

Flash Floods Devastate Grandjean Area; Campground Destroyed, Highway Closed

EAST BOISE COUNTY – The Boise County Sheriff’s Office announced on July 24 that the Grandjean Hiker Trailhead and Campground had been closed after severe flash floods swept through the northeast side of the county. Much of the area burned in the 2024 Wapiti Fire, leaving slopes vulnerable to mudslides that have now reshaped the landscape.

The U.S. Forest Service reported on July 23 that debris flows had rendered the campground and trailhead inaccessible and unsafe “for the foreseeable future.” Sawtooth Lodge remains accessible and is currently the safest turnaround point for vehicles.

Highway 21 Closure and Massive Mudslide

On July 23, State Highway 21 was closed from Grandjean to Banner Summit after a major mudslide covered the roadway. Crews assessed the slide at first light and brought in heavy equipment, expecting the closure to last about a week. Despite clear signage and reader boards, road crews turned around roughly 300 vehicles per day as people attempted to bypass the closure.

Boise County Sheriff Scott Turner said the destruction was unlike anything he had seen. “I don’t even know where all those rocks came from,” he said. What had been a beautiful campground was transformed into a torrent of mud, boulders, and debris. Vehicles were wrapped around trees, buried in mud up to their windows, and carried hundreds—sometimes a thousand—yards downhill.

Hikers returning from the Sawtooth Mountains found

themselves stranded with no way out. Several were emotionally distraught, and Sheriff Turner reassured them, “We’re here for you.”

Boise County Search and Rescue used the Sheriff’s Office transport van to evacuate stranded visitors to Boise. Over several days, they transported 14 people on Thursday, 12 more on Friday, and 5 on Sunday, with others arranging their own rides.

Sawtooth Lodge Steps Up

Sheriff Turner praised Sawtooth Lodge for sheltering and feeding stranded hikers on the night of July 22. “How they didn’t lose a cabin is beyond me,” Sheriff Turner said, noting the slide came right up against the back of the lodge’s cabins.

Among those stranded were:

- Ten college students and two instructors from Virginia, hiking for nine days
- A family with two children from Washington
- A couple from Hailey with their dog
- Two individuals in their seventies
- Visitors from New Mexico, North Dakota, Colorado, and other states

A pickup truck was found torn apart, and every vehicle parked at the trailhead was swept down toward the river.

A Narrow Escape

Sheriff Turner emphasized that if the campground had been open, fatalities were almost certain. Thirteen cars were parked at the trailhead only because the campground was already closed. Even the camp host narrowly escaped by clinging to a tree as debris rushed toward him.

The campground itself is “totally unrecognizable,” Turner said. One concrete vault toilet was ripped from the ground, and the Forest Service is unsure whether the campground can ever be restored.

The destruction is comparable only to the 1996 Banks-Lowman flood, Sheriff Turner

noted.

Ongoing Work and Emergency Declaration

The Forest Service and road crews continue working to re-establish the creek, trails, and roadway. Canyon Creek is currently running down the wrong side of the highway, and engineers are developing a plan to

redirect it.

Boise County remains under an Emergency Declaration due to the Claremont Fire.

State Highway 21 reopened on Tuesday, July 28, after emergency crews cleared the mudslide and stabilized the area. The campground, however, remains closed indefinitely.

A flash flood on the evening of July 22 brought heavy rain to the Grandjean area for about an hour. Sheriff Turner recounted, "And boom, all hell broke loose. You would never know there was a campground there now." Photos courtesy of BCSO

BOISE COUNTY COMMISSIONERS

Transcribed by Eileen Capson

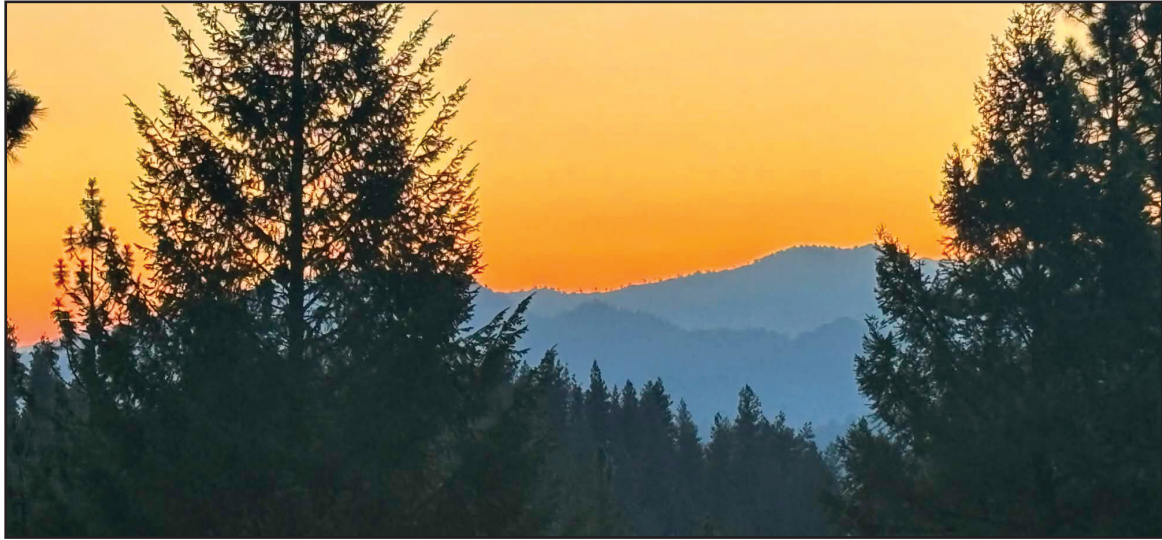

July 21, 2026
Present: Commissioners Clay Tucker and Lindy Lindstrom
Absent: Commissioner Bob Callahan
Pledge of Allegiance
CONSTITUENT INPUT: None
MINUTES: Commissioner Lindstrom motioned to approve the minutes for July 7th, and the motion carried. The July 8th meeting minutes were tabled because Lindstrom was not present. A motion was said to approve the minutes from July 14th, 2026, and the motion carried.
TREASURER: Tax delinquent parcels will be sold on September 25, 2027. Chairman Tucker asked how the properties “get to this point.” Treasurer Gina Turner recounted that the process begins in August, when they start sending letters, certified mail, and publish it in the newspaper. There’s also a title search done to try and find these people. Two of the individuals are de-

ceased. There are fifteen properties. Treasurer Turner advised the board to take the parcels into Boise County’s name, taking tax deed on the properties to sell them in 2027. Chairman Tucker asked if there had ever been this many, and Turner said that in her first year working in this office, there were 147 parcels. Tucker admitted, “That’s rough.” Turner replied, “So, fifteen is good!” Commissioner Lindstrom motioned to take the deeds as of this date and the parcels will be sold at auction in 2027. A motion was said for each parcel and approved to sell at auction.
PAYOUT FOR EMPLOYEES: Clerk Mary Prisco spoke regarding paying out on employees that have exceeded a 100-hour threshold for comp time. Lindstrom motioned to pay out all employees that are over 100 hours of comp time, down to 100 hours of comp time. The motion carried.
PLANNING & ZONING: Lindstrom motioned to approve

the final signature for the North Shore minor subdivision and the motion carried.
PROSECUTOR: A grant was discussed for victim advocates. Lindstrom motioned for the grant acceptance in the amount of \$69,757 and the motion carried.
SHERIFF: Sheriff Scott Turner explained the grant that would cover additional costs to the department, should they need to fight fires beyond the normal time limits. This grant would also assist with campground patrols and backcountry patrols, which is paid overtime. This is an annual contract with the U.S. Forest Service. Lindstrom motioned to approve the USFS grant modification in the total amount of \$12,680. The motion carried.
JUVENILE CORRECTIONS: Lindstrom motioned to approve the tobacco tax funding agreement in the amount of \$20,000. He then motioned to approve similar agreements in the amount of \$6,791. The mo-

tions carried.
COMPUTER ARTS AGREEMENT: Clerk Prisco discussed the updated agreement for maintenance and support. The county will be migrating over to the State Tax Commission software but will still need to have the Computer Arts software for 2027. Lindstrom motioned to approve the Computer Arts FY 2027 agreement update with the total annual software license of \$85,674.06. The motion carried.
SQUAW CREEK SOIL CONSERVATION DISTRICT: Clerk Prisco reported that the county gives every year to the district and the amount is unchanging, which is budgeted each year. Lindstrom motioned to approve the Squaw Creek Soil Conservation District funding request for FY 2027, in the amount of \$2,850. The motion carried.
DEMAND WARRANT: Lindstrom motioned to approve a demand warrant to Snake River Security in the amount of \$3,800.87 and the motion carried. He then made a motion to cover the cost of the ditch clean-out on the Banks

Lowman Road for flaggers and signage in the amount of \$3,122.58. The motion carried. A motion to approve a demand warrant to Air St. Luke’s in the amount of \$55 for a new employee was raised, and the motion carried.
EXECUTIVE SESSION: A motion was said to go into a closed session to discuss a personnel issue and risk management. [Time 9:48 to 11:46am] Coming back into session, Chairman Tucker said, “We have lots of personnel discussion and risk management, but I don’t think there’s any action though.”
FUTURE AGENDAS: Clerk Prisco said there would be a presentation by Central District Health the following week, and then the clerk will present the Budget Officer budget and presentation. The board is considering meeting on Wednesday, July 29th. A representative from the Army Corps of Engineers is expected to meet with the board on August 11th to discuss Lucky Peak Dam and lake. August 4th is the Boise County budget publication discussion.
Adjourned at 11:53am.

The smoke has intensified over the past week, drifting in from Oregon and other fires nearby. There is an Air Quality Advisory in effect for Boise County and open burning is currently prohibited due to the "very unhealthy" air quality.

Garden Valley Saturday Market Offers a Delightful Summer Morning Outing

GARDEN VALLEY – If you haven't made it out to the Garden Valley Saturday Market, you really should. Held every Saturday from Memorial Day through Labor Day, the market runs 10 a.m. to 2 p.m. in James Castle Park in Crouch. Arriving early makes parking easier and offers cooler temperatures, and the park's shady trees help keep the heat at bay.

Idaho World photographer Linda Ruppel said she enjoyed browsing the displays and catching up with friends. She couldn't resist Shannon Tribble's White Chocolate Scones and a glass of lemonade from Garden Valley Lavender Farm.

Local author Rod McFain showcased his new book, while Ralph Foote displayed his rock and fossil collection. Visitors found custom jewelry, belt buckles, barrettes, knitted slippers and hats, and even handcrafted mandolins — complete with a music recital.

Shoppers sampled local honey and wildflower honey, browsed jellies, trail mix, sugar scrubs, unique chandeliers, and more.

Ruppel summed it up simply: a delightful way to spend a summer morning — and well worth the visit.

A fire camp was at the Idaho City airport last week, but has since consolidated and moved to the U.S. Forest Service Tree Farm along Highway 21. The team has downgraded as the Claremont Fire becomes less of a threat. Scooper planes have been skimming over the surface of Lucky Peak Reservoir to release water over the hot spots of the fire and increase containment. As of July 24th, there were 286 personnel, 6 crews, 8 aircraft, and 5 engines assigned as resources to the 6,606 acre fire that spread up from Boise on July 6th and threatened homes in the Robie Creek area. The fire containment was at 85% as of Tuesday, July 28th.

LEGAL NOTICES

NOTICE OF FORECLOSURE SALE OF TRANSFERABLE LLC INTEREST OF COMPANY HOLDING PRODUCTION ROYALTY IN QUARTZBURG MINING DISTRICT

NOTICE IS HEREBY GIVEN that pursuant to the **Order Granting Motion to Foreclose on Charging Order Lien and Order Authorizing Sale of Defendant Donald E. Miller’s Transferable Interest in Millerton Legacy, LLC**, entered August 26, 2025, in the District Court of the Fourth Judicial District of the State of Idaho, in and for Ada County, Idaho, Case No. **CV01-23-12018**, Andrew E. Hawes, Judgment Creditor and foreclosing party, will sell at public auction all transferable interest of Donald E. Miller in Millerton Legacy, LLC, an Idaho limited liability company. Donald E. Miller purports to own a 90% interest in the company. The sale is being conducted to satisfy the charging order lien securing the judgment in favor of Andrew E. Hawes and against Donald E. Miller in the amount of **\$188,294.08**, plus accrued interest at 5%, costs, attorney fees, and any other amounts allowed by law or court order. The sale will be held on **September 3, 2026, at 10:00 a.m. Mountain Time**, at the **front steps of the Ada County Courthouse, 200 W. Front Street, Boise, Idaho 83702**. The sale may be postponed, continued, or adjourned to a later date, time, and place by public announcement made at the scheduled sale. The property being sold is **not real property**. The sale is limited solely to the transferable interest of Donald E. Miller in Millerton Legacy, LLC, subject to the Operating Agreement of Millerton Legacy, LLC, the Idaho Limited Liability Company Act, the Court’s foreclosure order, and all other applicable law. The purchaser shall acquire only such economic rights and other rights, if any, as are transferable under applicable law and the Operating Agreement, and shall not acquire any greater rights than those held by Donald E. Miller. Millerton Legacy, LLC is identified as owner of rights associated with the **Deed of Royalty Quartzburg Mining District**, recorded as Instrument No. **237870** in the official records of Boise County, Idaho, on December 28, 2012, involving a production royalty on certain patented and unpatented mining claims and other real property interests located in Boise County, Idaho, including **19 patented mining claims located in Sections 3, 9, and 10, Township 7 North, Range 4 East, Boise Meridian, Boise County, Idaho**, all as more particularly described in the recorded Deed of Royalty. This reference is provided for informational purposes only; the sale is only of Donald E. Miller’s transferable interest in Millerton Legacy, LLC and is not a direct sale of the Deed of Royalty, any mining claim, mineral estate, royalty deed, or real property. Bids may be made in an amount less than the total judgment amount. Bidders other than the Judgment Creditor exercising a credit bid must present, before bidding, an original cashier’s check issued by a federally insured financial institution and made payable to **Andrew E. Hawes** in an amount equal to or greater than the bidder’s intended maximum bid. The Judgment Creditor reserves the right to enter a credit bid, in whole or in part, up to the amount of the judgment, accrued interest,

costs, attorney fees, and any other amounts allowed by law or court order. The transferable interest is sold **“as is, where is, with all faults,”** without representation or warranty of any kind, express or implied, including as to ownership percentage, value, title, transferability, company records, company assets, royalty income, mining claims, mineral rights, tax consequences, membership status, or any other matter. Prospective bidders are solely responsible for their own due diligence before bidding. **CONTACT INFORMATION FOR INQUIRIES:** Inquiries regarding the sale may be directed to **Andrew E. Hawes** by telephone at **(208) 391-9979** or by email at **andyhawes10@outlook.com**. DATED this 5 day of July, 2026. **ANDREW E. HAWES** Judgment Creditor and Foreclosing Party 1201 W. WRFPD Hosts Community Preparedness Event

EAST BOISE COUNTY – The Wilderness Ranch Fire Protection District held a community preparedness event and fundraiser on Saturday, July 25 at the Osprey subdivision park, bringing together several key agencies for a day focused on safety, education, and readiness.

From Idaho Power to the U.S. Forest Service, agencies provided flyers, demonstrations, and hands-on activities. Residents could refresh fire extinguishers for free, browse local artisan booths, enjoy street tacos, or let children cool off on an inflatable waterslide — even a few dogs joined in on the hot summer afternoon. Emergency training stations included mechanical CPR dummies, and

attendees could sign up for local alert systems or update their information.

Because the area lacks cell service, organizers even provided a temporary internet boost so visitors could access their phones and complete registrations.

WRFPD Chief Colton McCarthy proudly showcased the district's new yellow fire engine and utility truck. He shared that a new brush truck is on the way and that plans are underway to expand Fire Station #1 in Wilderness Ranch. The newer trucks require larger bays, and the district hopes to update older aspects of the building, including converting an existing bay into utility storage and a changing room.

There has also been early discussion about a potential consolidation between the Robie Creek Fire Protection District and Wilderness Ranch FPD. The idea is still in its initial stages, but leaders plan to present information to the public and hold future community meetings.

Idaho State Fire Marshal Knute Sandahl, who is three years from retirement, noted that although the total number of fires last year was similar to previous seasons, far fewer acres burned. He credited quick responses from rural fire departments, which often stop fires before they gain momentum and before larger agencies like IDL or the Forest Service arrive.

Needed wildfire protection service for homes and property.

Lucky Peak Reservoir Drawdown Begins Early

EAST BOISE COUNTY -- Lucky Peak Reservoir will begin its seasonal drawdown the week of Aug. 10, about a week earlier than usual due to this year's early snowmelt. The Boise River system is roughly 74% full, and Arrowrock Reservoir is expected to hit its seasonal minimum in mid-August. Once that happens, Lucky Peak will start dropping toward its winter elevation of 2,945 feet, generally at about 2 feet per day, though timing may shift with irrigation demand and weather.

Flows in the Boise River are not expected to increase, since Lucky Peak's releases are con-

trolled by Arrowrock Dam. Visitors should expect reduced boat-ramp access and changing recreation conditions as water levels fall. The three-reservoir system continues to manage

flood risk, irrigation storage, hydropower and recreation across southwest Idaho. Operational updates will be provided as conditions change.

Summer Family Fun Day Brings Basin Families Together

EAST BOISE COUNTY -- On July 23, Basin Elementary hosted its Summer Family Fun Day at the Osprey Meadow Common Area, bringing together approximately 85 students, parents, and community members for a day of fun, connection, and learning.

Families enjoyed a variety of activities including a water slide, bounce house, yard games, face painting, food, and refreshments while students had the opportunity to reconnect with classmates before the start of the new school year.

In addition to providing a fun summer gathering, the event gave district staff the opportunity to share information about Basin's Beyond the Bell after-school program and the district's Early Childhood programs, helping families learn more about opportunities available to children throughout the

school year.

The event was made possible through funding from the Basin Beyond the Bell Grant and the district's Early Childhood grants, which continue to support family engagement and expanded learning opportunities for students.

"We were excited to see so many families come together," said Principal Jamie Pilkerton. "Events like this help strengthen relationships between our students, families, and school while providing an opportunity to share information about the programs available to support our students throughout the year."

Basin Elementary extends its appreciation to the staff, volunteers, and families who helped make the event a success and looks forward to another great school year together.
