Lockdown Incident at Garden Valley School

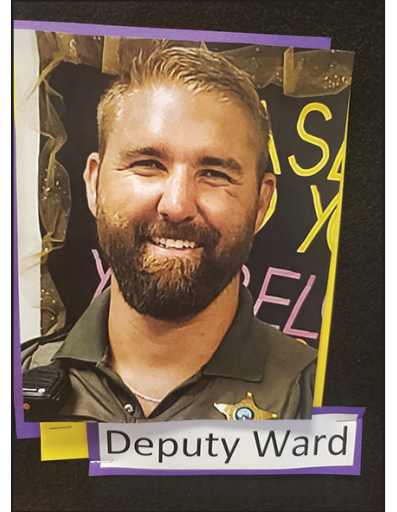

By Jennifer Haney

BOISE COUNTY -- Tuesday October 6, 2020 at approximately 4:30 pm. a lockdown occurred at Garden Valley Schools. Boise County Sherriff Scott Turner stated that a man who was apparently suffering from psychosis parked his truck in the parking lot at the

Garden Valley School and began panicking, stating that his truck was 'going to blow.' The school was not in session at the time, though there were still several students and faculty on the premises. As a precautionary measure the school immediately initiated a lockdown. The School Resource Officer

(SRO) Deputy Josh Ward was on school premises and immediately notified dispatch to request back up. Deputy Josh Ward said that the man first spoke with a parent outside. That parent immediately informed school staff. The man was able to enter the school for a brief time. He then ran to

the nearby Chevron Station in Garden Valley. Boise County Sergeant Dave Anthony was able to apprehend the man at the Chevron approximately 15 minutes after the call for assistance went out. The man (who was not from Garden Valley) was extremely disorientated and confused. He was placed in an emergency hold for evaluation due to a mental illness crisis. His vehicle was searched and it was determined that no explosives existed. The vehicle was towed and the school resumed normal activities.

Garden Valley School SRO Deputy Ward.

Sheriff Turner explained that all of the Boise County Schools have a lock down procedure in place in case of emergency. The school plans ahead and has practice drills with their School Resource Officer to ensure everything is done properly. A school lockdown is a procedure that is initiated when school officials believe that there may be a threat to student or staff safety. "The the SRO was a huge asset being at the school when the incident occurred," Sheriff Turner said. "If the SRO hadn't been at that school, response time could have been

delayed up to possibly 20 minutes depending on where the closest deputy was. The rolls SRO's play and the benefit to the schools and safety is huge."

Lockdowns can be used to protect students from any form of violence either at the school or nearby. Some schools also use the procedure if a national disaster has been declared.

Quick action by a parent, our Boise County Sheriffs, and Garden Valley School staff prevailed in this instance. The man received the assistance he needed and no one was injured.

Searching for Bodies?

IDAHO CITY -- Federal officers, top Idaho State Police investigators, and local law enforcement were searching the land behind the former Idaho City resident, Michael Dauber. He was previously convicted in 2016 of killing two men and dismembering their bodies, sentencing him to life in prison. However, he would have the opportunity to come before the parole board in 2033.

According to a credible source, intel from Dauber, 52, indicated there was another body in the overgrown area behind the cabin. Officers, dressed in plain clothes, cleared the area of brush and smaller trees with a backhoe, used metal detectors, and placed a number of yellow flags in areas that pinged. However, nothing of significance was said to be found.

Mike's father, William "Billy" Dauber, had ties to the Chicago mob and was suspected to have been a notorious hitman. Billy

was gunned down while in his vehicle, after leaving the courthouse and testifying as an informant against colleagues in 1980.

BOISE COUNTY ELECTIONS INFORMATION

BOISE COUNTY ELECTIONS DEPARTMENT SECURITY MEASURES FOR ABSENTEE BALLOTS

This week's information is regarding the security features surrounding an absentee ballot. In our current environment, there are many concerns about the security of our elections, especially regarding absentee voting. Our office takes the election process, for every election, very seriously. I hope to provide insight on the security features that exist with an absentee voter's ballot and ease the mind of the public. Here is the breakdown on what you will receive when you have re-

quested to vote absentee, and how we secure your privacy and your vote:

Absentee Ballot – each ballot contains security measures to differentiate it from an "unofficial" ballot. Boise County is a paper ballot, hand count, county. Your ballot is assigned a unique number within the voter registration system. Finally, we do **not** identify your party affiliation on any of the absentee ballot components.

Secrecy Envelope – this is the gold-colored envelope that is provided with your absentee ballot mailing. Your voted ballot is to be folded, placed in the gold secrecy envelope, and sealed. The purpose of this

envelope is to ensure that your voting choices remain unseen when your ballots are returned.

Ballot Return Envelope: Your name is pre-printed on the return envelope.

Return postage has been included on the envelope.

A unique barcode is assigned to your voter record and is printed on the return envelope.

Your signature is **required** on the return envelope. Once received in our office, we validate your signature with the signature in your voter file. The signature in your voter file is from your voter registration document.

ELECTION REMINDERS
Absentee Ballot Request –

we must **receive** your absentee ballot request by 5:00 p.m. on Friday, October 23rd. A post-marked date of the 23rd will **not** be accepted.

Early Voting – in-person absentee voting will take place at the Boise County Clerk's Office, October 19th through October 30th, between the hours of 9 a.m. and 4 p.m., located at 420 Main Street, Idaho City.

In-Person Voting November 3rd - our polling locations will be open from 8:00 a.m. to 8:00 p.m. on election-day, November 3rd. You will need a valid photo identification card to vote on November 3rd. You may register to vote on election-day, November 3rd, by bringing your valid photo ID **AND** proof of residence. If you are unsure of your polling location, please contact the Boise County Clerk's Office.

Horseshoe Bend vs. Garden Valley

Written by Tracy Koslosky
WEST BOISE COUNTY

-- The Horseshoe Bend Varsity Lady Mustangs played host to 1A Long Pin Division II rivals, the Garden Valley Wolverines, on Tuesday, October 6. After losing the first game 22-25, the Mustangs rallied to win the next three 25-18, 25-21, 25-11.

Contributing to the win was freshman Annelie Wilson with 22 kills (an attack on the ball which is not returnable by the opposing team), 1 ace (a serve which is unable to be played or returned by opposing team), 5 blocks (blocking the ball into the opponent's court leading to a point or side out), 18 digs (passing a spiked or hard hit ball), and 1 assist (pass, set or dig ball to another player who gets the kill). Junior Kloe McReynolds had 7 kills, 5 aces, and 6 digs. Junior Kenzie Renfro put up 6 kills, 5 aces, and 7 digs, while freshman Abby Howerton had 3 kills, 1 block, 13 digs, and 32 assists. Senior libero Natalie Newell had 1 kill, 31 digs, and 3 as-

sists. (The libero is a player specialized in defensive skills: the libero must wear a contrasting jersey color from their teammates and cannot block or attack the ball when it is entirely above net height. When the ball is not in play, the libero can replace any back-row player, without prior notice to the officials).

At home again on Wednesday, October 7th, the Lady Mustangs took on the Nampa Christian Trojans in a non-conference game. Horseshoe Bend took the loss in a three game match, 21-25, 21-25, and 17-25. Stat leaders were Wilson with 14 kills, 1 block and 8 digs, Renfro with 5 kills, 1 ace, and 13 digs, Howerton had 2 kills, 1 ace, 10 digs, and 20 assists while freshman Torey Tschida came up with 1 ace, 13 digs, and 20 assists. The Lady Mustangs then traveled up north to Midvale on Friday, October 9 for a 1A Long Pin Division II conference game against the Tri-Valley Titans. After falling to the Titans at home (23-25, 25-14,

23-25, 14-25) on Thursday, September 24 the Mustangs were looking to come back with the win but they fell short to Tri-Valley going a full set with the Titans, 25-20, 23-25, 25-21, 13-25, 12-15 and putting their conference record at 7-2 for the season. Statistical standouts in the match were Wilson with 30 kills, 2 aces, 1 block 32 digs, and 3 assists. Renfro had 13 kills, 4 aces, and 9 digs. Howerton came out with 2 kills, 14 digs, and 42 assists while Tschida had 39 digs and 5 assists. Libero Newell had 33 digs.

The team is 11-5 overall for the 2020 season. The Mustangs will make their last home appearance on Thursday, October 15 against fellow Long Pin Division team the Cascade Ramblers. The first game is at 7:15 p.m. The 1A Long Pin Division II District Tournament begins on Saturday, October 17 at Meadows Valley High School in New Meadows. Game times will be announced after regular season play is completed.

March for Peace Begins in Garden Valley

By Marlene Partridge

GARDEN VALLEY -- A group of Garden Valley residents are heeding Evangelist Frank Graham's call for peace by symbolically joining with him to show their support. In Washington, D.C., marchers paraded 1.8 miles from the Lincoln Memorial to the U.S. Capitol. Here in Garden Valley, an ecumenical group of Christians marched from the Church of Jesus Christ of Latter-Day Saints to Weilmunster Park. In this way, the Garden Valley group symbolically became part of the "Call for Peace" and helped to build bridges across the nation.

About twenty Garden Valley participants of all ages (one was only two years old) took part in the local march. Several participants carried signs calling for peace, or United States red, white, and blue flags. One marcher carried a sign reminding us of a favorite Biblical text, John 3:16, a reference to The Holy Bible, which reads: "For God so loved the world, that he gave his only begotten Son, that whosoever believeth on him should not perish, but have eternal life."

When the marchers gathered at the Church of Jesus Christ of Latter-Day Saints they were greeted with pouring rain that threatened to drench them before they even started. As they were gathered and were ready to begin, *the rain suddenly stopped*. The lull in the storm lasted all the way to the park, and the downpour resumed as soon as they were under cover at the park. The walk included periodic stops for prayer that focused attention to the issues that were especially meaningful to Garden Valley residents. Some of the topics included were the pandemic, continued religious freedom for all, racial understanding and acceptance, abortion, and support for our elected leaders.

The group plans to continue their support for this march by holding other marches at regular three-month intervals throughout the year.

Garden Valley residents joined in the Evangelist Franklin Graham's Prayer March. Several churches in the area participated in "bridge prayers" all across our nation. *God bless America!*

IDAHO CITY MIDDLE SCHOOL FOOTBALL

By Christy Rousset

IDAHO CITY -- On October 8th, the middle school Idaho City Wildcats played the Garden Valley Wolverines. The first half was taken control of by the Wolverines. The Wildcats had an intense group huddle during half-time to try to figure out how they were going to take back the game. The Wildcats refused to give up! They returned to the field with determination during the last half to turn the game over into their favor, winning with the score of 56 to 36. Over the last five games, the Wildcats have continued to refine their skills, have a keep-going attitude, and become a really solid football team. The Wildcats and the Wolverines gave the spectators a great show!!!

Ann Finley 1931 - 2020

Patricia Ann Finley passed away peacefully at her Boise home surrounded by a small group of friends on August 18, 2020.

Ann was born June 27, 1931 in San Francisco, the only child of Robert and Sarah ("Sally" McNally) Finley. She attended schools in Piedmont and Oakland, California; Salt Lake City; and Boise; graduating from St. Teresa's Academy in 1949. In her late 50s and early 60s, she attended and graduated from Boise State University.

Ann was devoted to her parents, living with them most of her adult life except for a semester teaching English at the Holy Rosary Mission (now the Red Cloud School) on the Pine Ridge Reservation in South Dakota, and during Peace Corps training (plans to serve in Latin America fell through). She had fond memories of life on "the ranch" in Peaceful Cove (up Stewart Gulch in the Boise Foothills), where her family moved in '51 or '52.

She discovered her love of writing very early. By age 11, she'd already had a short story published in the Aunt Elsie

Magazine of the Oakland Tribune. In her later years, she described herself as a writer and independent journalist.

Ann also loved to sing, which was how she met her long-time friend and voice teacher Deanna Pond. Deanna and her husband Gilbert have always been there for Ann, especially during her final months.

Throughout her life, Ann was generous with her time and her talents, serving as a volunteer supporting wolf recovery, refugee resettlement, Idaho Mountain Search & Rescue, Doctors without Borders, and charities focused on repairing cleft lips and palates in children.

Ann was a remarkable gal, fiercely independent and with a lot of spunk. At 88 and no longer licensed to drive, she walked everywhere. She went to the Bistro for a meal and conversation almost every day. On Wednesdays, she met there with a group of like-minded folks to discuss current events.

Another long-time friend, Debra Riedel, sent Ann a note saying she'd like to see her. Two weeks later, Ann turned up at Deb's office, having walked downtown from her home in the Collister neighborhood. Ann refused the offer of an uber home, saying she'd rather walk.

After getting cash at the bank at 36th & State, Ann would often stop in to visit with Jackie and Jason at Aloha Auto Repair, who'd kept her Subaru running like a top and who always had a cold bottle of water handy for her. Ann had her own way of doing things, and in spite of repeated hints from Jason to stop riding the clutch, repairing the clutch had been

an annual event.

Ann loved animals, especially German shepherds and horses (cats, not so much). One of her favorite pastimes was riding in the forests around her family's property near Pioneer-ville. That happy smile in the photo is because she was leading a horse, surrounded by pine trees, and there was undoubtedly a German shepherd just out of the frame.

Her dad died in 1983 at age 83. Ann cared for her mom until her death, aged 84, in 1992. She was also preceded in death by countless beloved German shepherds and horses.

She leaves behind her young black German shepherd mix Bravo, little black mare Velvet, and a number of supportive friends who are very grateful to Jazzmin, who made it possible for Ann to remain at home during her final months, to Michelle (Ann accepted new carers because we said they were your friends!), Ilena, Karrie, and Tiffany from Treasure Valley Hospice, and Pam, Christelle, Cora, and LaBrenda from Home Watch, who provided kind and gentle care during Ann's final days.

Although Ann had traveled the world, she wanted her ashes scattered in the Idaho backcountry. At her request, no services will be held.

[Ann was a good friend to Xinia Jones in Placerville. As young girls, during the summer months, the two would often go flower picking and then bring them back for Xinia's mother to arrange in vases.]

EAST BOISE AMBULANCE DISTRICT

Submitted by Melissa Potts
Director of EBCAD

EAST BOISE COUNTY

-- East Boise County Ambulance District is a mostly volunteer based rural EMS agency which is part of a much larger Emergency Response System including local and regional Dispatch, Law Enforcement, multiple Fire Departments & County Emergency Management, along with other various Advance Life Support Agencies.

Our agency provides Basic Life Support emergency transport services to several areas within Boise County. There are currently ambulances staged in Lowman, Idaho City, Placerville, and the Mores Creek area.

As Boise County continues to grow we have seen an increase in residents and visitors to our community, which as expected has resulted in an increase in call volume. Due to the recent pandemic, we have also seen a significant decrease in volunteer responders. In 2019 East Boise County Ambulance responded to 356 calls within its district. So far, 2020 has seen a 23% increase in call volume and due in part to the

current pandemic a 60% decrease in experienced EMT's while still providing 24 hour a day coverage.

As the community continues to grow, EMS services must grow as well to ensure the health and safety of those we serve. In the weeks to come, we will be advertising for a third paid EMT/Training Officer position. Utilizing this new position, our goal is to advance our training to be able to provide a higher level of care to our patients and to pursue a financial pathway for future growth to include grants, fundraisers, and other possible avenues for revenue with the goal of supporting further paid positions within the agency and increasing staff capabilities.

If you have any questions about our agency, are interested in volunteering and/or becoming an EMT, or would like information on our subscription Ride Ticket program feel free to call, email or visit our website at:

CANDIDATES FOR BOISE COUNTY COMMISSIONER DISTRICT 1

Steven Twilegar
County Commissioner
Republican District 1

4th Generation Idahoan. Graduate Northwest Nazarene University (1992 BA Business).

Analyst/Trader For Idaho Power, IdaCorp Energy, NV Energy, & Integrys Energy.

Financial Advisor, Broker, Safety Manager, Restaurant Owner/Operator, Professionally Trained & Skilled Negotiator (Karrass 1994). Fishing/Hunting Guide.

2018-Present: Twilegar has been the operating partner of The Gold Mine Grill & Saloon, RV Park, and Hotel in Idaho City. He volunteers for the Idaho City Volunteer Fire District. He is known as an agent of change and has been hired to effect change in failing or stagnant businesses.

Twilegar is a staunch conservative who supports an individual's God given freedoms as

protected by the constitution. He is an avid outdoorsman who believes that protecting our rights under the 2nd amendment is imperative to our republic's survival. He is also a founding member of the Jack Pine Roundup and Boise Basin Hunger Project with the goal of feeding the food insecure, especially children, of the Boise Basin.

Initial focus:

1. **Emergency Services** - As growth comes, our emergency service personnel, equipment, and facilities will be strained even more than they already are. I will work closely with all stakeholders in emergency services to enhance services as soon as reasonably as possible. Supporting our first responders must be our first priority.

2. **Emphasis on grant writing** - A full-time grant writer position could pay for itself multiple times over with just one grant.

3. **Accountability & Fiscal Responsibility** - All government employees should be held accountable. We are servants of the people, not their rulers. Further, County purchases will require sound reasoning & debate.

4. **Business Friendly** - We need grocery stores, gas stations, restaurants, retail and other businesses. Smart business growth should be embraced. A hostile business environment helps no one.

5. **Roads** - It's going to take

Valerie Dresslar
County Commissioner
Independent
District 1

My name is Valerie Dresslar, I have lived in Idaho for 14 years. I am married to my husband, David Jones, together we have five grown children, three wonderful daughter-in-laws and seven grandchildren. We love the outdoors and spend as much time as we can fishing, hunting and traveling Idaho.

I have earned a BS degree in Accounting and an MBA degree from National American University while working

an entirely different approach to get ahead of road maintenance. Let's make a workable plan and stick to it.

6. **Planned Growth.** Growth is coming whether we like it or not. We need to get ahead of it and plan for the future.

Boise County's best days are ahead of her. Let's work together for positive change!

full-time and raising a family. I have the education, professional experience, energy and enthusiasm to execute the duties of Boise County Commissioner. I will act in the best interest of the residents and Boise County. I am a highly organized person with a "get it done" attitude. I have enjoyed my current and past positions working as a public servant. I look forward to serving the public in this new role.

As Commissioner I will;

• **Maintain our distinctive rural character** - Idaho is the number one moving destination in the country and our county is and will be growing. We will need to consider smart growth strategies that can help rural communities achieve their goals while maintaining the lifestyle.

• **Tax Burden** - A priority will be working for the people of Boise County and collaborating with fellow commissioners to find innovative ways to accomplish county goals by not increasing the tax burden.

• **Law Enforcement & Small business** - Small business is the backbone to our community and we need to help them thrive. I hold tight to the second amendment rights to bear arms. I believe it also important to keep law and order in our communities.

I am a conservative. I hold myself to a high ethical standard and I will treat everyone with the same respect as I would want to be treated. I am fair, honest, open minded, considerate, approachable and a caring person. I truly do believe your vote is important and your trust and vote in me will not be wasted. Please vote for the clear choice for Boise County Commission, District 1. "God Bless America". Thank you, Valerie Dresslar

Kenny Everhart will be submitting his candidate article for publication in the October 21st edition of *The Idaho World*. He is running as a write-in.

Horseshoe Bend JV Volleyball Win Tournament

By Tracy Koslosky

HORSESHOE BEND --

The Junior Varsity Lady Mustang Volleyball team was in Cambridge on Saturday, October 10 for the JV 1A Long Pin Division District tournament. The Mustangs met up with local Boise County rivals, the Garden Valley Wolverines, in round one of the playoffs. The 25-23, 25-13 win against Garden Valley in the single elimination tournament set the team up to advance to the championship game against the Tri-Valley Titans. A tense back and forth first game ended 32-30 in the Mustang's favor and the decisive 25-8 final game of the match put the Horseshoe Bend JV team in the winner's circle.

Garden Valley's German Oktoberfest Polka

By Cathy Garner
GARDEN VALLEY -- THANK YOU for your participation in the fun as we celebrated the great German tradition of Oktoberfest! It turned out to be a rainy day, but that did not stop the fun. Lots of folks stopped by to eat, visit, and laugh with us. The local radio station played some German Polka music and visitors danced, sang, and laughed. The food was out of this world! Our "Brat Buddies" (Bill and Mark) gave us a choice of grilled or smoked brats and everyone said it was the best they had ever had! The German Potato Salad recipe is definitely a 'keeper' AND something to share. Several asked for it! Of course, the amazing home-baked desserts were the perfect ending to such a great meal.

We had so many choices, deciding which ONE to pick was quite the dilemma for most. I think my personal favorite was Dianne's Black Forest cake with cherries... or maybe it was Sherrie's German Butter Bread ...or her German Chocolate cake. Okay, I confess, I had to 'sample' a few. It was just way too HARD to choose! Anyway, you sure can't beat the value for \$5! If you missed this event, make sure you do NOT miss our next one!

PUBLIC NOTICE OF CONSTITUTIONAL AMENDMENT

One amendment to the Idaho Constitution will appear on the November 8, 2016 General Election ballot. The amendment has been proposed to the people for ratification following action by the legislature. The proposed amendment, the Legislative Council's Statement of Meaning, Purpose and Result to be Accomplished, and the Statements For and the Statements Against are listed as follows:

HJR 5

Text of Proposed Amendment

IN THE HOUSE OF REPRESENTATIVES HOUSE JOINT RESOLUTION NO. 5 BY STATE AFFAIRS COMMITTEE

A JOINT RESOLUTION PROPOSING AN AMENDMENT TO ARTICLE III, OF THE CONSTITUTION OF THE STATE OF IDAHO, BY THE ADDITION OF A NEW SECTION 29, ARTICLE III, OF THE CONSTITUTION OF THE STATE OF IDAHO, RELATING TO THE LEGISLATIVE RESPONSE TO ADMINISTRATIVE RULES; STATING THE QUESTION TO BE SUBMITTED TO THE ELECTORATE; DIRECTING THE LEGISLATIVE COUNCIL TO PREPARE THE STATEMENTS REQUIRED BY LAW; AND DIRECTING THE SECRETARY OF STATE TO PUBLISH THE AMENDMENT AND ARGUMENTS AS REQUIRED BY LAW.

Be It Resolved by the Legislature of the State of Idaho:

SECTION 1. That Article III, of the Constitution of the State of Idaho, be, and the same is hereby amended by the addition thereto of a **NEW SECTION**, to be known and designated as Section 29, Article III, of the Constitution of the State of Idaho and to read as follows: SECTION 29. LEGISLATIVE RESPONSE TO ADMINISTRATIVE RULES. The legislature may review any administrative rule to ensure it is consistent with the legislative intent of the statute that the rule was written to interpret, prescribe, implement or enforce. After that review, the legislature may approve or reject, in whole or in part, any rule as provided by law. Legislative approval or rejection of a rule is not subject to gubernatorial veto under section 10, article IV, of the constitution of the state of Idaho.

Ballot Question

"Shall Article III, of the Constitution of the State of Idaho be amended by the addition of a new Section 29, to provide that the Legislature may review any administrative rule to ensure it is consistent with the legislative intent of the statute that the rule was written to interpret, prescribe, implement or enforce; to provide that, after review, the Legislature may approve or reject, in whole or in part, any rule as provided by law; and to provide that legislative approval or rejection of a rule is not subject to gubernatorial veto under Section 10, Article IV, of the Constitution of the State of Idaho?"

Legislative Council's Statement of Meaning, Purpose, and Result to be Accomplished HJR 5

The Legislature writes the laws of the state under which the state agencies adopt agency rules. By statute, agencies make rules that only interpret and implement these laws, and the legislature reserves the authority to review and reject agency rules if a rule is contrary to the intent of the law. The Legislature's ability to approve or reject agency rules is an important aspect of the separation of powers, because these rules have the force and effect of law. The Legislature currently oversees that rulemaking process by accepting or rejecting agency rules. The proposed amendment confirms and protects the Legislature's practice to authorize agency rulemaking, and to accept or reject agency rules.

Legislative Council's Statements FOR the Proposed Amendment

1. The proposed constitutional amendment safeguards the ability of the legislature - elected by the people - to review and reject agency rules created by unelected state officials if those rules conflict with legislative intent. This will protect Idahoans from unfair or over regulation.
2. The legislature's current ability to review agency rules is in the law. Idaho's Supreme Court previously held that statute valid, a future supreme

court could potentially declare it invalid, because Idaho's Constitution does not expressly recognize the ability of the legislature to review agency rules. The proposed constitutional amendment would protect the legislature's authority to ensure that agency rules conform with legislative intent.

3. If a future court determined the legislature did not have the right to review and reject agency rules, then Idahoans would have to hire lawyers and file lawsuits to challenge agencies' rules. That would be a much more expensive and time-consuming process than the current system which this amendment proposes to protect.

4. A Governor's veto is not required, because agency rules are proposed by the Governor's departments and agencies.

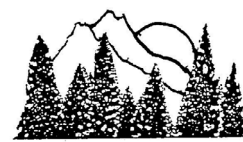

Statements AGAINST the Proposed Amendment

1. This constitutional amendment is unnecessary because the legislature already has legal authority to review agency rules. Even if the legislature did not have this authority, sufficient methods of challenging agency rules exist: the legislature can pass a law limiting an executive agency's rulemaking ability, or a rule can be challenged in court.

2. The legislature is overly involved with state agencies when it examines their rules to see whether they conform to legislative intent, and that practice should not be in Idaho's Constitution. Legislative review of agency rules is time-consuming and makes it more difficult for state agencies to conduct day-to-day business.

3. The legislature responds to agency rules in different ways. One way is to pass a bill, which it does every year to extend the agency rules from previous years. The proposed constitutional amendment would prohibit any veto of a rule approval or rejection and would infringe on the Governor's right to veto bills under the Idaho Constitution.

Horseshoe Bend Varsity Football

By Tracy Koslosky
HORSESHOE BEND -- The Horseshoe Bend Varsity Mustang football team was in Cambridge on Friday, October 9 to meet up with their 1A Long Pin Division II conference rivals the Tri-Valley Titans. The Mustangs continued their season undefeated in conference play with the 56-20 win and are currently 4-2 overall for the 2020 season. Quarterback, junior Colten Meyer, closed the game with 247 passing yards for 4 touchdowns and 56 rushing yards for 1 touchdown. Sophomore Blayne Meyer rushed for 66 yards and 1 touchdown and was on the receiving end for 24 yards. C. Meyer connected with senior

Caedmon Graham for two touchdowns, who ended the game with 112 total receiving yards. Senior Hunter Howerton came up with two touchdowns with 60 rushing yards and 45 receiving yards. Freshman Kaelun Jones had 87 rushing yards with 1 touchdown and junior Decker Larson had 66 receiving yards and 1 touchdown. On the defensive end junior Keegan Smith kept Tri-Valley on the run with 14 tackles and Larson contributed 7 tackles with one sack. Freshman Jayce Thornburg had 1 sack and 2 tackles. The team is at home on Friday, October 16 where they hope to defeat Long Pin conference rivals the Garden Valley Wolverines (4-3

overall) and retain possession of the coveted Ax trophy. The annual Timber Ax Classic game pits the longtime Boise County rivals against each other to see who will gain bragging rights and claim the ax for the year. Horseshoe Bend was victorious in last year's battle, going 48-33 for the win against Garden Valley. Friday's game will be the last regular season game at home for the Mustangs. Kick off is at 7:00 p.m.

Emergency Manager's Corner By Bob Showalter

**By Robert D. Showalter
 Boise County Emergency Manager / Public Safety**
BOISE COUNTY -- First Responders are sometimes delayed in reaching patients because the residence they are responding to does not have visible and/or reflective house numbers. Some numbers are not reflective and cannot be seen easily at night. Other numbers are just plain worn out. Some "overmatch" grant money was allocated to the county from the Idaho Office of Emergency Management for last year, and would normally go into the county's "general" budget. However, with no strings attached for this money, the Boise County Emergency Manager asked the Boise County Commissioners (BOCC) if that \$7,400 dol-

lars could be used to purchase house numbers and the backing boards they attach to for residents in Boise County who would otherwise not have the financial means to obtain them. The BOCC agreed and the purchase was made for 4,000 numbers, 0 through 9. If you are in need of house numbers, you can go to the Planning and Zoning Department in Idaho City (413 Main St, Idaho City, ID 83631), the Horseshoe Bend City Hall (112 Ada St., Horseshoe Bend, ID 83629), or the Garden Valley Fire Department (373 Middlefork Rd, Garden Valley, ID 83622) located in Crouch. For accountability reasons, you will be required to fill out a form with your name, address, and signature. You may only obtain one set of numbers for each address. These num-

bers will only be given out for single family residences that are occupied. You cannot get numbers for camp trailers or other dwellings if they are not in an approved park or private property, with approved septic and electrical service. You also may not get numbers for a structure that was built without an approved building permit. These numbers are a one-time opportunity, so pick one up before they are all issued out.

Horseshoe Bend Middle School Volleyball

By Tracy Koslosky
HORSESHOE BEND -- The Horseshoe Bend Middle School Volleyball team came a way with the big win in the Long Pin tournament in Riggin on Saturday, October 3. The undefeated Lady Mustangs have taken the top honors in this tournament for two consecutive years. After a day of rest the team was back at it on Monday, October 5, when they hosted the Centennial Baptist Mustangs from Caldwell for the first round of the Western Idaho Conference (WIC) playoffs. The win set up the Horseshoe Bend team and their coaches, Acacia Fisher and Christa Wilson, to travel to Liberty Charter Junior High on Wednesday, Oc-

tober 7 for the WIC semi-finals and championship. The Lady Mustangs won their semi-final game which took them to the final match for the championship where they came out victorious, and took the Western Idaho Conference title for the second year in a row.

Festivities During Idaho City Days

"Carvings by J.R." provided an interesting booth to watch and see the development. From a single log of wood, "Cindy Crawford" bear was born with a distinguishing mole, or knothole, on her muzzle. J.R. recently created a large standing polar bear for a client in Duquette Pines from the remaining trunk of a tree that required that it be cut down. He provides custom carvings, furniture, mantels, and more. J.R. can be reached at Rockinw4721@sbcglobal.net -or- (208) 600-2514.

IDAHO CITY -- Idaho City Days had everything from deep fried Snickers bars, to handcrafted jewelry, and cowboy poets. The weekend wasn't a bust for vendors that are having difficulty finding venues this pandemic season. Some families and individuals did venture out to partake of the festivities, some wore a mask and others choose not to. As an outdoor venue, people were respectful of one another's six feet of space.

Biscuits and gravy were served up at the Idaho City Hotel as a fundraiser for a non-profit organization, Boise Basin Hunger Project, on October 3rd. This organization is dedicated to providing nutritious meals to kids in the area during the pandemic.

Come in and meet the new owners of the Idaho City Trading Post! This family has taken on a new venture and are excited to be a part of the community. The store features local artists' creations, they have kept much of the same inventory, and are looking to expand their wares.

Festivities During Idaho City Days

This club of historic sidesaddle lady riders enjoyed the weekend at Cowboy Campground at Legacy Park, a tribute to the late Bill Stirling, located north of Idaho City near the rodeo grounds.

Tomahawks were embellished with actual American Indian beading, animal furs, and Turkey feathers. They served as 1st, 2nd and 3rd place trophies for the first annual Mountain Man Challenge hosted by Season's Mountain Dining and Grocery. Pictured are: Doug Pottenger - owner of Seasons, and creative artist Lucy Bryte.

Campsites can be sponsored and personalized by businesses or individuals for future use by campers and horse enthusiasts.

A rustic, outdoor Cowboy Wedding Venue is being developed.
