Boise National Forest Conducts Prescribed Burns

By Idaho World staff

BOISE COUNTY -- The Boise National Forest has been conducting several prescribed fire burns in Boise County. Prescribed burns are fires that are intentionally started and controlled in the forest under the management of the trained wildland firefighters in the Forest Service. According to Ryan Shannahan, a fuels expert with the Boise National Forest, "By pre-burning these fuels [needles, downed logs and branches], it reduces the risk of a high severity wildfire in the future because there is less combustible material on the forest. Prescribed fire is a proactive way to fight fire, and vital to the protection of communities in the Wildland Urban Interface!" The Wildland Urban Interface (often referred to as WUI) is the area where homes and communities meet the forest.

There were five prescribed fires in Boise County this past week. The Pinney Slope Prescribed Fire Unit plans to burn 960 acres. As of Monday, May 22, they completed 860 acres. Firefighters used aerial ignitions from drone

and helicopter on Sunday May 21, to aid in fire development. This prescribed fire is located about 6 miles north of Crouch, near West Scriver Road. The Williams Creek Prescribed Fire unit had approximately 40 acres accomplished as of May 22, of the 150 total acres planned. This fire is located about 6 miles north of Banks, near Forest Service Road 643. Near Idaho City

is the Boulder Creek Prescribed Fire unit. This fire had about 100 acres completed as of May 22, of the 427 total acres planned. This unit is being burnt in small pieces to reduce the amount of smoke for Idaho City residents. The location of this unit is about 8 miles north-east of Idaho City, near Idaho State Highway 21. The prescribed fires in Lowman are named Lick

Creek 1 and Clear Creek 5. As of May 22, approximately 45 acres had been completed out of the 122 acres that are planned. These units are located about 1/2 mile east of Lowman (Lick Creek 1) and 2 miles north (Clear Creek 5) of Lowman, near Idaho State Highway 21.

The Boise National Forest states that these burns are scheduled to continue but will be postponed if weather conditions, such as temperature, wind, or humidity do not meet the criteria outlined in the prescriptions that are formulated by teams of experts who are thoroughly familiar with the areas.

Idaho City Student Athletes Compete at State in Track & Field

By Coach Jason Roeber
IDAHO CITY -- Idaho City High School has had a thrower finish 2nd place in either shot or disc for the past 5 years, but this year we finally have a State Champion!

Brody Backus had a first-place throw in discus Friday afternoon in the Idaho State meet in Middleton, Idaho. Brody unleashed a throw measuring 161' 8". Only a few feet off the 1A state record set by Tyrel Nelson of ICHS in 2001. Congratulations to Brody, your 2023 Idaho State Discus Champion!

In addition to first in Discus, **Brody** also placed 5th in shot put with a personal best throw of 46' 11".

Junior **Rauri Mulrey** also had an amazing weekend at state. Rauri started the weekend off with a huge PR [Personal Record] in Discus, throwing 156' earning him a second-place finish behind teammate Brody. After throwing, he was off to the track where he just

missed finals in the 300 hurdles but finished his 110 hurdles in 5th place overall in preliminaries, earning him a spot in finals. On Saturday, Rauri came out of the blocks on fire. As he was moving down the track, Rauri was leading the way till the second to last hurdle when he just clipped his heel on one of the hurdles and ended up finishing 6th place.

Junior **Selena Exon** found some hardware in the High Jump event this year, finishing 6th place with a great jump clearing 4' 8". Selena also competed in the long jump and finished 18th with a jump of 13' 1".

Makayla Barber competed in high jump for the first time at the State tournament. As a sophomore she finished in 9th place, clearing the bar at 4' 6".

Mary Plumlee accomplished what every athlete wants at the state meet with a PR. Mary ran in the 300 hurdles Friday afternoon and finished just shy of making finals, but was able to

improve her personal best with a time of 52.35. As a sophomore, this was Mary's second appearance in the state track meet.

Seniors **Liam Barber** and **Ian Roeber** both threw shot put at the state meet. Liam threw a personal best 44' 10.5" earning him a spot in finals where he finished in 8th place. Ian Roeber had a respectable placement in his first State appearance, finishing 11th place overall with a throw of 42' 8.5".

OBITUARY

RICHARD JOHN "Dick" STEWART
1947 - 2023

Dick Stewart, loving companion of Linda Baker, passed away at home at the age of 76. Dick was born in Omaha, Nebraska on February 24, 1947 to Richard

"Ken" and Mary Stewart. The family moved to Boise and at a very young age Dick began working in construction with his father and later purchased RK Stewart & Son. He learned how to work hard all his life and overcame dyslexia to have a very successful business. He had fond memories renovating the Capital building in Boise following a fire and traveling around the northwest building gas stations. In recent years Dick did insurance reconstruction all the way from Clarkston, WA. to McCall, Cascade, Garden Valley, and Boise. He loved hunting anything, boating, fishing, and dogs, especially Daisy. Dick loved watching the wildlife in Garden Valley and is remembered for his mother's bright blue eyes and his wonderful sense of humor.

Dick is survived by his sisters, DeeDee Stuart and Debbie Stredder, son, Luke Stewart (Christina) of Power, Montana, his grandchildren McKenzie Stewart, Cannon

Stewart, Paisley Stewart, Elliot Stewart of Emmett, Austin Frazier (Katie) of Parma, and Melani Nebeker (Dusty) of Emmett, nephew Jeff Murray (Janice) of Driggs, Idaho. Great grandchildren Remi, Brynlee, and Callie. Dick is preceded in death by parents and his son Dax Stewart.

Dick's family is grateful for Dr. Oleg Kouskov, Dr. Michael Koenig, and all the staff at the Garden Valley Medical Clinic. We are also grateful for his business partner and best friend Charlie Simpson of Star, who made his last years much happier.

A celebration of life for Dick will be held on June 10th at 2:00 pm in Garden Valley at the Calvary Chapel.

Obituaries are a free service to Boise County residents, as part of the *Idaho World's* commitment to the community.

Tribute to Garden Valley Fire Chief Delvalle

Garden Valley Senior Trayson Corn recently completed the senior project he'd began last fall. He organized the building of a tribute to his late grandfather- GVFD chief Jon Delvalle. People were able to buy memory bricks, his boots were bronzed and photos of his life were placed behind glass. The beautiful and thoughtful memorial is located at the entrance of Weilmunster Park in Crouch, Idaho.

Idaho City Hardware Store has Appreciation Day

Anderson Hardware & Supply welcomed customers on Saturday, May 20th, for their first annual Customer/First Responder Appreciation Day. Jim and Michelle Anderson, owners, gave away some fabulous prizes in a raffle, invited first responders to meet with the public throughout the day, and they provided grilled hotdogs for the event. Jim said he would rather hold an appreciation day, rather than bombard customers with emails that they don't want. He was also able to get a match from one of his distributors to increase the amount of prizes to be won by customers.

Strong Winds and Power Outage

By Linda Ruppel, DDS

GARDEN VALLEY -- Sunday night's windstorm blew through at 60mph and left a lot of people without power, chasing down patio furniture, and raking up limbs and pine needles again. Over at a new home site, a porta-potty was blown over by the gusts. A fallen tree in Mountain Shadows subdivision took down one of the power lines and left people without power for most of the night.

Idaho Power repaired the powerline after the tree took it down Sunday night, May 21st.

Photos by Linda Ruppel, DDS

Every summer, wildfires threaten our forests, farms, homes and businesses. They can also cause power outages.

In extreme weather conditions, these outages could last hours or even days, especially if a public safety power shutoff (PSPS) is necessary.

Here are some tips for staying safe in a wildfire-related outage:

Update your contact information at idahopower.com/contactupdate.

Prepare for medical needs like refrigerated medicine or electrically powered medical equipment. This could mean finding a place to go during an outage or using a back-up generator.

Make a plan for feeding and watering pets and livestock in case power to your well pump goes out.

Visit idahopower.com/wildfire for more tips on wildfire safety, such as how to build a summer outage kit, and to learn what Idaho Power is doing to protect the grid.

The winds were so strong that they even tipped over this porta-potty, which this photographer was not willing to investigate further.
