Grand Opening of Community Park Playground in Garden Valley

Submitted by GVRD

GARDEN VALLEY -- The Garden Valley Recreation District is pleased to announce the completion and Grand Opening of the Weilmunster Park Playground. The playground is now open to the community and visitors! **A Grand Opening and ribbon cutting is scheduled for June 1, 2024, 3pm at the park and in conjunction with the Garden Valley Start of Summer BBQ.**

The Garden Valley Recreation District is grateful to the Idaho Community Foundation, and Payette Forward for their generous contributions. A “Round Up” campaign will take place at the Garden Valley Market over Memorial Day weekend. Funds obtained during this campaign will be used to support future park improvements as well as upkeep of the park and trail system. Your help is needed!

Board President Larry Thurmond stated “Completion of the new playground project is the culmination of several years of planning and the efforts of many contributors. Past and present board members, grant writing help, and local funding and labor donations were all needed to make this happen. It truly was a community effort.”

Garden Valley Recreation District board members have put in many hours and effort into bringing the playground to the Garden Valley community. Current board members are Larry Thurmond, President; Gretchen Reil, Vice President; Bob Seal, Treasurer; Jan Ward, Secretary; and Directors Karey Brady and Patty Ross Highley. Misty Brodeaia Springer has been instrumental in grant writing efforts.

to thank the many past board members who have contributed their time and effort early in this process. Thank you Leigh Ward, Pam Thurmond, Steve Menlove, Sandra McClain, and Thor Oden for your many hours working to this end, without

which this project would not have been possible.

Payette Forward is a local non-profit organization dedicated to providing charitable gifts to support community endeavors, and to help those in need due to an emergency. Payette Forward also operates the Payette Forward Thrift Shop in Crouch, Idaho.

The Idaho Community Foundation connects Idahoans to a generous statewide network through the power of collective giving. Their grantmaking, community impact work and charitable advising services have strengthened nonprofits, schools and communities in every Idaho county for more than 30 years. They believe that shared philanthropy is more powerful than giving alone. For more information, visit: www.idahocf.org.

The Board of Directors is an elected, policy setting body with legal authority as provided by Idaho Code. They are primarily responsible for the overall direction and management of the district, and any personnel and services that are delivered by the district.

GARDEN VALLEY -- For the past week a long-awaited project has come to fruition, as the Garden Valley Recreation District announced completion of the new playground equipment and resurfaced parking lot. For well over 10-plus years, the Recreation District has been saving money to achieve this goal. The county collects \$25 annually per house located within the district, about \$40,000 per year, to maintain and improve Weilmunster Park, and the associated trail system. May 14, 2024

Present: Commissioners Clay Tucker, and Lindy Lindstrom

Absent: Commissioner Steven Twilegar

Pledge of Allegiance

CONSTITUENT INPUT: None

MINUTES: Chairman Tucker motioned to approve the minutes from May 7th. All were in favor and the motion carried.

ASSESSMENT NOTICES: Assessor Chris Juszczak reported that the cost of printing the assessment notices would be \$7,500 at most. However, this year there will not be an insert, and it may be cheaper. He said it was his "statutory obligation to send out an assessment notice," and it had been budgeted for.

PROGRAM: Clerk Mary Prisco addressed the maintenance and agreement for a program used by the county for recording purposes. Chairman Tucker motioned to approve the agreement for maintenance and support for the FTR [For the Record] for one year in the amount of \$795.

ITD AND BOISE COUNTY: Tucker motioned to adopt Resolution 2024-24 to establish a cooperative agreement with the Idaho Transportation Department and Boise County.

ARMY CORPS OF ENGINEERS: Sheriff Scott Turner address the agreement would be to patrol the reservoir, but this year the amount would be less due to an early drop in the water to be expected for repair work. Tucker motioned to approve the agreement with the Army Corps of Engineers for law enforcement.

RETAIL ALCOHOL BEVERAGE LICENSING: There was one approval for an alcohol beverage license.

CLAIMS APPROVAL: After no further questions, Chairman Tucker motioned to approve the claims report in the amount of \$166,591.18. All were in favor and the motion carried.

EXECUTIVE SESSION: Tucker motioned to go into executive session for "risk management." [Time 10:17 am to 10:45 am] No action was required.

GOOD NEIGHBOR AGREEMENT: Brian Davis, South Idaho Sheriff's Steward Coordinator, spoke about an agreement between the Forest Service and Boise County, to support and mitigate a wildfire program within the county. A financial plan was discussed and an increase to the agreement from the Forest Service.

ROAD DEPARTMENT: Curtis Dill said there had been a truck in an accident over the winter, but the repairs are being finished up and a new plow will need to be replaced. This part will likely take a year to receive, and the topic will be brought up at a future time

for approval. One road grader is down. The concrete blocks are being poured for the Centerville culvert. Commissioner Lindstrom asked if CAT will come up and "give grader lessons?" Dill answered that they will come up and "do an initial, like how to operate the machine. They do classes at cost." Chairman Tucker asked if they were still tearing up the phone lines, and Dill said it was happening less frequently but there were still some concerns.

FUTURE AGENDA ITEMS: Sheriff Turner said he would like to discuss the purchase of new tasers. Chairman Tucker wanted to know what they did with the old tasers and how long they lasted. The sheriff said there was a buy-back program and that they normally last about 5 years.

There will not be a commissioners' meeting the following week.

EXECUTIVE SESSION: A motion was said to enter a closed executive session to discuss a personnel issue with the sheriff. [Time 11:29 am to 11:58 am] Tucker made a motion to approve the firearm transfer for two deputies. The motion carried.

PROSECUTOR: Tucker made a motion to approve the out-of-state training per the Boise County travel policy. Lindstrom seconded the motion and the motion was approved.

Western Cattle Egret in Garden Valley

Photos by Linda Ruppel, DDS

GARDEN VALLEY -- An unusual egret was spotted in Garden Valley last week. It is native to Spain and Portugal, and the subtropics of Africa and Asia. However, the western cattle egret spread to North America in 1941. These birds enjoy shallow water, follow livestock, and seem to be highly migratory. The western cattle egret preys on grasshoppers, fish, lizards and earthworms.

BOISE COUNTY

Every summer, wildfires threaten our forests, farms, homes, and businesses. They can also cause power outages.

In extreme weather conditions, these outages could last hours or even days, especially if a public safety power shutoff (PSPS) is necessary.

Here are some tips for staying safe in a wildfire-related outage:

Update your contact information at idahopower.com/contactupdate.

Prepare for medical needs like refrigerated medicine or electrically powered medical equipment. Identify emergency service providers who can help you in an outage and make sure you have reliable transportation to them. You might consider using a backup generator.

Make a plan for feeding and watering pets and livestock in case power to your well pump goes out.

Visit idahopower.com/wildfire for more tips on wildfire safety, such as how to build a summer outage kit, and to learn what Idaho Power is doing to protect the grid.

BOISE COUNTY -- The Boise County Sheriff's Office was pleased to extend a warm welcome to Corporal Reeder and K-9 Sage upon joining the department. In a statement to the public, the Sheriff's Department said, "Corporal Reeder brings a wealth of experience and dedication to our community, ensuring our streets remain safe and secure. By his side is Sage, a highly trained German shorthaired pointer. Sage's keen sense of smell and rigorous training make her an invaluable asset in our efforts to maintain public safety. Together, Corporal Reeder and K-9 Sage form a team committed to protecting and serving our community with excellence and integrity."

"We are grateful to have them with us and look forward to the positive impact they will undoubtedly have in Boise County. Thank you for your

support in welcoming Corporal Reeder and K-9 Sage to our community."

Currently, there are two K-9s (Roki and Sage) with the Boise County Sheriff's Office. Corporal Reeder explained that this means there will now be a dog for each patrol team, so that a drug dog will be working every day of the week. Sage comes from Hungary and was highly recommended by an agency out of Las Vegas. Continued training is offered in Boise, alongside other officer K9s from Caldwell, Ada County, and Idaho State Police.

On her off-time, Sage enjoys playing with the family's other dogs and is a bit of a bull in a China shop. She also loves to spend time with Reeder's children, who adore her! Corporal Reeder would like to thank Sheriff Scott Turner for his support of the K-9 program.
