### Gov. Little's Capital for a Day in Idaho City

**BOISE COUNTY** -- The little ol' mining town of Idaho City has been all-aflutter since February when it was first revealed that it had been chosen as a capital for the day by Idaho Governor Brad Little. This event is expected to bring many top state officials to this humble neck of the woods, where gold was first discovered in 1862. The gathering will be held at the Ray Robison Community Hall, located at 206 W. Commercial Street, on Friday, April 26th, from 10 a.m. to 3 p.m. Idaho City Mayor Kenny Everhart was eager to invite and remind other Boise County dignitaries, and the community at large, that they were most welcomed and encouraged to attend this prestigious event. He also shared with the *Idaho World*, "We are excited to be the host of this 'Capitol for a Day' event and are looking forward to a productive day of interaction between Governor Little and his staff and the residents of our small community. It is a great privilege to Idaho City and Boise County to meet with Governor Little and discuss the

issues that we, and other small communities across the State, are faced with as we endeavor to meet the needs of our growing populations."

Officials joining Governor Little include:

- State Controller Brandon Woolf
- Department of Administration Director Steven Bailey
- Department of Commerce Director Tom Kealey
- Department of Finance Director Patti Perkins
- Department of Fish & Game Director Jim Fredericks
- Department of Insurance Director & Interim Health and Welfare Director Dean Cameron
- Department of Labor Director Jani Revier
- Department of Lands Operations Division Administrator Michele Anderson
- Department of Parks and Recreation Director Susan Buxton
- Division of Financial Management Administrator Alex Adams
- Idaho State Board of Education Executive Director Matt

The "Capital for a Day" program is intent on bringing the Governor's Cabinet to rural towns throughout Idaho, where residents can address issues directly with Gov. Little and his administration. This is intended to be an opportunity for Idahoans to ask questions of state agencies and share their meaningful opinions. The public is reminded that there will be a lunch break for these dignitaries from 12 noon until 1:15 p.m. Discussions will resume at 1:15 p.m. Meanwhile, light refreshments will be made available to the public throughout the day.

Governor Little said, "It is an honor to bring my first Capital for a Day of 2024 to Idaho City. This event will give the good people of Boise County a chance to discuss what's on their minds when it comes to good government and how we can better serve them."

# BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

**April 16, 2024**

**Present:** Commissioners Clay Tucker, and Lindy Lindstrom

**Absent:** Commissioner Steven Twilegar

**Pledge of Allegiance**

**CONSTITUENT INPUT:** None

**MINUTES:** Chairman Tucker motioned to approve the minutes from April 2. The motion carried.

**TREASURER:** Treasurer Gina Turner reported that the "original problem" with the county's software was fixed, but that there is now a new problem, "and now when I try to do the distribution, it comes up blank." She has been in contact with the state of Idaho Tax Commission and will be visiting the county soon. Assessor Chris Juszczak informed the board that he too had been in contact with the tax commission and, "They want us to be the first conversion from Computer Arts software [corporation] to the state's software, which is completely free to us, support, licensing, and everything. The bad part of it is that it's only in three other counties right now and converting the data from Computer Arts to the new software has never been done and it's not going to be easy because of the format that Computer Arts is built on. Maybe by this time next year, we'll have new software in that

side of the building." Treasurer Turner added that they were hopeful that by November the county would be on the state program for the tax bills. Tucker agreed and said, "I hope so, too."

**PROSECUTOR'S OFFICE:** Chairman Tucker announced that the Prosecuting Attorney's office would like a new window. Prosecutor Alex Sosa addressed, "In the back office, there is essentially a ten-by-ten square and that's the only light that comes in and, in the past, people have always joked that it's a jail cell." He said that the space belongs to his deputy and he would like to keep him. The lease on the building runs out in 2027, and Sosa would need to contact the landowner. The request was tabled.

**EXECUTIVE SESSION:** Tucker made a motion to go into executive session to discuss potentially hiring an employee. [Time 9:08am to 10:01am] Coming back into session, he said there was no action required.

**IDAHO OFFICE OF EMERGENCY MANAGEMENT:** There were several grants reviewed, including communication projects. Commissioner Tucker said they were still looking to hire an emergency manager.

**POLLING LOCATIONS:** Chairman Tucker motioned to

approve the agreement for the use of the polling locations, including: Wilderness Ranch Fire Station, Centerville Fire Station, and the Mutual Improvement Ladies Auxiliary Building in Horseshoe Bend.

**BOISE COUNTY HAZARD MITIGATION UPDATE:** Commissioner Lindstrom said it was what they had discussed and said, "I like it." Tucker encouraged him to make the motion. Commissioner Lindstrom made a motion for the 2023 agreement for Boise County, for the hazard mitigation update. Lindstrom then motioned for the 2021 grant adjustment notice for Boise County extension for the grant.

**SHERIFF'S OFFICE:** The destruction of records was discussed briefly and tabled until next week's meeting.

**CLAIM'S APPROVAL REPORT:** Chairman Tucker asked Commissioner Lindstrom if he had any questions on the claim's approval report. He replied, "I didn't see nothing too alarming." Tucker asked, since they skipped having a meeting last week, "Did last week's bills go onto this report?" Clerk Mary Prisco's report was inaudible. Tucker made a motion to approve the claims report in the amount of \$226,154.07. The motion carried.

**EAST BOISE COUNTY**

**AMBULANCE DISTRICT:** An agreement with the Gold Dust Rodeo was reviewed. Commissioner Tucker made a motion to provide ambulance service to the Gold Dust Rodeo and the motion carried.

A grant to get the two ambulances fixed, Unit 13 and Unit 15, was discussed and there will be no cost to the county. Tucker commented, "We like free stuff," and made a motion to accept the subgrant agreement through Central District Health for \$6,630. The motion carried.

**EXECUTIVE SESSION:** The board entered executive session with EBCAD for a personnel issue. [Time 10:37am to 11:06am] Coming out of the closed session, Tucker made a motion to sign two letters, all

were in favor and the motion carried.

**FUTURE AGENDA ITEMS:** There were items discussed for future agendas, including denying Bogus Basin an exemption [from paying taxes]. Adjourned at 11:11am.

**Marcos "Mark"  
Valentine Veristain II**  
1954 ~ 2024

Marcos Valentine Veristain II of Idaho City, ID was anything but normal. So, this obituary will be anything but boring. He died at home, surrounded by his wife and children, April 16th at 11:39 pm. He was born July 28th, 1954, to Marcos Valentine Veristain and Dixie Marie (Lewin) in Ontario, OR. As the first boy in the family, he kept his sisters (Lynda (Peter) Dallman of Hood River, OR; Dorthy Veristain of McMinnville, OR; and Diane (Scott) Jensen of Oxbow, OR) on their toes. They were joined by a fifth member, Barry (Leslie) Veristain of Portland, OR) to round out their powerhouse crew. Marcos was pretty happy to have a brother to help him in his house full of girls.

Marcos grew up in Vale and Ontario, Oregon where he sang, played baseball, and had a life changing experience when he attended church camp with his friend at the age of 16. God radically changed his life and gave him a focus and love for people that continued his whole life.

Upon graduation from Ontario High School, he made the next best decision of his life and attended Northwest College (now Northwest University) in Kirkland, WA. He obtained his Bachelors of Arts degree, but the best thing he received from Northwest was his wife of 49 years, 7 months, 17 days, and not nearly enough minutes, Loveta (Buhler) of Nampa, ID.

Married life as a lay pastor took him and his young wife to, what seemed like, the ends of the earth. Logging camps and Eskimo villages kept the young couple busy. While pastoring and logging with Silver Bay Logging on Chichagof Island, their first child Loveta Marie (Dowain Geesey) of Lansing NY, joined them. Two years later, Marcos and his wife navigated through the loss of a second daughter (Heather Jo) where they learned to lean on God and lean on each other even more. Two years after

their loss, God blessed them with a third daughter, Michelle Danae (Josh Prim) of Marietta, GA. For some reason, Michelle's entrance into the world drove them north...way North! Nuiqsut, Alaska was home for a brief time, but it was extremely impactful. Future congregations would hear stories of Alaska over and over.

The birth of their fourth and final child, but their first boy, took them south. All the way to Nampa, ID. Marcos Valentine Veristain III of Idaho City, ID made his dramatic entrance in June of 1984. In August of that same year, the still young couple made their final move to Idaho City.

When Mark walked into the doors of Idaho City Christian Center for the first time, he heard God audibly say, "This is the place." And it was. Idaho City held his heart for the next 39 ½ years. Death is the only thing that could separate him from his family and his love for "his town."

Mark is pre-deceased by his father, father-in-law Duane Buhler of Nampa, daughter, a stepmother Adelia, and a beloved stepfather, James Broussard of Saudi Arabia, as well as a loved niece Rebekah Kinney Oberson, brother-in-law Mike Elliott, his grandparents, two great nephews, and many aunts and uncles.

For those that are learning to survive without him, there are many. The most important group, as they well know, is the Grandkids. The four-wheeler rides, the waffles and cookies, the hunting, the trampoline, camping, fishing, swimming, sports, music-he was their biggest fan and cheerleader as well as their most influential partner in high shenanigans. Grandpa told me I could! Dowain Paul, Loveta Michelle, Kendra Alexis, Alanna Marie, Tyler Jackson, Landon James, Olivia Mae, and Lily Grace-you were the light of his world and his favorite everything.

Followed closely in favorites were his children. (Yes, Mom, we know you are actually the favorite!) After those people, the list is a mix and long. Three sisters and five sisters-in-law,

one brother and six brothers-in-law. His mother and mother-in-law. Thirty-three nieces and nephews. Twenty-eight great nieces and nephews. Holy smokes, we have a big family! And he loved them all. However, his love was not limited to those that were related by blood or marriage. It would be quite negligent to fail to mention the "family" that extended beyond those bounds. To his bus kids, church kids, school kids, and the town of Idaho City at large, you are the family he claimed as well.

Mark, Pastor Mark, PM, Mister Mark, Dad, Gramps, Uncle Myrtle, whatever he was called, he loved fiercely. And with great enthusiasm. Everything he did was with great enthusiasm, although not planning. But he was sure it would be "fine". And usually it was, eventually. From pastoring in Idaho City, a "circuit riding pastor" to Horseshoe Bend for a time, bus driving, keeping stats at games, to living life, he lived life well. But, more than his love, he knew God loved each person he encountered. And he took it as his goal in life to make sure everyone knew that. Just remember-you aren't good-you're great!

A Celebration of Life was held at Idaho City Christian Center/Veristain Pines, 3853 Highway 21, Idaho City, ID, on Sunday, April 21st. On April 22nd, a Visitation and Viewing was held at Nampa Funeral Home, Yraguen Chapel, 415 12th Ave S, Nampa, ID, and was followed by an 11 am Graveside at Hillcrest Memorial Gardens, 15862 Indiana Ave, Caldwell ID. All were welcome.

Donations and Memorials may be sent through Idaho City Christian Center, PO Box 1222, Idaho City, ID 83631 or via PayPal to idahocitychristiancenter@gmail.com. Flowers may be sent to the Veristain Family via Julean Morris, 12597 S Carriage Hill Way, Nampa, ID 83686.

## Students Cook Up Something Special

By Jamie Pilkerton

**BASIN SCHOOL** -- More than 30 enthusiastic elementary students immersed themselves in the after-school cooking club experience. Guided by staff members and community volunteers, they delved into fundamental food preparation techniques and learned to cook simple dishes. In their culminating activity, students showcased their newfound skills by

cooking a semi-formal meal featuring savory spaghetti and meatballs, creamy fettuccine, and tantalizing lemon ricotta cupcakes. The after-school and Friday school clubs are funded through the Idaho Out of School Network grant and a state-funded substance abuse prevention grant. These programs provide a nurturing environment for skill-building and community engagement.

## Boise Basin Senior Center

By Theresa TenEyck

**IDAHO CITY** -- Boise Basin Senior Center News. A lot has been happening the last few months at the Center. The remodel of our office, made possible by a grant, has been completed—stop by and take a look.

We have decided not to have a major fundraiser this year, but instead to concentrate on several small themed ones. Our first themed raffle is a Mother's Day basket filled with huckleberry products. Tickets go on sale Tuesday, April 23 for \$1 or \$5/6. The drawing will be held on May 9 during our special Mother's Day lunch.

We are looking forward to our next raffle—a 4th of July goodies package including a beautiful patriotic themed quilt by Ms. Carolyn.

The Idaho City Foodbank is continuing to supply food to 40-50 families every 2 weeks.

We are getting a little more food from the Idaho Food Bank but are still supplementing our foodbank by purchasing \$300-500 worth of food a month. We are able to do this because of the generosity of monetary donations from the community. We have also been receiving donations of food from the community

Recently, Patty Hall spearheaded a food drive in Wilderness Ranch and Osprey and was able to donate several boxes of much-needed food for our foodbank. She is hoping to do this once a quarter. Thanks to Patty and all of the individuals who donated food.

Like Facebook? Have a few extra hours a month to volunteer? We would like to find someone to maintain our Facebook page. The individual would need to spend 3-4 hours a month doing posts for the Boise Basin Senior Center page. Send an email to [boisebasinsc@gmail.com](mailto:boisebasinsc@gmail.com), send a comment through our Facebook page, or call 208-392-4918.

Hope to see you at lunch soon: Tuesday and Thursday 10:45-1:00. Happy Spring!

## Opinion: Access to Public Lands

**By Earl McCreary**  
**BOISE COUNTY** -- Here on our mountains, we enjoy being in the wilderness. The past couple of years it has been more difficult as gates have been installed on private lands; this has restricted access to a lot of the public lands. With it being election time, I reached out to several candidates on this issue. I would like to see the state purchase large pieces of private property when they go on sale to ensure more federal land access. The other thing I would like to see is a bill that requires all large tracts of private lands, with U.S. Forest Service roads, grant access

through to public lands. I talked to one candidate, Christy Zito, that stated this would be one of her priorities when in office. I am still awaiting answers from other candidates. We the people need to get our public land access back. I was impressed with Christy on her commitment to access public lands. Before voting, ask your candidates to clarify their position regarding public land access.
