### MEET YOUR BOISE COUNTY CANDIDATES

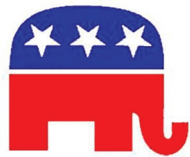

**Lyndel Strong** welcomed everyone out to the Boise County Republican Women Candidate Meet and Greet on April 21st at the Boise Basin Senior Center in Idaho City. She said that their organization was formed a year and a half ago and they meet every several months to discuss issues, "but our main goal is to educate voters."

Strong reminded voters of the May 17th Primary Election and said that early voting would begin on May 2nd.

She invited candidates from her list up to the podium to tell those present who they were within a two-minute time limit. At the conclusion of introductions, the candidates were available for questions for the next hour and a half.

Light refreshments were served, including brownies and cookies.

**Ryan Stirm** is currently serving as Boise County Commissioner – District 3. He invited anyone with questions to come and ask him. "I think most of what I've already done for the county pretty much speaks for itself. If you have any questions about what I have done for the county, I'm more than happy to answer those. We spent a lot of time working on wages, getting wage improvements for county employees. Spent a lot of time getting roads improved. We're paving a mile of road a year now." He added that they have a pretty good plan in place to hopefully continue with the paving projects in the future. "As a county commissioner, I will continue to keep those things rolling as we have in the last few years. Thank you!"

**Lindy Lindstrom**, Commissioner Dist. 3 candidate, has a ranch in Horseshoe Bend. He is a fifth generation Boise County resident. He has been married for thirty-one years to his wife, Lisa. They have three children and four grandchildren. "Boise County was a great place to raise our kids. It's been a great place for my kids to raise their kids, and my goal is for my grandchildren, for it to be a great place for my grandkids to raise their kids. I've been timber-falling since I was eighteen years old, so I'm very aware of our roads in Boise County. And we need to fix our roads. We need to help and support our first responders. I support anything that helps our next generation, and keeps the youth engaged and growing." Lindstrom says he's more of a listener and a doer than a public speaker. "So, I look forward to

listening and serving the rest of Boise County."

**George Butters**, Commissioner Dist. 3 candidate, said he worked in the transportation business for thirty years, and was a bus driver supervisor. "So, I've got a lot of experience in working with people." He is currently the Fire Chief for the Placerville Volunteer Fire Department and also on the Placerville City Council. "I'm community service oriented. I'm doing it for the community." He would like to improve the roads, property taxes, and the emergency services in Boise County. "Especially, make sure that our school buses can get up and down these roads in bad weather. Growth is a big issue. We're not going to be able to stop growth. No matter what anybody else says, but we can manage growth." He's concerned with the planning and zoning in this county. Butters explained what was important to him, "Listening to what the residents want, instead of having the companies coming in saying, well, we're going to do this. No, we need to take control of that."

next few days. Prisco has been a CPA [certified public accountant] for over thirty years. She is in her twelfth year as Boise County Clerk, since 2011. Prior to that, she worked with an international accounting and auditing firm, "and that's what provided me with strong financial and auditing skills." Prisco spoke about the Transparency Project, "I'm proud to say that Boise County is one of eight pilot counties, that we're working with Brandon Woolf and his team at the State Controller's Office. So, it's very exciting, what they're doing."

She then provided a background on the many roles of a clerk: Clerk of the District Court, Recorder, Auditor, Chief Financial Officer, Chief Elections Officer, and finally, Clerk to the Board of County Commissioners. "I have additional responsibilities beyond that, designated as a County Risk Manager and Human Resources point-of-contact."

**Mary Prisco**, current Boise County Clerk, said she has been a Boise County resident for twenty-five years. She is proud of her three children she raised here, attending preschool through twelfth grade at the Basin School District in Idaho City. She was excited to report that she will be a first-time grandmother within the

**BOISE COUNTY****BOISE COUNTY COMMISSIONERS**

Transcribed by Eileen Capson

**April 26, 2022**

**Present:** Commissioners Steve Twilegar, Ted Holmes, and Ryan Stirm (via phone).

**Pledge of Allegiance**

**CONSTITUENT INPUT:** Geoff Schroeder, candidate for State Senate, from Mountain Home, introduced himself. He represents sixteen cities across Idaho as their attorney. He's the main prosecutor for Mountain Home.

Steve Moore of east Boise County had concerns regarding the needed update to the Boise County website for the legislative and commissioner's districts. He said it still had not been done, "and we get comments from people in Wilderness Ranch that they have no idea that they are in District 3."

Treasurer Gina Turner and Clerk Mary Prisco said they too pulled up the map and it is correct under the Commissioners' page. Moore clarified that it was under the Elections Division.

**MINUTES:** Commissioner Holmes said, "I have an issue with the minutes. I'm not going to approve any more until I see constituent input on there." Clerk Prisco said, "I don't think that's accurate. If someone speaks during the constituent input time..." Mr. Schroder injected that he spoke last time. Holmes said, "It's not on here." Chairman

Twilegar said, "Well, we need to probably review, obviously, better."

**POLLING PLACE:** Commissioner Twilegar motioned to approve the agreement for the polling place at the Lowman Emergency Services Station, #80.

**MASS GATHERING:** The Idaho Road Rally was discussed. Curtis Dill with the Road Department said they were going to work on the watering of the roads to keep the dust down, because there were some complaints. The rocks being kicked up were also a problem, so they are going to run a grader. They will work on further plans for next year. Commissioner Twilegar motioned to approve the permit application for the Idaho Road Rally. All were in favor.

**OLD EMMITT ROAD:** Dill said they are paving two miles of road to fix some problems, but the paving will end a half mile short of the landfill, where 95% of their problems originate. He asked that the board approve that little section while they are there paving. "It would save us a lot of problems," said Dill. It was anticipated to take another \$70,000. Commissioner Holmes asked which funds that would come out of and Clerk Prisco identified which funds were available and their amounts.

Commissioner Holmes asked regarding any other paving projects this year, and Dill responded that they were looking to pave the first mile of Alder Creek.

Chairman Twilegar asked about the piece from Placerville to Centerville Road. Dill said he was trying to prep for that for next year. He wants to get some engineering studies for Centerville Road.

**IDAHO CITY STREETS:** Tami Claus, Idaho City's Supervisor for Public Works, said there's a large amount of traffic, tourists, trucks, and buses on Montgomery Street. "Main Street is really in bad shape," Claus said. She asked for help in taking care of the streets this year, "maybe providing trucks and asphalt. We'll do all the work."

Chairman Twilegar said, "I would love to. I think it's more of a legal issue than anything." Prosecutor Adam Strong said, "I'm not saying that you can't do it. I think it's a policy decision from the board. But I just want to point out to the board that there have been other cities in this county that have requested help with their roads."

Claus said she had combed through the meeting minutes from 1994 to 2000 and nowhere in there does it say the city owns that road. She said that city minutes back in 1979 state, "this is a county road.

They've always helped us. We've done the work. They've helped us with everything else." She said the county bought the signs there, even the culvert, and the city did the work. "It is a county road," she repeated and provided copies of the city minutes.

Holmes stated they were also down in their number of personnel. Assessor Chris Juszcak was asked to join the meeting and he stated that the road most likely belonged to the county, because they never deeded it to the city. Claus said the area that needed work was Montgomery Street, just past the Prosecutor's office. It would be less than a quarter of a mile. They will be "cutting out the bad spots," and not doing the whole street.

**FUEL BIDS:** Commissioner Twilegar said, "I think this is something we should do, especially with the price of gas. We would be paying a premium for it." The bid documents had a deadline of October 1<sup>st</sup>.

**PLANNING & ZONING COMMISSION:** Chairman Twilegar motioned to remove a member from the commission and was approved.

The member had been tending to his father out-of-state and had a long absence, then asked to be removed from the board.

**ROAD RALLY:** Twilegar motioned to approve the agreement to provide law enforcement services and traffic control for the Idaho Road Rally 2022.

**GRANT:** Commissioner Twilegar motioned to accept a grant in the amount of \$6,697. This passed.

**LITTERING ORDINANCE SUMMARY:** Prosecutor Strong stated that two ordinances were going to be published in the *Idaho World* [published last week]. Commissioner Twilegar motioned to approve the summaries of Ordinance 2022-2 and 2022-01 to be published in the *Idaho World*.

**SHERIFF'S OFFICE EQUIPMENT:** Twilegar motioned to approve "the discussed [in executive session] electronic equipment in the amount of \$7,817." This was approved.

**BILLS:** Commissioner Twilegar motioned to approve the claims approval report in the amount of \$107,677.

**EXECUTIVE SESSION:** Closed session to discuss ex-

empt records. [Time 9:45 am to 9:56 am] Commissioner Twilegar motioned to approve the nonmedical assistance in the case that was discussed. All were in favor.

**EXECUTIVE SESSION:** Closed session to discuss pending litigation. [Time 9:57 am to 10:03 am] Coming back into session, Twilegar said there was no action at this time.

**EXECUTIVE SESSION:** Closed session to discuss the hiring of employees. [Time 10:03 am to 10:12 am] Twilegar said no action was required.

**MINUTES:** Twilegar asked Holmes if he was "satisfied with the minutes" and then motioned to approve the minutes from April 19<sup>th</sup>. All were in favor.

**JUVENILE JUSTICE:** The department will be putting on movie nights this summer in Idaho City and Garden Valley. Horseshoe Bend has their own program. Amanda Leader said they are also trying to form a Boise County Health Coalition. She said there were more cases.

**ROAD DEPARTMENT:** Curtis Dill said they are still working on the Banks Lowman Road near Lowman. They have prepped Old Emmett Road and have started prepping the first section of Alder Creek Road. They are also getting a lot of road material on the gravel roads. They hope to get dust abatement going at the end of May.

**EMERGENCY EXERCISE:** The countywide exercise is planned for May 14<sup>th</sup> near Placerville. There will be a live burn on private property. Forest Service will also attend.

**BURN PERMITS:** Emergency Manager Trinia Richardson reminded everyone that burn permits will be required starting on May 10<sup>th</sup>.

**COUNTY TRANSFER STATIONS/ WEEDS:** Paul Rekow said people are hauling their vegetation to the dump rather than burning it on their own property. The county burned their piles last year, so it's not full, but Rekow expects that "by November there won't be any room for any more brush."

They handed out herbicide in Garden Valley for spotted knapweed.

## City Council Meeting in Idaho City

By **Georgene Thomas**

**IDAHO CITY** -- The Regular meeting of the Idaho City Council was held on April 27, 2022 at 6:00 p.m. All of the councilmembers, David Martin, Tom Secor Jr., Ashley M. Elliott, and Mari Adams were present along with Mayor Ken Everhart.

The Pledge of Allegiance was said, the minutes were approved, and the council paid **bills** in the amount of \$7,704.93.

Beth Wilson, representing the **Idaho City Historical Foundation**, presented a checklist for the **Yard Sale of Historic Proportions**, which will be held on May 28-29 in the City park. Individuals can join and sell their own items with a vendor's license. The Idaho City Community Club will be selling hot dogs, chips, and drinks. Music will be available, and the Historical Foundation will be selling alcohol.

On the **4<sup>th</sup> of July** following the parade, the Declaration of Independence will be read by individuals and there will be non-profit organizations selling snow cones, beer, and refreshments. The city councilmembers approved all these items and passed an alcoholic variance for the events.

City Ptak presented the city

with a **Life Insurance proposal**. Currently the City is paying \$64.80 per month for \$20,000 life insurance for full time employees. The proposal will now be for an additional \$4 per month and will add the mayor and city councilmembers and the increase will be to \$25,000. The councilmembers agreed to this and made a motion to approve it.

Under ordinances and resolutions, the councilmembers approved **Resolution #2022-02** which is the financial controls policy, this has been examined and approved by City Attorney Joan Callahan.

**Ordinance # 368** is a zoning correction and map amendment for Mores Creek Crossing Subdivision. There have been two readings and it will be put on the agenda until it passes.

Under Committee reports, Rhonda Jameson said that the **Historic Preservation Commission** would like to bring back a **Clean-up Day** for Idaho City, even if this was only using trucks to get rid of dead trees and garbage. She is working with Chief Otter to resolve code infractions on people who have violated Historical site policies.

Lisa Hansen from the **Idaho City Chamber of Commerce** said there is a new board with seven members. Their goals are

to refurbish the sign on Highway 21 and put up a "Worship with Us" sign that signifies the different worship centers available in our area. The Visitors Center, BBIA, and Chamber will work on having a better relationship to optimize the space available at the Visitors Center.

**Employee Updates:** Public Works Director Tami Claus reported that the sewer line on Hill Road needs to be replaced and all the meters that were accessible were read. After some investigation, she reported that Montgomery Street is a Boise County road. She is asking the commissioners to provide the materials and Idaho City workers will provide the labor to rebuild the road. She estimates that it will take two days in May to repair Montgomery Street.

**Law Enforcement**, Chief Otter has done reminders on code enforcements. There have been a few arrests, one was failing to pull over and trying to outrun an officer. There have been some thefts on the construction sites in Mores Creek Crossing. The suspect was found, and the materials were returned. Chief Otter is currently taking an EMT course.

**Clerk Ptak** has set the **budget hearing date for August 24, 2022** during the regular city council meeting. The budget

will need to be adopted on July 27, 2022. She plans to have meetings with councilmembers following the regular city council meetings and tackle

small sections so this goal can be accomplished.

The meeting was adjourned at 7:35 p.m.

## Boise County Candidates

name with Roger Jackson, but there's no relation. She has a thirty-one year background in law enforcement, "and during that period of time, I have worked for state and local agencies. During that period of time I also handled a multi-million dollar budget for the campaign against marijuana planting, when marijuana was still illegal in California. And I just have to say, Idaho needs to keep it illegal in Idaho. In my long experience, I think it has led me up to this point to run for Boise County Clerk. I've had people approach me and ask me if I would consider running for office. They express an interest in having improved accountability from the Clerk's office, customer service being improved, more transparency, more oversight, and integrity. And I would like to go into more detail and discuss some of these issues, if you would like to join me at my table. I

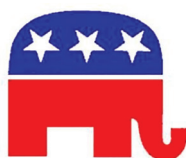

can fill you in." Jackson concluded, "Again, Debra Jackson for Boise County Clerk. Please vote for me, May 17th, I think you won't regret it and I know that Boise County deserves better."

**Chris Juszczak**, current County Assessor, introduced himself quickly and said he would be available for questions at his table.

**Lyndel Strong** encouraged those in attendance to visit and ask questions of these candidates present on April 21st at the Boise County Republican Women Candidate Meet and Greet. "To have meaningful conversations with these candidates and become educated, so that you can feel like you're an informed voter when you go to the polls."

Strong concluded that it only cost \$10 to join their group and thanked everyone for coming.

President of the Idaho City Historical Foundation Beth Wilson said, "The SICI [Southern Idaho Correctional Institute] crew, Roger Jackson, and Todd Niehoff were instrumental in getting the Ribbon Tree Time Log in place. By late August, we hope to have the sign in place that tells the story of the Ribbon Tree and Manetta Schrite so we can have a dedication ceremony!"

The Ribbon Tree was located on Hwy. 21 and was saved from being cut down when the highway came through.

## Candidate Corner

### TERRY GESTRIN, SENATE, DISTRICT 8

"My ancestors.....gave me and my family a pretty nice place to live here in Idaho. I'd like to pass that way of life on to our kids. It's changed since my great-grandfather's. Time and it will change again. But if we keep working hard and keep our focus, it'll stay a pretty nice place to live."

State Representative Terry Gestrin is a 4th generation Valley County resident with a great love of Idaho and its resources. Terry was educated in Donnelly-McCall schools. He went on to earn a Bachelor of Business Administration degree in finance at Idaho State University. He was an early member of the Donnelly fire Department serving for 20 years as a Fireman-EMT and many years as the Fire Chief. Terry was elected to the Valley County Board of Commissioners in 1994 and served as the chairman for 8 of his 10 years. He currently is a director on the board of the State Insurance Fund.

Terry is seeking the Senate seat for District 8. His priorities are state's rights and to balance and protect our quality of life with economic development and employment opportunities. He will limit government so Idahoans may live prosperous, productive and peaceful lives.

### Idaho Senate Candidate Jon Krueger

I grew up in Nyssa, Oregon, and spent my childhood in Idaho and eastern Oregon. At 18 years old, I joined the US Air Force. I spent the next 20 years serving, with overseas tours to Germany, Iceland and England, and deployments to Iraq, Afghanistan, Pakistan and others. I was stationed at Mountain Home Air Force Base in 2004, and Idaho officially became my home. My Air Force career expertise lies in Law Enforcement, Emergency Management, Physical Security and Program management. Before my retirement in 2020, I was Wing Exercise Planner, Inspector General's Office, for Mountain Home Air Force Base, where I conducted strategic planning and regulatory compliance. I am a student of the world and a diplomat, having served with the Department of State in Pakistan. I have an Associate's degree in Criminal Justice, am currently completing a Bachelor's degree in Homeland Security. I have 20 years of experience leading people. I am the former chairman of the Rattlesnake Liberty Alliance in Elmore County, an Honor Guard member with the American Legion, and a life member of the VFW.

#### Reason for Candidacy:

I am a Constitutional Conservative, and have noticed a distinct lack of conservative values from our current senators and House

members. I believe that it takes regular people in our legislature to protect the values of the people and our American way of life. I swore an oath to uphold the US Constitution, and I feel called to continue my service. The citizens of this state need conservative representation. I am that leader. I will sponsor and support conservative legislation for right to life, education, land use, fiscal responsibility, smaller government and I will defend our God-given rights protected by our Idaho State Constitution and the US Constitution.

#### Letter to Boise County Voters:

Did you know that once you mail off your absentee ballot in Boise County there is no oversight or transparency in the signature verification process?

This means Boise County Poll Watchers/Challengers will not be granted access to the signature verification process because when a voter's record is accessed, personally identifiable information (Driver's License number, date of birth, or last 4 digits of the Social Security Number) may be shown. Boise County uses the Tenex Solutions software that is not programed to separate out personally identifiable information during the signature comparison process.

When I worked for Boise County during the 2020 Presidential Elections, there were massive amounts of mail-in (absentee) ballots due to the Covid scare. We had a signature verification issue, where in many instances, I could not view the signature on file for the voter to compare it with the signature on the returned envelope containing absentee ballots. The image displayed on the screen was 1/3 the size of a postage stamp making it impossible to view a signature and compare it. The SOS's office was notified and unable to provide a solution in a timely manner. I was instructed by the Elections Clerk and County Clerk to "approve as matched". To this day, I do not know if the problem was resolved.

Today the Boise County Clerk and the Secretary of State refuses to allow citizen oversight into the very process that had national implications in the 2020 election, namely, absentee ballot handling and processing.

There is no election integrity, transparency, or oversight when trained Poll Watchers/Challengers are refused ac-

cess to any segment of the election process. I no longer have confidence in a process that excludes citizen oversight, therefore, I recommend voting in person.

**Debra Jackson**  
Candidate, Boise County Clerk

#### OPINION - LETTER TO THE EDITOR:

Rules are for thee, but not for Me.

As I read Idaho code 67-6608 (1) in the Idaho Sunshine Law, it states that when a candidate receives or expends their first \$500.00 it is to be reported within 7 days to the Secretary of State's office. Marla Lawson seemed to ignore the law. It wasn't until 38 days after the reporting deadline did she make her first report to the Secretary of State office. Her C-2 report shows expenses of \$995.33 on March 15 2022 and her first report was submitted on April 29 2022. This information is available to review on the Idaho Secretary of State website. As an experienced candidate for public office, Marla Lawson should know the rules.

Is this the type of person we want for Boise County Commissioner District 2 seat? Rules for Thee, but not for Me??

## Horseshoe Bend Spring Sports

By Tracy Koslosky  
HORSESHOE BEND --

**Softball:** The Horseshoe Bend Varsity Mustang softball team traveled to Greenleaf on Monday, April 25 for a 1A Western Idaho conference game against the Greenleaf Friends Academy Grizzlies. In the first game, the Grizzlies came out on top with a 16-1 win. Offensively, senior short-stop Kenzie Renfro scored the only Mustang run after reaching base on a Greenleaf error. Sophomore left fielder Annelie Wilson had a plate appearance that resulted in an RBI. On the mound, sophomore rookie pitcher Torey Tschida had 6 earned runs with one strike out.

In the second game, sophomore rookie pitcher Kaylin Penney gave up 9 earned runs in the 2-15 loss for the Mustangs. Junior third baseman Josie Stone contributed two singles for 1 run and 1 RBI. Sophomore second baseman Abby Howerton had two runs off a walk and an error.

On Monday, May 2 the Mustangs hit the highway and braved blustery winds and rain in a conference game in Garden

Valley against the Wolverines. On the mound for the first 3 innings, Tschida struck out 3 and chalked up 5 earned runs out of 13. Penny took over in the fourth inning, allowing 4 earned runs. Offensively, Howerton walked and reached base on an error for 2 runs. Sophomore center fielder Kallyn Rogers scored twice off a single and a walk. Tschida walked twice for 2 runs. Renfro hit for a double and a single for 1 run with 1 RBI. Freshman catcher Tiahna Quijas had 1 run after being hit by a pitch and 1 RBI off a plate appearance. Stone hit a double and walked with 1 RBI. Sophomore Cara Gorski received an RBI as the result of a plate appearance.

**Baseball:** At home for a double header against the Greenleaf Friends Academy Grizzlies on April 26, the Horseshoe Bend Varsity Mustang baseball team took both wins handily, 18-4 and 19-3. In Bruneau on April 28, the Mustangs won their 1A Western Idaho Conference game against the Rimrock Raiders, 7-5.

**BRENT ADAMSON**  
**District 2**  
**County Commissioner**  
**on May 17<sup>th</sup>**

Most of us know that we have things to work on and problems to solve in our County. It is the nature of not enough funds to keep everything in tip top shape that begins to weigh on overall productivity and quality of life (and vehicle suspensions). We need Commissioners who can work on these issues and solve them, rather than kicking the can down the bumpy road.

I'm convinced that experience counts, and I have the local government experience to put my skills to work. I have a finance and budget background, corporate trainer, heavy equipment operator, first responder and other skills that give me the advantage to get to work quickly.

You 'all know what needs to be done so I wouldn't need to list them. But I will so you know that I know. Employee retention and just getting enough employees to fill the open positions; Roads—pave or not, Rebuild or grade more often; Highway 17; Improved EMS response for the entire County; Fix property value insanity; Growth or no growth; lower taxes; increase budget to pay for all these things; and how about a few more deputies so we can have better coverage across our diverse geography. And more.

Much work has been done in all these areas up to this point. I want to help move it along as we plan for what we can do and get some things off our list. We cannot do it all at once, but we can plan and continue working on solutions that benefit our county and way of life.

I ask for your vote on May 17th

Thank you,  
Brent

## VANDALISM of Campaign Signage

The Grimes Creek Road turnoff from Highway 21 was littered with campaign signs that had been removed from the ground.

*Photo by Eileen Capson*

**BOISE COUNTY** -- There have been no arrests, fines, or charges in connection with the campaign sign removal along the Highway 21 corridor. The removal of signs and banners is considered malicious injury to property.

Monday, April 25th, the signs were seen scattered on

the ground. A number of the signs were actually removed from private property where permission to place signage had been granted.

Anyone who witnessed this activity is asked to contact Sheriff Scott Turner at [shturner@co.boise.id.us](mailto:shturner@co.boise.id.us)

## Garden Valley Spring Sports

Between the double header on 4-28-22, Garden Valley's softball team got warmed up by starting a line dance. Despite the rain and wind, Idaho City joined in the fun!  
The Garden Valley Wolverines had a good round of hits, beating the Idaho City Wildcats 12-32.

*Photos by Linda Ruppel, DDS*

Monday's game was played in spite of the uncooperating weather between Garden Valley (purple and grey) and Horseshoe Bend (black) girls softball teams. Garden Valley won 18-8 and the game was stopped after the 5th inning due to the ten run rule. The game was well attended with most of the crowd staying warm in their cars, others under umbrellas, and some bundled up against the weather. This was the last home game for Garden Valley Wolverine girls.

The Garden Valley Middle School boys baseball team of 29 is the only one in the district, so they divided the boys into the Purple and the Yellow teams. They play each other in scrimmage games on Fridays at 4 pm at the Crouch community softball field. This will give the young men an opportunity to learn the game and perfect their skills before advancing to the high school team.

**SERVING THE COMMUNITY FOR OVER 25 YEARS**

### Hello Boise County, my name is Rick Aspril from Garden Valley, and I am running for Boise County Commissioner in District 2.

I thought I would start by telling you a little about me, my family, career experience and vision that will make me the candidate for Commissioner in District 2 you are looking for.

I am a Christian Republican Fiscal Conservative married for 20 years to my wife & soulmate Sally, and we live in Garden Valley. We are retired and have six children, twelve grandchildren, and two twin great grandchildren, many of which live right here in our beautiful state.

My career started with better than a decade in the Emergency Medical service, finishing as an officer in charge of a Paramedic Rescue Squad on the Chicago Fire Department.

After starting a young family, it was time for a career change. The pastor of our church owned a successful construction company that would offer a much safer position and hours that kept me home nights with the family. I started working for the pastor as a laborer, then went to heavy equipment operator, and finally, a superintendent on heavy civil engineering construction projects. With this hands-on construction knowledge, I spent the next 30 years as assistant resident engineer/lead inspector/ Public Works Inspection Supervisor on over a billion dollars' worth of heavy civil engineering public funded road, bridge and highway projects and safeguarding the taxpayers' money for local, county and state agencies from construction reviews, inspection, contract administration to project completion.

My wife and soulmate Sally is a retired high school teacher and taught psychology, health, and child development for 23 years.

Here are just a few of the changes I would like to tackle ASAP:

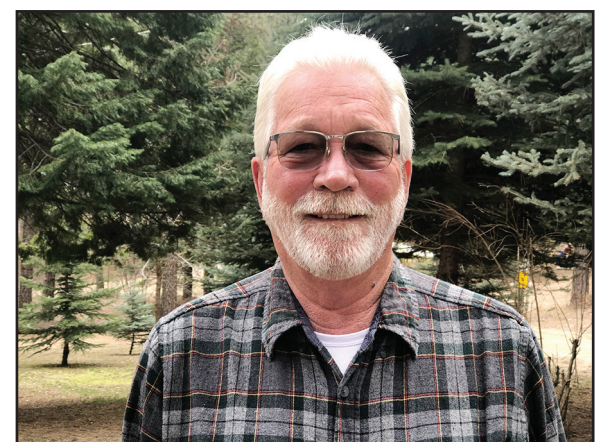

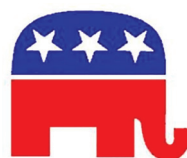

- After speaking with many residents in Boise County about their concerns, roads and emergency medical services are up there on the top of their concerns.

- Political transparency with online live streaming of the weekly Boise County Commissioners' agendas, meetings, thus providing residents of Boise County the online ability to voice their three-minute comments regarding the issues the commissioners have before them; no different than if the residents were attending the meeting in person. And I would have these online meetings archived.

- Utilize the recently contracted county grant writer to bring in as much funding as humanly possible.
- Apply for rural Emergency medical service grants to upgrade our current levels of care and service.
- Expedite the interim signalization at the intersection of the 55/Banks Lowman until the State constructs improvements years down the road. It will save lives!

- Follow the United States and Idaho Constitutions
- Fight to keep property taxes down
- Provide our children with education, not indoctrination; family values taught at home
- Protect the unborn children
- No mandatory vaccine or mask mandates
- Defend our God given rights!
- Encourage residents to speak to a neighbor they have not spoken to in a while to ensure they are registered to vote even if they need a ride to the polls
- Keep Boise County, Boise County!
