### Sheep On Their Way to Greener Pastures in Garden Valley

Kayakers from the North Fork Championship camped along Old Crouch Road were surprised on Sunday morning by a herd of sheep passing through. Photo by Linda Ruppel, DDS

The sheep from the Peterson Ranch in Emmett made their way down Alder Creek onto Hwy 17 (Banks Lowman Rd.) onto Old Crouch Rd, over the bridge of the Middle Fork River, while waking up sleeping kayakers camped along the road. Finally, the herd passed through Crouch and disappeared up the Middlefork Rd. to new pastures early on Sunday morning. The herding dogs did a good job moving the sheep along. ### Rodeo Action This Weekend

IDAHO CITY -- Head on up to Idaho City for the 18th annual Gold Dust Rodeo this Friday and Saturday night! Events kick off for the little buckaroos at 6 pm with the mutton busting. The main attractions start at 7 pm.

This is an Idaho Cowboys Association sanctioned rodeo and includes all your favorite rodeo events, such as team roping, bronc riding, barrel racing, and bull riding!

There are a limited number of

seats in the bleachers, but ample room for lawn chairs, so you're welcome to bring yours along.

"Buckin Country" will be performing after the rodeo on Saturday night in the Jim Haswell Arena, located off of Highway 21, just north of Idaho City.

Food and drinks will also be available for purchase. Sorry, no pets or coolers.

Tickets are \$10, over 60 and active military are \$6, and kids 6-years and under are FREE!

### HAPPENINGS IN BOISE COUNTY

July 4 - Terrace Lakes' Annual Golf Tournament benefiting the Garden Valley Ambulance and EMTs from 9am to 2pm. BBQ at noon and silent auction.

IDAHO CITY -- Come out and support our hometown girl "Gray" in the Jr. Bull Rider's event! She's 12 years old and has been hitting the rodeo circuit with a full lineup, including an invite to the Caldwell Night Rodeo. Her father, George Shaffer, has been her biggest supporter, getting her to events and recognizing those who donate gear to help this little girl with big dreams. He's been very grateful for sponsors that have helped with entry fees into all the many rodeos around the State of Idaho. He's tickled that the boys in the sport are blown away when they find out that Gray is a girl and they have to step up their game. #dude-thatsagirl has some of her latest rides. Look for Gray at the Gold Dust Rodeo this weekend; she'll be wearing new green and gold chaps!

"Hey, my name is Georgia Grace, but I prefer Grace or Gray. I'm a bull rider, and I've been riding bulls since last year. My mother died when I was 7 and rodeo has been somewhat my therapy. My mom loved horses and rodeo, and I've watched cowboys come out of the chutes like heroes growing up. I knew, one day, I wanted to do the same thing. Rodeo isn't just about how you ride, it's your sportsmanship and how you act before, during, and after the ride. Bull riders and people who ride bulls are two different [kinds of] people. Bull riders are respectful people who care for others, and the bull, more than

themselves. I've seen people come out of the arena proud of how they did, score or not. And I've seen people come out of there mad and rude for missing the ride. I've learned lots from the rodeo committee, and the people in rodeo. I've not been able to express my riding skills to people before, since certain people and rodeos won't let girls Ride Rough stock. However, I do find my place to be in the chutes, as much as I do love sunset rides and running flags, I'd rather tie myself to an untamed animal in hope of getting a buckle. And hopefully, help my hometown earn itself a name."

## City Council Meeting in Idaho City

By Geogene Thomas

**IDAHO CITY** -- The regular meeting of the City of Idaho City Council was held on Wednesday June 8, 2022. Mayor Everhart called the meeting to order at 6:00 p.m. Councilmembers David Martin, Mari Adams, and Tom Secor were present. Councilmember Ashley Elliott was absent. After the pledge, the minutes were approved and the bills payable from May 26, through June 8, 2022 were paid in the amount of \$19,356.59.

The meeting went to New Business with a request from Susan Kelly, who lives on

Hill Road, to move her property out of the Historic District designation. Rhonda Jameson, Idaho City Historic Commission Chair indicated that Kelly would need to have building plans approved by Planning and Zoning, and then submit a "Certificate of Appropriateness," and once that is approved the property would be eligible for removal from the Historic District. At that point, the request to be removed from the Historic District can be presented to City Council for final approval. City Attorney Callahan will work with City Clerk Ptak to

hold joint meetings between the approval committees.

There were no ordinances and solutions, and the meeting went into updates from Public Works.

Director Tami Claus of Public Works reported that the fixing of potholes on Main Street was nearly completed. Mayor Everhart will contact Curtis Dill from the county to finalize Boise County's plan for repairing Montgomery Street.

Councilmember Martin inquired about vandalism at the skate park as well as the cleaning of the bathrooms at the skate park. Public Works Di-

rector Claus and Mayor Everhart will discuss this with the custodial staff.

The bathrooms at the Visitor's Center are locked at night to curtail vandalism. This is the only option available currently.

Councilmember Tom Secor thanked Public Works Director Claus for her help connecting water and sewer to the tiny homes property on Hwy. 21.

Councilmember Mari Adams stated that there is an urgent need for volunteer ambulance drivers.

Councilmember David Martin stated that he has family complications back East and will be leaving on August 1, 2022.

Updates from Mayor Ken Everhart involved the Ray Robison Community Hall. He indicated that there have been at least two instances recently that the Community Hall has been rented and the hall was not cleaned prior to their event. The quality of cleaning by the custodial staff needs to be addressed. It was discussed there might be a need for a part time cleaning person dedicated to cleaning the Community Hall after rentals conclude.

It was discussed that the \$50.00 refundable cleaning

deposit should be increased to \$150.00 - \$200.00 to help ensure that those renting the Community Hall leave it in a clean state.

Mayor Everhart made a recommendation to refund at least 50% of the rental fees to the two families that rented the hall last weekend and needed to spend multiple hours to clean the facility prior to their event. Council will decide at the next council meeting.

He continued, "the power bill for the Community Hall is \$2,946.41 and the revenue for renting the Community Hall last year was \$2,977.42. The rental fees for the Community Hall are not enough to pay for the overall operations of the building. Mayor Everhart would like City Council to consider increasing the rental fees to cover the yearly maintenance and operations of the building. Any fees that are raised more than 5% will require a public hearing. Any change in fees will be set by a resolution. Additional revenue and expense data will be presented at the next City Council meeting to discuss an appropriate fee to make the Community Hall self-sustaining.

Meeting was adjourned at 6:50 p.m.

# BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

**June 14, 2022**

**Present:** Commissioners Steven Twilegar, Robert "Ted" Holmes, and Ryan Stirm (via phone)

**Pledge of Allegiance**

**CONSTITUENT INPUT:** An individual who has owned property in Garden Valley for 41 years spoke about a property with a new airfield in 2021, located on the south side of the South Fork of the Payette River. He said there was no conditional use permit for this land use and that the Planning and Zoning office seemed to think it was an existing landing strip. He quoted Boise County code and the process for conditional use (CUP) permits.

Planning and Zoning Administrator Alex Gross said, "I have former county commissioners telling me that aircraft have been landing there for a long time. I don't have any proof either way. I don't have any proof right now to take any action. And if I did, *I would do so.*"

Commissioner Holmes relayed that he had talked to the

Idaho State Aeronautics Division, "And they said, look, we have planes that land backfield, as long as it's not federal forestry and it's private property, we can do nothing about it." The constituent acknowledged that as a pilot himself, this was not an FAA (Federal Aviation Administration) issue, "this is a Boise County land use issue." Holmes interrupted, "It's a private property issue."

Another neighbor in Garden Valley said that to his recollection there had never been an airstrip there. Holmes asked if planes had been seen landing there. The neighbor, also a pilot, recalled that there was one time a plane ran out of fuel and landed there.

The neighbor was also concerned about "Deadwood Dam," the efficiency rating, and his concern for the dam failure. He said that could cause an enormous amount of water to move through Garden Valley and Horseshoe Bend. He asked if there was any plan with the emergency management. Sheriff Scott Turner said there is an

emergency operations plan for Deadwood Dam, should there be a dam failure.

Another constituent from Centerville commented about a personal hardship, threats, and presented a paper to the commissioners for the record.

Commissioner Holmes read-dressed the first constituent regarding the airstrip in Garden Valley. He suggested that if a meeting were held by Planning and Zoning, that the landowner be included in that process. Holmes said, "And you know how I feel about private property - Don't tell me what I can and can't do with my property... Like I said, the feds and the state level, they could care less." The individual countered, "If you don't like the planning and zoning ordinance, which clearly outlines the process, then we need to abolish the county planning and zoning ordinance." Commissioner Holmes replied, "Yes, sir, and we could probably do that as county commissioners, could change that ordinance."

Commissioner Twilegar

moved the conversation on and thanked everyone for their time.

[June 20, 2022: P&Z Administrator Alex Gross said that the P&Z Commission met last Thursday, but there was no discussion of this airfield on the agenda. "Currently, there is no plan or application to discuss this at the commission."]

**MINUTES:** Chairman Twilegar motioned to approve the minutes from June 22<sup>nd</sup>. The motion carried. (Commissioner Holmes apologized for a Superman theme song ringtone.) Chairman Twilegar motioned to approve the minutes from June 7<sup>th</sup>. This was also approved.

**ROAD DEPARTMENT:** Clerk Mary Prisco said, "The county attempted, they went through the process to officially abandon that old Highway 55, but for some reason, and I do not know why - this was back in 2003, '04, or the early two thousands - they actually had all the paperwork done up, but then we didn't finalize it."

Curtis Dill with the county road department said, "We maintain the upper section and we maintain the lower sec-

tion," but there is a section that is not maintainable. He said the ground is unstable. The county has always treated it as "abandoned." Dill said, "everybody's buying property along there without knowing, and then they get there and see that [signs saying that the road is not maintained]. There's just no way that we can keep up with that section."

**EXECUTIVE SESSION:** Closed session for a personnel issue and indigent. Chairman Twilegar discussed hiring a contractor to assist and put back the data for the county when the server went down. [Much of the meeting was inaudible with feedback echo, the audio randomly skipping chunks of the recording, unable to play portions, and stopping intermittently.]

**COMPUTER ARTS:** Commissioner Twilegar would like to put on the agenda time for their "team to get rid of those guys." Assessor Chris Juszczak said it was like the computer software company was holding them "hostage." Twilegar would like to do some preliminary brainstorming.

Adjourned at 12.08 pm.

Boise County Commissioners meet with constituents individually during the June 14th meeting. Commissioner Elect Clay Tucker from District 2 has been present at these meetings.

Commissioner Holmes relayed that he had talked to the Idaho State Aeronautics Division, "And they said, look, we have planes that land backfield, as long as it's not federal forestry and it's private property, we can do nothing about it."

District 2 Commissioner Elect Clay Tucker observes.

## Basketball Clinic Senior Project for Kids

**GARDEN VALLEY** -- Katelyn Thompson offered a basketball camp for her senior project on June 20th and 21st. She explained that the school encourages seniors to do projects that benefit the community of Garden Valley in some way. She loves sports and decided to run a mini basketball clinic for 1st to 5th graders. She enlisted the help of a few classmates and her mom. The project involved at least 30 hours of planning, coordinating, and executing the project. She must also write an essay and present her project to the school board to fulfil one of her high school graduation requirements. The kids had a lot of fun learning drills and playing some one-on-one.

## Opinion ~ Julie Leslie Earns the Coveted Associate Broker License

Submitted by Ciara Wagner  
**GARDEN VALLEY** -- May 23, 2022 was another Big Day in the life of Garden Valley Properties. Julie Leslie, agent and co-owner of Garden Valley properties announced completion of her requirements to earn the Associate Broker license in the state of Idaho.

The requirements to earn this coveted classification include 90 hours of training, two years sale experience, and passing the rigorous state and national examination. It's a tough road that few agents attempt. Of over 9000 agents in the Intermountain (Southwest Idaho) MLS there are only 365 associate brokers.

In 2021, Julie sold over 9 million dollars in real estate in west Boise County, making her one of the top agents in the county and in the top 15% of the entire MLS.

Julie received her agent li-

cense in 2004. When asked what she loved about the business, Julie said, "As someone that loves learning, my job provides a variety of things to learn. Market trends, new technologies, and the complex transactions that arise. I also value the connections I make during the process. For me, Real Estate is more than a transaction, it's helping a lifelong friend."

James Jardine, the designated Broker and chief of Garden Valley Properties said of Julie, "Few realtors in Idaho strive to achieve Broker status. Julie Leslie's successful receipt of this highest level of licensure by Idaho, results from advanced education and experience as a real estate professional. Garden Valley Properties' Brokers, Agents, and Staff congratulate her on gaining the standard."

As for the future, the well-respected real estate company hopes to continue on its mission to serve

Julie Leslie with GVP

the community by offering a high quality service, providing market information, and participating in the needs of the community.

Congratulations Julie Leslie for a job well done.

## MEET SOME OF THE CREW AT GARDEN VALLEY RADIO

By Linda Ruppel, DDS

**GARDEN VALLEY** -- Jan Solecki, aka the "Slick Gourmet," is a retired gold and silversmith, a chef, and a DJ now for the past seven years. Weekly, she mixes in her recipes with her favorite genres of music- contemporary, love songs, soft rock, country, and some oldies. I love calling in and requesting songs from the 30's, 40's, and 50's during her time on the radio on Thursdays (11-5PM) and Fridays mornings (9-1PM). She is also the chairman of the board of directors for Garden Valley Radio and tries to keep everything lined up.

Teri Day, or "Day Dreamer," came to Garden Valley eight years ago and is very involved in the community. She likes to mix classic and modern country with some contemporary and easy listening pop music on Thursdays (9-3PM).

But the best part of the week for me is the The Silly Show that these two dreamed up in 2020, during the Covid-19 pandemic. I will let them explain it in their own words.

Teri and Jan wrote: "The Silly Show, starring Slick Gourmet & Daydreamer started back in 2020 during the peak of the Covid-19 pandemic. In an effort to be proactive & a concern for the safety of our DJ's in the studio, we decided to broadcast remotely. After a few months, the two of us thought we could bring some lighthearted joy and frivolity to our listeners by coming into the studio once a week to do a show together...hence the Silly Show was born. We found that having a two-way conversation with jokes, fun facts, recipes, and spontaneity was uplifting, and it has continued to this day. Oh...by the way, we do play music as well. You can tune in to our dual show every Thursday from 11am to 3pm."

## PLACERVILLE'S INDEPENDENCE DAY ACTIVITIES:

The annual pancake breakfast is on July 2nd from 8 am to 11 am in the park. It's all-you-can-eat, so come hungry! Eggs are cooked to order. The price this year will be \$6. [If we did bacon, it would have to have risen to \$10 because the price of bacon has tripled in the last 2 years! We want to be able to feed people at a reasonable price.]

The Boise Basin Boosters will be raffling off a AR-7 Survival Rifle. The tickets will be \$10 each and the drawing will be held when 100 tickets have been sold.

The Fire Department Aux will be doing cotton candy for \$2 at the fire station.

Fireworks will be in the park and we have our fingers crossed that there will be nice weather!

### STATE TIMBER SALE CR600206, DRY BUCK SUMMIT

A public oral auction will be conducted at the Idaho Department of Lands office, 8355 W. State Street, Boise, ID 83714, at 10:00 a.m. local time, on Thursday, June 23, 2022 for an estimated 9,657 MBF of timber marked or otherwise designated for cutting. In addition, there is an unestimated volume of forest products that may be removed at the option of the purchaser. Prior to bidding, eligible bidders shall present a certified check or bank draft payable to Idaho Department of Lands, or a bid bond acceptable to the State, in the amount of \$183,187.70 which is 10% of the appraised net sale value of \$1,831,877.00. The successful bidder's deposit will be forfeited to the State should the bidder fail to complete the contract. The State will not accept bids from parties who are delinquent on payments on existing state contracts. The average starting minimum bid price is \$201.06 per MBF.

The sale is located within Sections 1, 11, 12, 13, & 24, Township 09N, Range 02E, and Sections 18 & 19, Township 09N, Range 03E, B.M., Boise County, State of Idaho. Sale duration is 4 years. The sale may include blowdown and/or insect and disease infected timber which may result in additional volume and recovery reductions. Interested purchasers should carefully examine the sale and make their own estimates as to volume recovery, surface conditions, and proposed construction prior to bidding on the sale. Additional information concerning the timber and conditions of sale is available to the public and interested bidders on the department's timber sale website at <http://web.idl.idaho.gov/timbersale/Search.aspx> or from the Idaho Department of Lands office, Boise, Idaho. Please note purchaser insurance requirements posted on the timber sale website.

The Department of Lands, as authorized by the State Board of Land Commissioners reserves the right to reject any and all bids provided that good and sufficient grounds for rejecting the bid shall be stated in the rejection notice and shall not be in violation of applicable law.

If you are disabled and need some form of accommodation, please call (208) 334-3488 five days prior to the date of sale. For text telephone services, please call 1-800-377-3529.

### NOTICE OF HEARING ON NAME CHANGE (Minor) Case No. CV08-22-00092

IN RE: Arielle Marie Baughman  
Legal name of child  
IN THE DISTRICT COURT FOR THE FOURTH JUDICIAL DISTRICT FOR THE STATE OF IDAHO, IN AND FOR THE COUNTY OF BOISE

A Petition to change the name of Arielle Marie Baughman, a minor, now residing in the City of Horseshoe Bend, State of Idaho, has been filed in the District Court in Boise County, Idaho. The name will change to Arielle Marie Thompson. The reason for the change in name is: to share the same last name as her siblings and mother primarily resided with. Father has been absent due

to multiple incarcerations, mother has sole physical and legal custody.

A hearing on the petition is scheduled for 10:00 o'clock a.m. on July 20, 2022 at the Boise County Courthouse. Objections may be filed by any person who can show the court a good reason against the name change.

## Power Outage for the Birds

Idaho Power responded to a power outage that affected east Boise County residents. What was referred to as "bird related" by a representative of the company caused a small fire to which the Bureau of Land Management firefighters responded and extinguished at milemarker 17 on Highway 21. The power company was focused on an area within the vicinity of a set of transformers. The power was restored in under three hours.

## Avimor Water Reclamation

**DEQ seeks comment on draft wastewater reuse permit for Avimor Water Reclamation Company**

**BOISE COUNTY** – The Idaho Department of Environmental Quality (DEQ) seeks comment on a draft wastewater reuse permit for Avimor Water Reclamation Company.

The facility owns and operates a private municipal wastewater treatment plant and municipal Class B recycled water reuse facilities in the Avimor Planned Community, approximately ten miles north of the city of Eagle, Idaho. In 2020, the facility reused approximately 23.6 million gallons of recycled water on approximately 22 acres of landscaped

common areas interspersed within the community, along with rapid infiltration basins during the winter non-growing season.

The draft permit would continue the limits and monitoring established during permit M-211-03. It would also increase the allowable hydraulic loading rate to the rapid infiltration basins, which would allow the facility to operate at the basins' original design capacity as opposed to the reduced capacity required by previous permits as a safety factor for a new treatment system.

The draft permit also establishes monitoring requirements, limits on nutrient and hydraulic loading, and conditions established by DEQ to protect public health and the environment. As part of the

permitting process, the facility was required to show that its operation would not cause public health or environmental concerns.

The draft permit is available for public review at DEQ's State Office (1410 North Hilton Street), DEQ's Boise Regional Office (1445 North Orchard Street), and on DEQ's Public Comment Opportunities page. Written comments will be accepted through July 15, 2022, at 5 pm MST. Submit comments electronically on DEQ's website or by mail or email to:

### SAFE DRIVING HABITS:

The Idaho State Police want to remind motorists of these essential safe driving habits, and encourage friends and families to talk about safe driving habits with their loved ones: buckle up, drive engaged, drive sober, and keep a safe distance between your car and the vehicle in front of you. Also, avoid excessive speed and other aggressive driving behaviors.
