## Idaho State Police Investigating Two-Vehicle Crash on Hwy 55

**BOISE COUNTY** -- A two-vehicle injury crash occurred on Sunday, June 15, 2025, at 8:13 PM on northbound State Highway 55 near milepost 76.7.

According to Idaho State Police, a 32-year-old male from Hamilton, Montana was traveling southbound in a 2012 Chevy Silverado when he crossed the center line, colliding head-on with a 2023 Harley Davidson FLH Series motorcycle traveling northbound.

The motorcycle was carrying a 46-year-old male driver from Troy, Montana, and a 38-year-old female passenger from Elko, Nevada. The force of the impact separated both riders from the motorcycle, leaving them in the middle of the roadway. The Chevy Silverado came to a stop on the right side of the highway.

Emergency responders transported the female passenger via air ambulance to a nearby hospital, while the motorcycle driver was taken by ground ambulance. Both were wearing helmets at the time of the crash. The Chevy driver, who was wearing a seatbelt, did not require transportation.

Authorities closed all lanes of travel for approximately four hours to provide emergency assistance. The Idaho State Police continue to investigate the incident.

Boise County Sheriff Scott Turner said that this accident was turned over to the Idaho State Police. This photo was taken of another motorcycle accident, which occurred at the end of April 2025. *Photo by Eileen Capson*

BOISE COUNTY

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

**June 10, 2025**  
**Present:** Commissioners Clay Tucker, Bob Callahan and Lindy Lindstrom.  
**Pledge of Allegiance**  
**CONSTITUENT INPUT:** None  
**GRANT OPPORTUNITIES:** Davy Robinson spoke about highly competitive grants that open for application in October or January. He would like to build costs and history about this county. He spoke about risk and reward. Hiring a grant writer was discussed.  
**MINUTES:** Commissioner Lindstrom motioned to approve the minutes from 5-27-2025 and the motion carried. He then motioned to approve the 6-3-2025 and 6-5-2025 special meeting. The motions carried.  
**SOLID WASTE:** A proposed fee increase was discussed. A representative from the solid waste department stated, "Because we do have a problem. It's losing money." Currently, two tires are free for disposal, with a charge for additional tires, but the department is proposing that each tire cost \$3 to dispose of and \$5 for the wheel. Large truck tires would be \$20, or \$30 with the wheel. The representative added that, "People aren't going to like it, but then they'll get used to it." Furniture is \$5, but the department is interested in bumping it to \$10. Extraordinarily large items will be considered and may be charged by weight. Refrigerators and freezers were "right in the ballpark" for the cost to empty the freon, so their price will remain the same at \$20. Lately, there has been more land debris than the Garden Valley brush pit is equipped to handle. There are quite a few stumps that cannot be burned. DEQ will eventually disallow burning. There was also a big concern about home contrac-

tors dumping at the county sites and ways to encourage contractors to haul debris elsewhere for landfill, not a county transfer station. Increasing the fee per ton was also discussed. "We can't be bleeding money for the county. Unfortunately, the residents are the folks that are going to have to help us out here," the representative from solid waste said. "We lost over \$100,000 in 2024."  
Holding a public hearing for the fee increases was discussed for a future date.  
**AVIMOR:** Commissioner Lindstrom motioned to approve the Avimor Judge Subdivision Board signature, "accepting dedication of roads." All were in favor and the motion carried.  
**TRAIL CREEK SUBDIVISION:** Planning and Zoning's Alex Gross explained that a few adjustments were made to the plat for the subdivision, and therefore the subdivision needed a signature by the board. Commissioner Lindstrom motioned to amend the plat of Trail Creek Meadows #1 for the board's signature.  
**PUBLIC HEARING:** Chairman Tucker called the hearing to order to discuss forming a new subdivision. Shoshone subdivision, which means "white elk," would be located off of Severance Road in Garden Valley. Improvements were made to the road so that gravel can be added. Boise County Sheriff Scott Turner submitted a letter concerning additional water storage of 5,000 for the new subdivision to help with fire suppression. There was no other public response. Planning and zoning recommended conditions of approval. The conditions were reviewed by the board and Commissioner Lindstrom motioned to approve the conditions of approval except for one condition.  
**ROAD AND BRIDGE:** Hiring an admin assistant for a few days of the week was dis-

cussed. The issue will be tabled until next week.  
**EMERGENCY TRAINING:** Sheriff Turner explained that grant money would be used for this extensive training for his department and all the fire departments. It would be a weekend training, utilizing evacuation mapping. Sheriff Turner said it was important training and something they had never done before. He added, "We're trying to get all of the emergency responses in the county on the same wavelength, because from last year, it's not a question of if, it's a matter of when. And with the potential fire season looking like it's going to be this year, again, we're just trying to be as prepared as we can be." This training would occur on the 21<sup>st</sup> and 22<sup>nd</sup> of June. Commissioner Lindstrom motioned to purchase mass evacuation exercise training through a company in the amount of \$7,500. All were in favor and the motion carried. The sheriff confided that class normally costs that amount per a person, and Boise County will be able to have over twenty people attend for that total amount cost.  
**FORESTER:** Commissioner Lindstrom motioned to approve the roadside mastication contract, access agreement with the Wilderness Ranch Homeowners Association. All were in favor and the motion carried.  
Terrace Lakes and Lowman Chipper Days were discussed. Commissioner Lindstrom motioned to approve the Good Neighbor Agreement Chipper Days Contract. The motion carried.  
**CHECK PRINTER:** Clerk Mary Prisco said that the check printer that was previously approved in February has experienced some issues that needed to be fixed. Lindstrom motioned to approve a contract with a company for a new check printer in the amount of \$1,260. The motion carried.  
**WEEDS:** Lindstrom motioned to approve the FY2026 USFS agreement for weed management [in the burned areas] in the amount of \$32,228 and the motion carried.  
The Idaho Transportation Department also approves funds for killing weeds. An individual from the Weeds Department said, "We have not historically spent all that money, because our highways are becoming so busy that it is dangerous to be out there. And

the state is equipped with these big vehicles that drive behind their spray rigs, so if something hits them, they hit that instead of the spray rig. So, we're out there, we are trying to be cautious on days that are low traffic, early mornings, that type of thing." Commissioner Lindstrom motioned to approve the noxious weeds agreement with ITD in the amount of \$5,100 and the motion carried.  
**CLAIMS APPROVAL REPORT:** There were no further questions, so Lindstrom motioned to approve the claims approval report in the amount of \$85,052.62. The motion carried.  
**ADA COUNTY HIGHWAY DISTRICT:** Commissioner Lindstrom motioned to approve the demand warrant to Ada County Highway District in the amount of \$33,000 for a Kenworth 2012 asphalt patcher truck and a 2009 international water truck. All were in favor and the motion carried.  
**CLERK:** A motion was said to make a payment to the "postal reserve" in the amount of \$2,000 and the motion carried.  
**EAST BOISE COUNTY**

**AMBULANCE DISTRICT:** A grant and contract for the Barney Box was discussed by Mari Adams. Commissioner Lindstrom motioned to approve the MOU for the Barney Boxes. The motion carried.  
The Jack Pine Rodeo was discussed and there was an agreement contract presented. Lindstrom motioned to approve the agreement to provide ambulance services to the Jack Pine Roundup. The motion carried.  
**EXECUTIVE SESSION:** Called by Boise County Prosecutor Alex Sosa for pending litigation, Chairman Tucker motioned to go into a closed executive session. [Time 11:09am to 12:15pm] Coming back into session, no action was required.  
**EXECUTIVE SESSION:** Prosecutor Sosa explained that there was a second executive session for risk management. Lindstrom motioned to go into executive session to discuss risk management and to hire an employee. [Time 12:16pm to 12:37pm] No action was required.  
Adjourned at 12:49pm.

Fire Danger is Rising as Summer Sets with Warmer Days

**BOISE COUNTY** — Fire season is ramping up in Idaho, and on Thursday, June 12, a wildfire—referred to as the Goose Creek Fire—was spotted near Crouch and Garden Valley. Multiple helicopters equipped with water buckets were seen working the area throughout the afternoon, responding swiftly to the blaze.

Given the timing and recent lightning storms, officials believe the fire was likely caused by a lightning strike, though the exact cause remains under investigation.

For those tracking wildfire activity, the Idaho Fire Map from the Department of Lands provides real-time updates on all reported wildfires across the state, including smaller incidents that may not appear on national platforms. It's a valuable tool for staying informed as fire season intensifies. Stay alert and safe out there.

## Adult Softball in Garden Valley

**GV Adult Softball Highlights: Zip Joy Shines, Tante Emma Forfeits, and Mel's Mud Rolls On**

**Garden Valley, ID**— The GV Adult Softball League brought fans another week of high-energy games and stand-out performances.

On Thursday, June 12 at 5:45 PM, spectators were treated to an intense showdown as Zip Joy (light blue) edged out Fair-n-Square (stars and stripes) in a thrilling 12-11 game. The lead

seesawed throughout, keeping fans on the edge of their seats until the final out.

Unfortunately, the 7:30 PM game saw Tante Emma (light grey) forfeit to Payette River Landscaping due to a shortage of players—a disappointing turn after an exciting first matchup.

Earlier in the week, on Monday, June 9, Zip Joy delivered a commanding 24-3 win against Mtn Getaway (olive green) in the 7:30 PM game, showcasing

both offensive depth and solid defense. In the 5:45 PM game that same evening, Mel's Mud (hunter green and tan) rolled past Tante Emma with a strong 17-6 victory.

With fierce rivalries and electrifying plays continuing week after week, the GV Adult Softball League promises more action and fun as the season rolls on. Stay tuned for the next round of matchups!

More About Idaho  
Idaho History 1800 to Present ~ By Skip Myers

Rocky Bar, Idaho

Rocky Bar is a ghost town in Elmore County, Idaho, United States. At its height in the late 19th century, Rocky Bar boasted a population of over 2,500 and served as county seat of Alturas County from 1864 to 1882. It was also the original county seat of Elmore County when it was created in 1889.

Rocky Bar was founded in December 1863, soon after gold was discovered along the nearby Feather River. Within two years, it became the main settlement in the area and was even considered as a possible capital for Idaho Territory. The town was destroyed by fire in 1892. Although it was rebuilt, afterwards it began a slow decline. Rocky Bar has not had a permanent population since the 1960s.

Rocky Bar is located 62 miles northeast of Mountain Home.

A large group of men and children are posed in front of the store. A commercial wagon and horses were standing on the street. The wooden building features a prominent second floor balcony. Rocky Bar in Idaho was the oldest Mining Camp in the State.

GVCA's Annual Art & Chocolate Auction, a Rich Success

**GARDEN VALLEY** -- On the evening of Saturday, June 14, the Garden Valley Center for the Arts (GVCA) hosted its beloved Art and Chocolate Auction at the GV Senior Center, drawing a cheerful crowd eager to support local creativity and culture.

Guests were treated to an elegant mix of original artwork and decadent chocolate confections, bidding on a variety of pieces while enjoying the sweet atmosphere. In addition to the auction, attendees had the chance to win prizes through a lively raffle drawing, adding extra excitement to the evening.

The event, which has become a highlight on the local calendar, was once again a successful fundraiser for the GV Center for the Arts, helping to sustain its mission of promoting and celebrating the arts in Garden Valley. With its winning combination of beauty, flavor, and generosity, the evening left attendees full of inspiration—and maybe just a bit of chocolate.

BOISE COUNTY -- The Abbott Family Tragedy: Gunfire and Grief  
In the early 1870s of Idaho, Asa Abbott sat on the school board as a respected man with

heavy responsibilities. One of those was came with the decision to hire David Hannor, a new teacher in town. Along with the job came room and board at Asa’s home—an arrangement that would set in motion a chain of heartbreak and violence.  
Hannor soon made unwanted advances toward Asa’s eldest daughter, Laura—just 13 years old. Outraged and protective, Asa immediately dismissed him. Then, fearing further danger, he sent his children to Missouri to live and study with their grandparents.  
But Hannor wasn’t done. That same year, Hannor sought the position of school superintendent at the convention in Centerville. Asa, de-

termined to stop him, delivered a blistering statement: “First, he is an educated fool. Second, his heart is as black as the ace of spades. And third, he is not competent for the position.”  
Hannor was denied. Furious, he threatened Asa, vowing to “put daylight” through him unless he offered a public apology.  
On June 26, 1870, tragedy struck. Asa, his brother William, and a hired hand named Lloyd Curlin rode into Placerville for supplies. Hannor was waiting. He confronted Asa immediately. Tensions escalated. William tried to intervene, but harsh words flew like sparks in dry grass.  
Hannor reached for his weap-

on—a monstrous pistol with nine shots and a shotgun barrel in the center—but it jammed. Asa drew and fired first but missed. Then came a barrage of gunfire. When the smoke cleared, Hannor and William lay dead in the dusty street.  
Authorities arrested Asa and Lloyd Curlin. The charge: murder. The trials that followed captivated the territory. The first ended in a hung jury. But the second brought relief—Asa and Lloyd were acquitted on the grounds of self-defense.  
The cost, though, was unbearable.

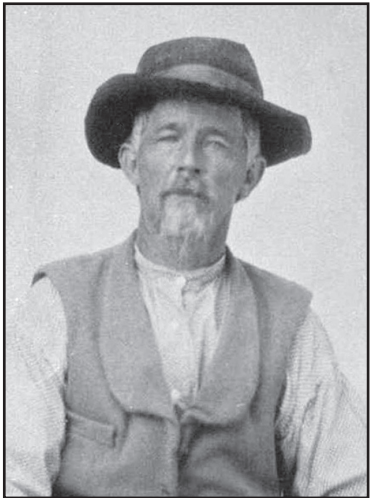

Anna Maria Shelby Abbott Spooner (1833-1926)

In July, William’s brother George, acting as executor, sold off William’s ranch to James Hoey for \$1,500. That included the house, all tools and machinery, and shares in the vital Toll Road and the Alder Creek water ditch that the brothers had built together.  
By October, a broken Asa sold his own 1,000-acre ranch—house, titles, crops, water rights, ditches, and road interests—to his younger brother David and David’s wife Susan for \$10,850. Unable to bear the weight of having killed his brother—even in self-defense—and the chaos Hannor

had brought to his family, Asa packed up his wife Anna and their children. Taking only four mules, he left Idaho behind for Texas.  
Two years later, David and Susan sold the land—”The Abbott Ranch”—for just \$3,300. They kept the water and Toll Road rights and returned to Savannah, Missouri, with a new daughter they named “Idaho.”  
Then came the final blow. In January 1873, news traveled north: Asa had taken his own life in Denison, Texas. The tragedy had never left him. Grief had been his final frontier.  
Anna returned to Idaho with the children—her third crossing of the plains. That December, she remarried. Her new husband, a widower named Asa Crapo Spooner, brought a second chance. Together, they moved to the Wood River, trying to rebuild a life haunted by gunfire, grief, and ghosted dreams.

# BE WILDFIRE READY

Every summer, wildfires can threaten our homes, farms, businesses, and forests. They can also cause power outages.

In extreme circumstances, Idaho Power might temporarily shut off power as a last resort in some areas to keep our customers, employees, equipment, and the public safe.

**Here are some tips for staying safe in a wildfire-related outage:**

**Update** your contact information at [idahopower.com/contactupdate](https://idahopower.com/contactupdate).

**Prepare** for medical needs like refrigerated medicine or electrically powered medical equipment. Identify emergency service providers who can help you in an outage, and make sure you have reliable transportation to them. Build a summer outage kit with water, non-perishable food, batteries, and other supplies. Visit [idahopower.com/wildfire](https://idahopower.com/wildfire) for more.

**Make a plan** for feeding and watering pets and livestock in case power to your well pump goes out.
