### Support for EMS in Garden Valley and Accident Fatality

**GARDEN VALLEY** -- The 37th annual Terrace Lakes EMS benefit golf tournament always starts off with a patriotic golf cart parade. The tournament also hosts a silent auction to raise money for this voluntary group of emergency responders.

Unfortunately, this year the Life Flight helicopter was not able to make their scheduled appearance at the event due to other emergencies on Saturday, July 4th, 2020.

On July 5th, there was a horrific single vehicle crash on Highway 55 at mile marker 76, located south of Banks. Matthew and Katherine Fletcher of Meridian were traveling southbound in their 2002 Ford F350 when the truck left the highway and hit a tree. Katherine, 48, succumbed to her injuries at the

scene. There were also two juvenile passengers, and one was transported by Life Flight to a Boise hospital. Garden Valley and Horseshoe Bend ambulances were called to transport the second juvenile and Matthew Fletcher. The four occu-

pants of the truck were wearing their seatbelts at the time of the accident.

The crash is still under investigation by the Idaho State Police.

Traffic was stalled for about four hours on Highway 55.

**Paving Project on Highway 55**

Written by Tracy Koslosky

**HORSESHOE BEND** --

Crews from the Idaho Department of Transportation begin paving the western portion of the new bridge along ID-55 in Horseshoe Bend on Monday, July 6. **Garden Valley Senior & Social Center News**

By Cathy Garner

**We have been very BUSY!!** As you know, we are now very CAUTIOUSLY re-opening! As seniors, we are all in the high risk category and your health and well-being is our #1 priority. With that in mind, Rob Allen (<http://allensignsinc.com/>), created our big yellow COVID-19 sign that is posted at the entrance to the Garden Valley Senior Center (GVSC). So, before you cross that threshold into the facility, we ask that you read this awesome sign in its entirety and take the state and federal COVID-19 guidelines very seriously. While at the Center, we ask that you practice safe distancing and use hand sanitizer/wash your hands frequently. If you feel compromised around others, please-please wear a mask (and gloves)! If you

are not feeling well, PLEASE stay home. Like everything in life, participation in our events is a personal choice. So, use your own good judgement, take care of yourself, stay safe, and respect others that may be more vulnerable than you. ...enough said about that!

Although, we have not been able to provide our normal social services and events, the members of our Board of Directors have been very busy! Here are a few **HIGHLIGHTS:**

We are receiving feedback on our [website](https://gvseniorcenter.org/). <https://gvseniorcenter.org/> THANK YOU for all your input! Please continue checking it out, bookmark the site for quick access, and check back frequently. This is where you will find

our Current Events Calendar, blogs (like this), information about GVSC, how to Contact Us, how to Volunteer, see pictures of our events, pay your annual dues, donate, and so much more! It is still a 'work in progress' and it will be continuously improved and updated.

**After the GVSC Board of Directors' annual election on June 9, 2020,** we said a sad 'farewell' to Candis Donicht and Ruth Woods and look forward to their continued GVSC member participation. We welcomed two new Board of Director members. They are:

- Cathy Garner, Secretary
- Sherrie Allen, who will be managing and coordinating our Volunteers.

We have re-started a few

functions (check our Current Events Calendar to stay up-to-date):

**POTLUCK LUNCHES** every Tuesday at 11 a.m.

**FREE** to all **Fit & Fall Proof** classes on Tuesdays and Thursdays at 3 p.m. Our instructor and her alternate will be taking a break soon and we are looking for **volunteers** to assist with teaching this class. If you are interested, please contact us.

**FREE** to members **Meditation** class once a week on Thursdays at 1:30 p.m.

We have established our **'MEMBERSHIP MATTERS'** theme of focus. Once again, Rob Allen (<http://allensignsinc.com/>) has stepped up to make a beautiful sign that depicts this theme for the GVSC. We are busy planning meaningful services and events for our members and really need your ideas. Here are just a few things that are currently in various planning stages.

A **FREE** to members **Marital Arts for Seniors** class. We will have an Introductory Workshop at the end of August and will start the classes in September. If you are interested, please contact us so that we can keep you informed.

A member **Volunteer Spotlight** program to communicate our sincerest appreciation for our members who step up to the needs of our Center and the community.

Events and services for our members who are **Military Veterans**. We want to ensure these folks are supported in a great way.

**Just a reminder:** The \$5 **GVSC membership fee** is due each year in the month of **May**. If you have not paid your 2020-2021 membership fee, now is a good time to do that. As you can see, we want to hear from YOU! We need your ideas, input, and volunteer work. With YOUR SUPPORT, we are working hard to make this a great year for our senior community.

**OBITUARY**

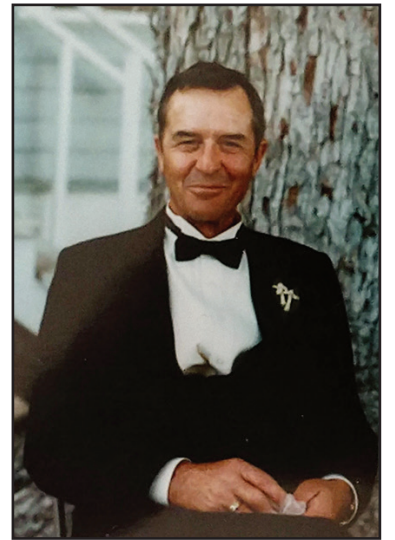

**Clifford Lowell Bledsoe** passed away of natural causes on July 2, 2020, at home with his wife of 65 years by his side in Jerusalem Valley, Horseshoe Bend, Idaho. Clifford was born to Floyd Monroe Bledsoe and Edna Mae Loucks in Marsing, Idaho on June 10th, 1934. He was the second youngest of 7 siblings. He spent most of his younger years farming and milking cows. As a sophomore, he left his family home in Marsing, and later from Crouch when his family moved, to board in Nampa during the school year, milking cows before school to pay for board. He graduated from Nampa High School in 1953. At the age of 19, he took the Portland Rose train from Nampa to Kansas City, Missouri to attend Missouri Auction School. On June 12th, 1955, he married Arlene Woods of Jerusalem Valley, Horseshoe Bend. He always said "don't offer a girl a ride home from a dance, you might end up marrying her." As they began their family, he worked

as a logger, in the Sugar Beet Factory at Nampa, Vans Packing House, Davis Custom Packing, Tri City Meats, and Meridian Meat and Sausage. He then worked at Gem Meat Packing House where he became part owner. During that time, he continued with his first passion, auctioneering at Nampa and Caldwell Livestock Auctions. He retired from the packing houses and bought and ran Emmett Valley Livestock. He continued to support the Emmett auction with future owners. Cliff was the senior auctioneer at the Western Idaho Fair, helping at the FFA and 4-H livestock sale for 50 continuous years. He volunteered at several county fairs as an auctioneer, including Valley County, Gem County, and Elmore County Fairs. He never turned down the request to auction for a charity. He was forced to retire from auctioning at the age of 84 due to health, but not before being awarded 4-H Recognition for Meritorious Service and Honorary Chapter Farmer to FFA. He

attended the Livestock Judging Pacific International in Portland his senior year of FFA. He continued to support 4-H and FFA livestock judging throughout his life through volunteer and the continuing of the activity by his grandchildren.

He was preceded in death by his parents and 6 siblings, Juanita, Irene, Pauline, Frieda, Cecil, and Harold. He is survived by his wife of 65 years, Arlene, son Steve Bledsoe and his wife Dottie, their 3 children, Arlie, Millie and Norah, of Boise, and Sadie and husband Brandon Crusat, his two great grandchildren, Kalea and Nalanie of Kuna; Cristy Bledsoe of Boise and her daughter Adrianna Hennessey of Seattle; Jan and her children, Levi, Koda, Mikaela, C.J. Bledsoe of Jerusalem Valley, Horseshoe Bend. Also surviving are numerous cousins, nieces and nephews.

The family would like to thank the doctors of the past two years, Dr. Travis Williams, Hematologist, and Dr. Christopher Keller, Nephrologist, both who believed in

his drive to live. The family would like to express a special thanks to grandson, Levi Bledsoe, who answered to every late night phone call, trips to the hospital, and was always there to help when needed.

Private graveside services will be held at Pioneer Cemetery in Horseshoe Bend. Donations in his name in lieu of flowers are sug-

gested to be put towards the Caryn Renfro donation fund at Wells Fargo, for a young adult of Horseshoe Bend that is meeting many challenges an accident that left her paralyzed earlier this year.

## New Gift Shop Opens in Horseshoe Bend

By Tracy Koslosky

### HORSESHOE BEND --

Since its opening at the beginning of June, The All Aboard Gifts and More shop has been presenting a wide selection of offerings to the Horseshoe Bend community and visitors traveling along the Highway 55 corridor. Located on the scenic Payette River at 105A Payette River Road in Horseshoe Bend, the small specialty shop sits adjacent to its owner's larger endeavor, The Locking Horns Riverside Restaurant. All Aboard shares its space with two quaint Airbnb rooms, with all three located in Horseshoe Bend's original train depot which was built in 1908 to serve the town's logging businesses. While small in size, the store provides a substantial selection of items ranging from one-of-a-kind pieces designed by local artisans to an assortment of antiques; a mixture of potato ricers, vintage hats, salt and pepper shakers, glass-

ware, wooden baskets, etc. Doji Pure, a local company that makes naturally healthy, handmade skin, beauty, body, and bath products can be found on All Aboard's shelves as can McCall's Candles and delicious treats from the Idaho Candy Company. Artistic decor, hats and t-shirts celebrating Idaho, purses, lap quilts, and stuffed animals are just a few of the hidden gems you can find there.

Typical hours are daily (except for Tuesday when both the gift shop and the restaurant are closed) from noon to 5:00 p.m. but if the restaurant next door is open, you can usually get someone to let you in to shop. The store likes to feature items that are made locally and their inventory changes daily.

If you are a local artisan that has a product to sell you can contact All Aboard at (208) 793-1507 for information on how to get your product featured in the shop. Next door to

All Aboard things are heating up and "cooling down" (thanks to some inside air conditioning provided by Cascade Refrigeration in Horseshoe Bend) at the Locking Horns Riverside Restaurant. Every Wednesday from 5:00 p.m.-8:00 p.m. is Ladies Night where those in attendance can partake of drink and appetizer specials while making a craft and/or socializing. This week, July 8, the ladies will be tie-dyeing, just bring a white t-shirt to join in. Singer/songwriter Michael F. Rose will be performing on Saturday, July 11th from 5:00 p.m.-8:00 p.m. and the Sockeye Brewery will be doing a tap takeover.

You can keep up with the Riverside's daily specials, Ladies Night activities, live performances, and tap takeovers by checking out their Facebook page. The restaurant is located at 101 Payette River Road. The restaurant is open for patrons who wish to dine in the

restaurant's newly cooled interior or on the large patio with views of the Payette River. For those that prefer, take-out and delivery service is also available. Locking Horns Riverside serves a wide variety of food including oyster shooters,

steaks, prawns, burgers, salads, pizza, gyros, sandwiches and much more. Take-out orders and delivery orders can be made online at <http://www.lhriversiderestaurant.com>. For questions you can contact the restaurant at 208-793-2651.

## Personal Use Fuelwood Season Started on July 1 in the Boise National Forest

4. Visitor Information Center/BLM Public Room, 1387 S. Vinnell Way, Boise, Idaho

**Mail-in applications** are available to print, or can be picked up outside Ranger Dis-

trict offices and mailed to the Cascade Ranger District.

- Lowman Ranger District 208-259-3361
- Emmett Ranger District 208-365-7000

Fuelwood permit prices remain at \$6.25 per cord with a 4-cord minimum, and a 10-cord maximum per household. Please note we cannot sell permits for only 2 cords. If you want all 10 cords, permits pur-

chased will need to be 5 cords and 5 cords, or 4 cords and 6 cords, or all 10 cords at once.

The Boise National Forest offered Free-use Fuelwood Permits from May 15 thru June 30. Free-use fuelwood collected, counts as personal use toward the 10-cord maximum per household per year.

Permit holders are encouraged to cut fuelwood early in the year because fire restrictions may impact the cutting season later in the summer. Fuelwood cutting is not allowed within riparian areas (adjacent to creeks and rivers).

A new regulation for this year is no cutting of Larch (Tamarack) after Nov. 1. Larch lose their needles every fall and appear to be dead, resulting in too many live trees being accidentally cut. This new regulation is to prevent the cutting of live Larch trees after they have lost their needles in the fall.

### Parents/Guardians,

The Basin School District has been analyzing and researching the best ways to reopen schools for the 2020-21 school year. The State Department of Education, State Board of Education, Governor, Central District Health, and many other groups and people have been working hard to publish guidelines for the school districts this week. In the meantime, the Basin School District would like to hear from the parents and guardians of our students via a survey so the district can work out any local issues that may arise from the current and future effects of the Coronavirus. If you would like to be included in a Zoom conference discussing some of the issues please enter your email into the last question on the survey. We will be meeting 10 am on Thursday, July 9th virtually using the Zoom application. You may access the meeting via phone or through your computer if you have Internet access.

# OBITUARY

**Guy Ritchie Harris** moved to Idaho City in December 1945 from Arkansas with his wife Charlotte, daughters Christine and Mary, and son Guy Eugene Harris. Guy Ritchie had followed his family out west, who owned the Harris Brothers Lumber Company in Idaho City from the early 1940s to the early 1950s. In the spring of 1946, Guy Ritchie purchased 350 acres of land on Clear Creek to log the timber. Guy Ritchie then needed to build a sawmill and found a location on Grimes Creek across from Pine Creek which

he leased from the state with a 99-year lease, to last as long as there was a sawmill on the land. In the summer of 1946, Guy Ritchie built the sawmill and what was called the long house south of the mill. This house was also known as a shotgun house since all five rooms were in a row and all the doors from one room to the next lined up. If you stood at one end of the house you could shoot straight down through it. In 1950, they built a new house above the mill which was much nicer. It was a two-story house with 3 bedrooms and Char-

lotte wallpapered all the walls. Charlotte's pride and joy was a Majestic wood cook stove which she made many meals and cornbread in.

Guy Ritchie's sawmill had two circle saws, one above the other, to be able to cut the large pine and fir logs from the Clear Creek area. In the early 1950's Guy Ritchie replaced the circle saws with a band saw. The wheels of this head rig were six feet in diameter and the band saws were 38 feet around and 13 inches wide. There was a whole room dedicated to the filing equipment for sharpen-

ing the saw.

The sawmill used water from Pine Creek for the large mill pond where logs floated waiting to be pulled up a bull chain into the mill. This water was also used under the mill to wash out the sawdust from under the head rig.

Guy Eugene Harris purchased the company from his dad in 1971. Most of the machines in the mill were old and tired by then. Guy Eugene (Eugene to those who knew him) spent the next several years modernizing the mill. Eugene turned the mill into a modern mill that could compete for timber sales against other sawmills in the area, including Boise Cascade. Eugene fought through TV, The Idaho Statesman, and Small Business Administration to establish fair timber sales to all sawmills. Eugene also had difficulty find-

ing loggers during this time, so he went to the woods and did his own logging. He ran the logging crew and his company from a 10 x 57 trailer in the logging woods with his wife Betty and his daughter Katherine, and son Guy Joseph by his side. They also had a home above the sawmill and in Boise.

In 1979, Eugene moved the sawmill to Federal Way and Yamhill in Boise. This was the big mill you could see from the freeway near Micron. He sold it in 1989 due to him getting Guillain-Barre.

Guy Eugene was born August 8th, 1932 in Barnes Arkansas. He passed away on Friday, June 26, 2020. He had an amazing life in Boise County and lived life to its fullest to the very end. Written with love by his daughter Katherine Harris Avison.

## GARDEN VALLEY, CROUCH, AND LOWMAN'S INDEPENDENCE DAY

**By Jennifer Haney**  
**GARDEN VALLEY/  
CROUCH/ LOWMAN** --

July 4<sup>th</sup> 2020 was a perfect summer day for all to celebrate our country's birthday. Many people took advantage of the beautiful weather to get out and about and temporarily forget the stress our country has experienced lately. I too wanted to see smiling faces of people celebrating, so I visited several locations in both Garden Valley and Lowman. My excursion first brought me to the Danskin Boat Ramp on the Payette River. A couple rafting companies were present, along with many families utilizing the area. All were smiling and excited.

**A Family Takes a Break While Pulling a Raft out of the Payette River**

As I drove into Garden Valley, I observed a few local entrepreneurs peddling their wares. Kyle, Kaleb, and Keelee Willey had homemade lemonade (pink or yellow) and freshly gathered honey. In the true business spirit, they told me the price of the lemonade was negotiable; however, the honey price was not. They explained to me that, "The honey is Dad's, so we have no control over that!" The price for both was well worth it, in my opinion, and I happily bought both.

**Jenson Buck at The Lowman Inn**

After a quick stop at the Payette Forward Thrift Store (50% off everything), we visited the Dirty Shame Saloon. The band wasn't yet playing, but the crowd was jovial and plentiful. The place was decked out in 4<sup>th</sup> of July style with red, white, and blue everywhere.

all at once up river while volunteers hold a large net near the bridge downriver to stop them. One person stands in front of the net to grab the first three to cross the watery finish line. Several other volunteers stood with fishing nets behind the large net to catch any escapees that continued to float downriver. One child standing on the bridge could clearly be heard excitedly saying that he hoped his duck won. Living completely in the moment, this child's excitement was sure to melt away any stress from all the onlookers.

Across the street, the Starlight Mountain Theater's show "Shrek the Musical" was not playing until later that night. So instead, we stopped for lunch in their side parking lot and went to the Showstopper Grill food truck. We sat outside on their picnic tables while enjoying our meal, and watched children and adults alike walk or drive by in swim wear and with inner tubes, all headed to the Middle Fork of the Payette River.

As the day waned, we headed to Lowman to see how people were celebrating there. First, we stopped at the Lowman Inn. A new outdoor patio shielded customers from the elements, while Jenson Buck of Laramie Wyoming played as a one man band. A truly talented individual, he played a wide range of hits including rock, bluegrass, and country. If you love dogs, this was the place to be. Many people brought their poochy

best friends, and man and dog alike unwound.

The South Fork Lodge was my final stop on my self-appointed tour of Independence Day celebrations in Northern Boise County. Here on the patio next to the South Fork of the Payette, families that were staying at the lodge convened for an evening; meanwhile, the locals trickled in, in anticipation of the band. The Dave Nudo band wowed the crowd with amazing self-composed ballads like, My Grandpas Table and fun lyrics such as: "You drove me to drink, now come pick me up." They also played classics such as 'Crazy Train' with guitar solos that electrified my soul. I did not get to see the fireworks in Crouch that night, but saw on friends' social media that they were plentiful! Instead, I wound up my 4<sup>th</sup> of July experience with my family on the couch watching Disney World's 2017 fireworks display on TV. Not as awe-inspiring as in person, but you couldn't beat the view!

Independence Day, July 4<sup>th</sup>, 2020 in northern Boise County was full of sunshine and shining people that exhibited friendliness and pride for our country. May we all have many more years of celebration, summer fun, and togetherness.
