Garden Valley Fire District Trains for Emergencies

By Linda Ruppel, DDS

GARDEN VALLEY – Garden Valley Fire District and EMS recently took part in extensive rescue training. Last Wednesday evening, September 27th, was the fourth week of training and covered extrication. The Boise County Sheriff's Office assisted in this training where several damaged vehicles were brought in to create a scene. These volunteers practiced their skills in securing and assessing the situation, then stabilizing the vehicles to safely extract the victims.

GV Fire Chief Paul Cleaveland reported that his crew of volunteer firefighters and EMS personnel has grown from 15 members to 31 since last year, bringing together men and women who give up their free time to train and respond to various types of calls. The fire crew trains every first and third Monday of the month in the evenings, in addition to some specialized Saturday trainings. They also have EMS trainings on Wednesdays.

Garden Valley is a fortunate community to have so many volunteers ready and willing to assist in a time of need.

Garden Valley's Hall of Fame Lady Celebrates 80 Years

Jan counts herself as a very "blessed woman" and stands proudly beside her son, Cole. Photos by Linda Ruppel, DDS

GARDEN VALLEY -- People came from far and wide to wish Jan Youren a very happy 80th birthday on Saturday at the Crouch Community Hall. The rain couldn't keep them away, they stayed to take her picture, chat, and enjoy some good food. Jan is a Hall of Fame Rodeo member, but also a community treasure.

Her father was also a rodeo competitor. He saw the potential of bareback bronc riding as something his daughter could really enjoy and held his own rodeo so Jan could compete when she was young. She won first prize in the event at age 11, and went on to compete in bareback horses and bulls for 51 years. She is in the Cowgirl Hall of Fame and Idaho Rodeo Hall of Fame, and has five world championships in bareback bronc riding.

Family and community are very important to her, and she continues to serve as one of the judges at the yearly held Duke Days Rodeo in her arena in Crouch, Idaho.

Veristain Encore After 39 Years of Ministry

By Lisa Kindelberger

IDAHO CITY -- On Saturday, Sept 30th, the Idaho City Christian Center honored Pastor Mark and Loveta Veristain for 39 years of faithful ministry to the Idaho City community.

The evening included a fancy BBQ dinner, live music, the presentation of a beautiful signed quilt, and the naming of a portion of the ICCC campus "Veristain Pines" in honor of Mark and Loveta's legacy here. Several guest speakers shared stories of the couple; making the audience both laugh and tear up. A greatest hits tribute video was shown containing pictures spanning decades of family camps, vacation Bible schools, building projects, and Christmas programs.

This celebration, with 180 in attendance, was likened to a greatest hits concert and, like any great concert performance, the Veristains received a much-deserved standing ovation. Pastor Mark and Loveta will continue to serve as associates under the senior pastor, Jason Kindelberger, as their encore.

Idaho City Christian Center's beloved couple, Mark and Veta Veristain celebrated 39 years of service to our community.

It was explained by Pastor Jason that a portion of the ICCC campus will now be known as "Veristain Pines."

The celebration was a very well-attended event on Saturday. Photos courtesy of ICCC

Protecting Our Boise County K9

BOISE COUNTY -- A fundraiser was recently organized to help fund protective gear for Boise County's K9 deputy, Roki. CarrieAnne Kowalczyk said that everyone has been so generous, although the weather didn't cooperate over the weekend, the sales from the raffle items would be enough to cover a protective vest for this narcotic-sniffing trained dog.

Kowalczyk recalled the moment during a public meeting when she inquired of Sheriff Turner whether there were any funds to buy Roki a bulletproof vest. He said there were not and that Roki had been a gift from Ada County.

Sheriff Turner spoke on behalf of the department, saying that they were so grateful and appreciative of CarrieAnne for organizing the fundraiser. "It's so nice to have citizens take part and show their appreciation for us and the things we do to keep them safe. So much effort and hard work went into it."

Special thanks to Personal Touch Insurance & Benefits - CarrieAnne Kowalczyk for donating a Traeger grill, meat thermometer, and shirts. Congratulations to Ms.

Roki gives loves at Idaho City Days

Brovetto, whose name was drawn in the raffle for the grill!

An account is still open to help fund the K9 needs for Boise County. Sheriff Turner also indicated that they were looking to bring aboard another K9, because Roki has been very beneficial in catching larger amounts of drug trafficking in the county.

Ways in which to donate to the K9 fund:

#1- Venmo account pay by FRIENDS please. We will close this link October 14th

#2- Drop money off at the Boise County Sheriff office - 3851 ID-21, Idaho City

#3- Make a check to BCSO P.O. Box 189, Idaho City, ID 83631. ***In the notes put ROKI***

Roki earned 2nd place in the K9 drug detection classification for Idaho earlier this year.

IDAHO TRANSPORTATION DEPARTMENT
News Release

Tree removal resumes on SH-55

BANKS—Tree removal efforts will resume Monday on State Highway 55 between Banks and Horseshoe Bend to make the route safer for drivers and improve overall forest health. Travelers should plan for 30-minute delays as crews cut down dead and dying trees on the highway between mileposts 72 and 79.

Crews will be on site each weekday from 8 a.m. to 4 p.m. for the next several weeks. No work will take place on Fridays or weekends.

This phase of tree removal has been contracted with Fall-

ing Timber Enterprise, LLC. Idaho Transportation Department (ITD) workers will provide traffic control and clean up the trees.

"We hope to cut down up to 100 trees on SH-55 with this phase," Operations Field Manager Eric Copeland said. "Impacts will be very similar to the work we completed in this same area in July."

ITD anticipates preparing another contract in the future to thin trees in the Smiths Ferry area.

Travelers are encouraged to check 511.idaho.gov for any delays before leaving.

GARDEN VALLEY HOMECOMING

GARDEN VALLEY -- The homecoming game did not go exactly as planned, but a good time was had regardless. Cascade forfeited the game due to injuries, and did not have enough eligible players. Instead, an inter-squad football game was organized by Coach Jason Yearsley and during halftime, moms were encouraged to suit up in pads and helmets, then take a shot at tackling their son.

Mothers take to the field for fun, family bonding time.
