Holiday Home Safety in Garden Valley

Idaho State Fire Marshal Knute Sandahl was present to answer questions at the Garden Valley Main Station on Middlefork Rd.

The Holiday Home Safety Open House at the Garden Valley firehouse was a great success and the department looks forward to hosting it next year as an annual event! The fire department also provided hands-on demos, pet safety, blood pressure checks, and Christmas tree safety tips.

The importance of reflective numbers for home addresses was encouraged. If a homeowner needs help, these reflective numbers help emergency personnel easily find their home.

IDAHO COMMUNITY FOUNDATION GRANTS

Idaho Community Foundation gives largest-ever Forever Idaho grants

BOISE COUNTY -- The Idaho Community Foundation has strategically redesigned its Forever Idaho grants based on input from its nonprofit partners, resulting in larger awards for Idaho community organizations.

ICF recently awarded 53 Forever Idaho Southwest grants totaling more than \$310,000 in Ada, Boise, Canyon, Gem, Owyhee, Payette, Valley, and Washington counties.

"Giving larger grants with fewer restrictions on how to spend them was crucial to nonprofits working on the front lines of the COVID-19

crisis in Idaho," said Cara Nielsen, ICF's Vice President, Philanthropy and Impact. "We are carrying that forward with our Forever Idaho grants this year."

ICF focuses its Forever Idaho grantmaking in four areas: family homelessness and basic needs, educational opportunities, mental and physical health, and access to services.

This year's Forever Idaho Southwest grantees in Boise County are:

- Boise County**
- Boise Basin Library District - \$2,500
- Boise County - \$5,000
- Central District Health - \$5,000
- Lifestar Rural EMS Solutions - \$2,750
- Mutual Improvement Club of Horseshoe Bend - \$2,500

PAYETTE FORWARD WILL CLOSE ON THE FOLLOWING DAYS

Payette Forward will NOT be open on December 24th, 25th and 29th or on January 1st, but will be OPEN for business again starting Wednesday, January 3rd at 11:00 am. These closures will give our volunteers more uninterrupted time to enjoy the holidays with family and friends.

During our absence, we ask that you keep your donations until January 3rd. We normally take donations inside several times a week in an effort to keep the front presentable. Your help in minimizing a build-up of boxes and bags will be much appreciated.

We also ask that you remember that Payette Forward does not accept mattresses and/or large appliances. We generally don't have customers for these products and they only create a more chaotic look out front. Thank you!

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

November 16, 2021

Present: Commissioners Steve Twilegar and Robert "Ted" Holmes

Absent: Commissioner Ryan Stirm

Pledge of Allegiance

EXECUTIVE SESSION: Closed session for pending litigation. [Time 9:07 am to 9:33 am] No action required.

MINUTES: A motion was made by acting Chairman Twilegar to approve the minutes from November 9th.

S N O W M O B I L E GROOMER OPERATOR: Twilegar motioned to approve a payroll addition for a groomer operator.

PLANNING AND ZONING: Administrator Alex Gross said he's been working with Avimor and a gentleman that bought property from them at the top of the hill by Highway 55. The survey is

getting done and he is applying for a road name; MAGA Ranch Road. There will be not be a need for a public hearing.

POLAR BEAR CHALLENGE: An annual mass gathering to benefit ALS [Lou Gehrig's disease] was approved through a motion.

PROSECUTOR ISSUES: The commissioners had a document that was provided by the prosecutor to cover long-term concerns, including: Bogus Basin taxing status and emergency services, a county-wide Ambulance District, trying to get Highway 17 to the state, evaluating salaries – a step and grade system, grant issues for rural counties, ongoing software updates and computer associates. Fixing the Boise Street Bridge was taken off of the list because Twilegar said that nobody wanted it.

Administrator Gross men-

tioned updates to the comprehensive plan, Unified Land Ordinance, and fee schedule.

Work on the Gardena Bridge is a long-term goal too.

Fuel tanks for county vehicles were discussed, along with a use card system.

Road Supervisor Curtis Dill would like to revisit Arrowrock Road and visit with the Atlanta Highway, because he has concerns that they are losing a lot of road. It's washing out with erosion and needs a lot of work. Dill said, "I graded up to the thirteen a week and a half ago and you couldn't even tell after these last rains."

Clerk Mary Prisco spoke regarding the Boise County policies, "I'm planning on taking out all of the history that's under the Boise County policies and adding a procurement or purchasing policy, and then the personnel policy *which is ex-*

tremely outdated at this point."

She also addressed Computer Arts and had done some research on an alternative company. There are currently a lot of issues with software and customer support with Computer Arts.

BILLS: Acting Chairman Twilegar motioned to pay "Payee #9" in the amount of \$4,247 for confidential legal services. He then motioned to pay "Payee #3" in the amount of \$2,362 and "Payee #1" in the amount of \$4,775 for confidential legal services. Prosecutor Adam Strong confirmed that these were all for a murder case.

EXECUTIVE SESSION: Closed session for a personnel issue. No action was required.

EXECUTIVE SESSION: Closed session for exempt records. Commissioner Twilegar motioned to approve an emergency case.

EAST BOISE COUNTY AMBULANCE: Commissioner Twilegar made a motion to approve six new tires for Ambulance Unit 15 for the amount of \$2,850.92. EBCAD Director Melissa Potts discussed options for a new ambulance with

the board.

They are looking at doing another EMT class in March and will advertise it. Twilegar said he had a lot of response from it and, "People are asking me *constantly* about it."

REDISTRICTING THE COUNTY: Prosecutor Strong suggested that to better distribute the number of people for a district, Duquette Pines may go to the Garden Valley District/ Lowman District. "I don't know how the population is going to work out," Strong said. "But it's either going to be Wilderness, Robie, or Clear Creek, or some combination of those three adding up and going to Horseshoe Bend District." He suggested going through all the data. Moving Wilderness Ranch to Horseshoe Bend would add close to 600 votes.

Prosecutor Strong says he hopes to have the final rezoning of the districts approved by mid-December.

NO COMMISSIONERS MEETING: There will be no commissioners' meeting for the week of Thanksgiving. They will meet again on November 30, 2021.

Horseshoe Bend's City Council Meeting

By Tracy Koslosky

HORSESHOE BEND --

The following is a synopsis of the Horseshoe Bend City Council meeting on November 17, 2021. In council chambers that were standing room only, including a Boise County Sheriff's Deputy to help maintain some semblance of decorum, Mayor Pat Goff made the call to order at 7:00 p.m., led the Pledge of Allegiance, and after unanimous approval of the agenda, minutes from the previous meeting, and the authorization to pay the city's bills, Goff opened the dais for public comments.

Horseshoe Bend resident Kelly Jakovac took the podium and requested that future minutes of meetings accurately depict meetings. She also expressed her displeasure that the council seemingly ignored a woman at the previous meeting and asked that Zoom meetings be held. Jakovac also mentioned meeting violations with regards to executive sessions.

A woman came up to speak to the council about city codes regarding recreational vehicles parked on private property and wanted to know why a city council member was signing violations. She said she didn't have a clear understanding of the rules and was looking for clarifications. Goff replied, "Okay."

Mary Grover approached the council and told them that the councilmembers were very difficult to hear during meetings.

She requested that they get microphones and an audio system to eliminate the problem. She asked that the accommodations be made immediately. Goff replied, "Thank you."

Public Hearing: CBF Enterprises was on the agenda for a variance application but the applicant was not in attendance. The matter was continued to a future date.

New Business: Resident Vickie Andra came to the council with a fair housing request. Andra asked for reasonable accommodations to maintain her emotional support horse on her property. She told the council she was on .423 acres of land, just shy of the required .50 acres to board a horse. Andra told the council that a previous citation regarding the horse had been dismissed in court. She claims to have put in the request for reasonable accommodations 69 days prior, but had not received any notice from the city.

City attorney Tony Pantera reviewed the application and told the council that it was unique and recommended approval since Andra's property is very close to .50 acres.

Councilmember Martye White asked if there was any paperwork that substantiated that the property was in fact .423 acres in size. Pantera responded, "We have Ms. Andra's representation." White asked, "Has anyone talked to the adjacent land owners?" Andra told the council she had

It was standing room only at the Horseshoe Bend City Council meeting on Wednesday, November 17. Photo by Tracy Koslosky

turned in that information to the city.

City Grant writer Cheryl Pleak spoke from the audience, saying that she had heard a neighbor asked for the horse to be removed, to which Andra responded, "You're not in this discussion as far as I'm concerned."

Councilmember Curtis Corvinus made a motion to approve the reasonable accommodation regarding the horse pending a plat map verification of the property's size and a petition from surrounding property owners. He also added that the property must be maintained for cleanliness. Councilmembers Ben Riley, Stephen Chartier, and Corvinus voted for the motion, councilmember White voted nay.

Resident Dave Jakovac approached the council with an

appeal form he created. He wanted the council to adopt the form for use by citizens to appeal decisions by the council. Goff told him, "Thank you."

Old Business: Goff asked the council to consider moving their meetings to the second Wednesday of the month so as not to conflict with Horseshoe Bend School District Board meetings. White was concerned about the date change affecting the city's bill paying. He wants to wait on deciding the matter until after the new city councilmember is seated in January. He asked the new member, Patti Burgess, who was sitting in the audience, what she thought about it. She replied that she was for the change in meeting days. Corvinus said he was flexible either way. Chartier indicated he was okay with the change as well. Pantera said the date adjustment would require a new city ordinance which he would prepare for approval at the next meeting.

Department Updates: EMS- Goff reported that ten people were currently training with a company in Eagle and that they will test in January. In the meantime, the city will have a paramedic from the company to service Horseshoe Bend calls.

Public Works- The department is working on cleaning up leaves. Public bathrooms in the park are closed for the winter. A mid-December delivery date is expected for the ozone generator.

Grants- Pleak asked for four minutes to speak, to which Goff responded, "Alright." Pleak passed out the city's comprehensive plan to the council along with the capital improvement plan. She requested that they read pages two and three of the comp plan to better understand what it allows. She told the council that there was

currently a tremendous need within the city for affordable housing, as 43% of the residents in Horseshoe Bend live beneath the federal poverty level. She spoke about developing a community land trust. According to Wikipedia, "A community land trust is a non-profit corporation that holds land on behalf of a place-based community, while serving as the long-term steward for affordable housing, community gardens, civic buildings, commercial spaces, and other community assets on behalf of a community."

She then began speaking about the proposed veteran's memorial park but Goff interrupted her, telling her that the park needed to be put on hold until a community meeting was held.

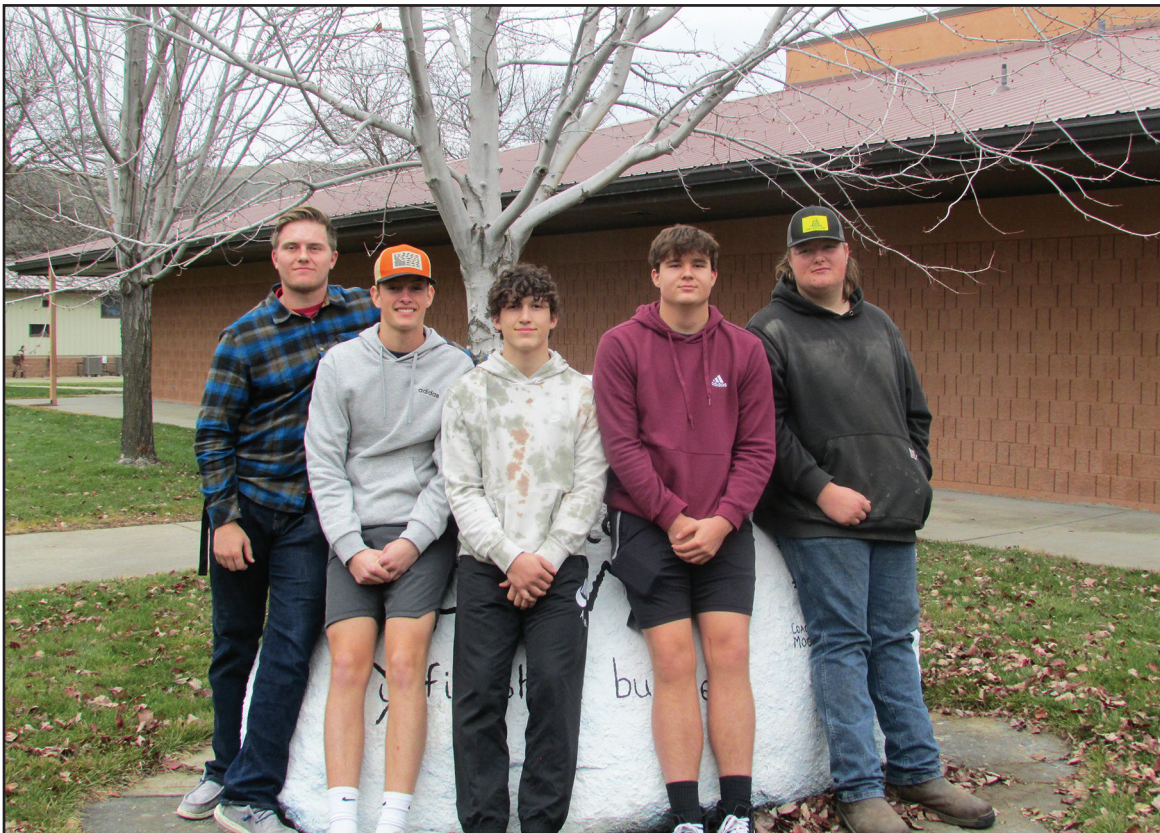

Pleak told the council about a grant that may be available for the purchase of lights for the new bridge. The grant would not be funded until June.

She suggested that she wanted to start a community newsletter that she would produce monthly. The council didn't respond.

City Engineer: Working to support the public works department and working on updates in the water and sewer plants.

City Attorney: Pantera said he will work on an ordinance to change the city council meeting date and ordinances to annex and rezone the proposed Deer Valley subdivision and have all three ready for city council review at next month's meeting.

Goff adjourned the meeting at 7:40 p.m. telling those in attendance, "We have a lot of great people, a lot of great families in the community." Before closing he added, "Have a blessed, blessed, Thanksgiving." The council will meet next on Wednesday, December 15th at 7:00 p.m.

SERVING THE COMMUNITY FOR OVER 25 YEARS

Virginia "Ann" Morgan
1935 - 2021

November 6, 2021, with family close by her side, we lost the heart of our family, Virginia "Ann" Morgan. Ann was born on January 20, 1935 in Troupe, Texas and lived 86 beautiful years here on Earth with us before she had to go. When I say she lived 86 years, she truly lived each and every day of those – always making each moment count.

You see, Ann was one of eleven children living in Arkansas until one day, when she was 17 years old, Chuck Morgan came in and swept her off her feet, marrying in 1952 and moving across the country to Idaho where she raised four of the strongest, most caring children: Chuck, Debbie, Carol, and Patty.

As a long-time resident of Idaho City, and eventually of Gardena, Ann was known for her many years spent working alongside friends at Hilltop Cafe, as well as the countless years working as the Boise County Deputy Court Clerk, beginning in 1972 until her retirement in 1994. However, if you ask anyone in Idaho, Ann was most famously known for

being "One hell of a tough lady!" — fighting and wrestling a deer with her bare hands, inside her house, at 81 years of age – AND WINNING!

In those 86 years, Ann was the best "Grandma/Mammaw" to 1 grandson and five granddaughters, eventually becoming a great grandma/mammaw to five great grandsons and nine great granddaughters. Mammaw had a special bond with each and every one of us, but always brought us all together with her exceptional home cooking at regular family gatherings, and most notably, with her love of playing *cheating* cards. So much wisdom, laughter, stories, and love were shared over a deck of cards at Mammaw's house.

As you can see by how many loved ones Ann leaves behind, she had even more waiting for her in Heaven. Ann was preceded in death by her husband and best friend of 61 years, Charley (Chuck) Morgan; her mother and father, Mary and Thomas Works; eight sisters: Helen, Shirley, Dorothy, Louise, Ruby, Thelma, Loraine, and June; two brothers: Thom-

as and Jerry; her brother-in-law Jack Morgan; and many loving friends including her long-time best friend and yard sale partner in Heaven, Joan Canody. She is survived by four children: Chuck (Connie) Morgan, Debbie (Bill) Watson, Carol (Jerry) Ross, and Patty (Galen) Hamilton; her brother-in-law Gale (Cindy) Morgan; sister-in-law Nichol Morgan; countless grandchildren, great grandchildren, nieces, nephews, and friends.

I'm sure it will be hard missing our Mom, our Mammaw, and our best friend, but it's a little easier knowing she's leaving behind a little piece of her in each one of us to carry on until we meet again. We love you forever and always. Thank you for being the heart, sass, and strength of this loving family. We miss you. Until then ❤️

A special heartfelt thank you to DeAnna Root, who was a bright light in our time of need.

Service date and details to follow in early spring.

Arrangements were cared for by the Potter Funeral Chapel of Emmett.

The GV Library Christmas Wishing Tree is beautiful as always but more "ornaments" than ever adorn the tree in hopes that wishes come true. If you are not a shopper, another way to make wishes come true is to donate so that hats, gloves, scarfs, etc. can be purchased to be given to each child to help keep them warm this winter. Please consider stopping by to get an ornament.

Unwrapped gifts should be dropped off by 5 pm on December 8th to the library. In the spirit of giving, help make a Merry Christmas for others.

**Nathan "Nate" Carlisle Stanley
1961 - 2021**

Nathan "Nate" Carlisle Stanley, 60, of Garden Valley, Idaho, passed away unexpectedly on November 8th 2021 from a fatal car accident. Nate was born in Gresham, Oregon, 1961, to Myron "Stan" Stanley and Judith "Judy" Johnson. Nate was the oldest child and had two siblings, Rachel and Jason. Nate was born in Oregon but spent

most of his life calling Garden Valley, Idaho home.

Nate was a "Jack of all Trades," but mostly worked in various degrees of construction throughout his life. From building highways to custom homes and everything in between, he did it all. His favorite job though, was being a Husband, Father, and Papa. He lived for his family

every day of his life. Nate met Kecia Hines in Garden Valley, Idaho, and they married in 1984. Together they have four children: Frank, Amie, Ashley, and Jake.

In his spare time, Nate enjoyed riding his motorcycle, everything airplane, and shooting the breeze with his friends as well as spending time with his family. HSB Food Pantry

By Pauleen Grant

HORSESHOE BEND --

The HSB Community Food Pantry serves Horseshoe Bend and the surrounding areas with food boxes twice each month and larger boxes for the holidays. We are very appreciative of the support from the community to continue in this endeavor. We received donations from the Turkey Shoot, the Festival of Trees, and continued support from Grace Lutheran Church, donations from community members, Placer Lodge AF & AM, and Mizpah Chapter 6, OES. We have been fortunate to receive grants for COVID-19 relief from Idaho Food Bank, Idaho Catholic Foundation, Idaho Community Foundation, and the Evangelical Lutheran Church in America. The grants are specific to supplying food to community members along with needed equipment/appliances or maintenance/repairs to the building.

We currently have a grant for a new back door and front

steps, but we need someone to install them. If anyone is able and willing to help with the repairs, we have the funds to pay for the completion of these projects.

Thanks to those who transport food from the Idaho Food Bank to the pantry twice a month; it is so very appreciated. After delivery, the food must be unloaded and packed into the pantry. Items are then boxed for distribution on the second and fourth Fridays of each month, except for special holiday distributions. Two board members travel to south Boise before each distribution to get bread and pastries. Special thanks to the HSB Fire Department for delivering Christmas boxes and gifts from the Giving Tree. If you see any of these individuals, please thank them. This is a 'labor of love,' but we are always happy to have and need more volunteers to help with this worthwhile cause. Remember: "Many hands make lighter work."

Garden Valley Lady Wolverines (in white) took command of the ball game from the beginning and never looked back, going on to win against Greenleaf. It was a fun, action-packed game to watch. They play Horseshoe Bend on December 14th away, and their next home game is on December 16th against McCall-Donnelly JV at 6pm. *Photo by Linda Ruppel, DDS*

Final score was Garden Valley 58 - Greenleaf 34. Leading scorers: Katelyn Thompson 24 and Katy Wentz (pictured) 16.

Everyone in the community is welcome!

East Boise County Ambulance District is a mostly volunteer based rural EMS agency which is part of a much larger Emergency Response System including local and regional Dispatch, Law Enforcement, and multiple Fire Departments, along with other various Advance Life Support Agencies.

Our agency provides Basic Life Support emergency transport services to several areas within Boise County. There are currently ambulances staged in Lowman, Idaho City, Placerville and Wilderness Ranch.

Due to the pandemic we, like most rural EMS agencies, have

seen a significant decrease in volunteer responders. In an effort to continue to provide the best care possible to our patients, we will be holding another EMT class this spring starting mid-March to include state approved optional modules (I.V., I.O. and Advanced Airways). We are also always in need of ambulance drivers.

As our community continues to grow, EMS services must grow as well to ensure the health and safety of those we serve. If you would like to attend the upcoming EMT class, are interested in volunteering as an EMT or Driver, or have any other questions about our agency, feel free to call, email, or visit our website at:

Opinions ~ Letters to the Editor

We appreciate the great article written by Cathy and the positive coverage of our school, especially the comments about our student body. As superintendent, I am extremely proud of Sara Vanderwyk for emceeding the event, and I am equally proud of the other members of our student council and their advisor, history teacher Ryan Wessels, for planning and carrying out the event. I'm equally proud of our elementary students for the wonderful cards that they created for our Veterans and of our entire student body, faculty, and staff for their

participation in honoring Veterans. As a veteran myself, it was heartwarming to witness these fine young people interacting with the Veterans in attendance at the program.

I'm sure you probably receive more complaints than compliments for your work in covering our community, so I wanted to make sure you, Cathy and Linda know how much I appreciate your coverage of our school. Great things happen on a daily basis in our school. We have incredible faculty and staff members that truly love and care for our young people.

We have awesome students that are being taught to be productive citizens of our community and of our great nation. I invite you to come by at any time to witness first hand just how great Garden Valley Schools are. God bless you all for your service covering and reporting on our community. And again, thank you.

Sincerely,
Randy Thompson
 Superintendent
 Garden Valley School District #71

Dear Randy,

Thank you so much for your very kind words. I want you to know that we hold our Veterans in a high regard and it was an honor to cover this event in the *Idaho World* newspaper. Several of us here at the *World* actually come from military families, have personally witnessed these sacrifices, and have that special love for our country ingrained into our souls.

We appreciate the open invitation to share with the community the great things happening at the Garden Valley School District. These exemplary students bring a smile to all those that share in their mission to become productive citizens. Whether it's a card or shaking a veteran's hand, I'm glad that we were able to capture those precious moments. Publishing them is our way of giving back, to recognize the integral connections we have within our community. It's special when these young individuals can get a pat on the back, be congratulated, and have those meaningful conversations with others in our community.

Sincerely,
Eileen K. Capson

Public Announcement

A logging operation is taking place along Granite Creek Road from Placerville, and will continue on through Alder Creek Road in the coming weeks. The purpose of this operation is to clear trees hindering the future path for Idaho Power to run another line to improve reliability to Placerville, Idaho City, and other areas throughout east Boise County. This new line would create power redundancy. The logging operation will likely continue through the middle of December 2021.

Boise County's Road Superintendent Curtis Dill said that motorists should expect long delays, lasting up to one hour, to allow trees to be taken down and cleared from the roadway. Flaggers will be controlling traffic and operations will take place from Monday through Friday. Signage will be placed in strategic areas and motorists are advised to consider alternate routes of travel during this time.

In addition, motorists should expect to see increased logging traffic along Harris Creek Road. Renfro Logging in Horseshoe Bend anticipates that there will be four to five truck loads a day.

Idaho Power thanks our customers in Robie Creek, Wilderness Ranch, Clear Creek, Idaho City, Centerville and Placerville for your patience and understanding during the scheduled power outage on Nov. 22.

Your support allowed our crews to safely complete upgrades to maintain and improve reliability of electrical service in the area.

As your energy provider for over 100 years, we're here for you.

Give Cold Feet the Boot

The students at Horseshoe Bend Elementary were treated to a new pair of boots and socks on Thursday, November 18. A partnership between Optum Idaho, the State Department of Education, and D & B Supply created the "Give Cold Feet the Boot" campaign in 2019. The program was set up to make sure students arrive at school with proper footwear, as cold feet can impair a child's ability to learn. More than 1,900 Idaho public school students will be recipients of boots and socks this year.
