CONGRATULATIONS TO THE HIGH SCHOOL GRADUATING CLASS OF 2021!

Boise County Interagency Emergency Exercise

By Jennifer Haney

BOISE COUNTY -- The Garden Valley Protection District hosted this year's Boise County Interagency Exercise on Saturday, May 15, 2021. This annual exercise helps to bring emergency responders together, work more efficiently as a team, and better gauge emergency responses. The exercise was staged at the Garden Valley School and involved many different agencies in the county.

The training was provided by simulating real-life emergencies. Participants gathered at the Garden Valley School and were divided into teams. These participants were directed to respond to one of four different scenarios.

The scenarios included:

1. A victim had fallen from a cliffside to the river.
2. A victim was trapped inside a car that had live electrical wires laying on it.
3. A wildfire on a hillside threatened a structure with possible occupants.
4. A small HAZMAT spill.

In all four scenarios, responders needed to assess the situation, safely extract the victim and get them to the waiting ambulance. Additionally, responders also had to simulate traffic control and coordinate using radios from different agencies.

The exercise consisted of Garden Valley Fire, Centerville Fire, Horseshoe Bend Fire, Robie Creek Fire, Clear Creek Fire, Boise County Sheriff, Boise County Interagency and State Communication Dispatch, Boise County Fire Dispatch, Idaho Department of Lands, Atlanta Fire Department [Elmore County], Wilderness Ranch, The U.S. Forest Service and Idaho Power.

The *World* spoke with Garden Valley Fire Chief Jon Delvalle. He recognized, “There are always hiccups, but ultimately the exercises went smoothly.” He explained that this year, they did some different technical scenarios, instead of just fire. This added to the complexity and the opportunity to learn.

Centerville Fire folks enjoyed the camaraderie, Mike Arnold (left) and Nick Cioffi.

BOISE COUNTY

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

May 11, 2021

Present: Commissioners Ted Holmes and Steve Twilegar

Absent: Commissioner Ryan Stirm

Pledge of Allegiance

EXECUTIVE SESSION: Closed session per personnel issues. [Time 9:02 am – 9:31 am] No action needed.

CONSTITUENT INPUT: None

ROBIE CREEK ROAD PAVING PROJECT: Commissioner Twilegar, acting Chairman, said they were going to open the four bids for the projects to review them and take action at a later date.

MINUTES: The minutes were approved for May 4th.

ROAD DEPARTMENT: A representative said they wanted to work with the grant writer to get more money for dust abatement, to help support the road and fix it. They are also looking to get more road mix on the roads, so they have more material to work with.

They are working to get their water rights permits.

Garden Valley's shop, their waste oil meter went out, so they will be seeking bids for that.

EMERGENCY MANAGER: The Forest Protection Manager for the county will take on the job of Emergency Manager, for the time being, as per a motion by Chairman Twilegar.

ROAD & BRIDGE JOB: Twilegar made a motion to approve the job description for the Road and Bridge superintendent, as revised.

ASSESSORS: Chris Juszczak spoke regarding the expenditure that is per statute, purchasing envelopes, etc.

TREASURER: Gina Turner said they would also have a large expenditure for mailing out tax bills.

SHERIFF: Scott Turner said its been very busy with crashes, fatalities, and suicides. Commissioner Twilegar agreed, "It's truly been a horrific year." Sheriff Turner said they are having June and July numbers in the month of April, "and this month is already shaping up to beat that already. *It's going to be a long summer.*"

The Interagency Exercise would take place on Saturday.

SUICIDE PREVENTION: Ms. Leader from Juvenile Justice spoke to the Ada County Coroner about purchasing

rights for a suicide prevention campaign. They would like to get the word out. She said in Ada County, they have had 47 suicides this year, "and the primary demographic is adult white men, ages 40 to 60. So, that campaign is directed towards that demographic." Commissioner Twilegar stated: "We've had just an *insane* amount of suicides this month, or within the last six weeks." He said this campaign would be helpful.

GRANT WRITING: The grant writer discussed how she will approach grants and the process of notifying the commissioners of grants. A consulting agreement was approved through a motion with the grant writer, in the amount of \$1,500 and 10% of all grants awarded.

BILLS: Commissioner Twilegar motioned to pay the Claims Approval Report in the amount of \$136,070.52.

ITD RESPONSE LETTER: Idaho Transportation Department sent a response regarding making Jake Brakes illegal within the city limits. Twilegar read, "The Idaho Transportation Department said, 'You can't do that,' any state highway or anything like that. You do not have jurisdiction over that, which is educating, *but I guess there's not much we can do about that.*"

Sheriff Turner said he knew the city had the ability to

change the speed limit on a federal highway. Twilegar will look into it, "I find it odd that they would even care about anything like that, because there are people that live all down that road."

DEMAND WARRANTS: For the capital crimes case there were several payees, [which the commissioners are not permitted to know their purpose or the particulars of the charges, but the state helps fund these death penalty cases] Commissioner Twilegar made a motion to pay for confidential legal service, payee #3 in the amount of \$8,068.25. He made another motion to pay payee #1 in the amount of \$5,962.50.

EAST BOISE COUNTY AMBULANCE: The board spoke regarding an agreement to provide ambulance services to the Gold Dust Rodeo [June 25-26], Jack Pine Roundup, and the Idaho City 100 Enduro [June 5-6]. Motions were said for two of the events, but the Jack Pine Roundup was tabled until Commissioner Stirm could return, because Twilegar stated he is on their board.

TWILEGAR: Commissioner Twilegar said for the record, "My business partners have purchased a couple of businesses in town. I know that Boise County gets gasoline from the only gas station we have in town, and I want to go on record that I have *zero*

percent interest in that business and I have *zero* percent interest in the hotel."

ROAD IMPROVEMENTS: There were representatives from ITD, Western Federal Highways Division, and Idaho Fish and Game to present. The Idaho Transportation Department representative stated there were six areas, including the Banks to Lowman intersection of Highway 55, "big picture improvements." There was also talk of the

Highway 21 Wildlife Overpass. Another overpass will be done a little further up the road at mile marker 19.3. The fence would be extended up to the private property. They are working on final designs, and it is scheduled to be complete by the end of this year. Construction is projected to be completed by the end of September 2022. There are about 8,000 deer and 1,500 elk that migrate through there twice a year.

OBITUARY

James Patrick Goff
1938 - 2021

James Patrick Goff was born in Ferndale, California on March 12, 1938 and left this earth to be with our Heavenly Father on May 8, 2021. He always tried to give the love of his life, Peggy, something special on Mother's Day. This year he gave her himself and they are dancing together in Heaven.

Jim met his wife of 59 years, Peggy Baily, at Humboldt State University where he majored in the card game of Hearts and minored in drinking. Really, he majored in Elementary Education and completed his degree at Boise Junior College. (He didn't know then how many lives he would

touch in the thirty-three years he spent in education.) Jim and Peggy met in September of 1961 and were married the following February. They made their life together in Horseshoe Bend for 20 years, bringing their kids up in the faith of the First Southern Baptist Church. Jim taught multiple grade levels and coached all sports. He was instrumental in getting the gymnasium in Horseshoe Bend built so the students could have access to upgraded equipment. Jim Goff and Jim Jones confiscated the coach's room, and it was lovingly referred to as "The Nest." After those 20 years, Jim was called to New Meadows where he taught 5th and 6th grades and coached volleyball and girls' basketball. He spent endless hours coaching and supporting all the kids in their dreams. Jim ensured everyone at the sporting events were well fed by keeping the concession stand in stock. When something needed done, the words "You Bet" always meant that Jim was on the job! There were lifelong friendships built in New Meadows. The couple moved to Emmett in 1990 where Jim continued teaching and was the middle school Athletic Director. Jim retired in 1996 and continued his passion of running concessions at many events in the state. Jim and Peggy were notorious for making their Christmas salami and cheese for members of the communities in which they lived.

Dad dedicated much of his lifetime to his community and family alike. He spent countless hours with weekend sessions of open gym for the kids and parents of the town. He even coached the women's Blue vs Red volleyball teams in Horseshoe Bend, along with giving back to the community thru the years by helping with the Logger's Day Committee, Jaycees, and being the co-director of

the Outdoor School program with his sidekick Mrs. Deb Bitten. He covered a lot of territory in the Brownlee basin hunting with his life-long friends, Bob Wolsleben and Larry Gardner. Of course, his favorite recent times were spent having coffee with the liars at the "Liar's Table," and the sarcastic bantering between he and his good friend, Shawn Surgeon.

Jim is survived by his sister Victoria of Nevada, his brother-in-law Pat Bailey of Oregon, sister-in-law, Shirley Palazzo of California, his oldest son, Christian Goff (Helen), second son, Patrick Goff (Kristin), and daughter, Doni Jo Davis, (Carl). He was so proud of each of his 13 grandchildren and 27 great-grandchildren...and, yes, still one on the way.

Memorials and donations can be made to Heart and Home Hospice in Emmett, ID or Mustang Athletics in Horseshoe Bend. Graveside services will take place at the Pioneer Cemetery on Sunday, May 23 at 2:00 PM with a luncheon to follow at the Ladies' Club Hall in Horseshoe Bend. Services in the care of the Potter Funeral Chapel Emmett.

Opinions ~ Letters to the Editor

Dear Editor

Recently the South Idaho Correctional Institution (SICI) crew spent three weeks in Idaho City helping the City of Idaho City and the Idaho City Historical Foundation prepare for the summer season. Being a part of this Vocational Training Project program has been a win-win for us and for the SICI crew. They experienced what it is like to be a part of a community and we got to know them as the hard-working people they are. All of our historic buildings are cleaned, organized, and ready to go. The Brogan and Naylor park got some serious pruning and raking. The park bridges are rebuilt. The picnic tables have fresh paint. Dead trees and pine needles have been removed from the Pioneer Cemetery. Pot holes are filled. The sand bays at the City Water Treatment Facility are clean. And that is just a short list.

We could not have hosted them without the help of the local business community. A Huge Thank You to Gold Mine Grill-Saloon-Hotel, Idaho City Grocery, Kayak Pizza and Subs, The Lobby Coffee, Sarsaparilla Ice Cream Parlor and Gifts, Seasons Mountain Dining & Grocery, The Springs and Trudy's Kitchen for the meals, the coffee and

the sweets to keep them going. Additional cookies and such were graciously supplied by Kay Jackson, Georgene Thomas, Mary Ellen McMurtrie, and Rosemary Ardinger. The Odd Fellows Pioneer Lodge #1 provided a place to get out of the weather.

The City of Idaho City, especially Nancy Keeton-Ling and Tammy Franklin and crew, along with the Foundation's supervising committee, Barbara McClain, Trudy Jackson, Linda Strohmeier, Charlotte Watson and Dale Keleman, kept the SICI crew supplied and busy. Many more lent a tool or advised. Thank you all.

State Championship

By Tracy Koslosky
HORSESHOE BEND -- The Horseshoe Bend Mustangs secured a third place berth in the Idaho 1A State Championship Tournament after a tough second round loss to the Glens Ferry Pilots on Thursday, May 13 in Glens Ferry. The Mustangs finished the season 13-4-1 overall and 10-2 in conference play earning them a second seed placement behind the Northstar Huskies. That second place finish gave them the home field advantage in game number one of the Western Idaho 1A District Tournament. Game number one was played on Wednesday, May 12 against the Greenleaf Friends Academy Greyhounds who joined up with the Gem State Adventist Academy to co-op a first year baseball program. The rookie team finished in last place with an 11-1 conference record. The game began with the Mustangs on defense and senior Jordan Bowles was on the mound for Horseshoe Bend. Bowles faced 18 batters in the 5 inning, 10-0 mercy win for the Mustangs. Bowles, the Mustang's starting

catcher, struck out 10, walked one, and gave up only one hit during the game.

In round two of the tournament, Horseshoe Bend faced off against the Glens Ferry Pilots who hosted the remainder of the tournament. The Pilots ended their season in third place for the conference with a 7-5 Western Idaho 1A record. The loss put the Mustangs in the loser's bracket, setting them up for a win or go home game schedule.

On Saturday, they faced the Rimrock Raiders (6-7 conference record) and took the win 2-0 with Thurman and Fields scoring the only runs of the game. The win gave them the opportunity for a third place finish against the Wilder Wolverines who came into the tournament with a 6-7 conference record. Horseshoe Bend took the win 7-6 securing a spot in the State Tournament that takes place in Orofino on May 21-22. The Mustangs face the Kamiah Kubs at 11:30 a.m. on Friday, May 20. Live stream can be viewed on Idahosports.com

Junior Decker Larson singles in the 4th inning at home on May 12 in first round Western Idaho district play against the Greenleaf Friends Greyhounds. HSB took the win 10-0.
