BOISE COUNTY BECOMES A 2ND AMENDMENT SANCTUARY COUNTY

BOISE COUNTY -- On February 9th, Boise County's Emergency Manager, Bob Showalter stated during constituent input, "I believe this is an important topic for discussion. Democrats are already making a move to regulate and impose fees, and restrict some Americans who have not broken any laws." He added that should a 2nd Amendment Resolution be adopted, it would be a symbolic move and would send a message "that we support our Constitution and our right to bear arms. I'm glad to see that this topic is on the agenda today and I encourage you to support it."

Commissioner Steven Twilegar stated that he would lead this initiative. Showalter provided him with a possible resolution which the commissioner would review over the week and compare with his own drafted copy.

The discussion was tabled until the next Boise County Commissioners' meeting on February 16th. A new resolution was adopted in support,

making Boise County a 2nd Amendment Sactuary County.

"I think most of us are gun-friendly in Idaho," Commissioner Twilegar started off by saying. "I'm a Constitutionalist, I don't think that's any secret to anybody here. Any statute, any law that goes against the Constitution is simply unconstitutional. Idaho has already said that we don't need a license to carry; we have a license, it's called the Second Amendment." He explained that enacting a resolution of this nature would be symbolic and would send a message to the governor and the United States government, "that counties, like Boise County, will not go against the Constitution on any level – the first amendment, second amendment – or any amendment."

Twilegar turned to Sheriff Scott Turner and said, "I'd love for you to sign, because you're really who's going to enforce those laws or not. *You are the law of the land.*" Sheriff Turner replied, "*Absolutely*, I support

Commissioners take a stand on gun control with new Boise County resolution. Photo by E. Capson

it 100%."

Commissioner Holmes also agreed to being a Constitutionalist. "I believe, probably a little more, the fact that as long as an outsider or any other entity doesn't try to come in and disarm the citizens of this county, I'm okay if they were ever to do that, with the Sheriff on our side, we would stop that by any means necessary to keep that

from happening."

Commissioner Stirm also agreed 100% and supports the Constitution. He added, "I don't want to see anybody try to come in and try to impose another *will* on us. I'm in a 100% support of it." Chairman Stirm made a motion to adopt this new Boise County Resolution 2021-19 declaring the County of Boise County to be a

Second Amendment Sanctuary County. Commissioner Twilegar seconded the motion. Commissioner Holmes interjected, asking the audience if they had any input. Emergency Manager Bob Showalter agreed saying, "I think we're all like-minded." Commissioner Stirm asked if all were in favor, and the vote was unanimous and the motion carried.

Horseshoe Bend's Monthly City Council Meeting

By Tracy Koslosky

HORSESHOE BEND --

The following is a synopsis of the Horseshoe Bend City Council meeting on February 20, 2021. Mayor Pat Goff made the call to order at 7:00 p.m., led the Pledge of Allegiance, and after unanimous approval of the amended agenda, previous minutes, and the authorization to pay the city's bills, Goff opened the dais for public comments. Darrin Hendricks came forward to discuss the water study. Hendricks suggested that the city sell the parcel of land by the river that is currently slated to be a city park in order to build up the water reserve fund as the land was purchased with some of the money from the water fund. He also told the council that the proposed volume and capac-

ity billing was inequitable and urged the council to bill customers strictly by volume only.

Next up in public comments was JD Dufresne who asked the council, "Is it possible to do a voter referendum or initiative for a municipality?" City attorney Tony Pantera questioned, "What do you mean?" Dufresne replied, "Is it legal for voters to change or initiate a law in the city?" Pantera said, "I don't think so." Dufresne then said, "Maybe you could find out and come back and tell us." Goff interjected, "We'll get back to you on that." Dufresne did not comment publicly on the water/sewer rate increase, however, he did send out comments via a city generated email that contained this month's agenda. Dufresne objected to the public comments

section of the meeting being held before the council speaks on agenda items.

Resident Levi Burk came before the council with new business. Burk received a code infraction letter from the city regarding the amount of dogs he had on his property. Burk told the council they were hunting dogs that were used in his wife's taxidermy business and that the animals were members of their family. He stated that the dogs were kept kenneled and had been at the home since October. Councilmember Curtis Corvinus said that the dogs were the "best kept dogs I've ever seen." Burk indicated that the dogs don't bark and that they had "tens of thousands of dollars invested in them." He added, "The three dog thing, I can't do that." Burk said

that he wanted to work something out by getting a kennel license. Pantera said that the city does have a provision for a commercial kennel. Burk questioned the need for 100% agreement from surrounding neighbors in order for the code to be amended for a kennel as the norm in Boise County and the state of Idaho requires only 75%. Councilmember Stephen Chartier said, "Looks like we need some more investigation." The matter was tabled for further research and a possible amendment of the ordinance.

City grant writer Cheryl Pleak suggested that the council readopt the existing transportation plan since a new plan will not be completed until 2022. The council did not have a copy of the existing plan but when questioned, Pleak told them "it was excellent."

Ryan Stirm told the council that Dan Richter, the managing partner of the Avimor Community, donated much-needed equipment to get the city's second ambulance up and running,

no strings attached. Councilmember Martye White questioned, "Why would someone in Ada County donate something to us with no strings attached?" Stirm replied, "They want us to be able to service the Avimor area if (ID) 55 is blocked." "Isn't that a string attached?" said White. Stirm told the council, "By Idaho law, we serve to the county line, regardless." Goff said, "It's kind of a win-win, since we've got to go to the county line anyway." White asked, "Where are we at legally on this?" to which Stirm replied, "Because we're an all-volunteer service, if we can't get a crew to go, we don't go. There's no contract in place." Stirm told the council that having two ambulances fully equipped was a benefit to the town.

Goff suggested tabling the water/sewer rate increase until next month. Chartier said he agreed after hearing what was said during the public com-

COVID VACCINATIONS FOR GARDEN VALLEY SENIORS!! The Boise County Emergency Manager is working with Central District Health to bring a COVID vaccination strike team to Garden Valley to give free vaccinations to seniors 65 years of age and older. HSB and Lowman seniors are invited too if you're willing to travel to Garden Valley. There is a minimum amount of people required in order to make this work. If you would like the free COVID vaccination please call Bob Showalter at 208-807-0082 to give him your full name, phone number and email address (email optional). If there's no answer, please leave a message with the information above. You can also call Trinia Richardson at 208-807-0073 who is local to Garden Valley. There are limited vaccinations being given to hospitals and medical clinics so please take advantage of this free program. This is time sensitive so please don't hesitate to make your appointment. The plan is to have the strike team in Garden Valley during the second week in March at the latest. East Boise County residents can call the Idaho City Senior Center at 208-392-4918 to sign up for the free clinic in Idaho City. Dates to be determined but probably the second week in March. If you sign up with your contact information you will be notified when the Idaho City clinic is scheduled. Let's get Boise County senior citizens vaccinated for free!

ments. White asked, "There's no rush for us to approve this?" "No," said Goff.

Lake Cascade Sport & Marina wants to operate on property next to the library. The owner of the property was in attendance and told the council he was unaware of the two conditions (install paved handicapped parking spots and to pave the entire lot within 5 years) that had not been met under the conditional use permit (CUP) that had been issued to the previous tenants. Panatera will supply the owner with a copy of the CUP and told them they had until November to comply with the paved lot but the handicap spots needed to be done now.

EMS Report (Michele

Brothers): 10 runs last month plus 1 standby. Everything is going well.

Public Works Report (Michele Brothers): City Hall sign is done, working on snow removal and the levy by the Riverside, which has been a "pretty big undertaking." Sewer and water plant is doing good.

Grant Writer Report (Pleak): Waiting until spring to apply for ADA ramp/sidewalk grants. Applying for grant to provide trees, grass, and fencing for new park property by river. Looking into grants to repair Boise Street Bridge. Will apply for EMS grant after finding out what the department needs.

Community Advisory Committee led by Pleak will resume meetings on March 1. It will involve planning commu-

nity clean-up day and hopes to include painting 3-5 homes. Pleak asked if clean-up should "tackle" junk cars and large debris or if she should "let sleeping dogs lie." White replied, "Let's hold off on that for a while. Give us a little more time to get law enforcement on board." Pleak said they would do the same thing as last year.

Civil Engineer Report (Amy Woodruff): "Mayor and Council, it was a slow month."

City Attorney Report (Pantera): Took care of some easements but "otherwise not much to report."

Goff adjourned the meeting at 7:54. The Horseshoe Bend City Council meets on the 3rd Wednesday of each month at 7:00 p.m. The next scheduled meeting is on March 17.

What did you think of our extra-large GVSC History article last week? We appreciate the generosity of the *Idaho World* newspaper for allowing us to initiate the GVSC History series this way. However, we got a little ahead of ourselves on the collection of the historical information to be used in these articles. After we get this information more organized, look for more History tidbits in future publications. This week, we have the following current GVSC happenings to report.

The GVSC Board of Directors decided to make some changes to our GVSC website to provide a refreshed new look and feel. To accomplish that change, we expect the website to be down/not accessible starting this week for an

undetermined period of time (hours, days, or weeks). We look forward to your feedback on these changes ...coming soon!

FOOD BOXES: We need volunteers to unload & store the food and to pack & deliver the food boxes. Also, our budget is running low and we cannot purchase new boxes. So, we need donations of medium sized boxes. If you have extra boxes and/or want to provide a helping hand, we would GREATLY appreciate whatever you can provide. REMEMBER that we pack and distribute Food Boxes on the **1st and 3rd THURSDAY** every month and have implemented the following schedule for those Thursdays.

• 8 a.m.-10 a.m. -PACK Food Boxes

• 10 a.m.-12 noon -PICK-UP Food Boxes

FREE Tax Preparation for anyone (no age criteria) is now being provided at the GV Senior Center from 1-4 p.m. every THURSDAY throughout the tax season. These Tax Preparers are NOT sponsored by or affiliated with the Garden Valley Senior Center in any way. To schedule an appointment with these Tax Preparation professionals, stop by the GV Senior Center and use the Sign-Up Log posted on the door. The Tax Preparer will then contact you.

Please stop by and visit us at the GV Senior Center on any Monday, Tuesday, or Thursday, 9 a.m. - 12 noon or give us a call at (208) 462-3943.

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

2/16/2021

Present: Commissioners Steve Twilegar, Ted Holmes

Via Phone: Commissioner Ryan Stirm [interference and feedback from the connection disrupted the audio recording]

Pledge of Allegiance

EXECUTIVE SESSION: Per personnel. [Closed session. Time 9:07 am to 9:19 am] No action required.

EXECUTIVE SESSION: Per hiring of an employee. [Closed session from 9:20 am to 9:36 am] No action required.

CONSTITUENT INPUT: None

MINUTES: The official meeting minutes from February 9th and 12th were approved.

TAX CANCELLATION: Assessor Chris Juszcak stated a gentleman that was in the Black Hawk helicopter crash also had a cabin in the county and requested that the taxes be cancelled in the amount of \$1,728. This was done by a motion.

EMERGENCY MANAGER: Bob Showalter spoke regarding funds for a grant and the Sheriff's Office covering the IT cost, and a quote. Clerk Prisco said there were other funds, in the general fund, which was an option. Commissioner Twilegar suggested a paper trail and said, "The issue is that we could have had the grant to pay for this." Commissioner Holmes said he didn't want to set precedence to do it, and suggested finding another way around it, "because I'm going to have to say, 'no.' That's the way I feel about it. I owe our constituents who put us in for a full transparency and

where the money's going."

BUSINESS CARDS: Clerk Mary Prisco will be ordering 500 business cards for each of the county commissioners.

COUNTY VEHICLES: There was concern and discussion that the county is paying insurance on vehicles that are no longer being driven, equipment that is unaccounted for, etc.

AUDIT AGREEMENT: Clerk Prisco presented the audit agreement with Bailey and Co. for the county. They are scheduled to be done the second week of April. Chairman Stirm motioned to approve the annual audit from Bailey and Company in the amount of \$21,500. Commissioner Twilegar asked if this goes out to bid. Clerk Prisco responded that they have had this company for a number of years and her office is the most impacted, but could change auditors. The motion carried.

LEGAL SOFTWARE: Prosecutor Strong talked about how he negotiated to have the software cost cut in half. However, he will need more in his budget next year to cover the cost. It covers case law, statutes, and a lot of other tools. Commissioner Stirm made a

motion to accept the contract between the company and the Boise County Prosecutor's office in the amount of \$227 a month for 36 months.

2ND AMENDMENT SANCTUARY COUNTY: [see front page]

CONSERVATION DEVELOPMENT COUNCIL: Commissioner Stirm appointed himself as the primary contact and Commissioner Twilegar as an alternate contact with the Southwest of Idaho Resource Conservation Development Council.

DEMAND WARRANTS: Chairman Stirm made a motion to pay payee #1 [as part of the death penalty trial] and payee #3 a total of \$7,450 for confidential legal services.

EBCAD: Bailey and Company audit agreement was discussed with the East Boise County Ambulance District Director Melissa Potts. A motion was made by Commissioner Stirm to approve the agreement between the two entities at a cost of \$7,000.

The EMT class is expected to start on February 27th. "We'll probably be sending out some invoices here at the end of the month to everyone that didn't follow through, that had contracted, and did not get their EMT license or have not been contributing." She said the bill would be \$600 a piece.

Commissioner Stirm asked if there was anything else, and Potts replied that it was a busy weekend. He said he'd heard

about that.

OPEN MEETING LAW: The Attorney General's Open Meeting Law manual and its content was discussed by Prosecutor Strong. Commissioner Holmes asked, "Is the only option we have, if something's wrong with another elected official, is the only option we have is notifying the Attorney General's Office to have an investigation?" Prosecutor Strong responded, "There is criminal conduct. If it is one of the county's elected officials, I have jurisdiction and so does the Attorney General. Almost all other violations of law would have to come through me and I can conflict it out if there's conflict... If there is an issue with a county elected official, and it has to be within the scope of their duties." Holmes said he'd been asked how commissioners were held accountable and also asked about employees of elected officials. Prosecutor Strong stated: "There could be an elected official that is doing really dumb things with their employee and it could cause a liability to the county, and you can talk to them. I can talk to

them, but in the end, they were elected by the taxpayers. And if taxpayers like someone that is going to cause them liability, they can do that... There's really not much anyone can do to stop that elected official, or force that elected official to take action against that employee. Like I said, they are duly elected and they get to choose their employees. And they get to make hiring and firing decisions, and hopefully they'll take council from commissioners and from me, if it's a legal issue, *but they're not required to*. They can make those decisions for themselves." However, he did agree with Commissioner Holmes, the commissioners do control the budget.

Career Opportunities & Resources Available

IDAHO CITY -- For all adult learners either new to education, seeking training opportunities, or changing careers, this is for you!

The Boise Basin Library is excited to announce a new program for adults seeking educational opportunities and new or different career paths. Veterans and their families are strongly encouraged to participate in this information forward grant.

Boise Basin Library wants to help you with technological advances such as how to convert your resume onto a thumb drive or how to take a class online. We want to provide assistance in finding training, job listings, education, and resume writing.

At nextsteps.idaho.gov/future-finder there are many options available, for example, take a Future Finder quiz to de-

termine which career best suits your personality and determine your next steps to achieve your goals.

Jobscapes helps connect you to career opportunities and are a powerful resource for you at www2.labor.idaho.gov/Job-Scape.

To provide ease of access, the Boise Basin Library has several laptops available for extended checkouts. This brings

information and opportunities right to your home.

Need some assistance with math skills, GED test prep and guidance, to study for an exam, or learn Microsoft Office? Check out Tutor.com @ boisebasin.lili.org/ the library's website.

We are hosting a Facebook Live event on March 3, 2021 @ 1:00pm and March 10, 2021 @ 6:00pm to provide in-depth

information on this exciting new program available at the Boise Basin Library in partnership with the Idaho Commission for Libraries and the Idaho Learning Partnership Grant.

NOTICE OF SPECIAL SUPPLEMENTAL LEVY ELECTION Horseshoe Bend School District No. 73 Boise County, Idaho

PUBLIC NOTICE IS HEREBY GIVEN according to law, and the requisite action of the Board of Trustees of Horseshoe Bend School District No. 73, Boise County, Idaho, that a special supplemental levy election will be held on March 9, 2021, for the purpose of submitting to the qualified electors of said District their vote and determination on a supplemental tax levy.

An elector must be a registered voter who has resided in this state and in this school district at least thirty (30) days preceding the election. The polls will be open from 8:00AM until 8:00PM at the following locations: Mutual Improvement Club (Formally known as the Ladies' Auxiliary Building) 121 W. Boise St. Horseshoe Bend, Idaho

The question submitted will be: Shall the Board of Trustees of Horseshoe Bend School District No. 73, Boise County, Idaho, be authorized and empowered to levy a supplemental levy, as permitted by law, in the amount of Three Hundred Thousand Dollars (\$300,000) per year for a period of two (2) years commencing with the fiscal year beginning 2022 for the purpose of paying lawful obligations of the District and the expenses of maintaining and operating the District for the fiscal years beginning July 1, 2021, and ending June 30, 2023?

The following statement is required by Section 34-439A, Idaho Code, as amended: The purpose for which the levy

shall be used are maintaining current programs and services, keeping or adding certificated teaching positions and support staff, enhancing and updating technology and curriculum, providing additional support for extra-curricular activities, and providing for other operational costs as needed. The date of the election shall be March 9, 2021. The estimated amount to be collected each year is \$300,000, which amount shall be collected for two (2) years, for a total amount of \$600,000. A tax of \$138 per one hundred thousand dollars (\$100,000) of taxable assessed value, per year, based on current conditions.

STATE OF IDAHO DEPARTMENT OF ENVIRONMENTAL QUALITY

DEQ to hold public informational meeting on draft air quality permit to construct for Midas Gold

BOISE — The Idaho Department of Environmental Quality (DEQ) will hold a public informational meeting on a draft air quality permit to construct for Midas Gold Idaho Inc.'s Stibnite Mine, located at the intersection of Forest Service Roads NF-374 and NF-412.

The meeting will be held virtually on March 3, 2021, from 6 to 8 p.m. MST. DEQ staff will be available to answer questions and provide information about the permit and permitting process. To request a link to the virtual meeting please email Darrin Pampaian at darrin.pampaian@deq.idaho.gov.

Midas Gold Idaho, Inc., applied for a permit to construct an open-pit gold mine and to operate on-site ore processing, ore concentration and refining, and ancillary equipment. On December 18, 2020, DEQ received an addendum to the permit application from Midas Gold Idaho, Inc. to address substantive comments received during the previous public comment period concerning the emissions of hazardous air pollutants (HAP) and toxic air pollutants (TAP). DEQ has updated the proposed permit and technical review, and has crafted a document in response to the HAP/TAP addendum and all public comments received to date, and proposes issuing the permit.

To submit written comments, please see DEQ's Public Comment Opportunities page.

Second Amendment Sanctuary County

Boise County Resolution #2021-19

Resolution of Boise County Board of County Commissioners Declaring the County of Boise, Idaho, to be a Second Amendment Sanctuary County

Whereas, the Second Amendment of the United States Constitution reads: "A well-regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed"; and,

Whereas, the Boise County Board will oppose any infringement on the Second Amendment such as, but not limited to, long gun registration, magazine capacity limitations, ammunition possession and purchasing limits, mandatory physiological evaluation, gun purchasing application fees, requiring gun owners to purchase insurance before gun is legally owned, social media and search engine history background checks, and/or restrictions that otherwise impair the civil liberties of lawful gun owners; and,

Whereas, the Boise County

Board wishes to express opposition to any law that would unconstitutionally restrict the rights under the Second Amendment of the citizens of Boise County to keep and bear arms; and,

Whereas, the Boise County Board supports the requirement for any individual purchasing or possessing any type of firearm be able to prove without any reasonable doubt that they are an American citizen; and,

Whereas, the Boise County Board wishes to express its intent to stand as a Sanctuary County for Second Amendment rights and to oppose, within the limits of the Constitutions of the United States and the State of Idaho, any efforts to unconstitutionally restrict such right, and to use such legal means at its disposal to protect the right of the citizens to keep and bear arms, including through legal action, the power of appropriation of public funds, and the right to petition for redress of grievances.

Now, therefore, be it resolved by the Board of Commissioners of Boise County, Idaho: That the Board of County Commissioners hereby expresses its intent to

uphold the Second Amendment Rights of the citizens of Boise County and its intent that public funds of the County not be used to restrict Second Amendment rights or to aid in the unnecessary and unconstitutional restriction of the rights under the Second Amendment of the citizens of Boise County to keep and bear arms; and that the Board hereby declares its intent to oppose unconstitutional restrictions on the right to keep and bear arms through such legal means as may be expedient, including without limitation court action.

In witness whereof, the parties have adopted this agreement by its governing bodies and this resolution has been signed and attested by the authorized officials of each party.

Approved and Adopted this 16th, day of February, 2021.

Horseshoe Bend Chamber

By Tracy Koslosky

HORSESHOE BEND --

The Horseshoe Bend Valley Chamber of Commerce is a great organization to join and become an active part of the community. The group meets on the 3rd Tuesday of each month at The Longbranch Saloon, 473 ID-55 in Horseshoe Bend.

While local businesses are a large part of the membership, individuals from the community are encouraged to join as well.

This month's meeting featured Zip Idaho in the Member Spotlight. After years of the zip line company having a presence along Highway 55 in the center of town, the pandemic forced owner Eric Faull to re-evaluate his business plan. Zip Idaho has pared down their course and are now only running their three longest lines. Ticket prices have also dropped from \$90 to \$39.99. Company vans were used to transport groups from their main office in town to the course, but now visitors purchase their tickets and schedule dates and times on their website (zipidaho.com) before traveling on their own to the course. This allows

guests the ability to stay on the property and picnic, hike, and sightsee before or after their guided tour.

Also, new is the inclusion of the new Jerusalem Landing Camping and Events venue. The Jerusalem Landing is home to a wedding venue, a live music venue, and offers camping. The venue's conditional use permit allows for up to four live music events each year. Reservations for camping will open soon.

The chamber is planning a member event at Zip Idaho in late May or early June, details will be posted on the chamber's website. The event will feature a guided zipline tour as well as lunch. Zip Idaho is currently hiring fulltime employees for the upcoming season. Applicants must be 18 years of age and should be available between May and October. Interested individuals can send their resume to eric@zipidaho.com.

A point of order was brought to the membership where it was decided and agreed upon by the membership that smoking during meetings would no longer be allowed. (The Longbranch is a bar and as such, smoking is allowed per Idaho law).

Updates have been made to the chamber's website, <http://www.hsbvalleychamber.org> including news regarding the planned Horseshoe Bend Veteran's Memorial and an included link that allows patrons to donate to the build fund. The memorial will be a giant horseshoe with an eternal flame honoring by name those local men and women who have served our country. While a ceremonial groundbreaking was conducted last year, the exact location of the memorial is still undetermined. The Parts Store owner and Chamber Co-Lead, Nick Gibling, awarded a veteran in attendance a gift card to his store.

The chamber is currently working on placing a kiosk in the vestibule which will contain welcome packets as well as information about the chamber and local businesses.

Horseshoe Bend Fire Chief Jason Gifford gave the date of their annual Easter Egg Hunt as Saturday, April 3 and said that donations would be appreciated. Those interested in donating can contact HSB Fire Captain Jordan Jones at 208-860-0718.

BOISE COUNTY

COVID Vaccination in Boise County

By Jennifer Haney
BOISE COUNTY -- Adults 65 and older are now eligible to receive the COVID-19 vaccination in Idaho. Additionally, vaccinations are ongoing for medical personnel support staff, educational facilities, and first responders (a full list of eligible occupations is listed below). There are only two vaccine administration sites currently in Boise; the Garden Valley Family Medicine practice offers a clinic in Garden Valley and Horseshoe Bend. The *World* spoke with Betty from the Garden Valley Family Medicine. She said that vaccines are temporarily held up in Mississippi due to the weather right now, but she expects a new shipment any day. She is able to often set up same day appointments, with Saturdays being a big drive-through clinic in which she vaccinates 100 to 150 people in one day! There are also several vaccination administrations sites in Ada and Valley Counties as well. If you are in one of the eligible categories, you can obtain a vaccine in any county regardless of the county you reside in. The *World* spoke with several Boise County residents about their experiences with the vaccine.

Emil, Anke, and Bob, all of Lowman received their vaccination at Garden Family Medicine. Anke explained that Emil and Bob are in group 2 (Adults 65 and older). They at first tried to sign up for vaccination with St. Luke's in Boise through the hospital's website but it wasn't available until February 1st. So instead, Bob started making phone calls to clinics as far as McCall and was finally successful in getting an appointment with the Garden Valley Family Medicine clinic within days. Emil called the same day and got in too. On vaccination day, Anke (who is 60) was also able to get her first vaccine because the Garden Valley Family Medicine clinic had leftovers! Bob, Anke, and Emil all received the Moderna brand vaccine. Anke stated, "All three of us had a sore arm for about twelve hours." She added that, "Bob and Emil were also a little more tired than usual." Anke wished to include that, "the Garden Valley Family Medicine office did a great job in holding their vaccination clinic, very well organized, everything on time, waiting outside in your car until you were called in, face mask, social distancing, sanitizing inside and a

super friendly staff!" I (Jennifer, group 1), was also able to get the vaccination. I was able to sign up through St. Luke's MyChart web service. The appointment was made two weeks in advance but it only took 15 minutes total from when I arrived for check in, to walking out after the vaccination. I received the Pfizer brand vaccine. The shot itself didn't hurt at all. I could barely feel the prick and did not feel the medicine being injected. Like Anke, Bob and Emil, I too had a sore arm for about twelve hours, similar to a good bruise, with no aftereffects other than that. The second vaccination is due for all of us in two weeks. Regardless of where you go to receive the vaccine, it is free. Here are the facts:
Who is currently eligible for the vaccine
 • Adults 65 and older
 • Adult and child protective services
 • Medical workers and staff personnel and home health and long-term care facility residents and staff
 • Blood center workers
 • Child welfare workers

Idaho City Trading Post

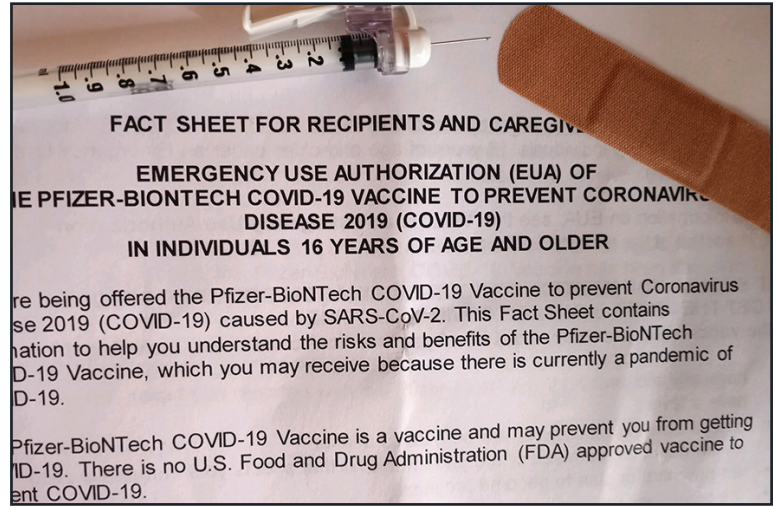

By Georgene Thomas
IDAHO CITY -- Theresa Meyer and her husband were thinking of retiring from Washington. Because they loved mountains, so they found their way to Idaho City to look around. They loved the area and decided to move here. After contacting a realtor, they were offered a unique deal; buy a home and have an opportunity to run a business on Main Street. In September of 2020, Theresa encouraged her brother Bob Schaan to move here and help operate the Trading Post business.
 Theresa said it has been a great adventure. They have brought in new inventory, organized, and opened the store during the winter. Theresa and Bob have new consigners who make unique gifts and the store is full of new products. There are handwarmer mugs for left or right hands, handmade tree ornaments, handcrafted wooden pen and pencils sets, original dog collars with matching leashes, creative winter gnomes, nostalgia signs and
