GV Christmas Bazaar

Christmas Bazaar at the Garden Valley Community Hall on Saturday, November 27th. A large variety of items were available for purchase, from jellies and eggs to a variety of handmade ornaments, jewelry, hats, and more. An added bonus was a visit from Santa and some members of the local fire department bravely showed the kids how it was done, getting their picture with Santa.

PAYETTE FORWARD WILL CLOSE ON THE FOLLOWING DAYS

Payette Forward will NOT be open on December 24th, 25th and 29th or on January 1st, but will be OPEN for business again starting Wednesday, January 3rd at 11:00 am.

These closures will give our volunteers more uninterrupted time to enjoy the holidays with family and friends.

During our absence, we ask that you keep your donations until January 3rd. We normally take donations inside several times a week in an effort to keep the front presentable. Your help in minimizing a build-up of boxes and bags will be much appreciated.

We also ask that you remember that Payette Forward does not accept mattresses and/or large appliances. We generally don't have customers for these products and they only create a more chaotic look out front. Thank you!

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

November 18, 2021

Special Meeting

Present: Commissioner Steve Twilegar and Commissioner Ryan Stirm via phone.

GRANT: Commissioner Twilegar conducted the meeting and said there was a grant for "e-ticketing" which is a computer system for the Sheriff's office. This allows them to scan driver's licenses and it automatically populates, making everything quicker. E-ticketing will be installed in all the patrol cars. Sheriff Scott Turner said there was a 25% match, but that could be in mileage and/or deputy hours for traffic enforcement. "That wouldn't be too hard to pull off then," Commissioner Stirm said via phone conference. Twilegar made a motion to accept this Highway Safety E-ticket grant for the year 2022 and up to the amount of \$92,000 with the match of 25%.

HEATER: Commissioner Twilegar made a motion to remove and replace a heater in the amount of \$3,189.

SNOW GROOMER: Twilegar motioned to reimburse an individual for purchase of groomer tools in the amount of \$50.55.

INTERNET: Commissioner Twilegar motioned to pay a company for the internet service in Horseshoe Bend in the amount of \$184.89.

PROSECUTOR'S OFFICE: Twilegar motioned to pay \$550 for December 2021 for the lease of the prosecutor's building.

IRS FEES: Clerk Mary Prisco explained that for the second quarter, "our deputy payroll clerk was 44 seconds

late electronically filing our employer federal taxes." Commissioner Twilegar said in disbelief, "You're kiddin'!" The payroll clerk contacted the IRS and they directed her to write a letter, which they did and both signed it. It was to ask forgiveness for the \$561 penalty. She said they denied that request. "So we are left with no other option than to pay this," Clerk Prisco stated. It is due by December 5th and they would like to get it paid soon before they add more penalties. Commissioner Twilegar made a motion "with prejudice to pay the Internal Revenue Service of the United States of America to pay this \$561.71 late fee for 44 seconds." Clerk Prisco responded, "Thank you, *with prejudice.*"

Adjourned until November 30th.

November 30, 2021

Present: Commissioners Ryan Stirm, Steve Twilegar, and Ted Holmes.

Pledge of Allegiance

EXECUTIVE SESSION: None

CONSTITUENT INPUT: None

MINUTES: Chairman Stirm motioned to approve the Boise County Board of Commissioners' meeting minutes for November 16, 2021. He then motioned to approve the official special meeting minutes from November 18, 2021.

SHERIFF'S OFFICE K-9 RETIREMENT: The official retirement of Emery will be spent living with her handler, Deputy Wes Crawford. Commissioner Stirm said, "He's going to take Emery so that

she can live the rest of her life with her brother." There are two other dogs in the home. Stirm made a motion to approve a resolution declaring a retirement of police K-9 Emery and "offing the donation of Police K-9 Emery to her handler, Boise County Sheriff's Office Deputy Wes Crawford." The effective date is December 31, 2021.

SNOWGROOMER: An individual spoke concerning parking lot clearing, a piece of equipment, and funding. They are hoping to clear the parking lots better through the grooming program. Chairman Stirm would like to see what a rental agreement would look like for the equipment to further discuss this topic.

TAX CANCELATIONS: Commissioner Stirm motioned to accept two tax cancelations for Boise County.

COMMUNITY JUSTICE: Ms. Leader presented an annual financial report for Community Justice. Chairman Stirm motioned to accept the report and it was signed.

BILLS: Chairman Stirm motioned to pay the claims report in the amount of \$157,814. Commissioner Holmes seconded the motion.

GEM PLAN BOARD OF TRUSTEES NOMINEE: The nominee was said to be an active member and a longtime member who is running unopposed. Commissioner Stirm motioned to approve their nomination for District Three Gem Plan.

CATASTROPHIC HEALTH CARE COVERAGE: Commissioner Stirm explained that they do all of their indigent funding. Commissioner Stirm motioned to

vote for a Gem County Commissioner to be a catastrophic health care board member for District Three.

BROADBAND GRANT: Commissioner Holmes said they have until December 31st to finish hooking up residents in the Lowman area. Chairman Stirm would like to postpone this until they can confirm that it's operational.

PLANNING & ZONING: Commissioner Stirm motioned to pay an individual a refund of their building permit.

JUVENILE JUSTICE: Ms. Amanda Leader said that their case load is getting larger because the cases from the summer are now getting resolved.

ROAD DEPT: Mr. Curtis Dill said they had their first snowfall, so that was good training for the new guys. "All trucks are up and going right now," Dill said. The new graders are expected to be in sometime in January. The department is working to get more road material back on the dirt roads. They did some work on Robie Creek.

PLANNING & ZONING: Mr. Alex Gross said they have Avimor next Tuesday, a preliminary plat for their first phase for approval. He said they received two separate appeals, which was approved by the Planning and Zoning Commission, for the cell tower for the Robie Creek area. This will come before the Board of County Commissioners. Gross said they were pretty much caught up on building permits.

COUNTY ASSESSOR: "I thought this year was bad," Assessor Chris Juszczak said. "If you look at sales around the whole county," and he agreed with Commissioner Stirm that

it was not isolated. "You know taxpayers complain about their tax bills, make sure to remind them, if you took the federal bailout money last year, which there is no federal money this year."

SHERIFF: Sheriff Scott Turner said they're busy as usual. They are still having a difficult time hiring dispatchers. "Just chugging away, trying to keep up. It hasn't slowed down at all for some time," Sheriff Turner said.

SOLID WASTE: Mr. Paul Rekow said they are also busy and it hasn't slowed down. "We're still doing close to a 100 tons a week right now." Commissioner Stirm said he expects that the solid waste department was going to stay busy.

TREASURER: Ms. Gina Turner said, "People are a little upset that the tax bills went up and none of them remember the discount that they got last year." There was also a lot of return mail where people didn't send in a change of address.

PROSECUTOR: Mr. Adam Strong said they were busy as well with all the criminal and civil cases. They are still trying to hire a deputy prosecutor, but haven't had any applicants.

CLERK: Ms. Mary Prisco said that this time of year they have a lot of annual reports to do for the state. "We're still not closed. We have not financially closed fiscal year 2021. We are struggling with that, in part because of Computer Arts [the county's software company]."

She said Nov. 29th was the last day for the recall petition for the Basin School District Trustee Zone 3 effort and they received nothing.

The GV Library Christmas Wishing Tree is beautiful as always but more "ornaments" than ever adorn the tree in hopes that wishes come true. If you are not a shopper, another way to make wishes come true is to donate so that hats, gloves, scarfs, etc. can be purchased to be given to each child to help keep them warm this winter. Please consider stopping by to get an ornament.

Unwrapped gifts should be dropped off by 5 pm on December 8th to the library. In the spirit of giving, help make a Merry Christmas for others.

The Rocks Water is Bottled in Boise County

By John Krempa

BOISE COUNTY -- December 1st marks the 4th year of Rocks Water ownership by John and Vicki Krempa. The last four years have been a wild ride. We have streamlined our bottling and invoicing operations to its most efficient level ever! We now service almost five times the number of customers we had four years ago in about a third of the time through modernization.

We have invested over 200k into our building, repurposing the six old hotel rooms into three modern apartments. The roof, every door and window, stairs, kitchens, appliances, and many other things have been updated or replaced. We have an entire new fleet, including two beverage trucks, pickup truck, skid steer, and forklift.

We have replaced every jug and added thousands of new ones. We have gone from material handling by hand to modern racks, electric pallet jacks, and jug dollies.

All of the improvements have allowed us to expand to around five times the original

John and Vicki Krempa, the owners of Rocks Water for the past four years offer pick up water services and delivery. Their water is from a spring located on Highway 21, south of Idaho City.

Photo by Eileen Capson

customer base and lower our workload doing so. It has been a wild ride.

What's in store for the future? We are going to continue to work towards the complete remodeling of the current building. We will break ground on a new 60x80 steel building to the south of the existing one. We hope to expand our fleet of beverage trucks and hire a full-

time driver next year. We also plan to increase our storage capacity by adding more water tanks.

We want to thank all of our existing customers: your word of mouth has made this possible. We would like to remind east Boise County residents we offer pick-up jugs at our facility at 20% or more less than the big box stores. We also would like to spread the word that we deliver to most of the Treasure Valley, including Boise, Meridian, Star, Eagle, Kuna, Nampa, Caldwell, and Middleton. We are the valley's only LOCAL BOTTLED AT THE SOURCE SPRING WATER!!! We pride ourselves in friendly, old fashioned, customer service and look forward to adding new customers.

Thanks,
John and Vicki Krempa

Garden Valley Tree Lighting

The Garden Valley locals and visitors turned out Saturday night to sing carols around the bonfires and a visiting group sang a round of *Silent Night* in Russian. Then everyone counted down to light the tree.

The pine was newly decorated with lights last Saturday and the effort was worth the wait to see it light up. Afterward, everyone was invited to the Garden Valley Center for the Arts for cookies and a good drink.

East Boise County Ambulance District is a mostly volunteer based rural EMS agency which is part of a much larger Emergency Response System including local and regional Dispatch, Law Enforcement, and multiple Fire Departments, along with other various Advance Life Support Agencies.

Our agency provides Basic Life Support emergency transport services to several areas within Boise County. There are currently ambulances staged in Lowman, Idaho City, Placerville and Wilderness Ranch.

Due to the pandemic we, like most rural EMS agencies, have seen a significant decrease in volunteer responders. In an effort to continue to provide the best care possible to our patients, we will be holding another EMT class this spring starting mid-March to include state approved optional modules (I.V., I.O. and Advanced Airways). We are also always in need of ambulance drivers.

As our community continues to grow, EMS services must grow as well to ensure the health and safety of those we serve. If you would like to attend the upcoming EMT class, are interested in volunteering as an EMT or Driver, or have any other questions about our agency, feel free to call, email, or visit our website at:

BOISE COUNTY

Accident Near Lowman

BOISE COUNTY -- A search warrant to review the phone records of Michael Lopez, 71, who had gone missing out of Missoula, Montana was used to identify his last known location. His phone pinged off of the AT&T tower in Lowman between 9 pm and 2 am on November 10th. Sheriff Scott Turner said that it was like finding a needle in a haystack, but he and other deputies scoured the area, looking for any signs of a vehicle having gone over and physically looked over all the embankments.

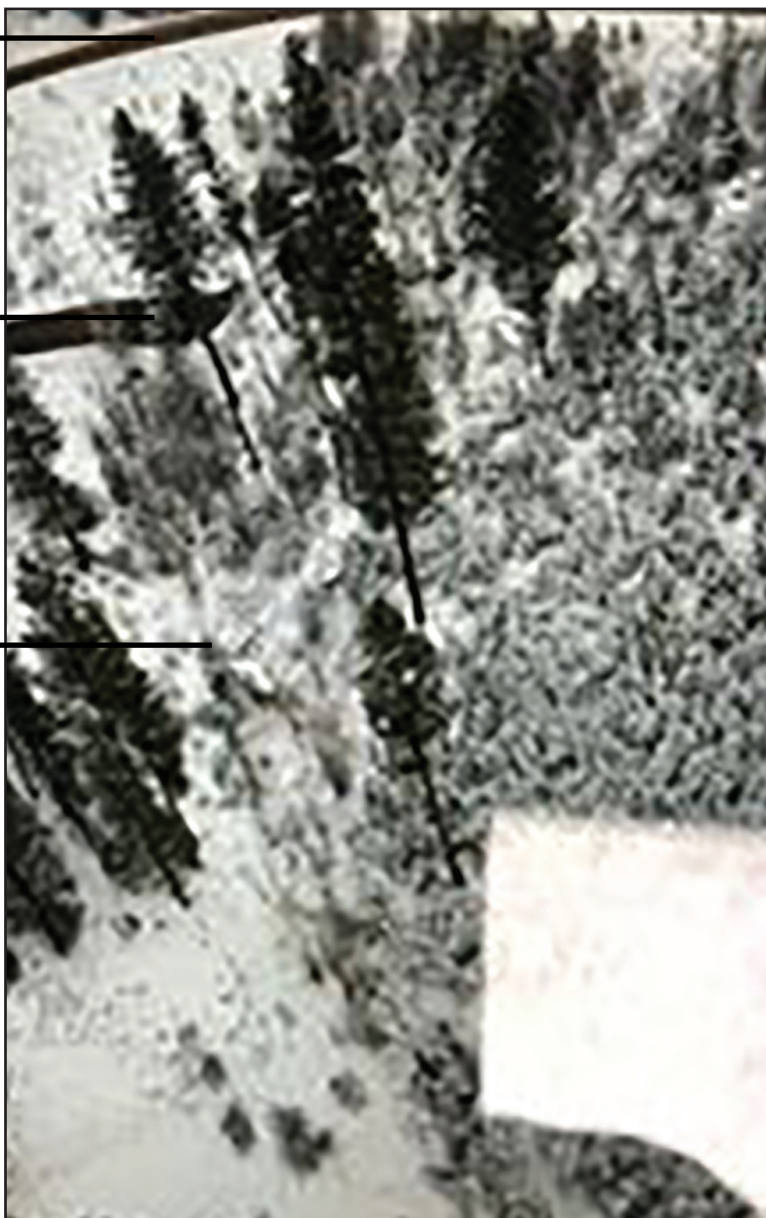

That five hour window of time was an indicator to Sheriff Turner that the man must have had an accident in this general vicinity.

Great Basin Imagery came up to get a visual with the use of a drone on Thanksgiving day, but was unable to locate the vehicle. The following day, a private helicopter offered to help search the newly laden seven inches of snow to find anything that might resemble a green Dodge Ram truck. The pilot indicated an area where the truck may have been sight-

ed and with the help of Search and Rescue, they were able to positively identify the truck with its sole occupant. Unfortunately, the man was not wearing a seatbelt and was ejected, found deceased at the scene on Friday, November 26th. The vehicle had fallen down the embankment, which was approximately 400 feet from Highway 21, and was located about four miles south of Lowman.

Next of kin has been notified and the incident remains under the investigation of the Idaho State Police.
