BOISE COUNTY ELECTIONS INFORMATION

BOISE COUNTY ELECTIONS DEPARTMENT BACK-OFFICE OPERATIONS

BOISE COUNTY -- There were a number of questions asked via social media over the past weekend, regarding how we run our election operations here at the Clerk's Office in Idaho City. In addition to the weekly election reminders, I want to provide information on our internal checks and balances, as well as system features, in place over the elections process.

Issuing Absentee Ballots: Absentee ballots are not issued/assigned to voters, within the State-wide voter registration system known as TED, by the Clerk or the Elections Director. Other employees are assigned this task. When absentee ballots are "stuffed" (i.e. ballots, return envelope, privacy envelope, instructions, placed within the outer envelope), we always have at least two people involved, sometimes three.

Voted Absentee Ballots Returned: When we receive a voted ballot (either by hand delivery or by mail), the return envelope is: 1) date stamped; 2) signature on return envelope is compared to the signature on file within TED (registration document); 3) assuming signature is validated, the voter record is changed to "Valid"; and 4) sealed ballot envelope is deposited into locked ballot bag, located in County vault.

Spoiled Ballots: An example of when a ballot would be spoiled (invalidated) is if a voter who has been issued an absentee ballot does not return the absentee ballot, and shows up to vote in person at the polling location. In that case, a poll worker from the polling location must call my office and request that we spoil the originally issued absentee bal-

lot. After doing so, the voter is issued a new ballot to vote. **System (TED) Features:** Boise County, along with the other 43 Idaho counties, went live with a new voter registration system, referred to as TED, which keeps a record of any change made to a voter's information. The record includes documentation of the date, time, and username making the change. TED also maintains dates of voter registration, absentee ballot requests, ballot issuance and ballot receipt. **Ballot Counting:** Boise County is a paper ballot, hand count, county. No ballot counting is done until the day of the election, November 3rd. Absentee ballots will be counted in Idaho City, divided between three teams of people. Ballots that are voted upon at the polling locations on the day of election, are counted by a group of poll workers at the polling location. Neither myself, as the Chief Elections Officer, nor our Elections Director, Valerie Dresslar, are ever involved in the counting process. Locked absentee ballot bags are picked up from the Clerk's Office vault and delivered to the election-day counting location by a Sheriff's Deputy, typically the Chief Deputy Sheriff.

ELECTION REMINDERS

Absentee Ballot Request -- we must **receive** your absentee ballot request by 5:00 p.m. on Friday, October 23rd. A post-marked date of the 23rd will **not** be accepted. Hand delivery, email, and fax are all acceptable methods of delivery. **Early Voting** -- in-person absentee voting is taking place now, at the Boise County Clerk's Office, October 19th through October 30th, between the hours of 9 a.m. and 4 p.m., located at 420 Main Street, Idaho City. October 30th hours will go until 5:00 p.m.

In-Person Voting November 3rd - our polling locations will be open from 8:00 a.m. to 8:00 p.m. on election-day, November 3rd. You will need a valid photo identification card to vote on November 3rd. You may register to vote on election-day, November 3rd, by bringing your valid photo ID **AND** proof of residence. If you are unsure of your polling location, please contact the Boise County Clerk's Office.

VFW POST 142 ALL-AMERICAN

IDAHO CITY -- There are forty-eight Veterans of Foreign Wars Posts in Idaho and about a third were awarded All-State. However, there were only two posts in Idaho that made All-American, which included VFW Boise Basin Post 142. As an outstanding post nationwide, they also earn All-State every year. VFW Post 142 Commander Jim White said it's not easy to obtain with the many requirements, but "we've made All-American four out of the last ten years, or so."

The All-State and All-American awards were presented at the Post's monthly meeting on October 10th by VFW District 5 Commander Troy Junier.

**IDAHO REPUBLICAN PARTY****Boise County Commissioners' Meeting***Transcribed by Eileen Capson***October 13, 2020**

Present: Commissioners Alan Ward, Roger Jackson and Ryan Stirm

Pledge of Allegiance

EXECUTIVE SESSION: Per personnel [Time 9:03 am to 9:30 am] No action required

CONSTITUENT INPUT: None

MINUTES: October 6th meeting minutes were approved. The official meeting minutes from October 9th were also approved from an emergency meeting.

DEPARTMENTAL ISSUES:

SOLID WASTE: The Highway 21 application was discussed. Commissioner Jackson asked if the dept. head had talked with the "Ranger" and the individual said he didn't think so, due to the real estate and NEPA regulations. The bridge was mentioned. A grant application with ITD and Forest Service was discussed, with their support. Cutting down the mountain onto Grimes Creek Road was discussed for better visibility to turn onto Highway 21. Commissioner Jackson made a motion to go forward with the bridge application on the intersection of Grimes Creek and Highway 21.

IT DIRECTOR: The job description posting was approved for the I.T. Director position.

ELECTIONS UPDATE: Clerk Mary Prisco spoke about the second article for the Idaho World in regards to security measures for voters. She explained the article contained information on, "Some of the features of the envelope and the ballot that allow us to know that they are who they say they are, that there is only one person voting, the one time, and those kinds of things." Election training for poll workers was conducted throughout the county. Clerk Prisco said they still needed to finalize absentee ballot counting team members and have a training for them. There has been a lot of interest in being poll workers.

PLANNING AND ZONING FEE SCHEDULE: An ordinance was discussed with Prosecutor Adam Strong. The international building code was mentioned, and updating the current ordinance was recommended. Commissioner Ward was muffled behind a mask but referenced a building without plumbing or electrical, then spoke about different types of buildings.

PROSECUTOR'S OFFICE: They are looking to hire another secretary at 24 hours a week.

PLANNING AND ZONING ADMINISTRATOR: The job description was approved.

TREASURER: Treasurer Gina Turner spoke about what was required and taxing districts. Commissioner Stirm liked the option for the property tax reduction that was drawn up by the treasurer, which will provide this to the taxpayers. A motion was said to approve this "red, white, and blue option."

DUMPSTER: An extra dumpster was ordered for Garden Valley due to a backup of cars that didn't get to dump at the end of business hours on Saturday. They want to provide more capacity.

ELECTIONS: Commissioner Stirm made a motion to approve the agreement for the use of facilities as polling places. These included: Wilderness Ranch Fire Station, Garden Valley School, Centerville Fire Station, Lowman Emergency Station #80, and the Mutual Ladies Auxiliary in Horseshoe Bend. These were approved.

BUDGET: A resolution was adopted to adjust the Boise Coun-

ty Road & Bridge fund for the 20/21 year budget. Clerk Prisco clarified that it was a net zero impact on the budget, but there was a person that needed to be reclassified.

Another resolution, 21-02, for the parks and recreation brings over funds for the Sheriff's Office / Justice Department from 2020.

Records destruction, 21-03, was discussed for commissioners correspondence, "to destroy certain records of Boise County." Records can be held for 2 years, 5 years, or permanent for 10 years or more, Commissioner Jackson stated in his motion.

Commissioner Jackson made a motion to increase the Boise County General Fund Clerk / Auditor Department for the FY20/21 budget.

NOISE ORDINANCE: A notice for public hearing was discussed in combination with a Disorderly House Ordinance, and a notice in The Idaho World.

BILLS: Commissioner Chairman Ward motioned to pay the claims report dated 10/9/20 in the amount of \$277,645 for FY 2020. He motioned to pay the approval report in the amount of \$178,009 for FY 2021.

DEMAND WARRANTS: Commissioner Jackson motioned to pay "Payee #1" in the amount of \$2,887. "Payee #3" in the amount of \$2,193 and "Payee #7" in the amount of \$2,024. This was approved.

Jackson made a motion to pay Cloverdale Funeral Home \$900 in indigent cremation.

EXECUTIVE SESSION: Closed session per exempt records. [Time 10:18 am to 10:44 am] Motions were made to sign emerging cases and liens.

CENTRAL DISTRICT HEALTH: Commissioner Stirm said there was "finally" a meeting scheduled for that evening with CDH and a normal once-a-month meeting on Friday. He said they would be discussing Ada County schools, changing them from Yellow to Red. There was nothing on the agenda for Boise County.

MEETING: The Board will meet on October 20th, 27th, and Thursday at 10am on Nov. 5th.

Garden Valley Senior & Social Center News

By Cathy Garner

GARDEN VALLEY -- Because everyone had so much fun at our Oktoberfest, we are planning some future events that will be equally or even more fun! We are still working out the details, so please stay tuned! Meantime, here are some things that are already on the calendar.

VETERANS Day: On Wednesday, 11/11 (November 11th) at 11 a.m. our community is meeting up at the Crouch Community Hall for some social time with our local Veterans. The Garden Valley Senior Center will be providing refreshments for this great occasion. This day of honor, recognition, and celebration begins with a special military

ceremony at 10:45 a.m. at the Veterans Memorial in our Garden Valley Weilmunster Park where our local veterans will be recognized. Please don't miss this! Come join us as we honor all American Veterans for their contributions to the freedoms we enjoy today.

We have changed our GVSC Office Hours! We are now open Monday, Tuesday, and THURSDAY 9 a.m. - Noon. Please note that we are no longer open to the public on Wednesdays. The renovations on Granny's Closet are coming along quite well and we hope to safely reopen soon. Don't forget our weekly social gatherings for our members and their guests. Every TUESDAY (11:30 - 1 p.m.) we have

nice potluck lunches and enjoy the company of others. **Every FRIDAY (5-7 p.m.), our fun F.A.S.T. Crowd meets up to laugh, play games, and share refreshments.** Additionally, every other week, stop by the Center between 9:30 and 11:30 a.m. on Mondays and Thursdays to just hang out with us or meet up with your friends/family and have some cookies with a hot cup of coffee or tea. We call this **"Cookies and Chatter"** time. Check our Calendar on the website for the cookie days. As always, the most current GVSC news can be found on our website: gvseniorcenter.org -So check it out! And stop by the Center at 261 South Middle Fork Road in Garden Valley. Hope to see you SOON!

The Garden Valley Senior Center wants to provide a safe, fun place for our members and their friends to informally socialize every 1st and 3rd Monday-Wednesday from 9 a.m. - Noon. We have named this senior social time at the Center: **COOKIES AND CHATTER**. Cookies, coffee and tea are available. It's really nice to sit (with a jacket) on the deck/patio on crisp Fall mornings.

Completing the Veteran Wall

By Linda Ruppel, DDS

GARDEN VALLEY-- A select few people were invited to a small ceremony to recognize service members of the U.S. military. Those invited had purchased bricks to be included in the newest addition to the wall at Weilmunster Veteran Park.

The wall was first started by the Syringa Club. The club was originally founded in Garden Valley over 100 yrs. ago in 1915. Ione Messick (a member over 50 yrs.), along with Marlo (over 30 yrs.) have been instrumental in keeping the club going throughout the years. The organization has a long history as a women's volunteer public service organization with an affiliation with the General Federation of Women's Clubs. They helped start the Garden Valley Library and the Garden

Valley Historical Museum. For many years they donated money raised from calendar and plant sales to help fund the education supplies for the Garden Valley Fire District, the local food pantries, the Garden Valley Radio Station, and the Senior Center.

Currently, the club is in the process of dissolving and "granting the monies to the Garden Valley Park and Recreation Board to further maintain the Veteran's Memorial and expand it." The expansion is needed to place the 54 bricks that are already sold and there is a demand for more. Marlo wishes to express her "appreciation for all our members who have donated so much of their time and energy, and to Bob Seal who has helped so much in completing our goals."

A small gathering of those who purchased the remaining twenty-four bricks, who were invited to the most recent installment in the growing wall of veterans. Those invited spoke about their family members, friends, and their service in the U.S. military.

BOISE COUNTY

ANNUAL TIMBER AXE CLASSIC

Written by Tracy Koslosky
WEST BOISE COUNTY
 -- Under the lights on Friday, October 16, the Horseshoe Bend Mustangs hosted the Garden Valley Wolverines in the annual Timber Axe Classic. Horseshoe Bend came out strong in the first half of the game (senior Hunter Howerton intercepted Garden Valley quarterback Corban Fields during the Wolverine's first possession) outscoring Garden Valley 24-14 at the end of the half. After the halftime break the Wolverines turned up the heat, outscoring the Mustangs at the end of the fourth quarter and taking the win 36-42 after Garden Valley took advantage of a Horseshoe Bend fumble

and then executed and recovered an onside kick with 2:12 remaining in the game. After spending the past year with Horseshoe Bend, the Timber Axe trophy made the journey back to Garden Valley. The Mustang underclassmen led the team with junior quarterback Colten Meyer in for 3 touchdowns, junior Decker Larson had two touchdowns, and junior Keegan Smith "axed" the Wolverines with 18 tackles and a fumble recovery. The loss puts Horseshoe Bend (now 4-3 overall) in second place in the 1A Long Pin Division II conference and gives the Garden Valley Wolverines the District Championship. The Mustangs still have a shot

at a state playoff berth with a win over fellow 1A Long Pin Division II team, the Council Lumberjacks, in Council this Friday, October 23. Kickoff is at 7:00 p.m.

Horseshoe Bend Volleyball Pink Out

Written by Tracy Koslosky
HORSESHOE BEND -- The Horseshoe Bend Lady Mustang Varsity Volleyball team hosted the Cascade Ramblers on Thursday, October 15th for their annual Pink Out for Breast Cancer Awareness night. The team raised money during the game through a bake sale and a Hula Hoop Serve tournament with the proceeds benefiting breast cancer research. The 1A Long Pin Division II conference game tipped in favor of the Mustangs who won the match in three games, 25-14, 25-21, 25-13. Statistical standouts were freshman Annelie Wilson with 16 kills (an attack on the ball which is not returnable by the opposing team), 1 ace (a serve which is unable to be played or returned by opposing team), 1 block (blocking the ball into the opponent's court leading to a point or side out), 10 digs (passing a spiked or hard hit ball), and 2 assists (pass, set or dig ball) to another player who gets the kill). Junior Kenzie Renfro had 8 kills, 2 aces, and 8 digs. Freshman Abby Howerton contributed 2 kills, 4 aces, 9 digs, and 26 assists while senior libero Natalie Newell had 16 digs. (The libero is a player specialized in defensive skills: the libero must wear a contrasting jersey color from their teammates and cannot block or

attack the ball when it is entirely above net height. When the ball is not in play, the libero can replace any back-row player, without prior notice to the officials). Day one of the 1A Long Pin Division II District Tournament had the Lady Mustangs traveling to McCall on Saturday, October 17. Their 8-2 league record this season bought them the bye in the quarterfinals and advanced them to the semifinals, where they met with Salmon River after the Savages defeated the Cascade Ramblers. The Mustangs went 4 games in the match against Salmon River and took the win 25-17, 34-26, 25-20, 25-16 which advances the team to the championship game in McCall on Tuesday, October 20 where they meet up with the Tri-Valley Titans who are undefeated in conference play (10-0). A win sets the Lady Mustangs for a trip to the State Championship in Burley on October 30th while a loss sends them to a state play in game at Timberline High School at 1:00 p.m. on Saturday, October 24. Stat leaders in the Horseshoe Bend vs Salmon River game were led by Wilson with 34 kills, 2 aces, 3 blocks, 23 digs, and 1 assist. Renfro had 10 kills, 2 aces, 12 digs, and 1 assist. Howerton came up with 4 kills, 17 digs, and 41 assist while libero Newell had 1 kill and 34 digs.

BOISE COUNTY

CANDIDATES FOR BOISE COUNTY COMMISSIONER DISTRICT 1

Kenny Everhart - Write-In Candidate for Boise County Commissioner District 1

An Idaho native, I have lived in Boise County for over 20 years, and I have 5 grown children, all of which attended school in Idaho City. I also have 7 amazing grandchildren.

During my years living in Boise County I have been actively involved in local affairs including two years on the Parks and Rec Committee and nine years on the City Council in Idaho City. I have also been active in community events and activities in the area. I love the outdoors and spend as much time as possible camping, fishing, and hunting in the Boise County Forest.

I have worked in construction my whole Adult life, 20 years of which was spent building and maintaining roads. I am currently the Public Works Director for the Wilderness Ranch Subdivision and the Water Master for Atlanta, Idaho City, Mores Creek Rim Ranches, and Osprey. I am also a District Director for the Association of Idaho Cities. These positions have given me a great working knowledge of budgets and insights into working with other agencies to accomplish goals and make improvements throughout our County.

My primary goals will be to:

- * Work with our roads department to get them the means necessary to not just maintain our roads but to improve them.
- * Work with our Emergency Services: Ambulance, Police, and Fire to help them get the resources they need to better serve our community.
- * Update our Master Plan and implement solid strategies to address the coming increase in population that threatens to change our rural communities.
- * Implement policies that will encourage small business, while keeping the needs of the residents in mind.

I have the knowledge and experience to work with all the agencies available to keep Boise County moving forward and also maintain the lifestyle that brought us here.

On November 3rd, vote for a better Boise County.

Write-in Kenny Everhart District 1 Commissioner

Candidates include Valerie Dresslar and Steven Twilegar. Kenny Everhart is running as a write-in for County Commissioner, District 1.

OBITUARIES

Michael Patrick Emery
1941 - 2020

Michael Patrick Emery passed away on October 13th in Boise's St. Alphonsus Hospital at the age of 79.

The eldest child of Marvin Patrick Emery and Neoma Bergen Emery, Mike grew up in Arco, Idaho. As a teenager he worked on various ranches and, along with the rest of his high school class, painted a very large and prominent '59 on the rocks above Arco. He then followed his parents to Los Angeles, where his father, a union member, helped him get a job at a small company called Industrial Engines, at which he worked his way up to Parts Manager. He credited this company with supporting his efforts to attend college, something that was very popular in California at the time but a bit of a change for an Idaho ranch hand. He began to take class-

es at Pasadena City College, where he took part in a test run by a psychology professor who called him into his office a few weeks later to recommend that he apply to Occidental College. He boldly walked into the financial aid office where he was told, "First we have to get you admitted!" After this was duly accomplished, they offered him a scholarship. After Industrial Engines dissolved, he supported himself through the end of his schooling by working summers as a long-haul truck driver.

Mike continued at the doctoral level at Columbia University in New York City, where he analyzed and interpreted data for Mobilization for Youth, survived blackouts, and learned the streets of Manhattan. He then interned at Duke University. Ph.D in hand and married to Carla Emery, he returned to

Idaho, where he eventually returned to the sort of work he really wanted to pursue: cattle ranching in the Potlatch valley. Now the father of seven children, he returned to work as a psychologist after illness prevented him from continuing physical labor. He worked at the State Hospital in Orofino and eventually set up a private practice in Lewiston. He was often called on to testify on court cases and was part of a coalition of health and social service providers who cooperated in order to best serve their clients. He and Carla divorced in 1985.

It was in Lewiston that he met and married the love of his life, Jeannie Overholt. With her he participated in book clubs, the Historical Society, political organizations and charities, and explored his great appreciation of art, food, wine, and good company. After her death he moved to Boise, where he became a fixture at area poetry readings and was active in various political groups, including Peace Now. He spent several years in Ramah, New Mexico, where he devoted himself increasingly to poetry, participating in weekly readings with the Zuni Mountain Poets. He contributed to Zuni Mountain anthologies and published a free-standing collection of his own verse. Eventually he returned to Idaho, where he found new friends in Idaho City.

Mike was an accomplished gardener and he loved to read. He was particularly fond of art, literature, history, politics, and philosophy. His friends remember his generosity and kindness. Tipping was important to him and he felt a strong connection to the underdog.

Larry Eugene Schultz
1952 - 2020

Our beloved father, grandfather, brother, and friend Larry Eugene Schultz, 68, passed away on October 13, 2020 in Boise, Idaho following complications from a stroke. He was born and raised in Brigham City, Utah to Fred and Edith Schultz.

Larry spent most of his life self-employed working as a "Jack of all trades" in areas of construction, mechanics, and metal fabrication among other things. He spent the last 20 years of his life living in Idaho City, Idaho. He had a love for the outdoors where he enjoyed fishing, camping, gold mining/prospecting, and spending time with his family and beloved dogs. Anyone who knew him

was aware of his passion for collecting antiques, reclaimed, and vintage items. He truly could see the value in anything. His kindness, willingness to help those in need, and love for his family will be greatly missed.

Larry is survived by his three children: Bronson (Marcie) Schultz of Tremonton, Utah; Amber (Mike) Evans of Harrodsburg, Kentucky; and Brandi Schultz of Idaho City, Idaho; two brothers: Charlie (Sharon) Schultz and Jerry (Lynda) Schultz of Brigham City, Utah and three grandchildren: Dallon, Hadlee, and Coleman.

The family will be holding a small private ceremony to celebrate his life.

IDAHO CITY HAUNTED FOREST

By Basin PTA

IDAHO CITY -- Are you ready to be scared? Please join us on Saturday, October 24th for a creepy time in the haunted forest! Basin PTA is offering a spooktacular free event for the community. Participants are asked to park in the football field parking lot. At 7:00, they will be offering a pumpkin patch, and DJ Deputy Gomez will be playing some amazing music from 7:00-7:45. The Idaho City Community Club will be serving delicious hot chocolate from 7:00-8:30, and Basin PTA will be having a bake sale. Then, from 8:00-10:00 the haunting begins at the ICOE property just past the football field. From the parking lot, a path will lead you into the forest for a scare fest! There will also be wagon rides running through the event offered by Seasons Mountain Dining & Grocery. Basin PTA wants to thank the sponsors and people already mentioned along with Evergreen Resource, Mr. Standerwick's ICHS shop, and Nelson Custom Milling. Donations would be gladly accepted. Come for the chilling experience!

Letter from Basin School District

Parents/Guardians,

The district has been able to keep the school open for 7 weeks with help from students, staff, and families utilizing PPE, social distancing, and handwashing. Thank you for all of your help and cooperation.

Many parents have contacted the district asking for advice on whether to keep their student home or send them to school when they have flu, cold, and or COVID-19 symptoms or have been in close contact with a COVID-19 positive person. The district has a new flow chart to make the decision easier. See attached document or go to <https://basinschools.net/covid19-update/> and click on the Parent Flowchart.

Of course you are welcome to contact the elementary principal, Jamie Pilkerton at jpilkerton@basinschools.net. Secondary principal, Sean Porter, sporter@basinschools.net. Superintendent, Brian Hunicke, bhunicke@basinschools.net You are also welcome to call 208-392-4183 as well.

Thank you for all your help and flexibility during this pandemic. Please email any questions from this email to bhunicke@basinschools.net.

Brian Hunicke
 Superintendent
 Basin School District

Idaho City Football

A special presentation took place on Friday night prior to the football game in Idaho City. VFW Post 142 members passed off American flags to each of the senior football players and cheerleaders during the National Anthem. This act of patriotism was inspired by a YouTube video.

BOISE COUNTY

Hunters are Gearing Up for Big Game Rifle Season All Across Boise County

By Jennifer Haney

BOISE COUNTY -- Hunters are gearing up for big game rifle season all across Boise County. Joel LaFleur of Garden Valley was sighting in his rifle this week at the Garden Valley Shooting Range off of the Lowman/Banks Highway. He told *The World* that the meat that he harvests from hunting every year is a main staple for his family. Though he usually prefers archery, this year he is ready to bring home the meat with his 270 Winchester. Ed Schriever, Director of the Idaho Department of Fish and Game (IDFG) stated that "Idaho's big game populations are in good shape, and in some cases, near historic levels. Overall, Idaho's deer herds are healthy and abundant. White-tailed deer herds remain strong and annual harvest levels have only slightly decreased since setting a record harvest of 30,568 white-tails in 2015." Mule deer also appear to be doing well. Rick Ward, IDFG Deer/Elk Program

Coordinator said that "throughout southern Idaho this winter, average winter fawn survival was above average." Elk cow and calf survival is also up. IDFG stated that during the 2019-20 winter, Fish and Game managers monitored 704 radio collared elk in various parts of the state. Adult cow survival was 97 percent and calf survival was 73 percent. The lead-

ing cause of mortality for elk calves was mountain lions, and for cow elk it was a tie between hunter harvest and mountain lions.

Licensed deer hunters may choose either a regular deer tag or a white-tailed deer tag. The regular deer tag is valid for any hunt listed under "2020 Regular Deer Tag Seasons" in the Big Game Rules 2020 booklet

issued by the IDFG and may be used to take a mule deer or white-tailed deer during those seasons. The white-tailed deer tag is valid for white-tailed deer only, for any hunt listed under "2020 White-tailed Deer Tag Seasons".

Boise County has 3 primary Game Management Units (GMU): 35, 33 and 39. All of which are open for Regular Deer Tag General Any Weapon from October 10th to October 31. Unit 39 is also open for White-tailed Deer Tag General

Any Weapon during this period, while Units 33 and 35 are open from October 10th through November 8th for White-tail.

For complete rules and laws, the Big Game Rules 2020 is available at any IDFG office or at <https://idfg.idaho.gov/sites/default/files/seasons-rules-big-game-2019-2020-v2.pdf>. All hunters must have a valid Idaho hunting license or hunting passport and the appropriate tags or permits in their possession while hunting.
