HORSESHOE BEND -- The Horseshoe Bend Lady Mustangs hosted the Tri-Valley Titans on Thursday, September 24. The 1A Long Pin Division conference game was the first in league loss (23-25, 25-14, 23-25, 14-25) for the Horseshoe Bend Varsity Mustangs. Statistical standouts were freshman Annelie Wilson who had 24 kills (an attack on the ball which is not returnable by the opposing team), 6 aces (a serve which is unable to be played or returned by opposing team), 32

digs (passing a spiked or hard hit ball), and 2 assists (pass, set or dig ball to another player who gets the kill). Junior Kenzie Renfro contributed 10 kills, 2 aces, and 9 digs. Junior Kloe McReynolds was good for 9 kills, 1 ace, 10 digs, 1 assist, while freshman Abby Howerton gave the team 1 kill, 20 digs, 32 assists. The Mustangs traveled to Cascade on Friday, September 25 to take on the Cascade Ramblers in another 1A Long Pin Division conference game. The 25-13, 25-18, 25-11 match win put the Horseshoe Bend

Lady Mustangs 4-1 in conference play. Stat leaders for the match included Wilson with 12 kills, 3 aces, 3 digs, and 1 assist. Renfro came up with 10 kills, 3 aces, 1 block (blocking the ball into the opponent's court leading to a point or side out), and 6 digs. Howerton put up 3 kills, 1 ace, 9 digs, and 23 assists and the libero senior Natalie Newell had 1 kill and 15 digs. The libero is a player specialized in defensive skills: the libero must wear a contrasting jersey color from their teammates and cannot block or attack the ball when it is

entirely above net height. When the ball is not in play, the libero can replace any back-row player, without prior notice to the officials. The team will be at home on Friday, October 2 when they host 1A Long Pin Division conference rivals the Salmon River Savages during Horseshoe Bend's homecoming celebration. Senior Newell and juniors Renfro and Lexi Roberts will be doing double duty. After their home court game they will take their place on the football field as part of the Horseshoe Bend High School Homecoming Court during the football team's

half time show.

The team continues their home stand when they face two more 1A Long Pin Division teams, the Council Lumberjacks on Saturday, October 3 (game time 3:00 JV/4:15 Varsity) and on Tuesday, October 6, when they play Boise County rivals the Garden Valley Wolverines (game time 6:00 JV/7:15 Varsity). They retain the home court advantage on Wednesday, October 7 against the Nampa Christian Trojans (game time 6:00 JV/7:15 Varsity). The Lady Mustangs are 8-3 overall for the season.

The Horseshoe Bend High School Mustangs JV volleyball team made short work of the Tri-Valley Titans during their home game on Thursday, September 24. The Lady Mustangs won the match 25-17, 25-16. Pictured from left to right: Freshman Alaina Rane, freshman Olivia Bauer, and junior Emily Shook.

PUBLIC NOTICES

PUBLIC NOTICE OF CONSTITUTIONAL AMENDMENT

One amendment to the Idaho Constitution will appear on the November 8, 2016 General Election ballot. The amendment has been proposed to the people for ratification following action by the legislature. The proposed amendment, the Legislative Council's Statement of Meaning, Purpose and Result to be Accomplished, and the Statements For and the Statements Against are listed as follows:

HJR 5	Ballot Question
<p>Text of Proposed Amendment</p> <p>IN THE HOUSE OF REPRESENTATIVES HOUSE JOINT RESOLUTION NO. 5 BY STATE AFFAIRS COMMITTEE</p> <p>A JOINT RESOLUTION PROPOSING AN AMENDMENT TO ARTICLE III, OF THE CONSTITUTION OF THE STATE OF IDAHO, BY THE ADDITION OF A NEW SECTION 29, ARTICLE III, OF THE CONSTITUTION OF THE STATE OF IDAHO, RELATING TO THE LEGISLATIVE RESPONSE TO ADMINISTRATIVE RULES; STATING THE QUESTION TO BE SUBMITTED TO THE ELECTORATE; DIRECTING THE LEGISLATIVE COUNCIL TO PREPARE THE STATEMENTS REQUIRED BY LAW; AND DIRECTING THE SECRETARY OF STATE TO PUBLISH THE AMENDMENT AND ARGUMENTS AS REQUIRED BY LAW.</p> <p>Be It Resolved by the Legislature of the State of Idaho: SECTION 1. That Article III, of the Constitution of the State of Idaho, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 29, Article III, of the Constitution of the State of Idaho and to read as follows: SECTION 29. LEGISLATIVE RESPONSE TO ADMINISTRATIVE RULES. The legislature may review any administrative rule to ensure it is consistent with the legislative intent of the statute that the rule was written to interpret, prescribe, implement or enforce. After that review, the legislature may approve or reject, in whole or in part, any rule as provided by law. Legislative approval or rejection of a rule is not subject to gubernatorial veto under section 10, article IV, of the constitution of the state of Idaho.</p>	<p>"Shall Article III, of the Constitution of the State of Idaho be amended by the addition of a new Section 29, to provide that the Legislature may review any administrative rule to ensure it is consistent with the legislative intent of the statute that the rule was written to interpret, prescribe, implement or enforce; to provide that, after review, the Legislature may approve or reject, in whole or in part, any rule as provided by law; and to provide that legislative approval or rejection of a rule is not subject to gubernatorial veto under Section 10, Article IV, of the Constitution of the State of Idaho?"</p> <p>Legislative Council's Statement of Meaning, Purpose, and Result to be Accomplished HJR 5</p> <p>The Legislature writes the laws of the state under which the state agencies adopt agency rules. By statute, agencies make rules that only interpret and implement these laws, and the legislature reserves the authority to review and reject agency rules if a rule is contrary to the intent of the law. The Legislature's ability to approve or reject agency rules is an important aspect of the separation of powers, because these rules have the force and effect of law. The Legislature currently oversees that rulemaking process by accepting or rejecting agency rules. The proposed amendment confirms and protects the Legislature's practice to authorize agency rulemaking, and to accept or reject agency rules.</p> <p>Legislative Council's Statements FOR the Proposed Amendment</p> <ol style="list-style-type: none"> The proposed constitutional amendment safeguards the ability of the legislature - elected by the people - to review and reject agency rules created by unelected state officials if those rules conflict with legislative intent. This will protect Idahoans from unfair or over regulation. The legislature's current ability to review agency rules is in the law. Idaho's Supreme Court previously held that statute valid, a future supreme

court could potentially declare it invalid, because Idaho's Constitution does not expressly recognize the ability of the legislature to review agency rules. The proposed constitutional amendment would protect the legislature's authority to ensure that agency rules conform with legislative intent.

3. If a future court determined the legislature did not have the right to review and reject agency rules, then Idahoans would have to hire lawyers and file lawsuits to challenge agencies' rules. That would be a much more expensive and time-consuming process than the current system which this amendment proposes to protect.

4. A Governor's veto is not required, because agency rules are proposed by the Governor's departments and agencies.

Statements AGAINST the Proposed Amendment

1. This constitutional amendment is unnecessary because the legislature already has legal authority to review agency rules. Even if the legislature did not have this authority, sufficient methods of challenging agency rules exist: the legislature can pass a law limiting an executive agency's rulemaking ability, or a rule can be challenged in court.

2. The legislature is overly involved with state agencies when it examines their rules to see whether they conform to legislative intent, and that practice should not be in Idaho's Constitution. Legislative review of agency rules is time-consuming and makes it more difficult for state agencies to conduct day-to-day business.

3. The legislature responds to agency rules in different ways. One way is to pass a bill, which it does every year to extend the agency rules from previous years. The proposed constitutional amendment would prohibit any veto of a rule approval or rejection and would infringe on the Governor's right to veto bills under the Idaho Constitution.

OBITUARY

Douglas George Hastings
February 10, 1958 –
September 24, 2020

Douglas George Hastings, 62, from Garden Valley, Idaho passed away at 5:19pm, Thursday, September 24, 2020.

Doug was born February 10, 1958 in Boise, Idaho. He was the second child of Vernetta and Reo Hastings, Shelby being his older sister and followed by brother Reo Lamar, and sisters Paula and Mindy. His family moved to Meridian when he was in the 6th grade, and he became best friends with Gary Clayton.

As a teenager, Doug developed a love for the Idaho mountains while driving cattle for his grandfather in the Dry-

buck area. He graduated from Meridian High School in 1976, as part of the first graduating class of the new high school, and attended one year at Idaho State University before serving a mission for The Church of Jesus Christ of Latter-day Saints (LDS) from 1977 to 1979 in Adelaide, Australia. After his mission, he drove truck for Glen Clayton, his best friend's father, spending many hours in the Clayton home, where he met and fell in love with his sweetheart, Rena. They were married in the Oakland, California LDS Temple on June 10, 1980.

Doug finished his associate's degree at BSU and was hired at HP as an electronic technician. After welcoming three daughters and a son, Doug and Rena acquired a mountain property above Banks, Idaho, in the same area that he drove cattle as a youth, which then became a family retreat for snowmobiling, four-wheeling, playing in the creek, hiking, and mountain living. Doug loved working on his mountain cabin, riding his motorcycle, scuba diving, and flying his single-engine Cessna and low-wing Piper airplanes.

After 14 years at HP, he

struck off on his own and started R-Tech, a company that produced robotics and test equipment. Thereafter, he was always self-employed. His self-employment allowed him to dictate his own hours and to continually serve those around him, and he had a strong testimony that the Lord would always provide for His needs.

Doug had a love for both learning and teaching, and he was both a patient learner and instructor--of construction, of electronics, of food storage and preparation, of metal-working, of yogurt-making, of plant-growing, and most ardently of the gospel of Jesus Christ.

Doug is survived by loving wife, Rena, daughters Mandi

(John) Patton, Angie Hastings (fiancé Nathan McGregor), Anna (Paul) Gardner, and son Andrew (Madisen) Hastings. He is also survived by grandsons Spencer, Ethan, Samuel and Oliver Patton and Finn Hastings, granddaughters Eliza and Lia Hastings, sister Shelby Huffman, brother Reo Lamar Hastings, and sisters Paula Vance and Mindy Gibson.

Visitation will be held Thursday, October 1, 2020 at The Church of Jesus Christ of Latter-day Saints (950 HWY 17) in Garden Valley, Idaho from 9:30am to 10:45am, with the funeral service following thereafter at 11am. Doug will be laid to rest in the Sweet-Montour Cemetery.

In lieu of flowers, if you wish to support the family, memorial contributions can be donated via Doug's GoFundMe account (<https://gf.me/u/y2iy77>), Venmo @andrewdhastings, or mail/drop-off donations to 342 S. Middlefork Rd, Garden Valley, ID 83622.

A huge thank you to the phenomenal room staff, doctors, and nurses that cared for Doug during his final days in St. Luke's emergency room and intensive care unit, as well as the many friends, family, and loving strangers that have offered prayers of healing and support during this difficult time. Doug's family has felt the strength of those prayers and the love behind them.

Homecoming Wears a Different Mask this Year

Written by Tracy Koslosky
HORSESHOE BEND -- All week the students at Horseshoe Bend High School will celebrate Homecoming week. This year's theme is Mustangs Throughout the Decades. Each class is representing a decade; seniors claimed the 1960s, juniors took the 1980s, sophomores the 1970s, and freshman the 1950s. Dress up days are scheduled every day during the week with Wednesday being the decade dress up.

The festivities continue on Friday, October 2, when the Horseshoe Bend Lady Mustangs Volleyball team hosts the Salmon River Savages at 4:00 p.m. followed by Varsity Mus-

tang football at 7:00 p.m. The school will crown their senior Homecoming Queen and King during the halftime show, which will include a small parade of "floats" decorated by the students. This year's Homecoming royalty are Princess Olivia Bauer (freshman), Princess Kendra Kreiter (sophomore), Princess Kenzie Renfro (junior), Princess Lexi Roberts (junior), Princess Angelina Adelborg-Beck (senior), Princess Natalie Newell (senior), Prince Porter Larson (freshman), Prince Brogan Anthony (sophomore), Prince Keegan Smith (junior), Prince Logyn Bromgard (senior), Prince Hunter Howerton (se-
