HAPPENINGS IN BOISE COUNTY

April 3rd - Brian Thom, the Bishop of the Episcopal Diocese of Idaho, will be celebrating the Eucharist at Emmanuel Church in Placerville at 11 am. There will be a reception at Placerville Plaza, weather permitting. Everyone is welcome. This will be the last visit for the Bishop since he is retiring.

April 2nd - Idaho City one day marriage conference at the Idaho City Christian Center (page 3)

April 10th - Candidate's Forum at the Centerville Community Center, 1 pm. All the candidates from Idaho and Boise County have been invited. Come and meet the candidates. Refreshments will be served.

April 19th - Molly in the Mineshaft band at the community center in Garden Valley at 7pm.

April 27th - Mustang Round-Up HSB School offers screenings for children and pre-K at the Library from 2pm to 6pm.

Sandhill Crane and curious elk.

BOISE COUNTY**BOISE COUNTY COMMISSIONERS**

Transcribed by Eileen Capson

March 22, 2022**Present:** Commissioners Steven Twilegar, Ryan Stirm, and Robert "Ted" Holmes**Pledge of Allegiance****CONSTITUENT INPUT:** A resident of Idaho City would like to get a land survey recorded and brought up issues with delays. Assessor Chris Juszcak helped to explain the process.**MINUTES:** Chairman Twilegar motioned to approve the minutes from March 15th and special meeting minutes from March 15th. The motion carried.**PROMOTION:** Road and Bridge would like to promote a lead man in Garden Valley, and has been doing the job. Chairman Twilegar motioned to promote the lead man. All were in favor.**MASS GATHERING:** An application for the Idaho City Enduro 100 was approved through a motion.**BOGUS BASIN:** Chairman Twilegar asked to talk about Bogus Basin's tax exempt status. The prosecutor said he was ready for the initial discussion. Prosecutor Adam Strong said they have had the tax exemption for decades. He said they are a non-profit organization, "but that's not sufficient in the statute." He read over eight factors that the county would need to do an analysis on to determine Bogus Basin's tax exempt status. Prosecutor Strong said, "In 2019, they had a total revenue of just over \$16 million and total expenses of around \$12.7 million, so they had net revenue in 2019 of \$3.5 million total profit."

Prosecutor Strong presented a slideshow of Bogus Basin, explaining the district they are located in, the levy rates, and the ballpark amount they would pay to those individual taxing districts. It would total just over \$200,000 annual. He said, "This would not be additional revenue. This would go into the budgets and would essentially -- in theory, lower everybody else's property taxes." He said there were a few things he would like to discuss in an executive session. He added that Bogus Basin does not own most of the ground, that it's federal land, so they wouldn't be able to tax the land. The board would like to pursue further analysis.

COMPUTER PURCHASES: Robert, an IT person for the county, presented some

information and prices for laptops for the board. They gave permission to proceed with the purchase.

Robert then spoke about county computer vulnerabilities, and stated that he gets a spam call nearly every day between 6am or 7am in the morning. Commissioner Twilegar asked if it was the Russians and Robert replied, "It's usually Ukraine, actually. All the cryptics [encryptic callers] have always come from the Ukraine." He said that's what the county's insurance company had told him and that they're always trying to get money. "So far, we're holding strong." Commissioner Twilegar replied, "Good!"

SHERIFF: Sheriff Turner proposed to send out a bid the cost of a card reader system and fuel tanks, for both the Idaho City and Gardena road shop.

Commissioner Twilegar motioned to approve the request for bids for fuel storage and distribution located at two separate locations.

TIRE DISPOSAL: There was discussion of costs, and only one contractor or they could take the tires to Oregon again. Chairman Twilegar motioned to approve the agreement with Castle Tire and Boise County Solid Waste. All were in favor.**RESOLUTION:** Chairman Twilegar motioned to increase the general fund for the Emergency Manager Department 2022 budget. The amount of the grant is \$4,551. This was approved.**BILLS:** Chairman Twilegar motioned to approve the claims approval report at the amount of \$215,144. The motion was approved unanimously.**MONEY WIRE TRANSFER:** Treasurer Gina Turner said earlier in the meeting it was odd to wire money for the payment of the road graders. The prosecutor was going to look this over.

After looking it over, Chairman Twilegar motioned to approve the wire verification transfers for the three road graders for the Road and Bridge Department, in the amounts of \$373,000, the second one for \$326,000, and the third for \$319,000.

EXECUTIVE SESSION: Closed session for exempt records. [Time 10:06 am to 10:12 am] Coming back into

session, per non-medical assistance, Commissioner Twilegar motioned to approve this assistance to pay a gentleman's rent in the amount of \$400.

EXECUTIVE SESSION: Closed session for hiring an employee. [Time 10:14 am to 10:25 am] Coming back into session, Chairman Twilegar motioned to approve the position of Boise County Grant Writer for 20 hours a week. All were in favor and the motion passed.**EAST BOISE COUNTY AMBULANCE DISTRICT:** Mass gatherings were discussed. Chairman Twilegar motioned to approve the agreement to provide ambulance services with the EBCAD and the Idaho City 100 Enduro for June 4th and 5th, 2022. He then made a motion to approve the agreement between EBCAD to provide ambulance services for the Race to Robie Creek on April 16, 2022. These were approved.**AVIMOR ROADS:** A representative from Avimor development spoke regarding the underpass and plans for ITD [Idaho Transportation Department]. He said it will be part of the "big package" next year when they pave Highway 55, from State Street in Eagle to Horseshoe Bend's Second Street. "That will take place the end of July, starting 1st of August, 2023." He added that

the underpass would be completed by that time. There are portions of the work that the development will be doing, such as the widenings and on/off ramps. It has not yet gone to bid.

He also addressed the water system, "We've purchased the twenty-inch pipe that's eight and a half miles." He said it's expected to arrive in May. He expects the system to be up, with the tank in place, and booster stations sometime in August or September.

Chairman Twilegar asked that the representative say for the record what the public could expect. The representative said, "There are two entrances into Avimor. There's the south entrance, which we call Avimor Drive. That is three to five years out, to relocate Highway 55 up the slope." He continued, "All of that work will take place outside of the roadway, and once it is complete and ready to turn on, that's when traffic will be swapped over to the new highway." He then spoke of the underpass, "to where you don't have people crossing the highway and potentially getting hit. It will all be, just right-ins, right-outs, with ramps and lanes." He said they want to get this complete by August 2023 for when the paving comes through.

He said Avimor Drive is

three to five years out, but the stoplight will go away, and it's about a \$25 to \$30 million dollar project. The highway will completely move up on the slope by the powerlines, west. Avimor is funding these projects.

Homes on the Boise County side are expected to take off, "By fall of 2023, we should have about one hundred and fifty homes constructed." He said the average house price now is about \$850,000. "Our highest, just this last week was \$1.4 million. It was a 2,400 square foot house, two car garage." Commissioner Twilegar asked if we were going to have some of those million dollar homes in our county, and the representative answered, "Yes, yes." He expects in phase two, they will be building better homes than what they are currently building, about one hundred and fifty of them with a view of the Owyhee Mountain Range.

Molly in the Mineshaft Returns to Garden Valley

Catch the show on April 19th at 7pm at the Community Hall in Garden Valley.
Photo provided by Molly in the Mineshaft band

By Talmage S. Haines
GARDEN VALLEY -- Nearly eight years ago, the Haines boys (Talmage and Joshua) - armed with tales of exciting river-rafting adventures, beautiful views, and their aunt and uncle's pleasant hospitality - convinced their bandmates to make the long trip up from Utah Valley. Thus began Molly in the Mineshaft's obsession with the slice of paradise known as Garden Valley.

For three consecutive years, the band would stuff themselves and their instruments into tightly packed cars, arrive just in time to play a blazingly fast show in the equally packed community hall, river-raft

and jam around the campfire with locals the next day, and then bid farewell with a peaceful Sunday show on Nicole and Doug Haines's back porch. It quickly became apparent that the beautiful landscape and engaging activities were only part of what made Garden Valley a paradise - the true gem of the town was its delightful inhabitants!

After a long hiatus, the winds of fortune will blow Molly in the Mineshaft up once again with a show April 19th at 7pm at the community hall - don't miss it! This year the band will be providing "Americana a la carte." Come select your favorites from their menu of delicious tunes and fill up

on their diverse high-energy music.

Molly in the Mineshaft was founded in 2014 in Provo, Utah while its members were attending college. Their purpose is to uplift, entertain, and inspire people of all ages through high-energy, diverse music. Members of the band have performed throughout North America and Europe, including the United States, Mexico, Croatia, France, Switzerland, and Spain. Awards and recognitions include three-time national twin-fiddle champion to Grace Dayton, and 6 state instrument championships. Members of the group have shared the stage with Natalie MacMaster, Bar J Wranglers, Jon Schmidt, RW Hampton, and Rory Feek.

Idaho Property Tax Reduction Program (Circuit Breaker) And Disabled Veterans Property Tax Benefit

Programs offer tax reduction on your primary residence and up to one acre of land for people that meet certain qualifications
DEADLINE TO FILE - APRIL 15, 2022

We are also offering Workshops from 10 a.m. to 2 p.m. at the following locations:
Horseshoe Bend - March 15, 2022 at the HSB Senior Center
Garden Valley - March 22, 2022 at the GV Library
Idaho City - March 29, 2022 at the IC Senior Center

We will also be happy to send you an application form if you are unable to come into the office, just give us a call!
208-392-4415

Property Tax Reduction Program (Circuit Breaker)
(Must meet all three)

1. Owned and lived in your home as your primary residence before April 15, 2022
2. Had an income of \$32,230 or less (after medical expenses)
3. Meet one of the following status requirements:
 - o 65 or older
 - o Widow(er)
 - o Blind
 - o Fatherless or Motherless child
 - o Former POW
 - o Veteran with 10% or more service-connected disability
 - o Receiving a pension from Veterans Affairs for non-service connected disability

- o Disabled as recognized by Social Security Admin., Railroad Retirement, or Federal Civil Service

Disabled Veterans Property Tax Benefit

- This program reduces property taxes for qualified 100% service connected disabled veterans **or paid at the 100% rate.**
 - **No income or medical expenses required!**
 - This is separate from Property Tax Reduction Program (Circuit Breaker). You can apply for both.
 - Owned and lived in a home in Idaho that was your primary residence before April 15, 2022
 - Current letter from the U.S. Department of Veterans Affairs confirming your 100% service-connected disability rating as of January 1, 2022
 - You must file the application with your assessor's office between January 1 and April 15, 2022
- Contact your Assessors office for more details or go online to <https://tax.idaho.gov/i-1128.cfm> for more information.

BOISE COUNTY

Getting Ready for Spring

BOISE COUNTY -- Spring has arrived and warmer weather is right around the corner. It's the perfect time to get your home in shape for an energy-efficient spring.

Idaho Power offers the following spring cleaning tips to get your home ready for the upcoming cooling season:

Clean or replace air filters. Clean filters improve your heating and cooling system's efficiency.

Switch the direction of ceiling fans. Turning your fan counterclockwise in the warmer months will blow air down, creating a draft to keep you cool.

Vacuum refrigerator and freezer coils. Dust, dirt, and pet hair can prevent the coils from releasing heat and cause the compressor to work harder and run longer. This uses more energy and shortens the refrigerator's lifespan.

Brush or hose leaves and debris off the outside A/C or heat pump unit. This allows proper air flow for your unit to work more efficiently.

Haul out the grill and get it ready for outdoor cooking. Using a grill or Dutch oven keeps heat out of the kitchen.

BOISE COUNTY OBITUARY

George W. Dovel, 91, beloved husband, father, grandfather, great-grandfather, and great-great-grandfather passed away at the VA Hospital in Portland, Oregon on March 15, 2022.

Mr. Dovel was born May 23, 1930, in Harrisonburg, Virginia to Robert and Alice Dovel. He was orphaned and grew up as a child of the Great Depression but had wonderful times in the outdoors, including fishing trips to the countryside in his uncle's horse-drawn buckboard wagon.

While finishing high school, George received his pilot's license. After graduation he went to work for National Airlines. He married Amy Dovel (Violet) in 1950. He served in the Army, first as an aviation mechanic, then as a cargo and

medevac pilot in Korea and was promoted to warrant officer. George and Amy had the first of nine sons in 1953 at the U.S. Army Hospital in Fort Benning, GA. George and Amy divorced after 38 years. George and Patti Newell (Hubbard) later married and had a wonderful life together in Horseshoe Bend that included many hunting and fishing trips. George served as a father figure to Patti's three children.

After George's service in the Army, he moved his growing family to Idaho where they purchased Strawberry Glen Airport in Garden City and a backcountry property in central Idaho. He was an accomplished backcountry pilot, and flew as a government contractor, a backcountry hunting guide, conducting airshows,

and volunteer search and rescue. He retired from flying and bought a property in Banks, Idaho where he and his family raised livestock, and later, a second property in Horseshoe Bend where he had a farm and cattle ranch.

George was a fierce advocate for the conservation of wildlife, hunting and fishing opportunities, and the 2nd amendment. During the 1970s he published a wildlife magazine, *The Outdoorsman*. After retirement, he published a newsletter under the same name. He served as an advocate and expert witness on wildlife issues before the Idaho State legislature and the area representative for the NRA.

George is survived by seven of his nine sons, Bill, Mike, George, Jim, Dan, Joe, and Matt, and a large number of grandchildren, great-grandchild-

dren, and great-great-grandchildren. He was preceded in death by two of his sons, Bob and John, his first wife Amy, and his second wife Patti.

A graveside service will be held at 2:00 pm on Saturday, April 2, 2022, at the Pioneer Cemetery in Horseshoe Bend with a reception at the senior center in Horseshoe Bend immediately after.

The family extends warmest thanks for the outpouring of wishes and numerous caretakers at the Boise and Portland VA hospitals.

Basin Elementary takes 2nd at 3D-printing competition

BASIN SCHOOL DISTRICT -- Basin Elementary School's team won second place in the junior division and the Student's Choice Award at IDX 2022, the annual Idaho Exhibition of Ideas 3D design and fabrication competition conducted by the Idaho STEM Action Center.

Students from Basin Elementary School in Idaho City and West Junior High School in Boise earned second place in the junior and senior divisions, respectively. Both teams won

a \$300 cash prize, one donated by Cradlepoint and another by the Sahai Family Foundation.

Makeshift Spaceships, Basin Elementary's team, designed an array of fidgets and games to help keep astronauts on the International Space Station entertained. Sixth-grade teacher ReBekha Lulu led the team, which was comprised of Brielle Harvey, Breeanna McKown, Iris Olvera, Blake Taylor, Bailey Vigeant, and Whitney Watson.

Basin Elementary School's team won second place in the junior division and the Student's Choice Award at IDX 2022, the annual Idaho Exhibition of Ideas 3D design and fabrication competition conducted by the Idaho STEM Action Center. Sixth-grade teacher ReBekha Lulu led the team, which was comprised of Brielle Harvey, Breeanna McKown, Iris Olvera, Blake Taylor, Bailey Vigeant, and Whitney Watson. They presented their solutions to a panel of judges and a public audience for review and feedback at One Stone School.

Photo by Otto Kitsinger for Idaho STEM Action Center

Ten student teams from southern and southwestern Idaho presented their submissions at IDX 2022, the annual Idaho Exhibition of Ideas 3D design and fabrication competition conducted by the Idaho STEM Action Center. This year, each team was challenged to identify a space exploration issue that can be addressed using 3D printing and digital fabrication and then develop and document a product to help resolve it. They presented their solutions to a panel of judges and a public audience for review and feedback at One Stone School. IDX is designed to equip students with the practical, technical, and creative skills needed to engage with real-world problems of today and tomorrow. -- Written by Tony Harrison

**Legal Notice
STATE OF IDAHO LAND LEASE OPPORTUNITY
ACCEPTING APPLICATIONS FOR
AUCTION OF LEASE**

Notice is hereby given pursuant to Article IX, § 8 of the Idaho Constitution and Idaho Code §§ 58-307, -310 and -313, the State of Idaho, Department of Lands (hereinafter "IDL"), will accept lease applications for public auction of the leases set forth below. **Lease application deadline is Saturday, April 30, 2022 by 5:00 PM (MT).**

If more than one application is received for a lease, IDL will schedule a date, time and location for a live auction and the lease will then be awarded to the bidder paying the highest premium bid therefore. Annual rental rates are established by IDL.

General information regarding each lease is set forth below. Detailed information regarding each lease, including a specific legal description of the property to be leased, rental rates, and instructions to complete an application, and the application fee may be obtained by visiting IDL's website at www.idl.idaho.gov.

All meals are served with coffee, iced tea, water, or milk

Motor Boatin'

With weekend temperatures in the high sixties to low seventies, several groups took to the Payette River in Horseshoe Bend for some much needed fun in the sun. The Payette is down by 19% this season, according to snoflo.org, but it still had plenty of water for these river boat enthusiasts. *Photo by Tracy Koslosky*

BOISE BASIN SENIOR CENTER
