THE VOICE OF BOISE COUNTY

Homecoming in GV, pg 2; Sheriff's Office, pg 5; Car Show, pg 10; Schnitzel, pg 12; More on Micron, pg 16

Groundbreaking for Micron's Vast Expansion

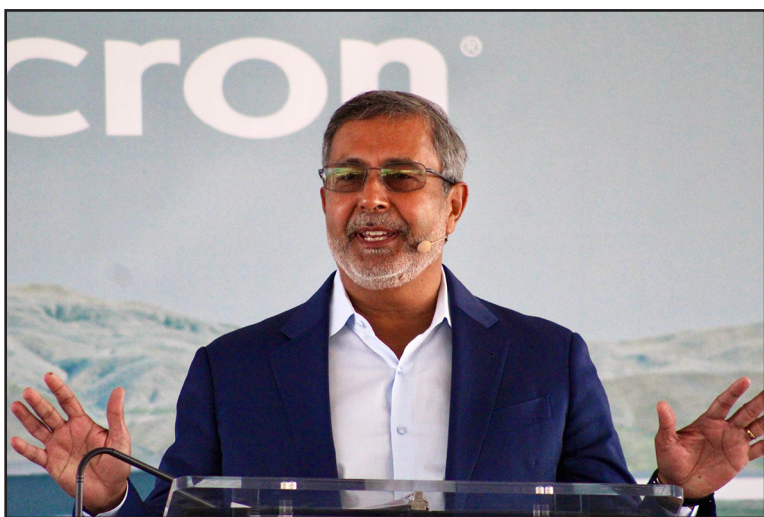

Idaho Governor Brad Little thanked the employees of Micron and all involved, "This is a logical step, for a great, great company." He added, "We want to keep Idaho as a great place to innovate, but we also have to keep Idaho a great place to live so we can contin-

ue to retain, to grow, and to attract the talent we need for this great company. We want Idaho to continue to thrive. This is going to be great for Micron, it's going to be great for Boise, it's going to be great for Idaho, and most importantly, it's going to be great for America."

Micron groundbreaking ceremony on Monday, September 12th. The new facility is expected to bring in 17,000 jobs, thanks to the new CHIPS and Science Act. Photos by Eileen Capson

Sanjay Mehrotra, President and CEO of Micron took the podium and said, "It really gives me goosebumps when we think about how this place will be transformed in just the next few years. We are super excited and I know you are excited as well... Over the coming years,

the desert around us will be completely transformed with our \$15 million dollar investment. The largest private investment ever made in Idaho. And this will bring manufacturing back to here in Boise, and will ultimately create 17,000 new jobs in Idaho, in-

cluding 2,000 direct jobs right here in Boise."

Mehrotra continued, "Today, we are proud to make this \$15 billion dollar investment commitment in this new facility to meet the world's future demand for memory. And this transformation from desert to a leading edge memory fab is only possible because of the bipartisan coalition that came together in Washington, DC, with leadership with the Biden administration to pass the CHIPS and Science legislation."

Micron will play a role in meeting the 2030 demand in the memory market, "The revenue is expected to double to more than \$300 billion dollars by the end of this decade."

"This new fab will be a tremendous addition to Micron's global headquarters. The Boise campus is home to our indus-

try leading R&D [research and development], innovation, and it's a center of excellence. It is in fact the only leading edge technology center here in the United States."

The company plans to start construction "promptly," with targeted construction in 2025.

Mehrotra added, "And to say that it's going to be big is a bit of an understatement. By the end of this decade, this clean room will be 600,000 square feet, and I'll give you a comparison. If you're a football fan like me, you would really appreciate that means it will be the size of ten football fields. This will be the largest single clean room ever built in the United States."

He also said the company is concerned about the environment, water treatment, and

"plans to make a one hundred percent renewable electricity supply, as operations grow here." They also plan to invest in the community through the Micron Foundation, and have given over \$100 million dollars in the past twenty years to non-profits. "Our commitment to invest in the Idaho community, with an emphasis on STEM education in all K through 12, and higher education systems. It also means a focus on reaching under-represented and rural student populations. We want to inspire young minds to build the STEM skills they need to succeed in our technology-based world today."

He concluded, "Together, I really believe that we can realize Micron's vision of transforming how the world uses information to enrich life for all."

HAPPENINGS IN BOISE COUNTY

OCTOBER 1 & 2 - Idaho City Days is hosted by the Chamber of Commerce. This is a festival for the whole family. Historic buildings will be open to the public. Enjoy games for the kids, performances, cowboy poets, food vendor, artisans, and much more!

OCTOBER 8 - Spooky Family Fall Festival at the Cowboy Campground in Idaho City.

Scott DeBoer, Executive Vice President of Technology and Products, explained more about the \$15 billion dol-

lar investment in leading edge memory manufacturing that will take place here in Boise, Idaho. "And this is the first new memory manufacturing project in the United States in the past twenty years." He added, "The Biden administration has been deeply committed to creating a level playing field for the U.S. semiconductor industry through the bipartisan CHIPS and Science Act."

He spoke concerning Mayor Lauren McLean, "She's led

Music teacher Kea Loveland with Drum Corp and cheer.

Wolverine Volleyball Team

As part of a fundraiser, the principal agreed to be taped to the wall. Mostly, the younger students participated, lining up for their turn to place a piece of tape on the principal, who was standing on a chair. Principal Dr. Steve Lynch was suspended when the chair was moved, but was then helped down with the removal of the tape.

Two person teams worked to spruce up with hygiene products, included brushing teeth, rinsing with mouthwash, shaving, and the use of hair products.

One of the games played was "Table Surfing." The kids are on the ground, rolling the table along with their bodies while a person atop the table "steers" it. There were three teams and each exhibited great teamwork!

T-Shirts Donated for Every Student

By Tracy Koslosky

HORSESHOE BEND -- The Order of the Eastern Star (an appendant of the Masonic Lodge) Mizpah Chapter 6 in Horseshoe Bend presented the Horseshoe Bend School District with screen printed Mustang t-shirts for the entire student body on Wednesday, September 7. The donation was made possible by a generous donor who wished to help district students as well as the Horseshoe Bend Community Pantry (A separate donation was given to the pantry). The t-shirts were designed for the students to help support a feeling of pride throughout the community. ISG Print & Embroidery in Boise were instrumental in making the shirts that sport a logo designed by former Horseshoe Bend students, Beau Kolar (Class of 1994) and Jason Cooper (Class of 1995). The chapter members also donated school supplies to the district. Pictured: Horseshoe Bend Elementary School Principal Cora Larson (left) accepts the Mustang t-shirts from Jim Grant, Worthy Patron of Mizpah Chapter (center), and Pauline Grant, Worthy Matron of Mizpah Chapter (right).

Fire Brings Smoke to Boise County

The Ross Fork Fire on Sunday, September 4th.

Photos by Marjolein Lolkema

As of publication, the Ross Fork Fire had grown to 37,612 acres and had only been 19% contained, even with the rains on Tuesday, September 13th. The fire was started by lightning on August 12th and is near Smiley Creek and Alturas Lake, effecting Blaine and Custer County. There are intermittent Highway 75 road closures, air tankers, fire engines, and several evacuations due to fire danger.

OBITUARY

Double Grand Opening in HSB

Steven Earl Davis
1950 - 2022

Steven Earl Davis, 71, of Idaho City, Idaho, died on August 10, 2022 near his home in a motor vehicle accident. He was born on August 24, 1950 to Earl Kay and Florence Davis in Idaho Falls, Idaho. Steven graduated from Bonneville High School and joined the National Guard 1970. After his service in the National Guard, he joined the Army in 1973, reaching the rank of E-6 Staff Sargent before honorable discharge for completing his service.

Steven married Diane McCall in March 1971 and they had three children: Jason, Jacob, and Jessica.

He worked as a commercial vehicle driver, a miner, held various management positions, and was currently enjoying his retirement. Steven was an avid outdoorsman. He loved small and big game

hunting, fishing, and camping with his family.

Steven is survived by his children: Jason A. Davis (Janae), Jacob A. Davis (Jocelyn), Jessica A. Davis-Shaffer (John). He is also survived by nine grandchildren and one great grandchild and he has seven surviving siblings.

He was preceded in death by his parents Kay and Florence Davis, brother David Davis, and grandson Simon Davis.

Funeral services were on August 26, 2022. Interment was at the Idaho State Veterans Cemetery (10100 N. Horseshoebend Rd, Boise, ID 83714).

Honorary Pallbearers: Jason Davis, Jacob Davis, John Shaffer, Isaac Barton, Hunter Davis, Marshall Barton, Dalton Davis, Blaine Davis, Kevin Davis, Mark Davis, Scott Davis and Timothy Davis.

By Tracy Koslosky

HORSESHOE BEND -- Horseshoe Bend will be home to a double Grand Opening event on Saturday, September 17. From noon until midnight The Long Branch Saloon and 2AA Enterprises, located at 473 Highway 55, will celebrate their grand openings. There will be live music at The Long Branch and 2AA Enterprises will have raffles for ammo, as well as food and drinks. AA Enterprises will be open for customers to purchase ammo as well as custom knives, custom leather holsters, apparel, and Native American jewelry. For more information contact The Longbranch Saloon at 208-701-0088 or 2AA Enterprises at 208-817-7709.

HSB Fall Sports

By Tracy Koslosky
HORSESHOE BEND

Volleyball: The Horseshoe Bend Mustangs traveled to Meridian on Tuesday, September 6, to play the 2A Western Idaho Conference Cole Valley Christian Chargers (2-4 overall). The Mustangs won all three set matches 25-12, 26-24, and 25-15.

Statistical standouts were senior Annelie Wilson with 22 kills (an attack on the ball which is not returnable by the opposing team), 3 aces (a serve which is unable to be played or returned by the opposing team), 1 block (blocking the ball into the opponent's court leading to a point or side out), and 11 digs (passing a spiked or hard hit ball). Junior Torey Tschida contributed 13 kills and 1 assist, junior Olivia Bauer had 10 kills, 1 ace, 1 block, and 4 digs while sophomore Aliyah Meyer had 2 kills, 3 aces, 6 digs, and 36 assists (pass, set or dig ball to another player who gets the kill).

The varsity team made the drive up north to Orofino on Saturday, September 10, for a one-day tournament. The team came out on top against the 1A White Pin Conference Troy Trojans 25-21, 25-16, and 25-23. STAT leaders were Wilson with 19 kills, 2 aces, 1 block and 3 assists, Meyer with 3 kills, 1 ace, 1 block, 14 digs, and 31 assists, sophomore Ashlyn Wolsleben with 1 kill, 5 aces, 1 block and 9 digs, and Tschida with 19 digs.

The team finished strong, besting tournament hosts, the 2A Central Idaho Conference Orofino Maniacs, 25-17, 25-16, 25-23. Game standouts were Wilson with 14 kills, 8 aces, 1 block, 15 digs and 3 assists. Junior Abby Howerton had 9 kills, 2 aces and 8 digs, and Meyer came up with 5 kills, 14 digs, and 30 assists.

The Mustangs are currently 2-0 in Long Pin Conference play and 9-1 overall. The team is in Garden Valley against the Wolverines on Monday, September 12, and will host the 1A Long Pin Meadows Valley Mountaineers Junior Var-

sity team at home on Wednesday, September 14. The Varsity team travels to Meridian for the Idaho Classic Tournament at Mountain View High School on September 16-17, and both teams are at home against fellow Long Pin conference team, the Tri-Valley Titans (5-0 overall) on Tuesday, September 20. JV starts at 6:00 followed by varsity at 7:15.

Football: The Horseshoe Bend Varsity Mustangs were under the lights in Wilder on Friday, September 9, to play the 1A Wildcats. While poor air quality canceled many of the games in the Treasure Valley (All 5A and 4A Southern Idaho Conference games in Idaho were rescheduled), the Mustangs and the Wildcats battled it out under a smoke-filled sky. Senior Blayne Meyer was good for 209 running yards with 4 touchdowns (one off a returned punt), 28 receiving yards plus one touchdown off a pass from junior quarterback Carson Drake to help the Mustangs win 53-8. Junior Kaelun

Jones had 154 rushing yards with 2 touchdowns. Senior Jedi Graham had 23 rushing yards and 93 receiving yards, Drake had 5, 129 passing yards with 2 touchdowns, junior Mason Beliveau had 2 rushing and 2 receiving yards, and junior Gavin Tomlinson had 6 receiving yards. Defensively, Meyer had 10 tackles and 1 quarterback sack, Jones had 8 tackles and 1 interception, Graham had 5 tackles and 1 interception, senior Cash Smith had 5 tackles and 1 quarterback sack, junior Nic Cooper had 5 tackles, Tomlinson had 5 tackles, senior Seth Rubal had 5 tackles, Beliveau had 5 tackles with a quarterback sack, senior Joseph Wellan had 3 tackles and 1 quarterback sack, while junior Jared Wolsleben had a quarterback sack.

The team originally had a bye on Friday, September 16, but an invite from the Camas 1A Division II Musers (2-0 overall) will have the Mustangs traveling to Fairfield for a 3:30 p.m. kick-off.

Senior Blayne Meyer runs in a touchdown during the Mustang's 53-8 road win against the Wilder Wildcats on September 9.

Junior quarterback Carson Drake connects with senior Jedi Graham (pictured) in Wilder. The Mustangs took the win 53-8. Photos courtesy of Jeni Drake

Car Show in Horseshoe Bend

By Tracy Koslosky

HORSESHOE BEND -- Cruizin 55, the annual car show put on by the Horseshoe Bend Optimist Club, was a huge success with over 80 classic and show quality cars on display for the community to see. Live music, food, a silent auction, and plaques for "best in show" made the community event one for the record books. Cooler weather prevailed and helped bring a large crowd to the event. Money raised from the show helps support the Optimist youth programs as well as the American Legion Post 137.

Golfing season is in full force now. Our newly remodeled geothermal pool and its surrounding area is completed and looks beautiful. It's time to plan a fun time for golf and swimming and just plain relaxing. We have motel rooms, cabins and condos to rent if you want to stay over. Call the office at 208-462-3250 or book online at terracelakes.com.

The Wine and Art Festival will be on June 25th. We have many vendors, wine distributors and food trucks that will be here. Come on up and enjoy.

We have our new menu now with nightly dinner specials. We still have BBQ ribs on Friday nights and Prime Rib on Saturday nights.

We are also open every day for Breakfast, which is served until 11:00 am

We are located 3 miles north of Crouch up the Middle Fork Road off Warm Springs Road.

Garden Valley Senior Center's "Septemberfest"

Chefs Bill and Mark

Photos by Linda Ruppel, DDS

By Linda Ruppel, DDS

GARDEN VALLEY -- Garden Valley Senior Center celebrated "Septemberfest" on Sunday evening, 9/4, by serving up brats, sauerkraut, chips and cake to the hungry crowd. Janet Schramm played the accordion for their dining pleasure as a warm-up (no pun intended due to the hot weather) for the main entertainment of the night. People pulled up their chairs and listened to the ever-popular and well-known local musical duo, Half-a-Shipwreck. It was a great way to spend Labor Day weekend, helping to support our GV Senior Center activities.

Janet Schramm -accordionist

Patrons were well-fed and enjoyed live music by the local band Half-a-Shipwreck. Photos by Linda Ruppel, DDS

HSB vs GV Volleyball

Horseshoe Bend Varsity Team

Garden Valley's Varsity Team

The GV Varsity team did not fair well as HSB exhibited complete dominance by resoundingly winning the first three sets of the 9-12-22 game Monday night. The GV team tried valiantly but succumbed in the end.

GARDEN VALLEY -- A much anticipated battle came to a swift conclusion as the Garden Valley JV team beat the Horseshoe Bend JV team by quickly winning the first two sets Monday night, September 12th.

BOISE COUNTY

OBITUARY

LEGAL NOTICES

Douglas Hamilton Eno
1926 - 2022

Douglas "Doug" Hamilton Eno passed away peacefully on August 24, 2022, after a brief illness. Doug was born in Boise, Idaho, on September 16, 1926, to Edgar and Gail (Saunders) Eno. His younger years were spent primarily in Boise County and before being drafted in 1944, he attended Boise High School. Doug was a World War II veteran, having fought in Okinawa under the U.S. Army's 20th Armored Group, 718th Amphibious Tractor Battalion, and following the war served in the Occupation of Japan and then in Korea. After being discharged from the U.S. Army, he attended Idaho State College and after graduation spent some time working for Morrison-Knudson, the U.S. Forest Service, and working on a gold dredge. By the late 1940s, he started a long career working in the logging and lumber industries. After retiring from that line of work and never being one to sit still, he began an 18-year career with the Bureau of Land Management and then the General Services Administration, finally retiring for good in 1997.

Doug worked hard, was loyal, and was extremely conscientious in whatever the task. His positive attitude and wide breadth of knowledge and experience made him a practical problem solver who focused on finding solutions, rather than

trying to assign blame.

Doug's primary hobby was work . . . that was just who he was. However, when he did have some free time, he delved into woodworking, metal working, remodeling of rental property, and his lifelong passion of photography. Doug was also an acknowledged connoisseur of all things sweet and all things vanilla; preferably both.

He was known for his sense of humor, especially for being a tease, and for the unconditional support he gave to his family. Douglas was also an excellent example of what it means to be called to serve as a Christian and someone with a true servant's heart.

Douglas was preceded in death by his parents Edgar and Gail, and siblings Faunele (Eno) Casner, Roger, Frank, and Bette (Eno) Turner.

Doug is survived by his wife of 62 years, Barbara (Foote), siblings Lawrence and Mary, daughters LeAnn Abell (Tom), Gwendolynn Boyle, and Marlene Eno-Hendren (David), and son Andrew (Joy). He is also survived by his grandchildren: Alexander, Annalynn, Logan, Megan, Amelia, and Anthony.

As a longtime resident of Boise County and the Boise area, he lived a long and full life and will be greatly missed by all.

A visitation for family and friends will be held from 6:00 pm to 8:00 pm, Sunday, September 18, 2022 at Bowman Funeral Parlor, 10254 W. Carlton Bay Dr. in Garden City. A committal service with military honors will be held at 10:00 am, Monday, September 19, 2022 at the Idaho State Veterans Cemetery, 10100 N. Horsehoe Bend Rd. in Boise.

In remembrance of Doug's life, the family asks that any charitable donations be made to the Mountain States Children's Home: www.msch.org

Please visit Doug's memorial webpage at www.bowmanfuneral.com

NOTICE OF DIRECTOR ELECTION

Notice is hereby given of election for Director of the Nampa & Meridian Irrigation District, to be held on Tuesday, the 8th day of November 2022, at which election there will be elected one (1) Director for Precinct No. 3 of the District.

Such Director will be elected to serve a full three (3) year term excepting that, in accord with Title 43-201A of the Idaho Code "If, pursuant to section 43-201, Idaho Code, the secretary of the district verifies that there is only one (1) qualified candidate who has been nominated for the position of director to be filled, it shall not be necessary to hold an election for that position, and the board of directors shall declare such candidate elected as director at the next regularly scheduled board meeting following the expiration of the date for filing written nominations."

ELECTION PRECINCTS SHALL BE AS FOLLOWS:

PRECINCT NO. 1 (Boise/Perkins) shall consist of all that portion of the territory of the District lying East of the North and South line passing between Sections 4 and 5, Township 3 North, Range 1 East of the Boise Meridian, extending through said District.

PRECINCT NO. 2 (Meridian) shall consist of all that portion of the District lying between the North and South line passing between Sections 4 and 5, Township 3 North, Range 1 East of

the Boise Meridian, extending through the District and the North and South line passing between Sections 4 and 5, Township 3 North, Range 1 West of the Boise Meridian, extending through the District.

PRECINCT NO. 3 (Nampa) shall consist of all that portion of the territory of the District lying West of the North and South line passing between Sections 4 and 5, Township 3 North, Range 1 West of the Boise Meridian, extending through the District.

VOTING PLACES FOR EACH PRECINCT SHALL BE:

Precinct No. 1:
HORIZON ELEMENTARY SCHOOL
730 N Mitchell Street
Boise, ID 83704

Precinct No. 2:
MERIDIAN MIDDLE SCHOOL
1507 W. 8th Street
Meridian, ID 83642

Precinct No. 3:
NAMPA CITY HALL
411 3rd Street South
Nampa, ID 83651

The polls will be open on Tuesday, the 8th day of November 2022, at 8:00 a.m. and will close at 8:00 p.m. of the same day.

No advance registration will be necessary nor required, but as required by Title 43 of the Idaho Code, Section 113, as amended, "...the judges of election shall require every elector to subscribe to an elector's oath as a prerequi-

site to casting his vote, and such oath shall be the usual elector's oath with the following words added thereto, 'and I own land within the _____ irrigation district, and am a resident of the county within which the district, or a portion thereof is located'." This oath requires that each applicant for a ballot certify that he or she owns land within the boundaries of the Nampa & Meridian Irrigation District; that he or she is a resident of either Ada, Boise, or Canyon County and that he or she possesses all the qualifications required of electors of the State of Idaho by the general election laws thereof.

In compliance with Title 43 Section 201 of the Idaho Code, as amended, nominations for the office of Director must be filed with the Secretary of the District not less than forty (40) days nor more than sixty (60) days before the date of the election. "Candidates for election to the office of director of an irrigation district shall be nominated by nominating petitions on forms provided by the district".

This notice of election is made in compliance with and by authority stated in Title 43 Section 206 of the Idaho Code, as amended.

Michael Comeskey, Secretary of the District
Nampa, Idaho

NOTICE OF TRUSTEE'S SALE

NOTICE IS HEREBY GIVEN that on 01/12/2023 at the hour of 9:00 AM of said day, at Boise County Courthouse Annex the Trustee will sell at public auction to the highest bidder, for cash in lawful money of the United States of America, all payable at the time of sale, the following described real property situated in the County of Boise, State of Idaho, and described as follows, to-wit:

Lot 1, Block 2, Gold Hill Subdivision, according to the official plat thereof, filed as Instrument No. 75756, records of Boise County, Idaho.

The Seller has no knowledge of a more particular description of the above described real property, but for purposes of compliance with Idaho Code Section 60-113, the Trustee has been informed that the street address of 101 Placer St, Idaho City, ID 83631, may sometimes be associated with said real property.

Said sale will be made, without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligation secured by and pursuant to the power of sale conferred in the Deed of Trust made and entered into on 06/24/2016, by and among Dale Rutter, an unmarried man, as Grantor, and Alliance Title & Escrow Corp., as Trustee, and Mortgage Electronic Registration Systems, Inc. as nominee for Direct Mortgage, Corp., as Beneficiary; said Deed of Trust having been filed of record on 06/27/2016 as Doc No. 251219, Official Records of Boise County, Idaho. The naming of the above Grantor(s) is done to comply with Idaho Code Section 45-1506(4)(a); no representation is made as to the responsibility of Grantor(s) for this obligation.

The default for which the sale is to be made is that Grantor(s) have failed to pay one or more monthly installment payments under a deed of trust note dated 06/24/2016, secured by the above mentioned Deed of Trust, together with accruing late charges, plus any other charges lawfully due under the note, deed of trust, and Idaho law.

The balance owing as of 09/01/2022 on the obligation secured by said Deed of Trust is the amount of \$81,982.65; plus service charges, late charges, and any other costs or expenses associated with this foreclosure as provided by the Deed of Trust or Deed of Trust Note, or by Idaho law.

Dated this 26 day of August, 2022.

BOISE COUNTY

Expanding Micron and the Boise Footprint

~ continued from page 1

Boise through tremendous growth through the past several years... and is committed to ensuring the city's infrastructure is ready for the future. We couldn't do what we do what we do here in Boise without the strong partnership of the city."

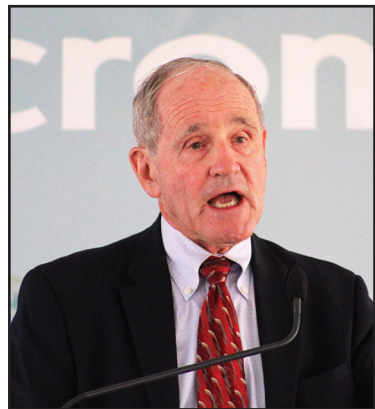

Jennifer Granholm, United States Secretary of Energy for the Biden administration, said "This will really help America to get ahead of where the global economy is going." With the CHIPS and Science Act, "We are investing \$52 billion dollars to boost the domestic chip manufacturing and facilities like this one with the Inflation Reduction Act. We are putting over \$300 billion dollars into clean energy manufacturing." She added with emphasis, "And America is back at manufacturing."

Dr. Alondra Nelson, Director of the Office of Science and Technology Policy, recognized, "This is a momentous day for the Micron team, for the Boise community, for the state of Idaho, and for our nation." She described how the technology infrastructure, and these semiconductors, would make so much more possible. Dr. Nelson said, "They will ensure the future health, economy, and the national security of our nation. And it will foster innovation that will drive the next generation of scientific breakthroughs. In things like clean energy generation, disease detection and treatment, and bio technology and bio manufacturing, *which there is a big announcement about today in Boston.*" She said the CHIPS

and Science Act would also serve rural populations, those under-represented, and assist with veterans' transition programs. "Micron's leadership will help push open the door to our nation's future. A future where science and technology includes and benefits everyone in America. *We can do this!*"

Senator Jim Risch said he sits in on National Security briefings, "with our eighteen National Intelligence Agencies. We talk about the various problems that we have, challenges that we have, and the dangers that we face." He recalled, in 2020, "One of the things that came to light at that time was the fact that the semiconductors supply chain is in great jeopardy because of the way that it is developed. Look, it was born here, it was America's baby, but we all know that over the years, chased the siren call of lower wages to Asia. A lot of us believe, and certainly the National Security Agencies believe, that there are incredible vulnerabilities to us right now." He said semiconductors were needed "in the defense industry and every other industry."

In the spring of 2020, he and several bipartisan senators introduced the CHIPS Act. However, these bills are not easy to pass. He said that it was vetoed by President Trump, but they were able to override the veto "and CHIPS was born." He said it took some time to get a "stand-alone bill, because the bill was so good, they wanted to hang it on stuff that would move it along... First string they tried to hang it on was *Build Back Better*; we all knew where that was going and it went there, and of course it didn't go anywhere."

They tried to pass it again, it failed, and then tried another time. Senator Risch explained, "But my spending friends couldn't resist the last moment to hang another \$200 billion dollars on the bill. So, \$52 billion is a lot of money, \$252

billion is a whole lot more money." He said the Idaho delegation voted no, but did get the stand-alone bill passed. He explained that it is a jobs and economic bill, "but that's not what this is all about! What we're trying to do is - We want to bring back the semiconductor industry to America. It was born here, we deserve to have it, and this is a step in that direction to bring this industry back. And Micron Technology is going to play a major role in that. Sanjay, Micron Technology, America needs you! America has stepped up, we've put up the \$52 billion dollars that's going to get this started, and now, what we need to do is roll up our sleeves and get to work on it. So, let's do that! Micron, God speed to you as you move forward. Thank you, and God Bless America!"

Boise Mayor Lauren McLean thanked all for their partnership and for making, "the right choice in choosing to stay home and to build for the first time in twenty years a fab facility on American soil, right here in Boise." The mayor shared that she had been to the Idaho National Laboratory recently and had seen the innovation that occurs there, "As we talked about ways that our city can partner with them, when it comes to a transition to clean electricity and innovation."

Mayor McLean concluded, "Our city's committed, as is the state, to partner with Micron as we continue to foster innovation, to grow our economy, to protect our clean water - *I am so excited about partnering with you*— and innovating around clean water and open space. And attracting and sustaining a dynamic and diverse workforce. So, I want to say congratulations, welcome home, and here's to all we'll do together to create opportunity in this amazing city of Boise, for everyone."

A new fab will transform the desert. Photos by Eileen Capson

There was a large gathering on Monday for the groundbreaking.

One of many "clean rooms" at Micron Technology.
