### Hummingbird Haven in Garden Valley and Throughout Boise County

**BOISE COUNTY** -- Hummingbirds were plentiful at the Carpentier Ranch in Garden Valley last Friday morning, May 25th. Flying hurriedly to the feeders were three of the most common hummingbirds to be seen in Boise County: rufous, black-chinned, and calliope.

Logan Carpentier, a proud fifth generation Idahoan from the Garden Valley area, said his family was among the first settlers back in the 1860s. He and his wife Lori have enjoyed feeding the hummingbirds for years. They invited Fred Bassett with Hummingbird Research, Inc to band the hummingbirds at their ranch. Bassett collects data on the birds, including: weight, wing measurements, sex of the bird, and whether the females had laid an egg recently.

Bassett indicated that there is a total of five varieties of hummingbird in the Garden Valley area. The rufous hummingbirds, with their dominant personalities and brilliant orangish color, tend to be present along the southern boundary of Garden Valley. The Calliope, the smallest bird in North America, are plentiful in Boise County and normally have a lifespan of three to five years. However, Bassett did recapture a thirteen-year-old calliope down in Florida.

To the observer, it's amazing how gentle the process of banding is with these high-energy little birds. The hummingbirds actually become docile during the data collection process and are refueled with sugar water before they are ready to be released.

Tickets are \$10/each. For ticket purchases, contact GVSC at 208-462-3943, the GVFD Auxiliary, or call 928-716-5126.

**EAST BOISE COUNTY - VFW Post 142 flag retirement event** on Saturday, June 17th, at Noon in honor of Flag Day. Held at the Creekside Campground, 3193 Hwy. 21. Community members are invited to attend the flag etiquette class and bring worn flags to be retired. Free 3x5 U.S. flags for the first 15 people with a flag. Worn flags can also be dropped off at the Boise County Sheriff's Office.

Fred Bassett founded Hummingbird Research, Inc. as a nonprofit organization in 2009, with the aim to promote the conservation of hummingbirds through study and education. He recommends not buying commercial hummingbird food, indicating that it is only sugar mixed with red food dye. The ratio for hummingbird nectar is one part of sugar to four parts of water. Red food coloring does not help attract hummingbirds to a feeder and is difficult for the birds to digest. He says not to use artificial sweeteners or honey, because this will harm the hummingbirds. He recommends storing excess sugar water in the refrigerator prior to use.

When temperatures peak above 80 degrees, Bassett recommends changing the nectar and cleaning the feeder(s) every three to four days. The feeders can be soaked in a solution of 1/4 cup bleach to a gallon of warm water for 20 minutes.

Wasps are often interested in the sugar water, and yellow jacket traps can be effective if placed near the feeders. The hummingbirds will ignore the traps. However, should the yellow jackets become more persistent towards the sugar water, traps filled with a small amount of sugar water and a drop of dish soap can also provide some relief to the hummingbirds as they feed.

An ant trap at the top of the feeder can be used to keep ants from infiltrating the flower portion of the feeder and can be purchased online or at a local bird store.

## Garden Valley's Memorial Day

**GARDEN VALLEY** -- On this beautiful spring Memorial Day in Garden Valley, Bill Ausburger played the bagpipes, greeted everyone with various songs, and later resumed after the ceremony. About seventy-five people gathered to honor the fallen and recognize the families of the newly placed bricks in the Veterans Wall, bringing the current count to 374 bricks. Bob Seal and Cathy Garner announced the names on the bricks, and the six GOLD STAR families. Cory Kelly sang a beautiful rendition of the Star-Spangled Banner after the Pledge of Allegiance was recited by the attendees. The 30-minute ceremony ended with the traditional playing of Taps, which always pulls at the heartstrings of those who have served or supported those who have served in the U.S. military.

Bob Seal introduced fourteen new bricks.

## HORSESHOE BEND'S HIGH SCHOOL SENIORS

Valedictorian Trinity Christmas gave a heartfelt commencement address to those attending graduation ceremonies for the Class of 2023 at Horseshoe Bend High School on May 27. She reminisced about the graduates' exploits throughout their days in elementary, middle, and high school. Christmas will be attending Boise State University in the fall. She is the recipient of the Boise State University Presidential Scholarship as well as the Idaho State University Freshman/Presidential/ Honors Scholarship, and the Shirley Hess Memorial Scholarship.

The Horseshoe Bend High School Class of 2023 celebrated their commencement on Saturday, May 27. Following a tradition established in 1912 by an outgoing US Naval Academy class moving on to become officers (when given their Navy officer hats they began tossing their midshipmen hats in the air to celebrate) the Horseshoe Bend High School Class of 2023 launches their personally decorated mortarboards into the air at the conclusion of graduation on May 27. *Photo by Tracy Koslosky*

Bland Meyer delivered the Salutatorian address during Horseshoe Bend's commencement on May 27th. Meyer's light-hearted, tongue-in-cheek delivery provided a few moments of levity during the ceremony. Meyer plans on attending the University of Idaho in the fall and was the recipient of the Shirley Hess Memorial Scholarship.

Horseshoe Bend School District Superintendent Dennis Chestnut delivers opening remarks during the Class of 2023's graduation ceremony on May, 27th. This year's scholarship and award recipients were: Trinity Christmas, receiving the Boise State Presidential Scholarship, Idaho State University 4-year Freshman/Presidential/ Honors Scholarship and the Shirley Hess Memorial Scholarship; Evan Hampton, receiving the Idaho State University 4-year Freshman/Presidential/Honors Scholarship. Bare the Huston, receiving the Cantrell Family Scholarship. Bland Meyer, receiving the Shirley Hess Memorial Scholarship; and Josephine Stone receiving th Boise State Idaho Opportunity Scholarship.

The Horseshoe Bend School District instills four Core Values into campus life district wide. They are Optimism, Respect, Trust, and Intention. The district defines intention as "We act with purpose and focus to achieve and carry out our goals: We know what we intend to bring about and how we intend it to happen." Congratulations to the Core Value Intention winners for the 2023/2024 school year. *Submitted by Tracy Koslosky*

## Construction by Home Depot

**IDAHO CITY** -- Legacy Park Trust Inc., located at Cowboy Campground in Idaho City, ID was honored to have been chosen to receive a grant from The Home Depot Foundation to help grow their park by erecting a beautiful fireplace seating area that will include a shade area and a flagpole for old glory to show their support of all veterans and families for a gathering space and to salute their service.

Several volunteers from Team Depot, The Home Depot's associate volunteer force, and others gathered on May 25th to help with the construction.

Legacy Park is a great destination to camp with your horse, offering enclosures and easy access to long trail rides through the National Forest. They are also able to host weddings and equestrian events.

## VFW Collects and Retires Worn American Flags

*VFW Post to Retire Worn US Flags and Honor Flag Day with a Community Flag Etiquette Class*

By VFW Post 142 Commander Jim White EAST BOISE COUNTY -- Idaho City VFW Post 142 is planning a flag retirement event on Saturday, June 17th, at noon. This event, which will

honor Flag Day, (June 14), will be held at the Creekside Campground, 3193 Hwy 21. All community members are invited to attend and bring worn flags to be retired. The first 15 people with a flag will receive a 3x5 U.S. Flag free of charge in exchange.

After a ritual retirement (burning) of the old flags, post members will be presenting a

Flag Etiquette Class complete with handout materials. They will also be grilling hotdogs for attendees!

Those who have flags to be retired that day but cannot attend may drop them off to post commander, Dep. Jim White at the Boise County Sheriff's Office. The Post collects them there during the year and retires them every June.

**STATE TIMBER SALE  
CR020008, ALDAPE GNA TON**

A sealed bid auction will be conducted at the Idaho Department of Lands office, 3284 W. Industrial Loop, Coeur d'Alene, Idaho 83815, at 10:00 AM local time, on Tuesday, June 6, 2023 for an estimated 1,890 tons of timber, marked or otherwise designated for cutting. In addition, there is an unestimated volume of forest products that may be removed at the option of the purchaser. Prior to bidding, eligible bidders shall present a certified check or bank draft payable to Treasurer, State of Idaho, or a bid bond acceptable to the State, in the amount of \$1,566.81 which is 10% of the appraised net sale value of \$15,668.10. The average minimum bid price is \$8.29 per TON. The successful bidder's deposit will be forfeited to the State should the bidder fail to complete the contract. The State will not accept bids from parties who are delinquent on payments on existing state contracts.

The sale is located within Section 36, Township 4N, Range 3E, B.M., Boise County, State of Idaho. Sale duration is 2 years. The sale may include blowdown and/or insect and disease infected timber which may result in additional volume and recovery reductions. Interested purchasers should carefully examine the sale and make their own estimates as to volume recovery, surface conditions, and proposed construction prior to bidding on the sale. Additional information concerning the timber and conditions of sale is available to the public and interested bidders on the department's timber sale website at <https://www.idl.idaho.gov/timber-sale-advertisement-app/> or from the Idaho Department of Lands office, Boise, Idaho. Please note purchaser insurance requirements posted on the timber sale website.

The Department of Lands, as authorized by the State Board of Land Commissioners reserves the right to reject any and all bids provided that good and sufficient grounds for rejecting the bid shall be stated in the rejection notice and shall not be in violation of applicable law.

**Notice of Public Hearing**

Notice is hereby given by the Board of Trustees of the Garden Valley School District 71 that a public hearing will be held on June 21, 2023 at 6:00 pm in the MPR at Garden Valley School 1053 Banks Lowman Rd, Garden Valley, ID to discuss a proposed increase to meal fees and activity cards. Due to recent pricing increases in food, supplies, and delivery costs, fees for meals need to be increased in order to maintain the financial integrity of the child nutrition program. All families are welcome and encouraged to apply for the free and reduced lunch program offered through the USDA. Due to the increased cost of hiring officials for each game, the activity card price needs to increase to compensate the general fund for the cost sports have on the budget. Any families that cannot afford this cost are encouraged to reach out to the Athletic Director for other arrangements. All patrons are invited to attend the public hearing on the fee increase request.

## SLOW DOWN Through Crouch

By Clayton Smith

**GARDEN VALLEY --** The City of Crouch has purchased two radar signs which have been installed at either end of the city on the Middlefork Road. Hopefully this will remind motorists of the posted 25 mph speed limit through the City of Crouch on the Middlefork Road.

The manufacturer, Radar-Signs, of Marietta, GA, said the city will be able capture data as to how many vehicles enter the city each day, recording the speed of each vehicle and time of day when most speeding vio-

lations are occurring. This will aid local law enforcement as to when their presence is most needed to issue citations.

The same radar signs are currently in use in nearby City of Cascade.

As Crouch has no Street or Road Department, the project was accomplished through the efforts of City Councilman Steve McAninch, and local contractor Jeff Crow.

The city was able to fund this project mainly through the use of monies derived from the Local Option Tax (LOT) which voters passed last year.

Solar powered digital speed advisory signs have been placed on both sides of the Crouch city limits on the Middlefork Rd.

# BE WILDFIRE READY

Every summer, wildfires threaten our forests, farms, homes and businesses. They can also cause power outages.

In extreme weather conditions, these outages could last hours or even days, especially if a public safety power shutoff (PSPS) is necessary.

### Here are some tips for staying safe in a wildfire-related outage:

**Update** your contact information at [idahopower.com/contactupdate](http://idahopower.com/contactupdate).

**Prepare** for medical needs like refrigerated medicine or electrically powered medical equipment. This could mean finding a place to go during an outage or using a back-up generator.

**Make a plan** for feeding and watering pets and livestock in case power to your well pump goes out.

Visit [idahopower.com/wildfire](http://idahopower.com/wildfire) for more tips on wildfire safety, such as how to build a summer outage kit, and to learn what Idaho Power is doing to protect the grid.

This yellow-bellied marmot (this is the official name, some people call these animals rockchucks, whistle pigs, etc.) was playing hide and seek with my family. Apparently, it did not know I was there, so I could see the hide and seek game. Photo by Marjolein Lolkema
