Horseshoe Bend's 4th of July Celebration

Pictured from left to right: Carly, Jackson, and Chelsea Kersey take part in the Horseshoe Bend annual 4th of July Parade.

Heavy winds hit portions of Horseshoe Bend, threatening to put a halt to the city's annual firework display, but the show was able to go on after a slight delay. Once again the Horseshoe Bend Volunteer Fire Department kept the city safe and residents were treated to a fantastic aerial production. The city breakfast that helps fund the show was canceled this year but donations can be made at city hall to help pay for next year's display.

CENTERVILLE BREAKFAST

The Horseshoe Bend annual 4th of July Parade took place thanks to the last minute efforts of the city's volunteer fire department with Chief Jason Gifford spearheading the organizing. Though the crowd was much smaller than past years, most likely due to a change in time from 11:00 a.m. to 9:00 a.m., those in attendance were very enthusiastic. A number of local residents and businesses participated, including Mustang Towing and The Horseshoe Bend Flight Park. *Photos by Tracy Koslosky*

BOISE COUNTY

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

June 29, 2021

Present: Commissioners Ryan Stirm, Ted Holmes, and Steve Twilegar

Pledge of Allegiance

EXECUTIVE SESSION: Closed session per personnel and hiring of a new employee. [Time 9:04 am to 9:15 am] No action required.

CONSTITUENT INPUT: None

MINUTES: The meeting minutes from June 22, 2021 were approved through a motion.

FORESTER: Trinia Richardson discussed an Emergency Manager / Fire Mitigation Management Awareness Facebook page. She said there were a lot of little things that came up that would be beneficial to the county. She would be one of two administrators to this page.

SOLID WASTE: A payroll change was made for two new employees to serve as transfer station attendants, and one would work part time with noxious weeds.

COMPUTER EQUIPMENT: There was a quote presented to the commissioners for Dell equipment to replace all the PCs, including additional monitors. The IT person, Robert, said he's done all the software updates and all the patches. He installed all the switches to all the county buildings to connect fiber, he said the earlier ones he likely put in about ten years ago. "What really scares me is that we don't have any spares. If one were to go down, we're down for a couple of weeks." He added a line for switches too, with a couple spares.

Clerk Mary Prisco stated that they used to be on rotation to replace computers, "I literally don't remember when we last did that, probably in 2016 -- maybe. So, we have some really, really old not efficient equipment."

As part of the CARES Act, the money could be used to cover this cost, about \$113,000 was moved into the general fund.

The county is currently operating on Microsoft 2013, more than two versions away, and will need to update next year.

Chairman Stirm made a motion to approve the purchase of all-in-one laptops, monitors, and switches for the IT department in the amount of \$76,319.89. Robert said that the price may come down from this price, and won't go above it, when they order 37 all-in-ones. Stirm motioned to amend his motion to not go above that amount.

SQUAW CREEK DONATION LETTER: The county contributes \$2,750 and the letter certifies that they donated that money. A motion was said in support.

GARDEN VALLEY MARKET: There was discussion that there was 50 tons of cardboard that needed disposing of, since it's not being recycled. They want to bring it to the transfer station.

WATER TRUCKS: Clerk Prisco spoke regarding dedicated funds for the Road and Bridge Department and moving those funds. Chairman Stirm motioned to adopt a resolution to increase the Boise County Road and Bridge Fund 2021 budget.

LIQUOR PERMIT: There was a permit approved for the Eagle Rodeo Grounds [in Boise County].

DEMAND WARRANTS: Capital crimes case, to pay payee #4 in the amount of \$8,015 for confidential legal services.

BOISE STREET BRIDGE DISCUSSION: Commissioner Stirm offered some background, "The Boise Street Bridge in Horseshoe Bend is currently nonfunctional." There have been several different conversations over the past four years on the question of fixing it. He said there was a letter in the Idaho World by Chuck Morgan, "not 100% incorrect on his understanding. Got his numbers a little off price-wise." Stirm continued, "The main thing that I want folks to understand as far as the bridges go, is the Gardena Bridge is a multi-million-dollar project to have it replaced." That's a bridge the county has been getting ready for a grant. They are working with the state to get a price-match bid, "the unfortunate side of that is that bridge has gone, I think, north of seven million." He also said there were thoughts of moving the bridge. He said the options would be to repair it properly with the grading, because of the noise, or to remove and condemn it.

The State Emergency Operations Plan will be researched for the county to determine if the bridge was included in the plan.

Chairman Stirm continued, "I'm not opposed to either way. My thought process was, Horseshoe Bend was willing to take it. They won't take it broken." If the county fixes it to an operable point, then the city can annex it in and it will be their property going forward.

He explained and said his biggest concern was, "I don't necessarily have a preference either way. I just don't want to leave it up and broken. I think that that provides too much of a liability and an opportunity for people who have nothing better to do... I don't think that's fair to the residents."

One resident stated, "We don't need that bridge; there are other ways around."

Commissioner Holmes stated after listening, "I don't want to pay my tax money on that thing either."

Commissioner Twilegar asked how many households were on the other side of this bridge, and if they felt the same

way. The resident responded that they had all signed a letter and there were between 15 and 20 households. It's five minutes to go around in an emergency situation, "To me, I'm inclined to say no to it as well." The bridge is almost 100 years old. Twilegar was also concerned about the structural integrity of the Gardena Bridge, it would take an hour to go around. Curtis Dill, Acting supervisor for the Road and Bridge Department, said that "the guys are having to redo bolts on that thing at least every two weeks."

PAVING ROADS: Commissioner Holmes said there is more money to pave roads would like to look at Old Crouch Road and dump road.

ASSESSOR APPEALS: Chris Juszcak said there were only two appeals this year, but last year there were over thirty.

BUDGET HEARINGS: Clerk Prisco said the budget hearings were going to be July 12th and 13th.

DEPARTMENT HEAD MEETING: Clerk Prisco presented some budget training.

The tentative budget will need to be complete and estab-

lished by the Board by August 3rd, when it will be published in the *Idaho World*. "This year, I'm including a cost of living increase of 6% across the board for all employees in every department. I am doing that because I'm looking at the Consumer Price Index from April of 2019 to April 2021 and we didn't have any compensation increases last year," said Clerk Prisco. "That's my plan. Hopefully, there's sufficient funds for that." She added, "It's very important for everyone to understand, whenever we publish in the newspaper, we cannot increase from there. We can only decrease from there and that is for every single revenue item." There will be a public hearing on the budget and testimony may be given by the public. She encouraged department heads to be present to state their case. The final budget will be adopted after Labor Day in September of 2021.

Expenditures budgeted for FY2021 were a total of \$612 million. Clerk Prisco stated, "Property taxes is the bulk of our funding and is definitely the most consistent."

Adjourned at 11:07 am.

The annual fundraiser breakfast was well-attended, but lacked one special person, Margaret Butters, the Placerville Fire Chief's wife. Unfortunately, she suffered a heart attack the morning of July 3rd and underwent surgery.

The family was uninsured and have set up a gofundme page at "Butters Family Medical Fund." Margaret has been instrumental with 4th of July celebrations, Hot August Nights, and with Christmas baskets for families in need.

Prior to publication, word came that Margaret Butters had passed away on the afternoon of July 6th, 2021. Photo by E. Capson

The flag ceremony in Garden Valley on the 4th of July. The Pledge of Allegiance recited by all that were present. Many more were gathered in the shade on that warm day.

Bob Seal, a U.S. Navy Veteran, reminded folks that since 1776, the cost of gaining freedom and maintaining freedom has been high. He posted on social media a stone marker stating: "By signing the Declaration of Independence, the fifty-six Americans pledged their lives, their fortunes, and their sacred honor. It was no idle pledge--- nine signers died of wounds during the revolutionary war. Five were captured or imprisoned. Wives and children were killed, jailed, mistreated or left penniless. Twelve signers' houses were burned to the ground. Seventeen lost everything they owned. No signer defected - their honor, like their nation, remained intact." *Photo by Linda Ruppel, DDS*

FIRE on Harris Creek

Idaho Department of Lands fighting fire in Harris Creek

BOISE COUNTY – (July 7, 2021) Idaho Department of Lands crews, along with assistance from the U.S. Forest Service, Bureau of Land Management, and Horseshoe Bend Rural Fire Department partner agencies, are working hard to contain the 20-acre Harris Creek Fire before an expected cold front brings high winds into the area tomorrow. The fire was reported on July 5, on Hoff Timber lands in the northern Deadman area. Access is currently available only by foot. No structures are threatened, and no evacuations have been ordered.

Two 20-person USFS Type 1 crews, one 20-person initial attack contract crew, and 12 to 15 IDL personnel are on the ground along with two IDL engines and a Horseshoe Bend water tender with crew. During

the daylight hours, three helicopters and several air tankers dropped buckets of water or retardant loads on the fire. A bulldozer is assisting with road construction to improve access. Fire managers are hoping to contain the fire before the cold front moves in.

The fire is currently burning north, creeping upslope. Isolated torching of trees and some spotting ahead of the fire front is occurring.

The unusually hot and dry conditions this season are causing an increased number of fires and a severe shortage of firefighting resources available. Firefighters ask the public to help prevent wildfires by acting in a safe and responsible manner during all outdoor activities.

Horseshoe Bend Fire Dept. disclosed that the suspected cause was a lightning strike.

SWEET BUNNY DAYS

IDAHO CITY -- The sprinkler at John Brogan Park in Idaho City brought the children running to cool off. Rainy Mae Adams held her sweet bunny "Uno" and enjoyed their own Independence Day. According to Rainy, Uno was the only surviving rabbit in the litter, and is obviously very precious to her owner.

Special thanks to the Mountaineer's 4H Club for participating in the July 4th parade in Idaho City with their horses and rabbits. For some of the kids, it was thrilling to be in their very first parade!

Thank you to leaders Nora and Tina for organizing the float and for bringing the group together for this wonderful Idaho City celebration.

If you would like more information about 4H and/or would like to join the Mountaineers, please contact the U of I Extension Office @ 208-287-5900 and we will get in touch with you!

The GVSC hosted their annual pancake breakfast for the 4th of July, complete with pancakes, eggs, sausage, applesauce, and huge cinnamon rolls! All washed down with apple cider or milk.

OBITUARIES

Master Chief Boatswain Mate George John Schwarz III
March 10, 1956---June 25, 2021.

Master Chief George John Schwarz III was born March 10, 1956, in Sewickley, Pennsylvania, to Virginia and George John Schwarz, Jr. He joined the Coast Guard in August of 1978 and retired in July of 2006. Master Chief Schwarz was continually at sea from 1991 until his retirement in 2006. His first unit was the United States Coast Guard Cutter GLACIER, an ice breaker, where he made three trips to the Antarctic. He began his training as a Quartermaster, or navigator, on board the GLACIER, and thereafter served aboard the Cutters WOODRUSH, SORREL, RESOLUTE, ALERT, MATINICUS (where he was promoted to Master Chief), and, returning to icebreaker duty, the HEALY (where he served as Navigation Officer and Command Master Chief), and lastly, the SEA LION. He was Officer-in-Charge, and plank owner, of the United States Coast Guard Cutter SEA LION, a ship which he took to fruition during the building stage, fine tuning the ship for 6 months as it was built in Louisiana and then sailing it 6600 miles to its home port of Bellingham, WA.

Master Chief Schwarz graduated from the U.S. Coast Guard's Chief Petty Officer Academy in 1997 with highest honors. Among his military awards are the Coast Guard Commendation Medal with "O" device (three awards), Coast Guard Achievement Medal with "O" device, Commandant's Letter of Commendation Ribbon, USCG Unit Commendation (three awards), USCG Meritorious Unit Commendation (four awards), Navy Meritorious Unit Commendation, National Defense Service Medal (two awards), Humanitarian Service Medal (two awards), Global War on Terrorism Service Medal, USCG Meritorious Team Commendation with "O" device, Antarctic Service Medal (four awards), Arctic service Medal (two awards), and USCG Sea Service Ribbon (six awards). He was most proud of his promotion to Master Chief, the highest enlisted rank in the seagoing services, a rare level of achievement that many aspire to, but very few attain.

George met Marilyn and they were married in 1985. Master Chief immediately became a Dad to 3 children, Traci Jo, Sean Ray and Rochelle Rene. George was a father to those 3 children, who are nearly adults, for almost 40 years. He loved them, cared for them, and took much pride in them as their dad.

In George's free time he enjoyed music, both from various artists and his own piano. He loved to spend time with family near and far, especially the grandchildren.

A fond pastime of Master Chief's was always the telling of a good tale, a stiff drink to accompany it, and someone to share it with who was a good listener!

Master Chief George John Schwarz III is survived by his wife of 35 years, Marilyn, their 3 children: Traci Austin and husband Darren, Sean Michaelson and wife Erin, and Rochelle Kinney and husband Jason; 9 Grandchildren, Kaelie Zerr and husband Andrew, Chelsea Austin and husband Jake Donnelly, Quinten Yuil, Declan Michaelson, Devan Seaters, Zoie Korsmeyer, Bradley Korsmeyer, Silas Kinney, and Ruger Kinney; a great grandson, Damon Seaters, and a granddaughter to be born any day! Love you Pop Pop! George is also survived by his sister Cindy Hall, her husband Allan, their children Katy and Lee, his brother Kurt, his wife Bonnie, their children Sara, Heidi, and

Kurt, Jr., 3 nieces and 4 nephews, many friends, and COUNTLESS Coastie shipmates.

Master Chief Schwarz exemplified HONOR, RESPECT and DEVOTION TO DUTY. He will be missed and remembered by many.

Marilyn and family would like to invite all friends and family to gather in memory of Master Chief George Schwarz at 2pm on July 10th for a potluck with a White Russian Bar at the Boise Basin Senior Center (102 Bear Run Rd; Idaho City, ID 83631), Please BYOB.

The family requests that you bring a written copy of a fond memory and/or a favorite story you hold dear to share.

Lillian Elaine Edens
1925 - 2021

Lillian Elaine Edens was born in Kansas on July 1, 1925, to Albert and Sybilla Gleason.

Lillian was married to her husband Jim for 75 years. Jim was a career Navy man so many moves

and resettlements occurred during their married life. She was a wonderful, generous mother to their 6 children.

After retiring, Lillian and Jim moved to Garden Valley, to the cabin they built together. They enjoyed many happy years there. They resettled to Boise after several years as RV snowbirds, to the residence where Lillian lived until her death.

Lillian was very active within her parish church, faithfully serving in many ministries.

Lillian was a strong woman, surviving 3 different cancers and the loss of a daughter.

She died peacefully in her home early the morning of June 29th, two days shy of her 96th birthday.

She is survived by her 5 children, multiple grandchildren, and great grandchildren.

Idaho City's Independence Day Celebration

By Georgene Thomas
IDAHO CITY -- The coordinator for the 4th of July parade was Mitch Tain, he was excited to say, "This was the biggest parade we have ever sponsored. We had 44 entries, and more participants than we have ever had. I am very happy to see all the people attend, and next year we'll make it even bigger!"
