office by 8 PM MDT Tuesday June 2, 2020. Again, remember that everything that is mailed in Boise County goes down to Boise and is then returned to the Boise County address. This takes at least 5 business days, so get your ballot in the mail early.

Please be sure to exercise your precious right to vote in our State's Primary Election.

And now a short commercial. I am supporting Rhonda Jalbert for Boise County Commissioner for District-1. If you vote in the Republican Primary please consider voting for her. To learn more about Rhonda and her campaign go to her website <https://rhondaforidaho.com/> or find her on Facebook or Twitter.

Garden Valley Senior & Social Center News

By Candis Donicht

Staying the course, while navigating through unprecedented times during the pandemic, is easier said than done. It appears that most community members are following the stay-at-home order, especially our senior citizens. In the last week, a pretty significant distraction befell us in the form of a major earthquake.

Birds flew, whitetails flipped those tails in the air and disappeared, trees swayed, and houses rocked and rolled. With a duration of 20 to 30 seconds, there was little question about what was happening. Our dog leapt to attention, frantically trying to determine what was happening and how to go bite it. The loyalty of canines is beyond amazing. Friends reported that by the time they tried to locate their cat, it had disappeared under something sturdy. Smart. Getting into a doorway was a recommendation from some years ago, but after reading new guidelines, getting under a table or desk and hunkering down is now the preferred action. So, kitty knows best. One guideline about pet behavior in earthquakes suggests that you might not want to try to pick up your cat. Some things just don't need to be stated.

In an earthquake or pan-

demic, those of us with pets appreciate the companionship, love, and even comedy they provide at trying times. As they sense that something is off, many become more alert and even clingy. The house shaking is surely new. We are home all the time and that is new. Does that invoke fear in our pets, or are we just interfering with their normal nap times? That is uncertain; however, we are glad our dog is big, or we would certainly be falling over her as she shadows our every move like a large, furry, affectionate tripping hazard.

When the shaking stopped, pets eventually settled down but humans in the quake zone wondered what the heck would be next. We were fortunate that there was no loss of life and no major destruction to repair in the community. A quake that normally would have had us talking for weeks has instead slipped into history as we returned to staying the course with social distancing and remaining at home while we fight the COVID-19 War. This week's lesson could be that together we are making a difference and getting through whatever comes our way.

Boise County Clerk's Corner

ATTENTION BOISE COUNTY RESIDENTS – VOTING IN THE MAY 19TH PRIMARY

Governor Little and Secretary Denney have made final decisions this week, as to how the County Clerks, the Chief Elections Officers for the State's 44 counties, will conduct the May Primary. For the health and safety of all Idahoans, we will be conducting a 100% absentee ballot election and there will be NO polling locations for the May election. Here are the highlights of what you need to know:

Request an absentee ballot at <https://idahovotes.gov/vote-early-idaho/> either online or using the downloadable form. There is also a link on our website home page: <https://boisecounty.us/>. For online requests you will need to have an Idaho

driver's license and the last 4 digits of your Social Security number. Be aware the volume of people attempting to access the State absentee ballot on-line often surpasses the system's ability to respond! Preferred web browser is Google Chrome.

Deadline for ballot request to be received by my office: May 19th, 8:00 p.m. However, the sooner the better, given post office delivery timeframe.

Deadline for absentee ballots to be received by my office: June 2nd, 8:00 p.m. Again, don't delay in order to ensure your ballot is received and counted!

Not registered to vote? The deadline for new voter registration is May 19th 8:00 p.m. You can register to vote online at: <https://apps.idahovotes.gov/OnlineVoterRegistration/> or

complete a voter registration card https://idahovotes.gov/media/voter_registration.pdf and submit via mail:

**Boise County
Elections
P.O. Box 1300
Idaho City, ID 83631**

Look for - a postcard mailer going out on Monday, April 6th from the Secretary of State's Office, which contains summary information on absentee voting. Secretary Denney will also be sending out an "Official Absentee Ballot Application," on behalf of the State's County Clerks, to all registered voters that have not already applied for an absentee ballot. This mailer will be sent out on or about April 22nd.

**Mary Prisco
Boise County Clerk/Chief
Elections Officer for Boise
County**

Boise County Veterans

Due to the COVID-19 virus, the American Legion Post 12 Boise County Veteran's Van has expanded their services to include the pickup of groceries and other items for Boise County Veterans. The van will make pick up and deliveries for the veterans in Boise County.

All a veteran needs to do is call in and pay for their order then call 208-392-9934 or 208-371-2344 with a pick up location and time.

If you are not able to place your order or know of someone that needs help you can call the above numbers and they will assist you.

BOISE COUNTY

LEGAL NOTICES

NOTICE OF TRUSTEE'S SALE TS No: **ID-20-878492-SW** NOTICE IS HEREBY GIVEN that on **8/5/2020**, at the hour of **9:00 AM**, **At the Front Steps to the Boise County Courthouse Annex, located at 383 Highway 55, Horseshoe Bend, ID 83629**, the trustee will sell at public auction to the highest bidder, for cash in lawful money of the United States of America, all payable at the time of sale, the following described real property situated in the County of **BOISE**, State of Idaho, and described as follows, to-wit: Lot 2 in Block 2 of Osprey Subdivision No. 1, according to the official plat thereof, filed as Instrument No. 178682, Official Records of Boise County, Idaho. The Current Trustee is **Robert W. McDonald, Esq.**, whose address is **108 1st Ave. South, Suite 202, Seattle, Washington 98104** and who can be reached by telephone at **(866) 925-0241**. The Trustee has no knowledge of a more particular description of the above-described real property, but for purposes of compliance with Idaho Code Section 60-113, the Trustee has been informed that the street address of **100 FALCON DRIVE, BOISE, ID 83716** may be associated with said real property. The sale will be made, without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligation secured by and pursuant to the power of sale conferred in the Deed of Trust made and entered into on **4/24/2016**, by and among **DANIEL MEYER, AN UNMARRIED MAN**, as Grantor, and **TITLE ONE**, as Trustee, and **MORTGAGE ELECTRONIC REGISTRATION SYSTEMS, INC., ACTING SOLELY AS A NOMINEE FOR CMG MORTGAGE, INC DBA CMG FINANCIAL, ITS SUCCESSORS AND ASSIGNS**, as Beneficiary; said Deed of Trust having been filed of record on **4/26/2016**, as **Instrument No. 250545** Official Records of **BOISE** County, Idaho. The naming of the above Grantor(s) is done to comply with Idaho Code Sections 45-1506(4)(a); no representation is made as to the responsibility of Grantor(s) for this obligation. The default for which foreclosure is made is grantor's failure to pay when due the following sum: **TOTAL REQUIRED TO REINSTATE: \$22,935.74 TOTAL REQUIRED TO PAYOFF: \$408,684.17** Because of interest, late charges, and other charges that may vary from day-to-day, the amount due on the day you pay may be greater. It will be necessary for you to contact the Trustee before the time you tender reinstatement or the payoff amount so that you may be advised of the exact amount you will be required to pay. Dated this 19th day of March, 2020. By: **Robert W. McDonald, Esq.**, Trustee TS No: **ID-20-878492-SW** IDSPub #0161798 Published in the Idaho World on 3/25/2020, 4/1/2020, 4/8/2020 and 4/15/2020.

OBITUARIES

Don, 89, of Garden Valley, Idaho passed away peacefully at home of natural causes. Due to the COVID-19 virus outbreak the family has decided to have his service at a later date. Don was born in Cedarville, California and was raised in Massacre, Nevada in the Blackrock Desert. He completed High School and achieved the rank of Eagle Scout. He set out to find his way at 16 and discovered he had a head for business. Don began trucking goods in the west and eventually started the Ore-Ida Lumber Company, coming up with the catchy slogan "Ship it Ore-Ida." The company ran lumber, produce, and frozen foods to and from Salt Lake City to California, Nevada and Oregon. He was proud to be awarded the State of Oregon 's Young

Businessman of the Year. Don sold the business and the trade name in 1964, transitioning to full time farming and ranching. He purchased land in Boise, Canyon, Gem, and Valley Counties, moving the cattle as the seasons changed. He had extensive operational and technical experience in road building, construction, development, and timber and land appraisal. He lived mainly in Garden Valley on the old Schilling ranch for 60 years. Don loved being on the ranch and developing new business ventures. He was proudest of his involvement in the many boards on which he served. He was the long-serving president of the The Idaho Foundation for Parks and Lands, "We need a system to preserve for the people what has been my fortune to find in

Idaho -- land which supports wildlife habitat, cultural, and historic resources." He was passionate about being a custodian of the land "there is no maternity ward for terra firma." He was instrumental in the Hariman East Project, The Barber Pool Conservation Area, The Idaho Shakespeare Festival, Weilmunster Park, and the Garden Valley Recreation District. Don was actively involved in the formation of Tamarack Resort and part of his Donnelly ranch is now the golf course. He was a Boise County Commissioner from 1991-93 and also served on the President's Council for Rural America under President H.W. Bush from 1990-92. Don always had stories he loved to share, he was very clever with his one-liners and quick wit. He spent many

Don Weilmunster
1930 - 2020

hours behind the wheel of his pickup and Jeep running his trap line. He loved hunting and fishing. Don is survived by his wife, Linda, of 30 years. His children and their spouses, Jon Weilmunster (Dewey), Jamie (Craig Paulsen), and Wendy (Jeff Watkins), and close cousin, Jim Johnstone (wife Louise); 7 grandchildren and 8 great grandchildren, Linda's three children. And faithful friend and ranch manager, Cesar Buenrostro (wife Sarah). The family would like to thank all those who helped with

Don's care. Fire Chief John Delvalle and the Garden Valley Fire Department, Horizon Home Health Care & Hospice of Emmett, and Garden Valley Family Medicine. Don will be missed by many, he had a larger than life personality. In lieu of flowers, the family suggests memorials and donations be made to the Garden Valley Fire District and Emergency Medical Division, mail to: GVFD, P.O. Box 530, Garden Valley, ID 83622. Services in the care of the Potter Funeral Chapel Emmett.

Kenny Renfro
1935 - 2020

Kenneth "Kenny" Wilbur Renfro, age 84, of Horseshoe Bend, Idaho passed away at home on April 2nd, 2020 surrounded by family. Kenny was born on October 11, 1935 in Nampa, Idaho to Millard (Shorty) & Mildred Renfro. He spent a great deal of his childhood at the Star Ranch in Placerville, which the Ranft's, Mildred's family, owned. Kenny attended school at Boise High & started working for his Dad's logging business, M.W. Renfro & Sons, at a very young age.

He married the love of his life, Joyce Stephenson, on November 6th, 1954. Together they had 6 children; Cynthia, Marilyn (Sandy), Bobbi Jo, Mike (Vickie), Todd (Wendy) & Ryan (April). They built their home in Horseshoe Bend where they raised their family & he eventually purchased Clarkson's Ranch off Harris Creek. He often said it was a place for his family to live & enjoy and referred to it as "Paradise".

Kenny enjoyed racing at Meridian Speedway from approximately 1964 -1969 where he raced his cars that were ap-

propriately named 'Logger Special' & 'Logger Deluxe'. Another one of his passions was shooting trap. Anyone that was around Kenny at the trap club can still remember him lecturing them to "keep your head down", "don't peek" & "follow through". He passed these hobbies down to his children and they all enjoyed years of racing and shooting together. However, his biggest love of all was for Logging. Not only did he get to spend time in the woods on his Link-Belt & D-5/527 CATs, but he was also surrounded by loved ones while continuing the family business that "Shorty" had started so many years ago. People that knew Kenny know that he was good at everything he tried, the most selfless man, & hands-down the hardest working person they have ever met.

The family would like to say a special 'thank you' to all caregivers that cared for Dad & Grandpa Kenny during his last few years. Your services & companionship allowed him to stay at his home as he wanted.

Kenny is preceded in death by his parents, 2 sisters and 2 daughters. He is survived by his wife, 2 siblings & their families, 4 children & their spouses, 13 grandchildren, and his great grandchildren. A Celebration of Life to be determined. In lieu of flowers the family has asked that donations be made to Caryn Renfro's recovery.

Memories and condolences can be shared with Kenny's family on his memorial webpage at www.summersfuneral.com.
