# Emergency Services Working Together

**IDAHO CITY** -- Idaho City Fire Protection District team held a full day of scenario training on Saturday, November 11, 2023, at the Basin School District. During the morning hours, the team familiarized everyone with the school suppression system, the operation and alarm system, and the facility shutoff for the propane and main power. They then transitioned to working with the East Boise County Ambulance District. The Unit 14 ambulance, stationed out of Idaho City, was used in training firefighters how to better assist the EMTs, focusing on patient care and best practices. In addition, the local volunteer firefighters practiced specialized techniques that included lifts to rapidly and efficiently remove an injured individual out of danger, including moving patients up and down a tight staircase.

Special thanks to Basin School District, Donnie, and Brandon for the use of the facility to better train for emergencies.

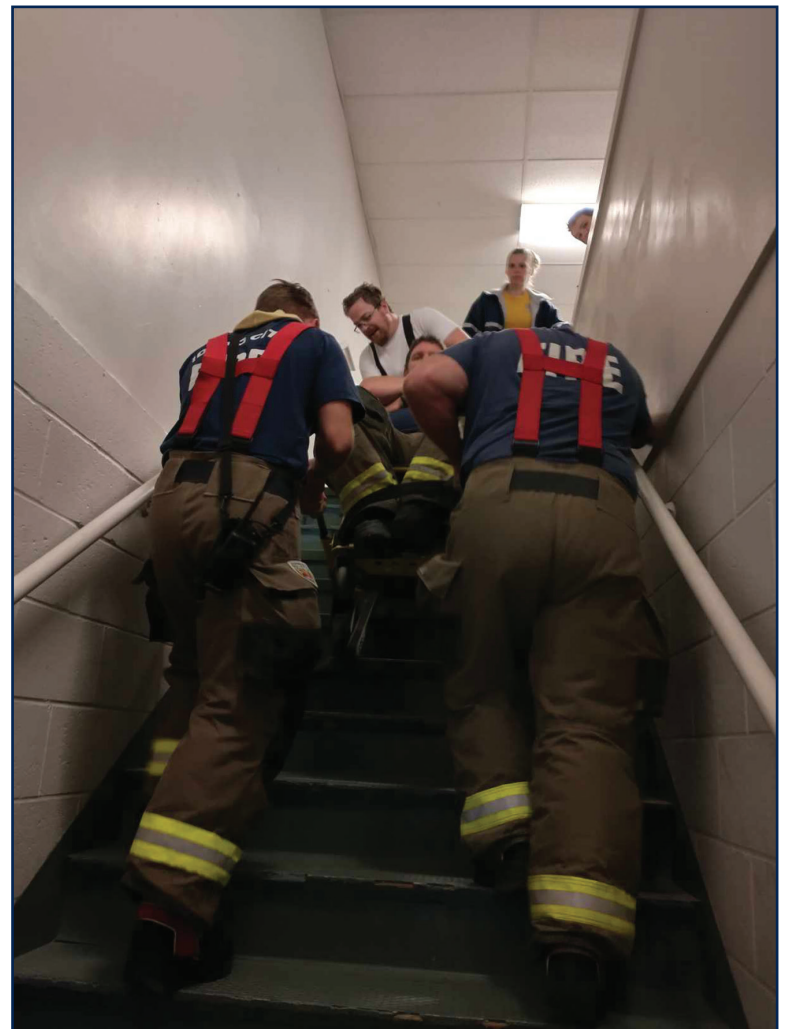

Wrapping up the day, firefighters performed hose lays on their new aerial engine 502, to get it ready for service. They loaded 500 feet of 5-inch hose, 500 feet of 3-inch, and 200 feet of 2 1/2-inch hose, to meet NFPA requirements of a minimum of 1,200 feet of hose lay on scene. However, instructor and ICFPD firefighter John Ward said they had in total upward of 1,800 feet of hose on board. Ward reminded the community, “As always, please thank all these amazing human beings for all the time and effort they so freely volunteer. Many of these people are on call 24/7. When the pager goes off and they are available they drop everything and respond to make a difference.

Firefighters were able to do some excellent cross training on the ambulance, learning where things are located to better assist our local EMTs. Photos courtesy of John Ward

If you have the time or drive to make a difference in your community, please, please volunteer, you could be that angel that makes all the difference in the world to someone.”

EBCAD also spent time recently with the Placerville Fire Protection District to familiarize them with the ambulance operations. Ambulance Director Mari Adams said, “Your dedication to learning the intricacies of ambulance services is a testament to the collaborative spirit that is crucial in emergency response scenarios. This knowledge exchange ensures seamless coordination between our teams, ultimately resulting in more efficient and effective patient care.” There are opportunities to volunteer and serve within our Boise County community. As Mari Adams said, “We need your help and would love for you to join our team!”

## OBITUARIES

Grant Hawk, aged 82, passed away peacefully at his Idaho City residence on November 8, 2023. Born in Boise, Idaho, on February 15, 1941, to Woodrow Allen "Kelly" Stroud and Dortha Bunce, Grant's life was a remarkable journey of adventure, resilience, and creativity.

His early years were spent as a cowboy in Boise, where his connection with the outdoors and love for craftsmanship began. The 1960s saw Grant moving to California to make camper trailers, but he quickly became entangled in the revolutionary spirit of the era, leading to a brush with the law. This encounter prompted a pivotal decision in his life: to adopt a new identity and retreat to the Idaho mountains.

In his seclusion, living in a teepee, Grant's interest in gold prospecting blossomed. This pursuit marked his gradual reintegration into society and laid the groundwork for his future endeavors. It was during this period of reflection and growth that he discovered his true calling in knife making.

Alongside his son, Gavin, Grant embarked on a remarkable journey in the world of craftsmanship. Together, they forged a path in knife making, combining adventurous spirit with his innate skill and creativity. Their collaboration led to the creation of unique and innovative designs, earning acclaim in the knife-making community.

His final accomplishment was completing his autobiography, which he delivered to

**Grant Hawk**  
1941 - 2023

the printer just two days before his passing. On the night of his death, he was in good spirits and feeling well, but unexpectedly fell ill and passed away gracefully within fifteen minutes.

Grant Hawk's life was a tapestry of diverse experiences, from cowboy to gold prospector, and finally to a revered knife maker. His legacy lives on through his son Gavin and their shared creations, which continue to inspire and captivate knife enthusiasts around

the world.

His story is a testament to the power of resilience, adaptation, and the pursuit of passion. His memory will be cherished by his family, friends, and all who knew him as a man who carved his path, much like the knives he so skillfully crafted.

Services will be held at the Roy Robinson Community Center in Idaho City Idaho on Saturday the 18th, at 4 pm. Potluck style.

## Bringing Songwriters into the School

**IDAHO CITY** -- Laura Woras, music teacher at Idaho City High School, hosted two songwriters from Twin Falls on November 3, 2023. Bruce Michael Miller and Heather Platts from the Idaho Songwriters Association, met with young

musicians to explore the art of song writing. It was a lively and inviting hour of music and song. The Idaho City Arts Council was pleased to sponsor the event.

Woras said, "It is so special to our school to have a song-

writing class at all, let alone being graced by the presence of two amazing songwriters from the Idaho Songwriters Association. From all of the Wildcat songwriters, thank you Bruce and Heather!"

Bruce Michael Miller and Heather Platts shared their love of song writing with the students.

Idaho City's High School students participated in a songwriting class, gleaning lyrical nuggets of wisdom from the esteemed Idaho Songwriter Association members on November 3rd.

## Opinions LETTERS TO THE EDITOR

I had the pleasure and privilege of working as a poll worker in the most recent (11/7/2023) election at Garden Valley School. I came away from the experience with great respect for the poll worker team, ably led by election judge Steve Raddigan. Polling at the GV site was run efficiently and by the book. GV residents can be confident that the local election was conducted fairly and correctly.

Folks who volunteer for civic work, such as the GV poll workers, keep things running for the rest of us. They deserve thanks from all of us.

We appreciated reading about several fundraisers in Boise County (*The Idaho World*, Vol 161, No. 4, 10/25/23). These included:

- Equipment for Boise County Sheriff Office Canine Deputy Roki (\$5584 so far; our check is in the mail!)
  - Toys for Tots (2023 upcoming)
  - Kenn Smith Wildfire Museum (Kenn donated the Strauss House to the Idaho City Historical Foundation)
  - Tour the Trees and Make Bids Christmas Festival (Horseshoe Bend)
  - Garden Valley Schoolhouse Remodel Bake Sale
- Kudos and thanks to the hard-working individuals who

conceptualized and implemented these fundraisers and to those who donated. These efforts illustrate how much a generous community can accomplish with voluntary contributions instead of tax levies or grants (which often have strings attached) for projects they care about. Creative citizens and organizations could consider similar fundraisers for playground equipment, graffiti and litter cleanup, and so much more.

We hope Boise County citizens will continue to launch grassroots special-purpose fundraisers and donations that improve their communities. Some good tips about fundraising with donor boxes are here: <https://donorbox.org/nonprofit-blog/donation-boxes>. People can hand make donor boxes or purchase acrylic donation boxes (less than \$10 each in multi-packs sold at online retailers), then position them strategically throughout the community. And, of course, donations can be made by check, credit card, or other means (such as services, land, buildings, equipment, naming rights, etc.).

Finally, we always appreciate the photos of our gorgeous wildlife and many wholesome events by local photographers including Eileen Capson, Linda Ruppel, DDS, and Marjolein Lolkema. The photos are such a wonderful part of our Boise County newspaper.

Thank you, one and all!

## ITD Awarded Grant to Design Banks Lowman Intersection

**BOISE COUNTY** -- There has been growing concern regarding the congestion at the Banks Lowman intersection onto State Highway 55. A public meeting was held for the community by the Idaho Transportation Department in Garden Valley on September 12, 2023. Currently, the agency funds a contract to have flaggers directing traffic during high volume weekends. Oftentimes, traffic coming from Banks Lowman Road has insufficient gaps in traffic flow to merge safely southbound onto SH-55, which results in several hours of bumper-to-bumper traffic. ITD is in the process of determining a viable, long-term solution, and was awarded a grant offered by Federal Lands Access Program (FLAP). This spring, there will be a study done that will in-

clude the use of signals at the intersection to improve safety and operation. There was concern expressed at the meeting in Garden Valley that the road simply is not wide enough, and to properly resolve the issue would require the widening of both the SH-55 bridge of the South Fork Payette River and the Boise County Bridge of the North Fork Payette River.

ITD Public Information Officer Sophia Miraglio recently announced: "By 2024, we will have an interim plan in place utilizing temporary traffic signals. We will also begin the process to design a full intersection that will include building two bridges and widening the roads. Currently, we only have funds for design and not construction. The \$4 million price tag is for design, as construction is not funded."

## Honoring Veteran's Day

Saturday was Veterans Day, or Armistice Day, and there was no official ceremony organized in Garden Valley, but at the 11th hour, of the 11th day, of the 11th month, I took photos and appreciated the solemnity of the occasion as I reflected on my family's service comprising of five generations - Great grandfather, grandfather, dad, uncles, cousins, and their children and some are currently serving in the U.S. military. Over 20 million lives were lost in WWI.
