Snow School in Idaho City

2nd grade boys taking snow samples.

By Jamie Pilkerton, Basin Elementary Principal

BOISE BASIN -- On January 10th, teachers were trained by Winter Wildland Alliance facilitator Kerry McClay in snow science lessons which connected topics such as watersheds and water content with winter recreation. Each grade level K - 6 participates in outdoor learning days at the ICOE where they snowshoe, collect and measure snow samples, and learn more about our watershed, wildlife, and hydrology.

Kindergarten students gather to discuss watersheds.

Garden Valley's Future Cities Presentation

By Linda Ruppel, DDS

GARDEN VALLEY -- Last Wednesday evening (1-22-25) GV was treated to the presentations by the three GV Future City teams- Maritorus, Pacifica, and Edessa. Each team had seven minutes to give their presentation in costume, showcasing their models and accompanying graphics. Local "judges" were on hand to ask questions after each team was done. This year's theme was "Above the Current" with the models representing floating cities in the sea and oceans. Each team is given \$100 for materials (cash donated by Payette Forward and wood by Middlefork Trading Post) and recycled many donated items. The models are multistory and have a working part such as a fountain.

Several parents and volunteers helped guide the 6th, 7th, and 8th grade students to develop their 1500-word essays, models, and presentations, including some costumes. This program has been in Idaho for 21 years and was brought to GV eight years ago by Meghann Donley. GV has placed extremely well in both state and national competitions, winning numerous special awards.

The Idaho district competition was Saturday, Jan. 25th. Meghann Donley is turning over the reins for next year to Hannah Mitchell. The students have spent over 100

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

January 21, 2025
Present: Commissioners Clay Tucker, Bob Callahan (attended later in the meeting via phone), and Lindy Lindstrom
Pledge of Allegiance
MINUTES: None
IDAHO CITY SNOWMOBILE 8A: The group is seeking three grants with a match of 5%, which would require a \$4,000 match. Commissioner Lindstrom motioned to allow Idaho City Snowmobile 8A to pursue three new grants with “IDPR.”
CLERK: Clerk Mary Prisco explained that the county’s check printer went down for about a 2-week period, but has been repaired. It is no longer under warranty and she recommended getting a new one, “because there’s only one check printer in the whole county.” It would have a maintenance agreement with the cost of the printer of \$1,200. This matter was tabled.
Southwest Idaho Resource Conservation and Development Council provided correspondence and asked who would like to be on their board. Clerk Prisco said the dues had been paid and it was likely not time sensitive. The topic was tabled.
ROAD GRANTS: Commissioner Lindstrom discussed two possible grants that could benefit Banks Lowman Road and/or Arrowrock Road. Only 13 projects will be approved nationwide. Lindstrom expressed that the proposals had been successful in the past and then motioned to approve an engineering firm to prepare grant applications for up to \$3,000.
OFFICE MANAGER JOB DESCRIPTION: After much discussion, Lindstrom motioned to approve the office manager position for the Road Department as it is currently written. The topic was then tabled.
LETTER OF SUPPORT: Technical assistance from the Army Corps of Engineers was discussed regarding the fire burned near the Payette River. The Boise County Emergency Manager explained this was to determine hazards like mudslides, flooding, etc. He said other surrounding counties were also requesting this technical assistance. Lindstrom motioned to approve the letter of support and the motion carried.
TREASURER: Gina Turner said the county had been trying

ing to collect taxes and sell a mobile home for a sheriff’s auction for three years. It was abandoned, there are four years of taxes on it, and it has now collapsed. Lindstrom motioned to approve the tax cancellation in the amount of \$272.85. The motion carried.
TAX DEEDS: Treasurer Turner said there are currently 36 properties up for tax deeds and requested that the hearing date be placed on July 22nd. Lindstrom motioned to approve July 22nd as the date for the tax deed hearings. The motion carried.
LETTER TO ATTORNEY GENERAL: Prosecutor Alex Sosa recommended that the board go into executive session to discuss the matter under pending litigation. The board decided to take this up at the end of the meeting.
DRONES: Sheriff Scott Turner said that the Collins family reached out to him a few weeks ago and wanted to make another donation of \$15,000 so that the department could purchase drones with thermal cameras to help with search and rescue. This will allow the department to purchase two drones, extra batteries, and includes training. He said there are currently six people going through the drone license class. Commissioner Lindstrom commented, “I think this will be a gamechanger for search and rescue.” Sheriff Turner replied, “It will be huge for us. I mean, we could have already used them. There were times this winter.”
Lindstrom motioned to approve the sheriff’s request to purchase drones in the amount of \$14,997.98. Sheriff Turner added that the Collins family had recently given the department two donations, \$15,000 for the drones and \$10,000 for the K9 program. “They are extremely gracious people,” the sheriff said. “And support all of the emergency services in the county.” The commissioners agreed that the county was very lucky to have the Collins family in Boise County.
The motion carried.
PLANNING AND ZONING: The upper end of Daggett Creek Road and right-of-way was briefly discussed by Planning and Zoning Administrator Alex Gross. Lindstrom motioned to approve the Daggett Creek Road, road dedication acceptance. The motion carried.
FIRE MITIGATION: Lind-

strom motioned to approve the All-Hazards Mitigation Plan for Haven’s Solution contract. The motion carried.
MUTUAL ASSISTANCE AGREEMENT: Sheriff Turner explained that this was an agreement that was signed every year with the Idaho Department of Lands, and the fire departments within the county. “If we get stuck on a fire beyond our normal operating stuff or for anything else, we have the ability to get some money back and some other things with IDL.” Lindstrom motioned to approve the mutual assistance agreement with IDL and the motion carried.
MEMORANDUM OF UNDERSTANDING: There was discussion by the prosecutor about the Idaho Transportation Department and funds. Lindstrom motioned to approve road and bridge, ITD District 3, MOU. The motion carried.
SOLID WASTE BUDGET AMENDMENT: Clerk Prisco explained the budget amendments for noxious weeds and solid waste, regarding an employee that works both departments. Lindstrom motioned to approve the amendments, and the motions carried.
DESTROY RECORDS: Clerk Prisco presented a resolution to destroy certain records, including payroll records and timesheets. There are several boxes. Lindstrom said, “Unless somebody has a problem with getting rid of the early 90s?” He then made a motion to approve Resolution 2025-07, records for destruction – payroll clerk. The motion carried.
JUSTICE FUND: Commissioner Lindstrom motioned to approve Resolution 2025-09, justice fund for the Prosecuting Attorney budget amendment. The motion carried. Clerk Prisco said it was a “big one” for the new deputy prosecutor, “but also encompassed some changes that had been made internally with his current staff.”
RESOLUTION: Commissioner Lindstrom wanted to recognize the generosity of the Collins family on behalf of the community. He then motioned to approve Resolution 2025-10 for the drone and K9 donations budget amendment. The motion carried.
MASS GATHERING: The Race to Robie Creek was discussed.
Emergency Manager Jordan Jones reported that the Polar Bear Challenge had raised \$107,000, and he thanked the

commissioners for approving that mass gathering for the Make-a-Wish program. Chairman Tucker asked if Jones had jumped in the water and he replied, “No.” Tucker said, “Me either” and chuckled.
EAST BOISE COUNTY AMBULANCE DISTRICT: Director Mari Adams reported that the Collins family also made a donation of \$25,000 for repairs for their ambulances. The Lowman ambulance is in good condition, but has not been in the shop for any maintenance in over ten years, according to Adams. Lindstrom motioned to approve the district to work with Boise Emergency Vehicle Repair in the amount of \$17,000. The motion carried.
Alex Gross reported that Unit 14 should be back up and running by the end of the week. They are waiting on insurance currently for the Unit 15 ambulance. They may look into hiring a part-time driver.
EXECUTIVE SESSION: Chairman Tucker motioned to go into executive session to discuss pending litigation. [Time 10:06 am to 10:41 am] Coming back into session, Tucker said

there was no action required.
EXECUTIVE SESSION: Tucker then motioned to go back into executive session to discuss a personnel issue. [Time 10:41 am to 11:07 am] No action was required.
EXECUTIVE SESSION: Tucker motioned again to go into the closed session to discuss hiring an employee. [Time 11:08 am to 12:07 pm] No action was required.
EXECUTIVE SESSION: Tucker motioned to go into executive session to discuss a personnel issue. [Time 12:07 pm to 1:37 pm] No action was required.
Another executive session was tabled for two weeks. [The commissioners have training with the Idaho Association of Counties and will not hold a regular board meeting the following week.]
A special meeting was held on January 24, 2025. There would be two possible payroll additions for the road and bridge department.
Adjourned at 1:50 pm.

GARDEN VALLEY -- Results of the 21st Idaho Future City Competition at BSU resulted in a 2nd place win for the Garden Valley School's Future City Maritorus! Congratulations to the 1st place team from Sacred Heart Catholic School who will represent Idaho at the National Future City Finals in February in Washington, DC.

Meghann Donley, P.E. and Senior Project Manager, explained that, "Maritorus received 2nd place overall and Pacifica received the Best Project Plan / Outstanding

Project Management Award. The homeschool team, Edessa, were Champions of Sustainability: Best Waste Management Plan. Our overall scores placed us in 2nd, 3rd, and 4th place." She went on to say, "What I'm most proud of is how gracious our kids were in 2nd place and the comradery they've built with the 1st place team, Sacred Heart, over the past three years. Garden Valley should be very proud of these young adults, I know I am, they are going to go far in life. Please congratulate them on

another successful year!" Lynn Olson and Mariah Fowler, Idaho Regional Future City Co-Coordinator, wrote: "On behalf of the entire Idaho Future City Steering Committee, thanks again for encouraging these students, our future leaders and engineers, and helping students to see the role that engineering has in changing the world. With your support of the Future City program, you have helped to inspire the next generation."

On January 10th, teachers were trained by Winter Wildland Alliance facilitator Kerry McClay in snow science lessons which connected topics such as watersheds and water content with winter recreation.

Horseshoe Bend Basketball

By Tracy Koslosky
HORSESHOE BEND -- The Horseshoe Bend Mustang Basketball teams were at home for back-to-back games on Thursday, January 23 against the Tri-Valley Titans and Saturday, January 25 versus the Council Lumberjacks.

The Varsity Boy Mustangs lost both 1A DII Long Pin Conference games putting the team 1-13 overall and 1-6 in conference play for the season. The Varsity Lady Mustangs lost to B the Titans in conference play 32-50 and also fell to the Lumberjacks in non-conference play.

The Lady Mustangs are currently 3-11 overall and 1-6 in conference play for the season. Both teams went on the road Monday, January 27 with the girls traveling to Tri-Valley for another go at the Titans and the boys to Centennial Baptist to face off against the Mustangs.

Both teams are at home on Thursday, January 30 against the Cascade Ramblers in Long Pin conference match-ups (JV at 4:30, Lady Mustangs at 6:00, Varsity Mustangs at 7:30) and again on Friday, January 31 against conference rivals the Greenleaf Grizzlies (JV at 4:30, Lady Mustangs at 6:00, Varsity Mustangs at 7:30). The Grizzly game will mark the end of the regular season for the Lady Mustangs.

The Mustang boys will play one final regular season game on Tuesday, February 4 in Garden Valley against their Boise County rivals and fellow Long Pin Conference mates, the Wolverines (JV at 6:00, Varsity at 7:00). District playoffs will start on February 5th for the girls, and February 15 for the boys.

The Horseshoe Bend Boys Varsity basketball team fell to the Council Lumberjacks during conference play at home on Saturday, January 25.

The Horseshoe Bend Lady Mustangs took a loss in a non-conference game at home on Saturday, January 25 against the Council Lumberjacks.

The Horseshoe Bend Boys Junior Varsity team came up short against the Council Lumberjacks in a conference game at home on Saturday, January 25. The team will compete in the 1A DII Long Pin Conference District tournament beginning February 8.

GARDEN VALLEY -- I cannot begin without first say-ing thanks to our wonderfully efficient board and group of volunteers. What I am about to share with you could never have been accomplished with-out your hard work and dedica-tion.

In 2024, money grants have been awarded to the local schoolteachers and coaches (\$32,450), GV Fire Sta-tion (\$18,149), GV Library (\$1,300), Community Church Ball field (\$1000), Lowman Fire District (\$1,117), GV Senior Center (\$7,500), GV Chamber of Commerce (\$4,500), Christ-mas Wish Tree (\$1000), and the local food banks (\$7,000). And, during times of crisis, Payette Forward helps individual fami-lies in need.

2024 was a year of great pos-itive change for our little shop. Chris Clark and Edie Nelson

were elected to the Board. Phil Arnold was elected president; Pauline Paxton remains as secretary, and Janet Watson as treasurer.

We are proud of this year's accomplishments. They are:

- (1) Added 4 new volunteers
- (2) Trained 2 new cashiers
- (3) Successfully passed a building fire inspection
- (4) Bought new movable clothing racks.
- (5) Transitioned from a CPA to a bookkeeper.
- (6) Our operating costs came in UNDER budget
- (7) Our sales exceeded our budget
- (8) Established a growth fund CD with monthly contri-butions.
- (9) Established a new Face-book page.
- (10) Kept over 27,000 pounds of goods out of the landfill through partnership with EcoWorld.
- (11) Developed a new way

to track consignment sales.

(12) Celebrated Christmas with a luncheon at Terrace Lakes. We also gave volunteers their choice of either a Christ-mas ham or turkey.

(13) Installed new smoke and carbon monoxide detec-tors.

(14) Established a new guideline for gift certificates.

(15) Gave a tour of our facil-ities to the GV school art class.

(16) Finally, and most im-portantly, we have awarded over \$74,000 in funding for groups in our community!

None of this would ever have been possible without our team here having the strong be-lief in the goodness of what we are doing for our community. I have no doubt we will continue fulfilling Ruth's dream of pro-viding for those people and or-ganizations in our community who are in financial need.

Payette Forward volunteers receive used goods, provide inexpensive items to the communiti, and have been able to award money grants to many organizations. Photo courtesy of Phil Arnold

Garden Valley HS Honors Dylan Bass

Joel LaFleur emceeing the Dylan Bass dedication. Photos by Linda Ruppel, DDS

GARDEN VALLEY – On Saturday (1-25-25), GV School District took time between the boys and girls varsity games to recognize and remember Dylan Bass who passed away last October. Linda, Shawna, and Jeff were on hand to hear the wonderful comments from Coach Joel LaFleur and receive hugs from the girls and boys teams. #44 was Dylan's number (now worn by Trevor Corn) and Dylan is remembered as "THE KING OF THE BOARDS."
