Celebrating Our Veterans Past and Present

IDAHO CITY – Representatives from Veteran of Foreign Wars Post 142 spoke with Head Football Coach Jason Roeber last spring about wanting to do something for the great kids at Idaho City High School. This year, the veterans donated American flags to each of the seniors being recognized at senior night at the home football game. Roeber said, "We thought it was a great idea" and added that it would be a great opportunity to teach the football players some basic flag etiquette and how to properly display and fold the flag. "The VFW presenting the

colors for our home football games has always meant a lot to our boys and community, so when the seniors were presented their own flag it meant the world to them." He added, "The VFW helped create a great memory for all those kids and it's a tradition I hope to see continue and grow. We are very lucky to have an amazing post in our town, they all have served our country and continue to find ways to give back to their community. A huge thank you to Gary Plumlee, Jim White, and the entire Boise Basin Idaho City VFW Post 142."

GARDEN VALLEY WOLVERINE SEASON ENDS

By Jennifer Haney

GARDEN VALLEY -- The Garden Valley Wolverines varsity football team lost Friday's home playoff game against the Carey Panthers by a score of 46-28. The Wolverines fought valiantly but one blow away quarter had the Panthers sprinting ahead.

Carey scored first in the game during the first quarter with a touchdown and a successful two

point conversion. But the Wolverines quickly came back at the Panthers with # 11 Covy Kelly (Sr) taking the ball into the end zone for a touchdown of their own. Unfortunately, the two point conversion was no good, putting the score at Carey 8 to Garden Valley 6. The Panthers dug teeth and claws into the Wolverines in the second quarter. The Wolverines were able to get a touch-

down when #23 Josh Gillespie (Sr) caught a pass thrown by quarterback #21 Corban Fields (Sr). Along with a good two point conversion, this gave Garden Valley a score of 14; however, the Panthers were relentless and put 24 points on the board in the quarter. The score at the half was Garden Valley 14 to Carey 32. After the half,

BOISE COUNTY**ARM Hosting First Annual Horseshoe Bend Turkey Shoot**

By Tracy Koslosky

HORSESHOE BEND -- Wes Barrus and a group of partners began a journey into gun powder technology that led to the creation of a gun powder that has no visible flash. That original venture has now morphed into ARM, American Reserve Munitions.

In the spring of 2017, they opened up shop in Horseshoe Bend, Idaho where they manufacture ammunition that is available on site to the consumer, as well as to wholesale businesses. They carry a full line of popular calibers including a line of defensive ammunition, their Gatekeeper series, an all-copper engineered projectile. Their Gatekeeper 12 gauge fragmented expanding slug weighs in at less than one ounce and has a muzzle velocity of 1,270 feet per second. A YouTube review of that prod-

uct has over 700K views and can be seen with the following search "The BEST 12 ga. Shotgun Slug-You have never heard of. The reviewers had high praise for the ammo, stating they had "never seen such controlled expansion of a fragmented slug" before. ARM is also importing 12 gauge semi-automatics from Strom in Turkey and they are expecting to carry other models in the near future.

Local artisans such as Pete Moore's gem State Knives are available in the retail store's showroom, as are Dan Bittick's hand-tooled custom leather holsters, wallets, and belts.

ARM is a member of the newly formed Horseshoe Bend Valley Chamber of Commerce and Barrus was the featured speaker at last month's meeting. The company is currently

preparing for their first annual Turkey Shoot Social, a marksmanship contest, which will be held on Saturday, November 21st. Subsequent shoots are planned for the first Saturday before Thanksgiving. The shoot will be held at Dobson Gravel, LLC located at 7015 ID-55 in Horseshoe Bend. Registration begins at 9:30 a.m. and the competitive shoot is scheduled to begin at 10:00 a.m. Spectators are welcome and encouraged to attend (bring your own chair). A cowboy action shooter will be on hand performing and those in attendance will have the opportunity to try their hand at quick-draw for an additional fee.

The following classes will be available and open to all ages and abilities (youth will need a current hunting license or need to be accompanied by

a parent or guardian): Black powder, pistol, .223 and smaller rifle, greater than .223 rifle. Registrants will be grouped based on ability. A youth air rifle/BB class will take place if there are enough participants. Registration fee is \$10 at the door and \$5 if you preregister. All extra proceeds will be donated to the Horseshoe Bend Food Pantry (there will also be a canned food drive taking place the day of the shoot).

Winners in each class will

win a turkey (dressed and ready to go for a Thanksgiving meal).

Sponsors can buy in by providing a turkey for one of the classes. Contact Barrus or stop by ARM's retail store for more information.

American Reserve Munitions is located at 125 Mill Road in Horseshoe Bend and they can be reached at (208) 917-3045. You can visit their website at www.armunitions.com

Hi,
 My name is Sharon. I'm an active senior - non-smoker. I'm looking for a lady to meet and care for in "your home." I have excellent references and I can do everything that I did when I was 60! I love pets and I clean houses too. I like to do housework and make things look pretty! I can't live in my house from November 5th - May 5th because I live in the mountains - 83 miles from Boise. My home is very old, built in 1924 and the water lines freeze from November to May!!
 I would love to meet a fun lady that doesn't smoke but loves to laugh and play a fun game of Yahtzee, Scrabble, Chinese Checkers, etc. I like TV, but don't have time to watch it. Please call me after 8:00pm because I work outside a lot (until dark) and won't hear the phone ringing in the house if you call before that.
 Thanks for your time.
 Here's my number: (208) 864-2112

HSB LOSES CHANCE FOR 1A DIVISION II STATE CHAMPIONSHIP

By Tracy Koslosky

HORSESHOE BEND --

The 383 mile trip to Mullan, Idaho was one of comfort and style as the Horseshoe Bend Varsity Mustang Football team made the journey in a luxury motor coach on Friday, November 6. Family, friends, and the Horseshoe Bend Fire Department, Emergency Medical Services Department, and the Boise County Sheriff's Department helped send the team off in grand style at 8:00 a.m.

The Mustang's long trek to Mullan, Idaho was to compete in the Idaho High School Activities Association's Idaho Football State Championship Quarterfinals. After the Mustang's 34-28 win last Friday at home, the team was looking towards a quarterfinal win against the Mullan, Idaho/St. Regis, Montana Co-op team, the Mullan Tigers and a chance at the Idaho State Football Semi-Finals. The games take place on Friday, November 13 and Saturday, November 14.

The team left Horseshoe Bend under cloudy skies and cool temperatures on Friday morning and ended up in Mul-

lan on Saturday where the game time starting temperature was 36° degrees (with a wind chill factor making it feel like 32° degrees) at 1:00 PST. A sloppy, wet snow blanketed the ground and continued to fall throughout most of the game.

The weather was a big contributing factor in the game with both teams slipping and sliding along the field. During the first quarter, the Mullan Tigers took advantage of a Horseshoe Bend turnover and parlayed it into a touchdown, putting the Tigers up 0-6 at the end of the quarter.

In the second quarter, the Mustangs hit back with a carry by Horseshoe Bend's quarterback, junior Colten Meyer, but Mullan countered with a touchdown of their own and the addition of a two-point conversion put Mullan back on top 6-14. Meyer came back with another carry but a flagged call for a block in the back penalty brought the ball back and three additional penalties of sideline encroachment by the Mustangs put Horseshoe Bend back at first down, but this time on the 35 yard line

where everything snowballed into a delay of game against the team, and on 4th down Mullan intercepted the ball before the signal for half-time. The teams traded touchdowns in the third quarter with the Tigers scoring first, followed by a touchdown by sophomore Blayne Meyer which took the score to 12-20 in Mullan's favor. In the fourth quarter, Mullan had the ball just outside their 15 yard line, when a series of penalties against Horseshoe Bend brought the Tigers to just outside their 5 yard line setting Mullan up for the final touchdown of the game. The Tigers connected for the two point conversion and the final score was Mullan 28, the Horseshoe Bend Mustangs 12.

The Mustangs came off a great season finishing second in the 1A Long Pin Division II Conference behind the Garden Valley Wolverines, who also lost their bid at an IDHSAA semi-final berth with a loss on Friday night. Horseshoe Bend's first round win against Castelford on October 30th was the team's first state playoff win in 16 years.

36° degree weather compiled with slushy snow was on the menu for the Horseshoe Bend Mustang's IDHSAA State Football quarterfinal game against the Mullan Tigers in Mullan on November 7. The Mustangs took the loss 12-28.

OBITUARY

Louise Sweeney - 2020

Louise Sweeney, 89, passed away peacefully at home on October 31, 2020 surrounded by her family. She was born at home to Porter and Marie Sexton in Klamath Falls, Oregon, the youngest and only girl of four children. At 17, she met and married Herbert Sweeney and together they had four children. They remained married for 22 years, spending the majority of this time in Winnemucca, Nevada.

She later married Harrold Sweeney, staying married until his death for 31 years. They lived in several places, including Star, Boise, Wilderness Ranch, and Crouch, Idaho. After Harrold's passing, she moved to Payette to be near her daughters.

Louise was first and foremost a mom to her 4 children and later to stepson Allyn.

She had a love and uncom-

mon tolerance for any and all kinds of animals her kids might bring home including but not limited to dogs, cats, rabbits, horses, goats, rats, lizards, a monkey, tortoises, and a variety of snakes. She often used these "guests" as an opportunity to teach us responsibility, compassion, care, and how to be respectful of all living things.

Mom loved and valued learning and taught us to be curious and in awe of the world around us. She would often break out the occasional library book or the World Book Encyclopedias, saying, "Let's look it up!" in an effort to supplement these lessons. She loved to sew and created everything from our school clothes (mending included) to stunning quilts. She was game for any adventure that might present itself.

Mom and Harrold bought a houseboat after retiring and explored the shores of Lake Meade. After they tired of life on the high seas, they sold the "Desert Gypsy" and traded it for a small travel trailer. They were able to visit national and state parks, as well as many interesting spots along the way. On one of these trips, they befriended a couple from Switzerland who invited them there for a visit, one of life's highlights for her.

Following Harrold's death, she adopted a sweet little dog named Molly, and together they trained and were certified as pet therapists, visiting patients at St. Luke's Boise and

Holy Rosary Medical Center in Ontario. She continued to serve as a volunteer at Holy Rosary for many years, a job she loved, as she always had a heart for others. She was a genuine Christian, not only reading her Bible but LIVING the principles it held within its pages. She was the same person in private as she was in public, always friendly, forgiving and kind to all she met, choosing to see the good in people or circumstances. She was always gentle in spirit and unwavering in her faith. She chose to love rather than judging others.

Mom could be mildly corrupted to participate in all forms of silliness, exercising her delightful sense of humor. She always led with a smile.

She is survived by her daughters Eilene and Karen, sons Herb Jr. (Joy), Alan and Allyn (Mary) as well as numerous grand and great grandchildren.

One of Mom's greatest joys was reading, but in her later years her vision declined until she could no longer see to read. She was able to continue by listening to audio books and spent many hours in her recliner holding a dog and listening to her beloved stories.

If desired, consider a contribution to the Idaho Talking Book Services at 325 W. State St., Boise, ID 83702 in her memory. A private service will be held at a later date. Arrangements in the care of the Potter Funeral Chapel Emmett.

IDAHO CITY -- There were an increased number very talented vendors this year. Many Christmas presents were in the bag and walking out the door at the event held this past weekend at the Ray Robison Community Center. *Photos by Georgene Thomas*

**NOTICE OF PUBLIC HEARING
BOISE COUNTY, IDAHO**

The Planning and Zoning Commissioners of Boise County, Idaho will hold a **public hearing to consider the approval and adoption of the Avimor Planned Community. The Avimor Planned Community states that it intends to create a community centered around natural features what will help promote and allow for residents to engage in a healthy, active lifestyle. The Planned Community will create a boundary with standards, regulations, and procedures applicable only to the property located within the boundaries of the planned community. The Planned Community also states that it intends to provide for the better implementation of a boundary that enhances the area's ability to incorporate or to be annexed.**

The Avimor Planned Community application includes a proposed amendment to Boise County Unified Land Use Ordinance No. 2016-01. The proposed amendment establishes development standards, regulations, procedures, permitted uses, design review, zoning administration and enforcement, and specific use standards for the Planned Community of Avimor. The proposed amendment is applicable exclusively to the Planned Community of Avimor and any development contained within the boundaries of Avimor, and shall not apply to any development in Boise County outside of the bounds of the Planned Community.

The Avimor Planned Community application, including the proposed amendment to Boise County Unified Land Use Ordinance No. 2016-01, is available for examination at either the Boise County

Clerk's office, or at the Planning and Zoning office, at the addresses below.

County Clerk: 420 Main Street, Idaho City, ID
Planning & Zoning: 413 Main Street, Idaho City, ID

The Planning and Zoning Hearing will be held at Lady's Hall, located at 121 W. Boise Street, Horseshoe Bend, Idaho starting at 6:30 p.m. on Thursday, November 19, 2020.

Any member of the public is welcome to provide comments at the Hearing or can submit written comments prior to the Hearing. To ensure public health and safety, masks will be required to be worn at all times. Additionally, due to the small size of the Commission Chambers and the inability to social distance the following apply:

- Individuals are encouraged to email their comments to mtturner@co.boise.id.us no later than NOON, Thursday, November 19, 2020.
- Individuals who wish to attend the Hearing in person to comment may be required to wait outside, to be called in to Chambers to provide comment.
- Any person in need of accommodation due to disability should contact the Planning Department at 208-392-2293 or the Clerk's Office at 208-392-4431 for information **prior to the day of the Hearing.**

Boise County Elections Dept. November 3rd. General Election Follow Up

Last week's election was, by far, the most complicated and difficult election in my tenure with Boise County. And we could not have pulled it off without the dedicated participation of our many poll workers, including at both the election polling locations and the three teams of absentee ballot counters. Historically, we have had a difficult time recruiting poll workers and, with the COVID-19 pandemic, many of our longtime poll workers were not comfortable working this election. The combined recruitment efforts made by the Secretary of State's Office and Boise County officials and residents, resulted in over 20 applications from Boise County residents interested in assisting with the election. We utilized

many of those residents and, hopefully, there will be continued interest in helping with future elections.

We have also been working with the school districts within our County, in locating high school seniors that are interested in assisting with elections. The Primary Presidential Election of March 2020 was the first election where we utilized students, all from the Basin School District (Idaho City), at the polling locations, primarily helping with our relatively new Express Vote machines. The 2020 General Election saw senior students from Basin and also from the Horseshoe Bend School District assisting on election day. It feels great to see our youth becoming involved in elections and the

electoral process!

Boise County has historically had a high voter turnout, as compared to the State average, however this was a record election for us with an 81% voter turnout. The other statistic to share is the number of registered voters. At the time of the 2016 November General Election, Boise County had 4,947 registered voters. This 2020 General Election day ended with 6,022 registered voters in our County with 347 of those voters registering at the polling locations on the day of the election.

A big thank you to everyone that participated in the success of this election – poll workers and voters alike!

GARDEN VALLEY WOLVERINES VS CAREY PANTHERS

~ continued from page 1

the Wolverines composed themselves and came back out fighting. The 3rd and 4th quarters revealed fairly matched teams trading equal amounts of points. The score at the end of the 3rd quarter was Garden Valley 20 to Carey 40. The 4th quarter saw the Wolverines reduce the Panther's lead by two points, but by this time Carey was o far in the lead. The final score was Garden Valley 28 to Carey 46.

Well-played, Garden Valley Wolverines, for yet another winning season. This will be the final year for the seniors Donovan Van-Dyk, Devin Yearsley, Corban Fields, Covy Kelly and Josh Gillespie. The team will sorely miss these excellent football players, but there will be players that will surely follow these and all Wolverine players in their legacy, continuing to show strength, endurance, and good sportsmanship.

FOOD DRIVE FOR FAMILIES

By Emma Watson

IDAHO CITY -- Idaho City High School's National Honor Society is holding a food drive on behalf of the Salvation Army until November 19th. While it is a school event, NHS is hoping to get the community's support as well. There are white donation boxes in Idaho City Grocery, Season's Grocery, and at Hilltop Grocery. If you are wanting to help, please donate non-perishable foods to these boxes. There are also barrels at Idaho City High School. We would greatly appreciate and love all the donations and help we can get, as will the families in need that are receiving this food! Thank you!

BOISE COUNTY

Printing of THE IDAHO WORLD

BOISE COUNTY -- Amazing things are happening in Nampa, Idaho where *The Idaho World* is currently printed. The *World* chose to go with the *Idaho Press* back at the end of last year. They've proven their word and have taken great care in their printing process to get vibrant colors, and even went to great lengths to educate the editor of the *World* in ways to produce the most beautiful newspaper around!

Roger Stowell, Production Director at *Idaho Press*, says they run their press just a bit slower than other presses, because they aim to get a better product with crisper text and picture quality.

The *World* has been offering more color issues, thanks to the *Idaho Press*, since the Christmas edition of 2019.

Time and care goes into each step of *The Idaho World*; from historical stories, to nature photos, and everything inbetween, we aim to continue our commitment to the community made back in 1863. We at *The Idaho World* thank you for your support, as we continue to bring news and awareness to Boise County.

Raising the ceiling and moving the printer to its new location within the same facility, the press now extends another half story up, bringing it to a height of two and a half stories.

Roger Stowell gave the grand tour of the printing facility and explained all of its many facets, including the enormous paper rolls used in printing. After the newspapers are printed, they are cut and folded by machines.
