CuMo Exploration Project Presented to the Public

BOISE COUNTY -- The U.S. Forest Service recently hosted two public meetings, one virtually and the other at a forum in Boise at the Best Western Vista Inn near the airport. Unfortunately, the projector at the hotel did not work correctly and only the audio of the presentation video could be heard on June 18th. However, it was promised by Idaho City District Ranger Joshua Newman that a link would be made available on the Forest Service website for the 2023 CuMo Exploration Project to view this presentation. The project is located approximately three miles east of Grimes Pass in

Boise County, Idaho.

The conference room was full of constituents and many insisted on making comments. Although Newman said this was not a time for questions, he did allow several individuals to voice their concerns should the project be approved. There were also individual stations around the room, organized by the Forest Service in an effort to address these concerns, related to botany, wildlife, reclamation, and groundwater.

The proposed exploration would consist of 122 drill pads through 2,917 acres, and the construction of under nine miles of temporary roads. This

proposal would not consider a full-scale mining operation at this time, rather it would be for the purpose of exploration and the limited public comment period ends on Thursday, June 27th. Comment electronically on the Forest Service website: [cara.fs2c.usda.gov]. An environmental assessment will be open for the public to view on their website. Currently, the video shows a link to play on the website, but it was unable to be viewed at the time of this publication, due to an error in the video loading process.

The CuMo company has their own website, cumoproject.com, which states that they

have an interest in exploring the mineral properties of state-owned and privately-owned land. This project site is said to be the largest known molybdenum deposit in the world. This is a component used in lithium batteries, semiconductor technology, vehicles, and other technologies. In speaking with representatives of the project,

they indicated that changes had been made and the company is now fully based in the United States and not a Canadian venture.

The U.S. Forest Service is not anticipated to make a decision regarding this project until November 1, 2024, and implementation could begin as early as May 1, 2025.

BOISE COUNTY

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

June 4, 2024

Present: Commissioners Clay Tucker and Lindy Lindstrom

Resigned: Commissioner Steven Twilegar

Pledge of Allegiance

CONSTITUENT INPUT: None

MINUTES: Chairman Tucker motioned to approve the minutes from June 11th and the motion carried.

CLERK/TREASURER'S QUARTERLY REPORT: Clerk Mary Prisco reviewed the documents, stating that fiscal year 2023 ended on September 30th and the quarter ended on December 31 which was part of fiscal year 2024. "This has not been done before prior because we, the treasurer and I, had too large of a difference," the clerk stated. "An explanation as to why you're getting it now, it is required by statute to be done... I would add too that we were working towards having the second quarter of fiscal year 2024, which would be 3-31-2024, but we've got like a \$1,700 or \$1,800 difference. We need to figure out what, it's too substantial to sign off on that."

Chairman Tucker made a motion to approve the 2023 Treasure/Auditor Quarterly Joint Report and the motion carried. He then made a motion to approve the first quarter for FY2024 Joint Quarterly Report. That motion was also approved.

AUTOMATION CAMERA: The purchase of a second camera to cover where the safe is located was discussed. Treasurer Gina Turner said, "It just seems logical to me to have a camera where it really matters." Chairman Tucker

agreed. Clerk Prisco researched and presented some options for the board. Tucker motioned to approve the agreement to install the camera to cover the safe in the amount of \$2,064.32 with premium support annually in the amount of \$206.42. All ayes.

ROAD CLOSURES: Sheriff Scott Turner spoke regarding the closures requested for Garden Valley for the 4th of July. He said that his office provides "crowd control for the parade" and offered signs and cones for the boxcar derby. Tucker had some concerns for the prosecutor regarding the boxcar derby race and Sosa responded, "I saw the pictures in the *Idaho World* last year. I think that the board certainly has some discretion. In my view, the policing power of the Sheriff. The Sheriff can just kind of unilaterally do it, but I think this is just a good effort to show that everybody in Boise County is a team player." Chairman Tucker then motioned to close the two roads for the 4th of July as requested by the Garden Valley Chamber. The motion carried.

EAST BOISE COUNTY AMBULANCE DISTRICT: Prosecutor Alex Gross said that they had over one hundred signatures for the proposed redistricting of the EBCAD, and resolutions from both Idaho City and Placerville for the dissolution and reformation of the ambulance district. The signatures will be verified with the Clerk's office and then the proposed redistricting will come before the Board of Commissioners. Tucker motioned to wave the publication fees for the EBCAD petition, and the motion carried.

FORESTER: A motion was

said to approve the "Good Neighbor Agreement," which passed.

JUVENILE JUSTICE: Amanda Leader spoke regarding all the many, many programs that are provided for with grant money. A motion was said to approve an agreement to support these programs. The motion carried.

DESTRUCTION OF RECORDS: Treasurer Turner said they had eight boxes of paperwork that had "exceeded its lifetime of what I have to keep it for. Some of them are three years and some of them are ten, and they're all well over that. I'm running out of room." Tucker agreed and said, "Time to clean house." Prosecutor Sosa said that everything appeared to comply with statute and he was impressed that each box in the courthouse basement is clearly marked for a date of destruction. Tucker motioned to approve a resolution to destroy certain records of Boise County, which was approved.

MOTION: Tucker made a motion to approve a demand warrant for a "rescue trailer" in the amount of \$6,820. The motion carried.

EBCAD: A motion was said to approve a new business account with Norco for oxygen supply, etc. Mari Adams explained that due to switching to a new medical director, the Medical Supervision Plan needs updating. A motion was said to update this plan for the EBCAD.

EXECUTIVE SESSION: Chairman Tucker motioned to go into executive session to discuss a personnel issue and pending litigation. [Time 9:22am to 9:44am] No action required.

EXECUTIVE SESSION:

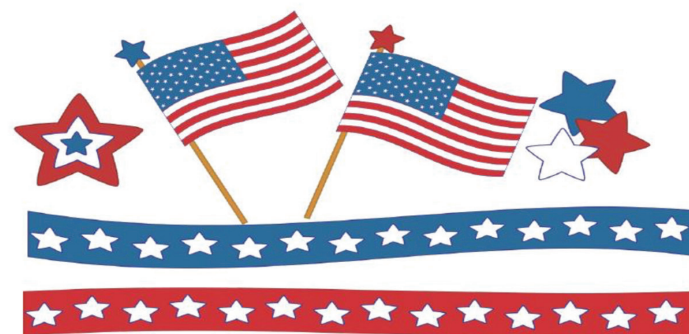

Tucker motioned to go back into executive session to discuss acquiring real property. [Time 9:44am to 10:34am] No action required.

FORESTRY: Properties were bid on to help with fire mitigation per acres and were accepted "bidding blind." A representative with Torch Fire said they based it on a past property and information from the Assessor, but this one large parcel was a lot "brushier." The presenter said that they were losing money because it was taking much longer to treat. Sosa ex-

plained that it was a "capped contract," and Clerk Prisco said that they couldn't get reimbursed for the additional work.

EXECUTIVE SESSION: A motion was said to go into closed session to discuss pending litigation. [Time 10:50am to 11:12am] Prosecutor Sosa said that the company Torch Fire was professional and good at what they do, but needed to abide by the contract. He added that if the contract is not what they thought, it was his right to submit a notice of termination.

Retraction: In the article "Father's Day Flying in GV," published 6/19/24, the story stated that Jerry Terlisner was Cheri's father, which was incorrect. He was an original organizer of the small plane pilot group, IAA.

Cheri and her dad Ron Robinson thoroughly enjoyed Father's Day watching all the many planes flying into the Garden Valley airstrip.

BOISE COUNTY -- Emergency responders were busy this weekend, according to Boise County Sheriff Scott Turner. There were multiple crashes and four fires started along Highway 55 on Sunday from a camper dragging its jacks on the highway. Special thanks to Horseshoe Bend Fire Department and the Bureau of Land Management for quickly getting the fires under control.

Wilderness Ranch Fire Chief Colton McCarthy gave an account of an accident that occurred on Highway 21, "There was a vehicle rollover in the curve between Mile markers 24 and 25. This curve catches a lot of people off guard. We have several incidents a year there. They were north bound and slid off the road, rolling into the water, landing upside down. All occupants, a driver and two dogs

were able to self-extricate, no major injuries were sustained. The dogs scattered. Wilderness Ranch Fire, East Boise County Ambulance, and Boise County Sheriff's Office responded. Mountain Towing retrieved the vehicle from the water. We appreciate all who were involved. Responders on scene tried to locate and catch one of the dogs, seen across the creek from the incident, but were unable as the dog was very distraught. WRFPD was called to the incident location later in the night to help assist the driver, who came back up for the dogs, back across the creek. She was able to retrieve one of her dogs, but last we heard the other dog was still missing. It was last seen in Clear Creek." The dog is described as a multi-colored Australian Shepherd mix. accident, so those with any information are encouraged to reach out to Charity Brause or Georgia Walker via Facebook.

Chief McCarthy continued, "By some accounts, Boise County has two out of the top three most dangerous highways in Idaho. While not true every year, our roads aren't very forgiving. Please drive safe."

The funding will be used to drill a new well, replace a reservoir, construct a booster pump station, replace mains, and map the system.

The loan from DEQ's State Revolving Loan Fund, which is capitalized annually by grants from the United States Environmental Protection Agency, carries a simple 2.5% interest rate and is payable over 20 years. New Superintendent for Basin School District

IDAHO CITY – The Basin School Board appointed Tricia Kelly as the new superintendent for the school district during their monthly meeting on June 18th. By way of introduction to the community, Kelly shared a short bio with the *Idaho World*, “I am both honored and delighted to introduce myself as the new superintendent of Basin School District and to be part of this incredible school community! Being the principal at the MS/HS this year has been incredible and I have fallen in love with our students, staff, and community!”

“I grew up in Detroit, Michigan, and married a U.S. Marine. Throughout my life, I have experienced a variety of places and cultures, which has led my family on many exciting adventures.

“With 26 years of experience in education, I have had the privilege of serving as a teacher, mentor, and administrator across elementary, middle, and high schools. My educational journey includes earning my bachelor's, master's, and teaching certification from Califor-

nia State University, San Marcos, and obtaining an Educational Specialist Degree from Walden University.

“I am truly enthusiastic about the upcoming school year and eagerly look forward to becoming a part of this amazing community. Together, I hope we can foster an environment where our students will excel academically and personally. My goal is for our schools to be the shining light in the community, a place where everyone in Boise County wants their children to learn and grow. Let's build lasting memories as proud Wildcats!”

Community members would like to thank Mr. Brian Hu-

nicke for his devotion to the school through all its ups and downs, including the pandemic. Hunicke also spent many hours coaching a winning baseball team and secured additional grant funding, and we wish him the very best for his future endeavors in Washington State.

BOISE COUNTY -- Boise County Republicans were well represented by six elected voting delegates and one alternate at the 2024 Idaho GOP State Convention June 13, 14, 15, 2024 in Coeur d'Alene, Idaho. Voting delegates from Boise County were Thelma Medina, Dave Jakovac, Kirsten Kelling, Robert Miller, Jean Mollenkopf (Delegation Chair) and Steve Moore. Alternate was Sherry L. Crowell. Our delegation sat in on IDGOP education presentations on Duties of Precinct Committeeman, Duties of Financial Officers and Parliamentarian, as well as presentations by the Credentials, Platform and Rules and Resolutions Committees. Friday and Saturday mornings all delegates voted on the presented committee recommendations.

We heard nominations and speeches on Saturday afternoon from the nominators and nominated candidates. We voted on the proposed slate of IDGOP officers by secret ballot. Grassroots conservatives won the election and took every position by a sizeable vote margin. Our newly elected slate of officers at the helm of the Idaho Republican Party for the next two years are:

- Mark Fuller - 1st Vice Chair
- Viki Purdy - 2nd Vice Chair
- Maria Nate - Secretary

Tante Emma is Now Open

By Linda Ruppel, DDS
GARDEN VALLEY -- Stefani and Lars Johannson are making their dreams come true and are now the proud owners of Tante Emma, a new restaurant that opened on Monday, June 17th. Their restaurant and deli are currently open seven days a week, from noon until 8pm.

The couple settled in Garden Valley over a year and a half ago, and soon after started planning for the day when they could open their very own restaurant. Stefani has dual German-American citizenship and Lars is German and Austrian. Stefani said that in Bavaria, Germany, the name "Tante

Emma" means the corner store and they are very common there. It's not a franchised name, so the couple adopted the name and now serve German cuisine to the good people of Boise County.

Their deli restaurant is located in downtown Crouch on the boardwalk, complete with patio seating in the front, and a Biergarten in the back. Too hot or too cold, they invite patrons to feel free to sit inside, and they also offer takeout. Enjoy your selection from their German food and drink menu. I personally thoroughly enjoyed the freshly baked pretzel with three dipping sauces and a German soda.

Congratulations to Stefani and Lars Johannson on their newly opened German deli, Tante Emma, located in downtown Crouch.
